In the event that any discrepancy exists, the Trustee, the Issuer, and the Portfolio Manager shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days after notification of such discrepancy cause the Independent accountants appointed by the Issuer pursuant to Section 10.8 to review such Valuation Report and the Trustee's records to determine the cause of such discrepancy. If such review reveals an error in the Valuation Report or the Trustee's records, the Valuation Report or the Trustee's records shall be revised accordingly and, as so revised, shall be used in making all calculations pursuant to this Indenture and notice of any error in the Valuation Report shall be sent as soon as practicable by the Issuer to all recipients of such report. (c) *Failure to Provide Accounting.* If the Trustee shall not have received any accounting provided for in Section 10.6(b) on the first Business Day after the date on which the accounting is due to the Trustee, the Trustee shall notify the Issuer and the Portfolio Manager, and the Portfolio Manager shall use all reasonable efforts to cause the accounting to be made by the applicable Payment Date. To the extent the Trustee is required to provide any information or reports pursuant to this Section 10.6 as a result of the failure of the Issuer (or anyone acting on the Issuer's behalf) to provide the information or reports, the Trustee may retain an Independent certified public accountant in connection therewith and the reasonable costs incurred by the Trustee for the Independent certified public accountant shall be reimbursed pursuant to Section 6.7.

(d) *Irish Stock Exchange.* So long as any Class of Securities is listed on the Irish Stock Exchange: (i) the Trustee shall communicate to the Irish Stock Exchange the Aggregate

Section 10.7. *Release of Collateral.*

(a) The Trustee shall present Collateral for redemption or payment in full in accordance with the terms of the Collateral upon receipt of an Issuer Order. If no Event of Default is continuing, the Issuer may, by Issuer Order executed by an Authorized Officer of the Portfolio Manager, delivered to the Trustee at least two Business Days before the settlement date for any sale of an obligation certifying that the sale of the Collateral is being made in accordance with Sections 12.1 and 12.3 and the sale complies with all applicable requirements of Section 12.1, direct the Trustee to release the Collateral and, upon receipt of the Issuer Order, the Trustee shall deliver any such Collateral, if in physical form, duly endorsed to the broker or purchaser designated in the Issuer Order or otherwise cause an appropriate transfer of it to be made, in each case against receipt of the sales price therefor as specified by the Portfolio Manager in the Issuer Order. (c) Upon receiving actual notice of any Offer, the Trustee on behalf of the Issuer shall notify the Portfolio Manager of any Collateral Obligation that is subject to a tender offer, voluntary redemption, exchange offer, conversion, or other similar action (an "**Offer**"). If no Event of Default is continuing, the Portfolio Manager may direct the Trustee to accept or participate in or decline or refuse to participate in the Offer and, in the case of acceptance or participation, to dispose of the Collateral Obligation in accordance with the Offer against receipt of payment for it. If the consideration to be received by the Issuer for the Collateral Obligation is other than Cash, the consideration must be a Collateral Obligation that would be eligible for purchase by the Issuer pursuant to Section 12.2 assuming for this purpose that the Issuer committed to purchase the same on the date on which the Issuer accepts the Offer.

(d) Upon disposition by the Trustee of Collateral to any person against receipt of payment therefore as provided in any of the foregoing clauses (a), (b), or (c), the Collateral shall be free of the lien of this Indenture. The lien shall continue in the proceeds received from the disposition.

(e) As provided in Section 10.2(b), the Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the Collection Account, unless simultaneously applied to the purchase of additional Collateral Obligations (including any related deposit into the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security) or Eligible Investments as permitted under and in accordance with the requirements of this Article 10 and Article 12.

(f) The Trustee shall, upon receipt of an Issuer Order when no Securities are Outstanding and all obligations of the Co-Issuers under this Indenture have been satisfied, as evidenced by an Officer's Certificate or an Opinion of Counsel, release any remaining Collateral from the lien of this Indenture.

(g) The Trustee shall release from the lien of this Indenture any Collateral that is provided directly to a Synthetic Securities Counterparty or deposited in a segregated account in accordance with Section 10.5. Any Collateral or proceeds received by or redeposited by the Issuer into the Collection Account in accordance with Section 10.5 shall again be subject to the lien of this Indenture.

Any collateral deposited in a segregated account in accordance with Section 10.3(d), (e), and (f) shall be subject to the lien of this Indenture for the benefit of the Secured Parties. Any collateral withdrawn by the Issuer in accordance with Section 10.3(d), (e), and (f) shall be released from the lien of this Indenture by the Trustee to the extent returned to the appropriate counterparty pursuant to Sections 10.3(d), (e), and (f).

If a conflict exists between the firm of Independent certified public accountants and the Issuer with respect to any matter in this Section 10.7, the determination by that firm of Independent public accountants shall be conclusive. The statement shall be in the form of an Accountant's Certificate issued to the Issuer, the form of which shall be agreed on by the Portfolio Manager on behalf of the Issuer.

(c) Upon the written request of the Preference Shares Paying Agent or any Holder of Preference Shares, the Issuer shall cause the firm of Independent certified public accountants appointed pursuant to Section 10.7(a) to provide any Holder of Preference Shares with all information requested pursuant to Section 7.17(g) or provide the Issuer with any assistance required in its preparation.

In addition, any notices of restructurings and amendments received by the Issuer or the Trustee in connection with the Issuer's ownership of a DIP Loan shall be delivered by the Issuer or the Trustee, as the case may be, promptly to the Rating Agencies.

(i) during the Reinvestment Period, the Portfolio Manager believes before the sale that it will be able to cause the Issuer to reinvest its Sale Proceeds, in compliance with the Eligibility Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of the Credit Improved Obligation by the end of the immediately succeeding Due Period (for this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest); or

(ii) after the Reinvestment Period, the Sale Proceeds received in respect of the Credit Improved Obligation are at least equal to its Investment Criteria Adjusted Balance. For this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest;

and the Trustee shall sell the Credit Improved Obligation in accordance with such direction.

(c) *Non-Performing Collateral Obligations and Current-Pay Obligations.* At the direction of the Portfolio Manager, the Issuer may direct the Trustee to sell any Non-Performing Collateral Obligation or Current-Pay Obligation at any time during or after the Reinvestment Period without restriction and the Trustee shall sell the Non-Performing Collateral Obligation or Current-Pay Obligation in accordance with such direction. Non-Performing Collateral Obligations may be sold regardless of price.

(d) *Non-qualifying Collateral Obligations.* At the direction of the Portfolio Manager, the Issuer may direct the Trustee to sell any obligation that at the time of acquisition, conversion, or exchange does not satisfy the requirements of a Collateral Obligation at any time during or after the Reinvestment Period without restriction and the Trustee shall sell that obligation in accordance with such direction.

(e) *Withholding Tax Sales.* At the direction of the Portfolio Manager, the Issuer may direct the Trustee to sell any Collateral Obligation subject to withholding tax at any time during or after the Reinvestment Period without restriction and the Trustee shall sell the Collateral Obligation in accordance with such direction.

(f) *Optional Redemption.* After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Article 9, at the direction of the Portfolio Manager, the Issuer shall direct the Trustee to sell all or a portion of the Collateral Obligations as contemplated therein if (i) the requirements of Article 9 are satisfied and (ii) the Independent certified public accountants appointed pursuant to Section 10.7 have confirmed the calculations contained in any required certificate furnished by the Portfolio Manager pursuant to Section 9.3(c). After a Majority of the Preference Shares have directed an Optional Redemption of the Preference Shares in accordance with Section 9.2(b), at the direction of the Portfolio Manager, the Issuer shall direct the Trustee to sell all of the remaining Collateral Obligations (in the case of an Optional Redemption pursuant to Section 9.2(b)(i)) or a portion of the remaining Collateral Obligations in accordance with the unanimous directions of Holders of the Preference Shares (in the case of an Optional Redemption pursuant to Section 9.2(b)(ii)) and the Trustee shall sell the remaining Collateral Obligations in accordance with such direction.

(g) *Rating Confirmation Failure.* After the Portfolio Manager has received notice of a Rating Confirmation Failure and if available Interest Proceeds and Principal Proceeds are insufficient to effect the redemption of the Notes at par on any subsequent Payment Date in accordance with the Priority of Payments as and to the extent necessary for each of Moody's and S&P to confirm the Initial Ratings assigned by it on the Closing Date to the Securities, the Issuer may, at the direction of the Portfolio Manager, direct the Trustee to sell Collateral Obligations as contemplated in Section 9.1 and the Trustee shall sell the Collateral Obligations in accordance with such direction.

(h) *Discretionary Sales.* At the direction of the Portfolio Manager, the Issuer may direct the Trustee to sell any Collateral Obligation:

(i) at any time on or before the Ramp-Up Completion Date (without regard to any restriction specified in clause (ii) below); and

(ii) at any time after the Ramp-Up Completion Date if:

(A) after giving effect to the sale and the sale of any other Collateral Obligations whose sale is pending, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to this Section 12.1(h)(ii) (in each case determined as of the date the direction to sell is given) is not greater than 20% of the Maximum Investment Amount as of January 1 of such calendar year (or, for the first calendar year, as of the Ramp-Up Completion Date); and

(B) during the Reinvestment Period the Portfolio Manager believes before the sale that it will be able to cause the Issuer within 30 days thereafter to reinvest or commit to reinvest its Sale Proceeds, in compliance with the Eligibility Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of the Collateral Obligation (for this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount and Principal Balance shall include the principal balance of Collateral

Obligations in which the Trustee does not have a first priority perfected security interest);

and the Trustee shall sell the Collateral Obligations in accordance with such direction. However, if the rating by Moody's of any of the Senior Class A Notes (without giving effect to the Policy), the Class A-2 Notes or the Class A-3 Notes is one or more rating sub-categories below the Initial Rating of the Senior Class A Notes (without giving effect to the Policy), the Class A-2 Notes or the Class A-3 Notes or has been withdrawn or the rating by Moody's of the Class B Notes or the Class C Notes is two or more rating sub-categories below the Initial Rating of the Class B Notes or the Class C Notes or has been withdrawn, the Issuer shall not instruct the Trustee to sell any Collateral Obligations pursuant to this Section 12.1(h). This restriction may be waived by written consent of a Majority of the Controlling Class. For the purposes of this subsection (h), any withdrawal or reduction in rating shall not restrict the sale of any Collateral Obligations pursuant to this subsection (h) if after the withdrawal or reduction Moody's has upgraded the reduced or withdrawn rating to at least the Initial Rating in the case of the Senior Class A Notes (without giving effect to the Policy), the Class A-2 Notes and the Class A-3 Notes, or to only one subcategory below their Initial Rating in the case of the Class B Notes and the Class C Notes.

For the purposes of determining the percentage of Collateral Obligations sold during any period in Section 12.1(h)(ii):

(i) the amount of any Collateral Obligation sold shall be reduced:

(A) to the extent of any purchases of Collateral Obligations of the same obligor (that are *pari passu* with the sold Collateral Obligation) occurring within 30 Business Days of the sale (determined based on the date of any relevant trade confirmation or commitment letter) (but only for so long as (x) the Collateral Obligations purchased have not been downgraded by any of the Rating Agencies during the 30 Business Day period, (y) the Collateral Obligations have not been purchased from the Portfolio Manager or any of its Affiliates acting, in each case, as principal or from any funds or accounts advised or managed by the Portfolio Manager or any of its Affiliates, and (z) the purchase price of each Notes purchased Collateral Obligation must not exceed the sale price of the sold Collateral Obligation), and

(B) to the extent of any purchases of Collateral Obligations permitted pursuant to Section 12.2(c); and

(ii) any Synthetic Security based upon or relating to a senior secured index investment providing non-leveraged credit exposure to a basket of credit default swaps referencing a diversified group of Reference Obligations, with respect to which the principal or notional amount of the credit exposure to any single Reference Obligation does not increase over time that is invested into a substantially similar Synthetic Security but with a later maturity shall be treated as having been sold.

(i) *Workout Assets*. At the direction of the Portfolio Manager, the Issuer may direct the Trustee to sell any Workout Asset at any time during or after the Reinvestment Period without restriction and regardless of price and the Trustee shall sell the Workout Assets in accordance with such direction.

Section 12.2. ***Purchase of Collateral Obligations.***

The Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of any Collateral Obligation, all of the Issuer's interest in the Collateral Obligation shall be Granted to the Trustee pursuant to this Indenture.

NOTEHOLDERS' RELATIONS

Section 13.1. ***Subordination.***

(a) With respect to each Class of Notes and the Preference Shares, the Classes of Notes and the Preference Shares that are Priority Classes and Junior Classes are as follows:

Class	Junior Classes	Priority Classes
Senior Class A	A-2, A-3, B, C, Preference Shares	None
A-2	A-3, B, C, Preference Shares	Senior Class A
A-3	B, C, Preference Shares	Senior Class A, A-2
B	C, Preference Shares	Senior Class A, A-2, A-3

* The Preference Shares will be entitled to certain residual cashflow after payment of senior obligations in accordance with the Priority of Payments.

(b) Anything in this Indenture or the Securities to the contrary notwithstanding, the Holders of each Class of Notes that is a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class and (in the case of the Class A-1g Notes) the Insurer with respect to the Junior Class that the Junior Class shall be subordinate and junior to the Notes of each Priority Class to the extent and in the manner provided in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is continuing in accordance with Article 5, each Priority Class of Notes and all amounts owed by the Issuer to the Insurer hereunder or under the Insurance Agreement shall be paid in full in Cash (without giving effect to payments on the Policy) or, to the extent a Majority of the Class consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class of Notes with respect to the Priority Class and each Class of Notes shall be paid in full in Cash or, to the extent a Majority of the Class consents, other than in Cash, before any further payment or distribution is made on account of the Preference Share Components. The Holders of each

Junior Class of Notes agree, for the benefit of the Holders of the Notes of each Priority Class and (in the case of the Class A-1g Notes) the Insurer in respect of the Junior Class, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due to the Junior Class, of the Notes or each Class of Notes, as the case may be, or under this Indenture until the payment in full of the Priority Classes or all the Classes, as the case may be, and all amounts owed by the Issuer to the Insurer hereunder or under the Insurance Agreement, and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since the payment.

(c) If, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class has received any payment or distribution in respect of the Notes contrary to the provisions of this Indenture, then, until each Priority Class with respect to the Junior Class of Notes or each Class of Notes, as the case may be, and the Insurer has been paid in full in Cash or, to the extent a Majority of the Priority Class or the Class, as the case may be, consents, other than in Cash in accordance with this Indenture, the payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes of Notes or the Holders of all Classes of Notes, as the case may be, and the Insurer in accordance with this Indenture. If any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to this Indenture, including this Section 13.1.

(d) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes and the Insurer that the Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of the Notes in violation of this Indenture including this Section 13.1. After a Priority Class and the Insurer has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of the Priority Class and the Insurer. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(e) Distributions to Holders of the Preference Shares are subordinate to distributions on the Notes and Preference Shares as described in the Priority of Payments.

(f) The Management Fees shall have priority only to the extent provided in the Priority of Payments.

(g) For purposes of subordination, the Composite Securities shall not be treated as a separate Class, but the Preference Share Component shall be treated as being *pari passu* with the Preference Shares.

Section 13.2. ***Standard of Conduct.***

In exercising any of its or their voting rights, rights to direct and consent, or any other rights as a Noteholder or a Composite Securityholder under this Indenture, a Noteholder or a Composite Securityholder or the Insurer shall not have any obligation or duty to any person or to consider or take into account the interests of any person and shall not be liable to any person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether the action or inaction benefits or adversely affects any Noteholder, Composite Securityholder, the Issuer, or any other person, except for any liability to which the Noteholder or Composite Securityholder or the Insurer may be subject to the extent the same results from the Noteholder's or Composite Securityholder's

taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE 14

MISCELLANEOUS

Section 14.1. ***Form of Documents Delivered to Trustee.***

In any case where several matters are required to be certified by, or covered by an opinion of, any specified person, it is not necessary that all the matters be certified by, or covered by the opinion of, only one person, or that they be so certified or covered by only one document, but one such person may certify or give an opinion with respect to some matters and one or more other such persons as to other matters, and any such person may certify or give an opinion as to the matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer, or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless the Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer, or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager, or any other person, stating that the information with respect to the factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager, or the other person, unless the Officer of the Issuer, Co-Issuer, or the Portfolio Manager or the counsel knows that the certificate or opinion or representations with respect to factual matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to factual matters is in the possession of the Issuer or the Co-Issuer, unless the counsel knows that the certificate or opinion or representations with respect to factual matters are erroneous.

Where any person is required to make, give, or execute two or more applications, requests, consents, certificates, statements, opinions, or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever this Indenture provides that the absence of the continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of the condition is a condition precedent to the Co-Issuer's right to make the request or direction, the Trustee shall be protected in acting in accordance with the request or direction if it does not have knowledge of the continuation of the Default or Event of Default as provided in Section 6.1(d).

Section 14.2. ***Acts of Noteholders, Composite Securityholders or Holders of Preference Shares.***

(a) Any request, demand, authorization, direction, notice, consent, waiver, or other action provided by this Indenture to be given or taken by Noteholders or Holders of Preference Shares may be embodied in and evidenced by one or more instruments of substantially similar

tenor signed by Noteholders or Holders of Preference Shares in person or by agents duly appointed in writing. Except as otherwise expressly provided in this Indenture the action shall become effective when the instruments are delivered to the Trustee (which instrument or instruments may be delivered through the Preference Shares Paying Agent, in the case of the Holders of the Preference Shares) and, if expressly required, to the Issuer. The instruments (and the action embodied in them) are referred to as the "**Act**" of the Noteholders or the Holders of Preference Shares signing the instruments. Proof of execution of any instrument or of a writing appointing an agent for a Noteholder or Holder of a Preference Share shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any instrument may be proved by an affidavit of a witness to the execution or the certificate of any notary public or other person authorized by law to acknowledge the execution of deeds. Any certificate on behalf of a jural entity executed by a person purporting to have authority to act on behalf of the jural entity shall itself be sufficient proof of the authority of the person executing it to act. The fact and date of the execution by any person of any instrument may also be proved in any other manner that the Trustee deems sufficient.

(c) The Indenture Register shall prove the ownership of Securities and the principal amount and registered numbers of Securities and the number of Preference Shares held by and the number(s) of the Preference Share certificate(s) issued to, any Person shall be proved by the Preference Share register.

(d) Any Act by the Holder of a Security shall bind every Holder of the same Security and every Security issued on its transfer or in exchange for it or in lieu of it, in respect of anything done, omitted, or suffered to be done by the Trustee or the Issuer in reliance on the Act, whether or not notation of the action is made on the Security or Preference Shares.

The Trustee shall deliver to the Preference Shares Paying Agent any information or notice that the Preference Shares Paying Agent certifies was requested to be so delivered by at least 10% (by Aggregate Outstanding Amount) of the Holders of the Preference Shares at the expenses of the Issuer.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Noteholder, Composite Securityholder or the Preference Shares Paying Agent shall affect the sufficiency of the notice with respect to other Noteholders, Composite Securityholders or the Preference Shares Paying Agent. If it is impracticable to give the notice by mail of any event to Noteholders, Composite Securityholders or the Preference Shares Paying Agent when the notice is required to be given pursuant to any provision of this Indenture because of the suspension of regular mail service as a result of a strike, work stoppage, or similar activity or because of any other cause, then the notification to Noteholders, Composite Securityholders or the Preference Shares Paying Agent as shall be made with the approval of the Trustee shall be a sufficient notification to the Holders for every purpose under this Indenture.

Where this Indenture provides for notice in any manner, the notice may be waived in writing by any person entitled to receive the notice, either before or after the event, and the waiver shall be the equivalent of the notice. Waivers of notice by Noteholders, Composite Securityholders or the Preference Shares Paying Agent shall be filed with the Trustee but the filing shall not be a condition precedent to the validity of any action taken in reliance on the waiver.

So long as any Securities are listed on the Irish Stock Exchange and the rules of the exchange so require, all notices to Holders of the Securities or the Preference Shares Paying Agent (for forwarding to Holders of Preference Shares) shall also be given to the Company Announcements Office of the Irish Stock Exchange or the Irish Listing and Paying Agent.

The Issuer shall (and authorizes the Trustee to) deliver to J.P. Morgan Securities Inc. all periodic reports, notices, demands, and other written information delivered or received by the Issuer, the Portfolio Manager, trustees, paying agents, accountants, or other persons pursuant to this Indenture and other operative documentation relating to the Securities requested by J.P. Morgan Securities Inc. (collectively, the "**Transaction Reports**") and the Issuer consents to J.P. Morgan Securities Inc.'s providing Transaction Reports received by it to current and prospective investors in the Securities (including by means of electronic transmissions or posting the Transaction Reports on internet sites maintained by J.P. Morgan Securities Inc. or any of its affiliates).

Section 14.8. ***Benefits of Indenture.***

Nothing in this Indenture or in the Securities, expressed or implied, shall give to any person, other than the parties hereto and their successors under this Indenture, the Portfolio Manager, the Insurer, the Noteholders, the Composite Securityholders, the Holders of Preference Shares or the Preference Shares Paying Agent any benefit or any legal or equitable right, remedy, or claim under this Indenture.

Section 14.9. ***Legal Holidays.***

If any Payment Date, Redemption Date, or Stated Maturity is not a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on that date, but shall be made on the next Business Day with the same effect as if made on the nominal date of the Payment Date, Redemption Date, or Stated Maturity date, as the case may be, and except as provided in the definition of "Due Period," no interest shall accrue on the payment for the period beginning on the nominal date.

Section 14.10. ***Governing Law.***

(a) THIS INDENTURE, EACH NOTE, AND EACH COMPOSITE SECURITY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF STATE OF NEW YORK, WITHOUT REFERENCE TO ITS PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 14.11. ***Submission to Jurisdiction.***

The Co-Issuers and the Trustee hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Securities, the Preference Shares or this Indenture, and the Co-Issuers and the Trustee hereby irrevocably agree that all claims in respect of the action or proceeding may be heard and determined in the New York State or federal court. The Co-Issuers and the Trustee hereby irrevocably waive, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of the action or proceeding. The Co-Issuers and the Trustee irrevocably consent to the service of all process in any action or proceeding by the mailing or delivery of copies of the process to the Co-Issuers at the office of the Co-Issuers' agent in Section 7.2 and to the Trustee at the Corporate Trust Office. The Co-Issuers and the Trustee agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.14. ***Consent of Posting of Documents on Repository.***

The Issuer hereby consents to (a) the posting of the final Offering Circular, this Indenture and the periodic reports to be delivered pursuant to the transaction documents and any amendments or other modifications thereto on the Repository for use in the manner provided in the Repository; and (b) the display of its name on the Repository in connection therewith. Notwithstanding anything herein to the contrary, none of the Issuer, the Co-Issuer and the Trustee makes any representation or warranty to The Bond Market Association (or any successor thereto) or any affiliate thereof or any Person having or obtaining access to the information maintained in the Repository or to any of such Person's affiliates regarding the accuracy or completeness of any information, document, report or other communication transmitted to the Repository, and no Person having or obtaining access to the information maintained in the Repository shall have any rights under this Indenture or otherwise by reason of the transmission of any such information, document, report or other communication to the Repository.

Section 14.15. ***Liability of Co-Issuers.***

Notwithstanding any other terms of this Indenture, the Notes, the Composite Securities, or any other agreement entered into by either of the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, the Composite Securities, any other agreement, or otherwise. Without prejudice to the generality of the foregoing, neither of the Co-Issuers may take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, the Composite Securities, any other agreement, or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers may petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers and neither of the Co-Issuers shall have any claim with respect to any assets of the other of the Co-Issuers.

Section 14.16. ***Indemnity of Co-Issuer.***

ARTICLE 15

ASSIGNMENT OF MANAGEMENT AGREEMENT; HEDGE AGREEMENTS

Section 15.1. ***Assignment of Management Agreement.***

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Notes and amounts payable to the Secured Parties under this Indenture and the performance and observance of the provisions of this Indenture, acknowledges that its Grant pursuant to the

first Granting Clause includes all of the Issuer's interest in the Management Agreement, including:

- (i) the right to give all notices, consents, and releases under it,
- (ii) the right to give all notices of termination pursuant to the Management Agreement and to take any legal action upon the breach of an obligation of the Portfolio Manager under it, including the commencement, conduct, and consummation of proceedings at law or in equity,
- (iii) the right to receive all notices, accountings, consents, releases, and statements under it, and
- (iv) the right to do all other things whatsoever that the Issuer is or may be entitled to do under it.

Notwithstanding anything in this Indenture to the contrary, the Trustee may not exercise any of the rights in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default under this Indenture and the authority shall terminate when the Event of Default is cured or waived.

(b) The assignment made hereby is executed as security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the Management Agreement, nor shall any of the obligations contained in the Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes and the Class 1 Component and the release of the Collateral and the Class 1 Collateral from the lien of this Indenture, this assignment, and all rights in this Indenture assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the interest of the Trustee in the Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence the termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action that is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably request.

(f) The Issuer agrees to obtain the agreement and consent of the Portfolio Manager in the Management Agreement to the following:

- (i) The Portfolio Manager consents to this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to the Portfolio Manager pursuant to the Management Agreement.
- (ii) The Portfolio Manager acknowledges that the Issuer is collaterally assigning all of its interest in the Management Agreement to the Trustee for the benefit

of the Secured Parties and the Portfolio Manager agrees that all of the representations, covenants and agreements made by the Portfolio Manager in the Management Agreement are also for the benefit of the Secured Parties.

(iii) The Portfolio Manager shall deliver to the Trustee duplicate original copies of all notices, statements, communications, and instruments delivered or required to be delivered to the Issuer pursuant to the Management Agreement (other than any of them delivered to the Issuer by the Trustee or the Collateral Administrator).

(iv) Neither the Issuer nor the Portfolio Manager shall select or consent to a successor manager or enter into any agreement amending, modifying, or terminating the Management Agreement (other than an amendment or modification of the type that may be made to this Indenture without Holder consent) without obtaining the consents of the Insurer and Holders that would be required if an amendment or modification of the same type were being made to this Indenture and without the satisfaction of the Rating Condition with respect to each Rating Agency with respect thereto.

(v) Except as otherwise provided in this Indenture and the Management Agreement, subject to the resignation rights of the Portfolio Manager pursuant to Section 12 of the Management Agreement, the Portfolio Manager shall continue to serve as Portfolio Manager under the Management Agreement notwithstanding that the Portfolio Manager shall not have received amounts due it under the Management Agreement because sufficient funds were not then available under this Indenture to pay the amounts pursuant to the Priority of Payments. The Portfolio Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Administrative Agent to the Portfolio Manager under the Management Agreement until the payment in full of all Notes issued under this Indenture and the payment to the Preference Shares Paying Agent of all amounts payable with respect to the Preference Shares in accordance with the Priority of Payments and the expiration of a period equal to the greater of (A) the applicable preference period plus one day or (B) one year and one day following the payment. Notwithstanding the foregoing, the Portfolio Manager may commence any legal action that is not a bankruptcy, insolvency, liquidation, or similar proceeding against the Issuer or the Co-Issuer or any of their properties and may take any action it deems appropriate at any time in any bankruptcy, insolvency, liquidation, or similar proceeding and any other Proceeding voluntarily commenced by the Issuer or the Co-Issuer or involuntarily commenced against the Issuer or the Co-Issuer by anyone other than the Portfolio Manager or any Affiliate of the Portfolio Manager.

(vi) The Portfolio Manager irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes, the Preference Shares or this Indenture, and the Portfolio Manager irrevocably agrees that all claims in respect of the action or proceeding may be heard and determined in the New York State or federal court. The Portfolio Manager irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of the action or proceeding. The Portfolio Manager irrevocably consents to the service of all process in any action or Proceeding by the mailing or delivery of copies of the process to it the address provided for in Section 14.3. The Portfolio Manager agrees that a final and non-appealable judgment by a court of competent jurisdiction in any such action or proceeding shall be conclusive and may be

enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(g) Following the resignation or removal of the Portfolio Manager, the Issuer shall use its best efforts to appoint a successor Portfolio Manager, and the Issuer, the Trustee, and the resigning or removed Portfolio Manager shall take any action consistent with the Management Agreement and this Indenture applicable to the Portfolio Manager, necessary to effectuate any such succession.

Section 15.2. ***Hedge Agreements.***

(a) At any time and from time to time after the Closing Date, the Issuer, at the direction of the Portfolio Manager, shall enter into the Hedge Agreements and shall assign its rights (but none of its obligations) under the Hedge Agreements to the Trustee pursuant to this Indenture and the Collateral Assignment of Hedge Agreements. The Portfolio Manager, on behalf of the Issuer, shall obtain the approval of each new Hedge Agreement from each Hedge Counterparty to a then-existing Hedge Agreement. The Trustee shall, on behalf of the Issuer and in accordance with the Valuation Report, pay amounts due to the Hedge Counterparties under the Hedge Agreements on any Payment Date in accordance with Section 11.1.

(b) The Issuer shall not enter into any Hedge Agreement unless at the time of entering the Hedge Agreement the Hedge Counterparty has:

(i) a debt rating by Moody's for long-term debt of "Aa3" (which rating of "Aa3" is not on credit watch for possible downgrade) or higher if the Hedge Counterparty has only a long-term rating; or a debt rating by Moody's for long-term debt of "A1" (which rating of "A1" is not on credit watch for possible downgrade) or higher and a debt rating by Moody's for short-term debt of "P-1" (which rating of "P-1" is not on credit watch for possible downgrade) if the Hedge Counterparty has both long-term and short-term ratings; and

(ii) a short-term debt rating by S&P of not less than "A-1" or a long-term debt rating of not less than "A+" (the "***Required Rating***").

(c) If at any time a Hedge Counterparty has:

(A) no short-term Moody's rating and a long-term Moody's rating and that rating is below "Aa3" or is "Aa3" and has been placed on credit watch for possible downgrade by Moody's; or

(B) both a short-term and long-term Moody's rating; and either:

(i) the long-term Moody's rating is below "A1" or that rating is "A1" and has been placed on credit watch for possible downgrade by Moody's, or

(ii) the short-term Moody's rating is below "P-1" or that rating is "P-1" and has been placed on credit watch for possible downgrade by Moody's

then the Hedge Counterparty shall be required, at its sole expense, to, within 30 days, either:

- (i) post collateral with the Trustee to secure the Hedge Counterparty's obligations under the Hedge Agreement, in an amount and of the type sufficient to cause the Rating Condition with respect to Moody's to be satisfied;
 - (ii) obtain a guarantor whose short-term and long-term debt ratings equal or exceed the above criteria;
 - (iii) replace itself under the related or substantially equivalent Hedge Agreement with a substitute Hedge Counterparty whose short-term and long-term debt ratings equal or exceed the above criteria; or
 - (iv) take other actions to satisfy the Rating Condition with respect to Moody's;
- (d) If at any time the Hedge Counterparty has:
- (A) no short-term Moody's rating and a long-term Moody's rating that is "A2" or below or has been suspended or withdrawn;
 - (B) both a short-term and long-term Moody's rating; and either:
 - (i) the long-term Moody's rating is "A3" or below or is suspended or withdrawn, or
 - (ii) the short-term Moody's rating is "P-2" or below, or
 - (C) a short-term debt rating by S&P below "A-1" or, if the Hedge Counterparty has no short-term rating by S&P, a long-term rating by S&P below "A+" or that has been suspended or withdrawn;

then the Hedge Counterparty shall be required, at its sole expense, to, within 30 days, either:

- (i) post collateral as required by the Hedge Agreement to secure the Hedge Counterparty's obligations under the Hedge Agreement in an amount and of the type sufficient to cause the Rating Condition with respect to Moody's and S&P to be satisfied; or
- (ii) (x) obtain a guarantor that has a Required Rating and that will satisfy the Rating Condition with respect to S&P with respect to its appointment;

(y) replace itself under the related or substantially equivalent Hedge Agreement with a substitute Hedge Counterparty that has a Required Rating and the appointment of which will satisfy the Rating Condition with respect to S&P; or

(z) take such other actions to satisfy the Ratings Condition.

(e) If the Issuer has the right under a Hedge Agreement at any time to demand that the related Hedge Counterparty deliver Eligible Collateral in accordance with an Approved Credit Support Document, the Issuer shall make the demand.

(f) Any payments required to be made under the Hedge Agreements shall be made in accordance with the Priority of Payments. Subordinated Defaulted Hedge Termination Payments shall be subordinate to interest and principal payments on the Notes and any other payments required to be made by the Issuer under the Hedge Agreements, but senior to distributions to Holders of the Preference Shares.

(g) Except as provided in paragraph (h) of this Section 15.2, the Issuer, at the direction of the Portfolio Manager, shall, promptly following the early termination of a Hedge Agreement (other than on a Redemption Date) (but no later than 60 days after the early termination), at the expense of the Issuer and to the extent possible through application of Hedge Termination Receipts, enter into a Replacement Hedge, unless, in the exercise of the Portfolio Manager's commercially reasonable judgment, to do so would not be in the best interest of the Issuer and the Rating Condition with respect to each Rating Agency is satisfied with respect to the non-entry into the a Replacement Hedge. In addition, a Replacement Hedge may not be entered into unless the Issuer provides the Rating Agencies with at least seven Business Days' prior written notice of its intention to enter into the agreement, together with its form and the Rating Condition with respect to each Rating Agency is satisfied with respect to the Replacement Hedge. The Issuer shall use commercially reasonable efforts to cause the termination of a Hedge Agreement (other than a termination resulting from the bankruptcy, insolvency, or similar event with respect to the Hedge Counterparty) to become effective simultaneously with its entering into a Replacement Hedge. To the extent that (i) the Portfolio Manager determines not to replace the Hedge Agreement and the Rating Condition with respect to each Rating Agency is satisfied with respect to the determination; or (ii) termination is occurring on a Redemption Date, the Hedge Termination Receipts shall become part of Principal Proceeds and be distributed in accordance with Section 11.1 on the next following Payment Date (or on the Redemption Date, if the Notes are redeemed on the Redemption Date).

(h) Notwithstanding Section 15.2(g), the applicable requirements of Section 15.2(g) shall not have to be met if the Rating Condition with respect to each Rating Agency is otherwise satisfied with respect thereto.

(i) The notional amounts of the Hedge Agreements outstanding at any time may be reduced or increased from time to time, by the Issuer, and the Hedge Agreements may be amended, modified, or terminated in accordance with the Hedge Agreements if the Rating Condition with respect to each Rating Agency is satisfied with respect to the reduction, increase, amendment, modification, or termination, as the case may be.

(j) Each Hedge Agreement may be terminated pursuant to its terms upon an Optional Redemption of the Notes or an acceleration of maturity of the Notes after an Event of Default. The Hedge Agreement will not be permitted to be terminated as the result of a Default or Event of Default unless any acceleration of maturity of the Notes resulting from the Event of Default is no longer permitted to be rescinded pursuant to this Indenture.

(k) Except for Hedge Agreements entered into on or before the Closing Date, the Issuer shall not enter into any Hedge Agreement unless the Rating Condition with respect to each Rating Agency is satisfied.

ARTICLE 16

THE POLICY

Section 16.1. *Miscellaneous.*

(a) So long as no Insurer Default shall have occurred and be continuing, (i) the Trustee shall provide the Insurer copies of each report, notice, Opinion of Counsel, officer's certificate, request for consent or request for amendment to any document related hereto that the Trustee is required to send to the Issuer, the Co-Issuer, any Holder of Securities, the Rating Agencies or the Portfolio Manager promptly upon the Trustee's production or receipt thereof (in each case, to the extent the Insurer is not expressly required to be provided such document directly or to the extent that another party is not responsible for delivery of such document directly to the Insurer), (ii) the Co-Issuers shall provide the Insurer copies of each report, notice, Issuer Order, Opinion of Counsel, officer's certificate, request for consent or request for amendment to any document related hereto that the Issuer is required to send to the Trustee, any Holder of Securities, the Rating Agencies or the Portfolio Manager promptly upon the Co-Issuers' production or receipt thereof (in each case, to the extent the Co-Issuers are not expressly required to be provided such document directly or to the extent that another party is not responsible for delivery of such document directly to the Insurer) and (iii) the Trustee shall forward to the Insurer upon receipt (x) a copy of any notice or order received from the Portfolio Manager pursuant to (A) clause (i) of the definition of "Reinvestment Period", (B) Section 7.19(e) and (C) Section 9.5 or (y) a copy of any instrument received from any Paying Agent pursuant to Section 7.3. All references to the rights of the Insurer to act as the Controlling Class, the Majority of the Controlling Class and the Super Majority of the Controlling Class herein (including, with respect to any action proposed to be taken by the Trustee, the Issuer, the Co-Issuer, or any Person, any requirements that the consent or approval of the Insurer be obtained in connection with the taking of such action) shall exist only so long as (i) the Insured Notes are Outstanding or any Accrued Insurance Liabilities are due and owing to the Insurer (it being understood that such right shall be reinstated if an Avoided Payment is made for so long as any such Avoided Payment is pending during the applicable statutory preference period or, if the Insurer is required to pay the amount of any such Avoided Payment, for so long as any Accrued Insurance Liabilities owing to the Insurer have not been paid in full), (ii) no Insurer Default has occurred and is continuing and (iii) the Policy has not been delivered for cancellation in accordance with Sections 16.8 and 16.9. The satisfaction of clauses (i), (ii) and (iii) of the foregoing sentence shall entitle the Insurer to exercise the rights of the Controlling Class, the Majority of the Controlling Class and the Super Majority of the Controlling Class and to take all such other action to grant or withhold consent to actions proposed to be taken by the Issuer or the Portfolio Manager on behalf of the Issuer to the extent expressly granted to the Controlling Class, the Majority of the Controlling Class and the Super Majority of the Controlling Class in this Indenture. From and after the date on which the Policy expires in

accordance with its terms and all Accrued Insurance Liabilities and any other amounts owing to the Insurer under this Indenture and the Insurance Documents have been paid in full, the Insurer shall have no rights or benefits as the Controlling Class, the Majority of the Controlling Class and the Super Majority of the Controlling Class hereunder.

(b) So long as the conditions set forth in clauses (i), (ii) and (iii) of the second sentence of Section 16.1(a) are satisfied, the Insurer shall have the right to exercise all rights of the Holders of the Insured Notes hereunder or under the Management Agreement (other than the right to grant or withhold any consent under Section 8.2) without any consent of such Holders, and such Holders may exercise such rights (other than the right to grant or withhold any consent under Section 8.2) only with the prior written consent of the Insurer.

Section 16.2. ***Representative of the Noteholder of the Insured Notes.***

Notwithstanding anything contained herein to the contrary, if an Event of Default has occurred and is continuing, so long as the Insurer is the Controlling Class, the Insurer shall have the right (to the exclusion of the Holders of the Insured Notes) to direct the Trustee as to any and all remedies to be sought or taken on behalf of the Holders of the Insured Notes under this Indenture and the Trustee shall not exercise any such remedies unless directed by the Insurer to the extent the Holders of the Insured Notes could control the actions of the Trustee. Each Holder of an Insured Note shall be deemed to have consented to the Insurer's rights hereunder. At such time as there exists and is continuing an Insurer Default the Trustee shall not be bound to continue to comply with any term or condition of this Indenture that requires the consent of or approval or direction from the Insurer.

In addition, the Insurer may exercise any rights and remedies that are available to such Holders of Insured Notes at law or in equity on its own behalf as the representative of the Holders of the Insured Notes, including, without limitation, under the Securities Act and/or the Exchange Act at any time and without preconditions or the further consent of any such Holders of Insured Notes or the Trustee. All proceeds received by Holders of the Insured Notes arising out of any proceeding at law or equity conducted by the Insurer as representative of the Holders of the Insured Notes (including any settlement proceeds in respect of any such proceeding) shall be paid over by such Noteholders to the Trustee and shall be applied by the Trustee to (A) first, make a payment to the Insurer of any amount then due and payable under the Insurance Agreement and (B) second, redeem the Insured Notes at par plus accrued and unpaid interest thereon.

Section 16.3. ***Drawings under Policy.***

(a) If by 11:00 a.m., on the date (a "**Deficiency Notice Date**") that is the third Business Day prior to any Payment Date, the amount then on deposit and available for distribution (or scheduled to be on deposit and available for distribution on such a Payment Date) in the Collection Account is insufficient (based on the information set forth in the Valuation Report prepared as of the Determination Date related to such Payment Date) to pay the Insured Amount (as defined in the Policy) in respect of the Insured Notes on such Payment Date in accordance with the Priority of Payments (the amounts of such deficiency, the "**Deficiency Amount**"), the Trustee shall:

(i) no later than 12:00 noon, New York City time, on the Deficiency Notice Date, give notice (which notice is in the appropriate form and delivered in the manner specified in the Policy) to the Insurer, specifying therein the Deficiency

Amount, and thereupon submit a notice of drawing under the Policy in such amount, all in accordance with the terms of this Indenture and in compliance with the terms of the Policy; and

(ii) on the date on which the Trustee receives payment under the Policy from the Insurer (but not earlier than the applicable Payment Date) in respect of the Deficiency Amount (so long as such payment is received by the Trustee by 10:00 a.m., New York City time, on the applicable Payment Date), pay over to each Holder of an Insured Note, for application by such Holder to amounts due in respect of such Holder's Insured Notes due on the related Payment Date, such Holder's ratable share of the amounts so received by the Trustee.

Any payment by the Insurer under the Policy in respect of amounts due on the Insured Notes shall be applied solely to the payment of amounts due on the Insured Notes.

(b) The Trustee agrees to furnish to the Insurer upon its reasonable request copies of the Trustee's records evidencing the payment of amounts due on the Insured Notes that have been made by the Trustee and subsequently recovered from Holders of the Insured Notes, and the dates on which such payments were made.

(c) The Trustee shall be entitled to enforce on behalf of the Holders of the Insured Notes the obligations of the Insurer under the Policy. Notwithstanding any other provision of this Indenture, the Holders of the Insured Notes are not entitled to make any claims under the Policy or institute proceedings directly against the Insurer.

(d) Notwithstanding anything herein to the contrary, any payment of interest or principal with respect to the Insured Notes made by or on behalf of the Insurer shall not be deemed to be a payment made by the Issuer and shall remain due for payment until payments in respect of such amounts are made by the Issuer in accordance with the Priority of Payments. Subject to and conditional upon payment of any interest or principal with respect to the Insured Notes by or on behalf of the Insurer, the Trustee shall assign to the Insurer all rights to the payment of interest or principal on or with respect to the Insured Notes, which are then due for payment to the extent of all payments made by the Insurer, and the Insurer may exercise any option, vote, right or power to the extent it has made a principal payment pursuant to the Policy in addition to its other rights hereunder. The Trustee and each Holder of an Insured Note by its purchase thereof agrees that the Insurer shall be subrogated to all of the rights to payment of such Holders or in relation thereto to the extent that any payment of principal or interest on or in respect of the Insured Notes was made to such Holders with payments made under the Policy by the Insurer.

Section 16.4. ***Preference Claims and Insolvency Proceedings.***

(a) In the event the Trustee receives a certified copy of an order of the appropriate court that an amount due on an Insured Note constitutes an Avoided Payment, unless the Policy has been terminated in accordance with Section 16.8, the Trustee shall so notify the Insurer, shall comply with the provisions of the Policy to obtain payment from the Insurer of such Avoided Payment, and shall, at the time it provides notice to the Insurer, notify the Holders of the Insured Notes that, in the event that any such Holder's payment is so recoverable, such Holder shall be entitled to payment pursuant to the terms of the Policy. The Trustee shall furnish to the Insurer copies of its records evidencing the payments of amounts due on the Insured Notes, if any, that have been made by the Trustee and subsequently recovered from

Holders of such Notes, and the dates on which such payments were made. The Insurer, however, shall not be obligated to make any payment in respect of any Insured Amount representing a payment of principal avoided as preference prior to the time the Insurer would have been required to make payment in respect of such principal pursuant to the Policy. Pursuant to the terms of the Policy, the Insurer shall make such payment on behalf of such Holders to the receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the Order (as defined in the Policy) and not to the Trustee or any such Holder directly (unless the Trustee or any such Holder, as the case may be, has previously paid such preference amount to the receiver, conservator, debtor-in-possession or trustee in bankruptcy named in such Order, in which case the Insurer shall make such payment to the Trustee or such Holder, as in the case may be, in accordance with the Policy for distribution to such Holder upon proof of such payment reasonably satisfactory to the Insurer). In the event the Policy is terminated in accordance with Section 16.8, the Insurer will have no further liability under the Policy or otherwise with respect to the Avoided Payment.

(b) The Trustee shall promptly notify the Insurer of any proceeding or the institution of any action (of which the Trustee has actual knowledge) (i) seeking the avoidance as a preferential transfer under the Bankruptcy Code or other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (a "**Preference Claim**") of any distribution made with respect to any amount due on an Insured Note or (ii) the commencement of any proceeding by or against the Issuer commenced under the Bankruptcy Code or other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "**Insolvency Proceeding**"). Each Holder of an Insured Note, by its purchase thereof, and the Trustee hereby agree that, so long as a Insurer Default shall not have occurred and be continuing, the Insurer may at any time during the continuation of any proceeding relating to a Preference Claim in respect of the Insured Notes or Insolvency Proceeding direct all matters relating to such Preference Claim or Insolvency Proceeding, as applicable, including, without limitation, (i) the direction of any appeal of any order relating to any such Preference Claim or Insolvency Proceeding, as applicable, and (ii) the posting of any surety or supersedeas performance bond pending any such appeal. In addition, and without limitation of the foregoing, as set forth in Section 16.5, the Insurer shall be subrogated to, and each Holder of the Insured Notes and the Trustee hereby delegates and assigns, to the fullest extent permitted by law, the rights of the Trustee and such Holder in the conduct of any proceeding with respect to such a Preference Claim or Insolvency Proceeding, as applicable, including, without limitation, all rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Preference Claim or Insolvency Proceeding, as applicable.

Section 16.5. ***Subrogation.***

Anything in this Indenture to the contrary notwithstanding, any payment with respect to the principal of or interest on or with respect to the Insured Notes that is made with monies received pursuant to the terms of the Policy shall not be considered payment by the Issuer of the Insured Notes and shall not discharge the Issuer in respect of its obligation to make such payment. The Issuer and the Trustee acknowledge that, without the need for any further action on the part of the Insurer, the Issuer, the Trustee or any other Person, to the extent that the Insurer makes payment directly or indirectly on account of principal of or interest on or with respect to the Insured Notes to the Holders thereof, (i) the Insurer shall be fully subrogated to the rights of such Holders to receive such principal and interest from the Issuer and (ii) the Insurer shall be paid such principal and interest in its capacity as Holder of the Insured Notes but only from the sources and in the manner provided in this Indenture for the payment of such principal and interest in accordance with the Priority of Payments; provided, however, that such

subrogation rights shall terminate upon the termination of the Policy pursuant to Section 16.8(b).

Section 16.6. ***Policy Payment Account.***

The Trustee shall, on or prior to the Closing Date, establish in the name of the Trustee a single, segregated trust account which shall be designated as the Policy Payment Account (the "**Policy Payment Account**"), that shall be held in trust in the name of the Trustee for the benefit of the Holders of the Insured Notes, over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall deposit all amounts received from the Insurer under the Policy in the Policy Payment Account. Amounts held in the Policy Payment Account shall not be invested, unless otherwise instructed in writing by the Insurer. The only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Policy Payment Account shall be to make payments in respect of the amounts due on the Insured Notes on the related Payment Date in respect of which such funds are paid, to the extent such amounts are not paid pursuant to the Priority of Payments. Any monies held in the Policy Payment Account after the distributions made pursuant to this Section 16.6 on any Payment Date shall promptly be remitted (but in no event later than two Business Days after such Payment Date) to the Insurer.

Section 16.7. ***Limited Recourse; Non-Petition.***

The Insurer hereby acknowledges and agrees that the Issuer's obligations under the Insurance Agreement and the Premium Letter shall be solely the obligations of the Issuer, and the Insurer shall not have any recourse to any director, officer, agent, member, limited partner, general partner or Affiliate of the Issuer with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated thereby. Recourse in respect of any obligations of the Issuer under the Insurance Agreement and the Premium Letter shall be limited to the Collateral applied in accordance with the Priority of Payments and on the exhaustion thereof all claims against the Issuer thereunder or any transactions contemplated thereby shall be extinguished and shall not thereafter revive. In addition, the Insurer agrees that it shall not institute against the Issuer any bankruptcy, insolvency, reorganization, receivership or similar proceeding so long as any Securities (including the Insured Notes) shall be Outstanding and there shall have elapsed one year plus one day or, if longer, the applicable preference period then in effect since the last day on which any Securities (including the Insured Notes) shall have been Outstanding; provided that, the Insurer may become a party to and participate in any such proceeding applicable to the Issuer that is initiated by any Person that is not an Affiliate of the Insurer. The agreements contained in this paragraph shall survive the termination of the Insurance Agreement and the Premium Letter and the payment of all obligations under this Indenture.

Section 16.8. ***Termination of the Policy.***

(a) The Policy may be terminated on any Payment Date if: (x) after giving effect to all payments to be made on such Payment Date, all Accrued Insurance Liabilities and all Administrative Expenses payable to the Insurer accrued through the date of termination have been paid and all Premium accrued through such Payment Date has been paid and (y) any of the following events has occurred and is continuing on such date:

(i) the Co-Issuers have elected to extend the Reinvestment Period pursuant to Section 2.4 and have satisfied all of the requirements related thereto (including each

of the Extension Conditions set forth in Section 2.4(c)), other than obtaining the consent of the Insurer to such Extension, and the Insurer has and continues to object to such Extension, and the Holders of 100% of the Insured Notes (after giving effect to the sale of any Insured Notes which are Extension Sale Securities in connection with the proposed Maturity Extension) consent to such termination in accordance with Section 16.9;

(ii) the Co-Issuers have proposed to enter into a supplemental indenture pursuant to Article 8 and have satisfied all of the requirements for the effectiveness thereof, and the Insurer has and continues to object to such amendment and 100% of the Holders of the Insured Notes consent to such termination in accordance with Section 16.9; or

(iii) the Removal Buy-Out Purchaser shall have purchased the Insured Notes for the applicable Removal Buy-Out Purchase Price pursuant to Section 9.7.

(b) If none of the conditions set forth in clause (a)(i) through (iii) above are satisfied, the Policy may be terminated on any Business Day if 100% of the Holders of the Insured Notes consent to such termination in accordance with Section 16.9.

(c) In connection with a termination of the Policy pursuant to Section 16.8(a), any Administrative Expenses payable to the Insurer arising after termination of the Policy shall remain payable from Interest Proceeds and Principal Proceeds in accordance with the Priority of Payments. In connection with a termination of the Policy pursuant to Section 16.8(b), Premium through the date of termination of the Policy and all Administrative Expenses payable to the Insurer shall remain payable from Interest Proceeds and Principal Proceeds in accordance with the Priority of Payments. In connection with a termination of the Policy pursuant to Section 16.8(b), the rights of the Insurer pursuant to Section 16.3(d) and Section 16.5 to be subrogated to the rights of the Holders of the Insured Notes to the extent of any payment of principal or interest on or with respect of the Insured Notes shall terminate, and the Holders of the Insured Notes shall be entitled to the payment of such interest or principal. In connection with any termination of the Policy pursuant to this Section 16.8, the Insurer will continue to be entitled to any Extension Bonus Payment so long as such Extension Bonus Payment was due and payable prior to the termination of the Policy.

(d) Upon termination of the Policy in accordance with the terms of this Section 16.8, (i) all rights of the Insurer to receive notices hereunder shall survive such termination and (ii) no provision hereof (including, without limitation, the Priority of Payments and this Section 16.8) may be amended or otherwise modified in any manner adverse to the Insurer without the prior written consent of the Insurer.

(e) Upon termination of the Policy in accordance with the terms of this Section 16.8, the Insurer shall have no further liability for losses, claims, demands, damages, controversies, losses, costs and expenses of any nature whatsoever, known or unknown, suspected or unsuspected, fixed or contingent, under the Policy as of the date of such termination, whether such losses, claims, demands, damages, controversies, losses, costs and expenses occurred prior to or subsequent to the date of such termination, and whether in connection with an Avoided Payment or other amount that has been paid by the Issuer or the Insurer prior to or after termination of the Policy and subsequently is required to be returned as a preference or otherwise.

Section 16.9. ***Termination Procedures.***

(a) If the Issuer or the Holders of at least 25% of the Aggregate Outstanding Amount of the Insured Notes wish to solicit the vote of the Holders of the Insured Notes in connection with a proposed termination of the Policy pursuant to Section 16.8, the Issuer or such Holders shall notify the Trustee at least 45 days prior to the proposed termination date (which in the case of a termination pursuant to Section 16.8(a) must be a Payment Date). If the conditions for termination specified in Section 16.8 are satisfied as of the date of such notice (or are expected to be satisfied as of the proposed date of termination), as certified to the Trustee by an Issuer Order, the Trustee shall, promptly upon receipt thereof, notify the Issuer (in the case of notice to the Trustee by the requisite Holders of the Insured Notes), the Portfolio Manager, and the Insurer and shall send to all Holders of the Insured Notes (with a copy to the Issuer, the Portfolio Manager and the Insurer) a notice of proposed termination that shall state:

1. the notice is being sent at the request of the Issuer or certain Holders of the Insured Notes (as applicable) who wish to solicit the vote of the Holders of the Insured Notes in connection with a termination of the Policy pursuant to Section 16.8;
2. a copy of the Issuer Order stating that the proposed termination is pursuant to Section 16.8(a)(i), Section 16.8(a)(ii), Section 16.8(a)(iii) or Section 16.8(b), and any conditions to such proposed termination have been satisfied;
3. the proposed date of termination (which in the case of a termination pursuant to Section 16.8(a) must be a Payment Date);
4. that from and after termination of the Policy, the Insured Notes will bear interest at a rate of LIBOR + 0.25% + the Premium Rate; and
5. that if the Policy is terminated, the Insurer shall have no further liability for losses, claims, demands, damages, controversies, losses, costs and expenses of any nature whatsoever, known or unknown, suspected or unsuspected, fixed or contingent, under the Policy as of the date of such termination, whether such losses, claims, demands, damages, controversies, losses, costs and expenses occurred prior to or subsequent to the date of such termination, and whether in connection with an Avoided Payment or other amount that has been paid by the Issuer or the Insurer prior to or after the termination of the Policy and subsequently is required to be returned as a preference or otherwise.

(b) Each Holder of the Insured Notes that wishes to terminate the Policy must notify the Issuer and Trustee in writing of such determination within 10 Business Days after delivery of the notice of proposed termination. If the Trustee and the Issuer have not received written notification from all of the Holders of the Insured Notes within 10 Business Days of delivery of notice of proposed termination, the solicitation of the vote of the Holders of the Notes will be deemed not to have succeeded. The Trustee shall promptly forward to the Issuer, the Portfolio Manager and the Insurer the solicitation of votes received from the Holders of the Insured Notes. If all Holders of the Insured Notes notify the Issuer and the Trustee that they wish to terminate the Policy, the Issuer shall issue an Issuer Order instructing the Trustee to:

1. surrender the Policy to the Insurer for cancellation on the date of termination;

2. promptly notify each Rating Agency of such termination; and
3. execute, acknowledge and deliver (at the expense of Issuer) such other documents or instruments as the Insurer may reasonably request evidencing the termination of the Policy.

Diversity Score Calculation

The Diversity Score for the Collateral Obligations is calculated by summing each of the Industry Diversity Scores, which are calculated as follows:

(i) An "***Obligor Par Amount***" is calculated for each obligor represented in the Collateral Obligations (other than Defaulted Collateral Obligations) by summing the par amounts of all Collateral Obligations in the Collateral (other than Defaulted Collateral Obligations) issued by that obligor or any Affiliate of that obligor (other than obligors that the Portfolio Manager reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).

(ii) An "***Average Par Amount***" is calculated by summing the Obligor Par Amounts and dividing by the number of obligors represented. For purposes of calculating the number of issuers of the Collateral Obligations (other than Defaulted Collateral Obligations), any issuers Affiliated with one another shall be considered one issuer (other than obligors that the Portfolio Manager reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).

(iii) An "***Equivalent Unit Score***" is calculated for each obligor represented in the Collateral Obligations (other than Defaulted Collateral Obligations) by taking the lesser of (A) one and (B) the Obligor Par Amount for the obligor *divided* by the Average Par Amount. For purposes of calculating the Equivalent Unit Score, any issuers Affiliated with one another shall be considered one issuer (other than obligors that the Portfolio Manager reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).

(iv) An "***Aggregate Industry Equivalent Unit Score***" is then calculated for each of the Moody's industrial classification groups by summing the Equivalent Unit Scores for each obligor in the industry.

(v) An "***Industry Diversity Score***" is then established by reference to the Diversity Score Table shown below for the related Aggregate Industry Equivalent Unit Score. If any Aggregate Industry Equivalent Unit Score falls between any two the scores then the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores in the Diversity Score Table.

Schedule 8

Certain Defined Terms Relating to S&P Rating and Moody's Rating

"Assigned Moody's Rating": The monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

"Moody's Default Probability Rating": With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following, in the following order of priority:

- (a) with respect to a Moody's Senior Secured Loan:
 - (i) if the Loan's obligor has a senior implied rating from Moody's, such senior implied rating; and
 - (ii) if the preceding clause does not apply, the Moody's Obligation Rating of such Loan;
 - (iii) if the preceding clauses do not apply, the rating that is one subcategory above the Moody's Equivalent Senior Unsecured Rating;
- (b) with respect to a Moody's Non Senior Secured Loan or a Bond, the Moody's Equivalent Senior Unsecured Rating of such Collateral Obligation;
- (c) with respect to a Collateral Obligation that is a DIP Loan, the rating that is one rating subcategory below the Assigned Moody's Rating thereof;
- (d) with respect to a Structured Finance Obligation, the Assigned Moody's Rating thereof (or, if the obligation does not have an Assigned Moody's Rating but has a rating by S&P, the rating that is the number of rating subcategories specified by Moody's below such S&P rating); and
- (e) with respect to a Synthetic Security, the Assigned Moody's Rating thereof.

Notwithstanding the foregoing, if the Moody's rating or ratings used to determine the Moody's Default Probability Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down one subcategory (if on watch for downgrade) or up one subcategory (if on watch for upgrade).

"Moody's Equivalent Senior Unsecured Rating": With respect to any Collateral Obligation that is a Loan or bond and the obligor thereof, as of any date of determination, the rating determined in accordance with the following, in the following order of priority:

- (a) if the obligor has a senior unsecured obligation with an Assigned Moody's Rating, such Assigned Moody's Rating;
- (b) if the preceding clause does not apply, the Moody's "Issuer Rating" for the obligor;

(c) if the preceding clauses do not apply, but the obligor has a subordinated obligation with an Assigned Moody's Rating, then

(i) if such Assigned Moody's Rating is at least "B3" (and, if rated "B3," not on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be the rating which is one rating subcategory higher than such Assigned Moody's Rating, or

(ii) if such Assigned Moody's Rating is less than "B3" (or rated "B3" and on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be such Assigned Moody's Rating;

(d) if the preceding clauses do not apply, but the obligor has a senior secured obligation with an Assigned Moody's Rating, then:

(i) if such Assigned Moody's Rating is at least "Caa3" (and, if rated "Caa3," not on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be the rating which is one subcategory below such Assigned Moody's Rating, or

(ii) if such Assigned Moody's Rating is less than "Caa3" (or rated "Caa3" and on watch for downgrade), then the Moody's Equivalent Senior Unsecured Rating shall be "C";

(e) if the preceding clauses do not apply, but such obligor has a senior implied rating from Moody's, the Moody's Equivalent Senior Unsecured Rating shall be one rating subcategory below such senior implied rating;

(f) if the preceding clauses do not apply, but the obligor has a senior unsecured obligation (other than a bank loan) with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), then the Moody's Equivalent Senior Unsecured Rating shall be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher,

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower; or

(iii) "B3" until the Issuer or the Portfolio Manager obtains an estimated rating from Moody's if (A) the Portfolio Manager certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating no lower than "B3" will be assigned by Moody's and the Issuer or the Portfolio Manager on its behalf applies for an estimated rating from Moody's within five Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (f)(iii), or clauses (g)(iii) or (h)(iii) does not exceed 5% of the Maximum Investment Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;

(g) if the preceding clauses do not apply, but the obligor has a subordinated obligation (other than a bank loan) with a monitored public rating from S&P (without any

postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating shall be deemed to be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher;

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower, and the Moody's Equivalent Senior Unsecured Rating shall be determined pursuant to clause (c) above; or

(iii) "B3" until the Issuer or the Portfolio Manager obtains an estimated rating from Moody's if (A) the Portfolio Manager certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating not lower than "B3" will be assigned by Moody's and the Issuer or the Portfolio Manager on its behalf applies for an estimated rating from Moody's within five Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (g)(iii), or clauses (f)(iii) or (h)(iii) does not exceed 5% of the Maximum Investment Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;

(h) if the preceding clauses do not apply, but the obligor has a senior secured obligation with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating shall be deemed to be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher;

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower, and the Moody's Equivalent Senior Unsecured Rating shall be determined pursuant to clause (d) above; or

(iii) "B3" until the Issuer or the Portfolio Manager obtains an estimated rating from Moody's if (A) the Portfolio Manager certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating not lower than "B3" will be assigned by Moody's and the Issuer or the Portfolio Manager on its behalf applies for an estimated rating from Moody's within five Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (h)(iii), or clauses (f)(iii) or (g)(iii) does not exceed 5% of the Maximum Investment Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;

(i) if the preceding clauses do not apply and each of the following clauses (i) through (viii) do apply, the Moody's Equivalent Senior Unsecured Rating will be "Caa1":

(i) neither the obligor nor any of its Affiliates is subject to reorganization or bankruptcy proceedings,

(ii) no debt securities or obligations of the obligor are in default,

- (iii) neither the obligor nor any of its Affiliates has defaulted on any debt during the preceding two years,
- (iv) the obligor has been in existence for the preceding five years,
- (v) the obligor is current on any cumulative dividends,
- (vi) the fixed-charge ratio for the obligor exceeds 125% for each of the preceding two fiscal years and for the most recent quarter,
- (vii) the obligor had a net profit before tax in the past fiscal year and the most recent quarter, and
- (viii) the annual financial statements of such obligor are unqualified and certified by a firm of Independent accountants of international reputation, and quarterly statements are unaudited but signed by a corporate officer;
- (j) if the preceding clauses do not apply but each of the following clauses (i) and (ii) do apply, the Moody's Equivalent Senior Unsecured Rating will be "Caa3":
 - (i) neither the obligor nor any of its Affiliates is subject to reorganization or bankruptcy proceedings; and
 - (ii) no debt security or obligation of such obligor has been in default during the past two years; and
- (k) if the preceding clauses do not apply and a debt security or obligation of the obligor has been in default during the past two years, the Moody's Equivalent Senior Unsecured Rating will be "Ca."

Notwithstanding the foregoing, not more than 10% of the Maximum Investment Amount may consist of Investment Obligations given a Moody's Equivalent Senior Unsecured Rating based on a rating given by S&P as provided in clauses (f), (g) and (h) above.

"Moody's Obligation Rating": With respect to any Collateral Obligation as of any date of determination, the rating determined in accordance with the following, in the following order of priority:

- (a) With respect to a Moody's Senior Secured Loan:
 - (i) if it has an Assigned Moody's Rating, such Assigned Moody's Rating;
or
 - (ii) if the preceding clause does not apply, the rating that is one rating subcategory above the Moody's Equivalent Senior Unsecured Rating; and
- (b) With respect to a Moody's Non Senior Secured Loan or a Bond:
 - (i) if it has an Assigned Moody's Rating, such Assigned Moody's Rating;
or

(ii) if the preceding clause does not apply, the Moody's Equivalent Senior Unsecured Rating; and

(c) With respect to a Synthetic Security or a DIP Loan, the Assigned Moody's Rating thereof.

Notwithstanding the foregoing, if the Moody's rating or ratings used to determine the Moody's Default Probability Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down one subcategory (if on watch for downgrade) or up one subcategory (if on watch for upgrade).

"Moody's Rating": The Moody's Default Probability Rating; provided that, with respect to the Collateral Obligations generally, if at any time Moody's or any successor to it ceases to provide rating services, references to rating categories of Moody's in this Indenture shall be deemed instead to be references to the equivalent categories of any other nationally recognized investment rating agency selected by the Portfolio Manager, as of the most recent date on which such other rating agency and Moody's published ratings for the type of security in respect of which such alternative rating agency is used.

"S&P Rating": With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) If there is an issuer credit rating of the borrower of the Collateral Obligation (the "**Borrower**"), or the guarantor who unconditionally and irrevocably guarantees the Collateral Obligation (the "**Guarantor**") by S&P, the most current issuer credit rating for such Borrower or Guarantor;

(ii) (a) if there is not an issuer credit rating of the Borrower or its Guarantor by S&P, but there is a rating by S&P on a senior secured obligation of the Borrower or its Guarantor, then the S&P Rating of the Collateral Obligation will be one subcategory below such rating; (b) if there is not a rating by S&P on a senior secured obligation of the Borrower or its Guarantor, but there is a rating by S&P on a senior unsecured obligation of the Borrower or its Guarantor, then the S&P Rating will be such rating; and (c) if there is not a rating by S&P on a senior obligation of the Borrower or its Guarantor, but there is a rating by S&P on a subordinated obligation of the Borrower or its Guarantor, then the S&P Rating will be two subcategories above such rating if such rating is "BBB-" or higher and will be one subcategory above such rating if such rating is "BB+" or lower; or

(iii) if there is neither an issuer credit rating of the Borrower or its Guarantor by S&P nor a rating by S&P on an obligation of the Borrower or its Guarantor, then the S&P Rating may be determined using any one of the methods below:

(A) if an obligation of the Borrower or its Guarantor is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Default Probability Rating, except that the S&P Rating of such obligation will be (1) one subcategory below the S&P equivalent of the rating assigned by Moody's if such security is rated "Baa3" or higher by Moody's and (2) two subcategories below the S&P equivalent of the rating assigned by Moody's if such security is rated "Ba1" or

lower by Moody's; provided that Collateral Obligations constituting no more than 10% of the Maximum Investment Amount may be given a S&P Rating based on a rating given by Moody's as provided in this subclause (a) (after giving effect to the addition of the relevant Collateral Obligation, if applicable);

(B) if no other security or obligation of the Borrower or its Guarantor is rated by S&P or Moody's, then the Portfolio Manager may apply to S&P for a S&P credit rating estimate, which will be its S&P Rating; or

(C) if such Collateral Obligation is not rated by Moody's or S&P, no other security or obligation of the Borrower or its Guarantor is rated by S&P or Moody's and if the Portfolio Manager determines in its sole discretion based on information available to it after reasonable inquiry that such Borrower (x) is not subject to any bankruptcy or reorganization proceedings nor in default on any of its obligations (unless the subject of a good faith business dispute), (y) is a legally constituted corporate entity having the minimum legal, financial and operational infrastructure to carry on a definable business, deliver and sell a product or service and report its results in generally accepted accounting terms as verified by a reputable audit firm and (z) is not so vulnerable to adverse business, financial and economic conditions that default in its financial or other obligations is foreseeable in the near term if current operating trends continue, then the S&P Rating will be "CCC-"; provided that the Portfolio Manager must apply to S&P for a S&P credit rating on such Borrower within 30 days after the addition of the relevant Collateral Obligation; provided, further, that Collateral Obligations constituting no more than 5% of the Maximum Investment Amount may be given an S&P Rating based on this subclause (c) (after giving effect to the addition of the relevant Collateral Obligation, if applicable);

provided that if (i) the relevant Borrower or Guarantor or obligation is placed on any positive "credit watch" list by S&P, such rating will be increased by one rating subcategory or (ii) the relevant Borrower or Guarantor or obligation is placed on any negative "credit watch" list by S&P, such rating will be decreased by one rating subcategory.

Notwithstanding the foregoing, in the case of a Collateral Obligation that is a DIP Loan, the S&P Rating shall be (A) the rating assigned thereto by S&P if the rating is public, (B) the rating assigned by S&P if the rating is confidential, but only if all appropriate parties have provided written consent to its disclosure and use, (C) the rating assigned by S&P thereto through an estimated rating or (D) the rating assigned thereto by S&P in connection with the acquisition thereof upon the request of the Portfolio Manager. In the case of a Collateral Obligation that is a PIK Security or Structured Finance Obligation, the S&P Rating may not be determined pursuant to clause (iii)(a) above.

S&P Ratings for entities or obligations relevant hereunder other than Borrowers and Collateral Obligations shall be determined in a corresponding manner.

- (ii) the maturity of all or a portion of the principal amount of such Collateral Obligation has been accelerated as a consequence of a default (other than any payment default) under the instruments evidencing or relating to such Collateral Obligation; unless such default or event of default has been fully cured or waived and is no longer continuing and such acceleration has been rescinded;

- (ii) denominator is the Aggregate Principal Balance of all Fixed Rate Obligations (excluding any Non-Performing Collateral Obligations) held by the Issuer as of the Measurement Date.

In computing the Spread Excess on any Measurement Date, the Weighted Average Spread for the Measurement Date will be computed as if the Fixed Rate Excess were equal to zero.

Synthetic Security Counterparty that has in the Servicer's commercially reasonable judgment, equivalent expected loss characteristics (those characteristics, *credit risk*) to those of the related Reference Obligations (taking account of those considerations as they relate to the Synthetic Security Counterparty), if (i) it is either a Form-Approved Synthetic Security or the Rating Condition for each Rating Agency is satisfied, and (ii) the Reference Obligations thereof have a Market Value equal to at least 85% of the Principal Balance of the Reference Obligation at the time the Synthetic Security is entered into.

Each Synthetic Security that is a credit default swap the Reference Obligation of which are Loans shall require each such Reference Obligation to be denominated and payable in U.S. Dollars.

The maturity, interest rate, and other non-credit characteristics of a Synthetic Security may be different from the Reference Obligations to which the credit risk of the Synthetic Security relates.

No Synthetic Security shall result in the Issuer being a "buyer" of credit protection.

The term Synthetic Security shall not include any Structured Finance Obligation or any Participation, but the Reference Obligation of a Synthetic Security may be a Structured Finance Obligation.

Each Synthetic Security Agreement shall contain appropriate limited recourse and non-petition provisions (to the extent the Issuer has contractual payment obligations to the Synthetic Security Counterparty) equivalent (*mutatis mutandis*) to those contained in this Indenture.

The ownership or disposition of any Synthetic Security (without regard to the Issuer's other activities) must not cause the Issuer to be treated as engaged in a U.S. trade or business for United States federal income tax purposes or otherwise subject the Issuer to net income taxes.

Unless the Rating Condition is otherwise satisfied, any "deliverable obligation" that may be delivered to the Issuer as a result of the occurrence of any "credit event" under any proposed Synthetic Security must not provide that its transfer to the Issuer is subject to obtaining any consents and must qualify (when the Issuer purchases the related Synthetic Security and when such "deliverable obligation" is delivered to the Issuer as a result of the occurrence of any "credit event") as a Collateral Obligation and satisfy the Concentration Limitations under this Indenture, except that such "deliverable obligation" may constitute a Defaulted Collateral Obligation when delivered upon a "credit event" and if the Reference Obligation of the Synthetic Security is a Senior Secured Loan then the "deliverable obligation" under the Synthetic Security must also be a Senior Secured Loan.

No Synthetic Security may provide for any event other than bankruptcy or a failure to pay as a "credit event."

No Synthetic Security shall provide for termination by the Synthetic Security Counterparty at any time (i) after a declaration of acceleration of Maturity of the Notes has been made upon the occurrence of an Event of Default, unless such declaration and its consequences may no longer be rescinded and annulled in accordance with Section 5.2(c) and liquidation of the Collateral has begun or (ii) upon an Optional Redemption, unless the third Business Day before the scheduled Redemption Date has passed and no notice of withdrawal has been issued.

For purposes of the Coverage Tests and the Retention Overcollateralization Test, unless the Rating Condition for each Rating Agency is satisfied in respect of any proposed alternative treatment, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the related Reference Obligations.

For purposes of the Collateral Quality Tests (other than the Diversity Test and the S&P Industry Classification with respect to the S&P CDO Monitor Test), a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the related Reference Obligations.

For purposes of calculating compliance with the Concentration Limitations other than limits relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of its Reference Obligations and not the Synthetic Security. For purposes of calculating compliance with the Concentration Limitations relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not its Reference Obligation.

With respect to a Synthetic Security based upon or relating to a senior secured index providing non-leveraged credit exposure to a basket of credit default swaps referencing a diversified group of Reference Obligations, with respect to which the principal or notional amount of the credit exposure to any single Reference Obligation does not increase over time, for purposes of: (i) calculating compliance with the Diversity Test, the S&P Industry Classification with respect to the S&P CDO Monitor Test, and the Concentration Limitations (other than limits relating to payment characteristics and except for clauses (17) and (17)(a) of the definition of "Concentration Limitations"), and all related definitions, and (ii) any other provision or definition of this Indenture involving a determination with respect to a Reference Obligation, the characteristics of such Reference Obligations shall be determined by treating such Synthetic Security as a direct interest of the Issuer in each such Reference Obligation in an amount equal to the Allocable Principal Balance of such Reference Obligation. In addition, each Reference Obligation under such Synthetic Security shall be assigned a Moody's Rating Factor

equal to the sum of the Moody's Rating Factor of (i) the related Reference Obligor, (ii) the Synthetic Security Counterparty of such Synthetic Security and (iii) the Synthetic Security Collateral of such Synthetic Security. In addition, the Moody's Priority Category Rate in respect of a Synthetic Security referencing multiple Reference Obligations pursuant to this paragraph shall be the Moody's Priority Category Rate as assigned by Moody's to each Reference Obligation underlying such Synthetic Security. For the avoidance of doubt, Reference Obligations upon which a Synthetic Security is based as described in this paragraph must meet the definition of "Collateral Obligation" to the extent provided in this definition.

If the Rating Condition must be satisfied to execute the purchase of any Synthetic Security, the Servicer, on behalf of the Issuer, shall give each applicable Rating Agency not less than five days' prior notice of the purchase of or entry into any Synthetic Security.

1.2 Assumptions as to Pledged Obligations; Construction Conventions

This Section 1.2 shall be applied in connection with all calculations required to be made pursuant to this Indenture:

- with respect to the scheduled payment of principal or interest on any Pledged Obligation, or any payments on any other assets included in the Collateral,
- with respect to the sale of and acquisition of Collateral Obligations,
- with respect to the income that can be earned on the scheduled payment of principal or interest on the Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account, and
- with respect to the treatment of Collateral Obligations loaned pursuant to a Securities Lending Agreement.

The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

- (a) All calculations with respect to the scheduled payment of principal or interest on the Pledged Obligations shall be made on the basis of information as to the terms of each Pledged Obligation and on reports of payments received on the Pledged Obligation that are furnished by or on behalf of the issuer of the Pledged Obligation and, to the extent they are not manifestly in error, the information or report may be conclusively relied on in making the calculations.
- (b) For each Due Period and as of any Measurement Date, the scheduled payment of principal or interest on any Pledged Obligation shall be the sum of

- (i) the total amount of payments and collections reasonably expected to be received during the Due Period in respect of the Pledged Obligation that, if paid as scheduled, will be available for payment on the Notes and of certain expenses of the Issuer and the Co-Issuer in the Collection Account at the end of the Due Period; and
- (ii) any such amounts received in prior Due Periods that were not disbursed on a previous Payment Date.

Except as provided in paragraph (h) below, a Non-Performing Collateral Obligation shall be assumed to have a scheduled payment of principal and interest of zero.

The total amount of payments and collections reasonably expected to be received includes the proceeds of the sale of the Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Due Period and not used to purchase additional Collateral Obligations (including any related deposit into the Synthetic Security Reserve Account, the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty, Securities Lending Counterparty, or Hedge Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security, Securities Lending Agreement, or Hedge Agreement) or Eligible Investments or retained in the Collection Account for subsequent application thereof to purchase additional Collateral Obligations pursuant to Section 12.2.

- (c) For purposes of the applicable determinations required by Section 12 and the definition of "Interest Coverage Ratio," the expected interest on Collateral Obligations shall be calculated using their then current interest rates.
- (d) With respect to any Collateral Obligation, the date on which it "matures" (or its "maturity" date) shall be the earlier of
 - (i) the stated maturity of the obligation or
 - (ii) if the Issuer has the right to require the issuer or obligor of the Collateral Obligation to purchase, redeem, or retire the Collateral Obligation at a price of at least par on any one or more dates before its Stated Maturity (a "put right") and the Servicer certifies to the Trustee that it will cause the Issuer to direct the Trustee to exercise the put right on a date, the maturity date shall be the date specified in the certification.
- (e) For purposes of calculating compliance with the Collateral Quality Tests (other than the Diversity Test and the S&P Industry Classification with respect to the S&P CDO Monitor Test), the Coverage Tests, and the Retention Overcollateralization Test and all related definitions, unless otherwise specified in this Indenture a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the Reference

Obligation. For purposes of calculating compliance with the Concentration Limitations other than limits relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of its Reference Obligations and not the Synthetic Security. For purposes of calculating compliance with the Concentration Limitations relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not its Reference Obligations.

- (f) Any Collateral Obligation loaned to a Securities Lending Counterparty shall be included in the Collateral Quality Tests, the Coverage Tests, and the Retention Overcollateralization Test and the Principal Balance of any Collateral Obligation loaned to a Securities Lending Counterparty shall be included in the Aggregate Principal Balance of Collateral Obligations, in each case unless an "event of default" (under and as defined in the related Securities Lending Agreement) is continuing.
- (g) If a Class of Notes ceases to be Outstanding, then any Coverage Test computed by reference to the Class of Notes (but not to any subordinate Class of Notes then Outstanding) shall cease to be of any force.
- (h) For purposes of calculating compliance with the Eligibility Criteria (other than the Weighted Average Life Test), at the direction of the Servicer by notice to the Trustee, during the Replacement Period any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale, or other disposition of a Collateral Obligation (or, after the Replacement Period, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations) shall be deemed to have the characteristics of the disposed Collateral Obligation until used to purchase an additional Collateral Obligation. The calculations shall be based on the Principal Balance of the disposed Collateral Obligations except in the case of Defaulted Collateral Obligations and Credit Risk Securities, in which case the calculations will be based on the Principal Proceeds received on the disposition or sale of the Defaulted Collateral Obligation or Credit Risk Obligation.
- (i) The calculation on any Coverage Test on any Determination Date shall be made by giving effect to all payments to be made pursuant to all subclauses of the Priority of Payments as applicable, payable on the Payment Date following such Determination Date. In addition no Principal Proceeds will be used to pay a subordinated Class on a Payment Date if, after giving effect to such payment, any Coverage Test of a more senior Class of Notes is failing on such Payment Date or would fail as a result of such application of the Principal Proceeds on such Payment Date.

1.3 Rules of Interpretation

Except as otherwise expressly provided in this Indenture or unless the context clearly requires otherwise:

- (a) Defined terms include, as appropriate, all genders and the plural as well as the singular.
- (b) References to designated articles, sections, subsections, exhibits, and other subdivisions of this Indenture, such as "Section 6.13 (a)", refer to the designated article, section, subsection, exhibit, or other subdivision of this Indenture as a whole and to all subdivisions of the designated article, section, subsection, exhibit, or other subdivision. The words "herein", "hereof", "hereto", "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, exhibit, or other subdivision of this Indenture.
- (c) Any term that relates to a document or a statute, rule, or regulation includes any amendments, modifications, supplements, or any other changes that may have occurred since the document, statute, rule, or regulation came into being, including changes that occur after the date of this Indenture. References to law are not limited to statutes. Any reference to any Person includes references to its successors and assigns.
- (d) Any party may execute any of the requirements under this Indenture either directly or through others, and the right to cause something to be done rather than doing it directly shall be implicit in every requirement under this Indenture. Unless a provision is restricted as to time or limited as to frequency, all provisions under this Indenture are implicitly available and things may happen from time to time.
- (e) The term "including" and all its variations mean "including but not limited to." Except when used in conjunction with the word "either", the word "or" is always used inclusively (for example, the phrase "A or B" means "A or B or both", not "either A or B but not both").
- (f) A reference to "a thing" or "any of a thing" does not imply the existence or occurrence of the thing referred to even though not followed by "if any", and "any of a thing" is any and all of it. A reference to the plural of anything as to which there could be either one or more than one does not imply the existence of more than one (for instance, the phrase "the obligors on a note" means "the obligor or obligors on a note"). "Until something occurs" does not imply that it must occur, and will not be modified by the word "unless." The word "due" and the word "payable" are each used in the sense that the stated time for payment has passed. The word "accrued" is used in its accounting sense, i.e., an amount paid is no longer accrued. In the calculation of amounts of things, differences and sums may generally result in negative numbers, but when the calculation of the excess of

one thing over another results in zero or a negative number, the calculation is disregarded and an "excess" does not exist. Portions of things may be expressed as fractions or percentages interchangeably. The word "shall" is used in its imperative sense, as for instance meaning a party agrees to something or something must occur or exist.

- (g) All accounting terms used in an accounting context and not otherwise defined, and accounting terms partly defined in this Indenture, to the extent not completely defined, shall be construed in accordance with generally accepted accounting principles. To the extent that the definitions of accounting terms in this Indenture are inconsistent with their meanings under generally accepted accounting principles, the definitions contained in this Indenture shall control.
- (h) In the computation of a period of time from a specified date to a later specified date or an open-ended period, the words "from" and "beginning" mean "from and including", the word "after" means "from but excluding," the words "to" and "until" mean "to but excluding", and the word "through" means "to and including." Likewise, in setting deadlines or other periods, "by" means "on or before." The words "preceding", "following", "before", "after", "next" and words of similar import, mean immediately preceding or following. References to a month or a year refer to calendar months and calendar years.
- (i) Any reference to the enforceability of any agreement against a party means that it is enforceable against the party in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, and other similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.
- (j) Except when only the registered Holder is recognized, such as in Section 2.9., references to Noteholders, Holders, and the like refer equally to beneficial owners who have an interest in a Note but are not reflected in the Indenture Register as the owner.

2. THE NOTES

2.1 Forms Generally

The Notes and the Trustee's or Authenticating Agent's certificate of authentication on them (the ***Certificate of Authentication***) shall be in substantially the forms required by this Section, with appropriate insertions, omissions, substitutions, and other variations required or permitted by this Indenture, and may have any letters, numbers, or other marks of identification and any legends or endorsements on them that are consistent with this Indenture, as determined by the Authorized Officers of the Issuer executing the Notes as evidenced by their execution of the Notes.

2.2 Forms of Notes and Certificate of Authentication

- (a) The Notes, including the Regulation S Global Notes, Rule 144A Global Notes and Certificate of Authentication, shall be in the forms of the applicable portion of Exhibit A.
- (b) **Regulation S Global Notes.** The Notes of each Class sold to non-U.S. persons in off-shore transactions in reliance on Regulation S shall each be represented by one or more global notes in definitive, fully registered form without interest coupons substantially in the form of the applicable portion of Exhibit A, including legends (the **Regulation S Global Notes**). The global notes shall be deposited on behalf of the subscribers for the Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided. As used above and in subsection (d) below, "U.S. person" and "off-shore transaction" have the meanings assigned to them in Regulation S.
- (c) **Rule 144A Global Notes.** The Notes of each Class initially sold to U.S. persons that are Qualified Institutional Buyers and Qualified Purchasers shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the form of the applicable portion of Exhibit A, including legends (each, a **Rule 144A Global Note**), which shall be deposited on behalf of the subscribers for the Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided.
- (d) **Book-Entry Provisions.** This Section 2.2(d) shall apply only to Global Notes deposited with or on behalf of the Depository. The "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, shall be applicable to the Regulation S Global Notes insofar as interests in the Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Trustee, as custodian for the Depository and the Depository may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or the Trustee as the absolute owner of the Note for all purposes whatsoever. Notwithstanding the foregoing, nothing in this Indenture shall

prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy, or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

2.3 Authorized Amount; Denominations

- (a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is limited to U.S.\$637,000,000, except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.6, 2.7, or 8.5.
- (b) The Notes shall be divided into the following Classes, having the designations, original principal amounts and other characteristics as follows:

Class	A-1	A-2	B	C	D	E
Original Principal Amount	U.S.\$417,200,000	U.S.\$104,300,000	U.S.\$41,300,000	U.S.\$37,100,000	U.S.\$16,100,000	U.S.\$21,000,000
Interest Rate	LIBOR + 0.32%	LIBOR + 0.60%	LIBOR + 1.00%	LIBOR + 2.00%	LIBOR + 3.50%	LIBOR + 4.00%
Initial Rating (Moody's/S&P)	Aaa/AAA	Aaa/AAA	Aa2/AA	A2/A	Baa2/BBB	Baa3/BBB-

- (c) The Notes will be issuable in minimum denominations of U.S.\$250,000, and integral multiples of U.S.\$1,000 in excess of that amount.
- (d) The Issuer will also issue 17,500 Class I Preference Shares and 45,500 Class II Preference Shares pursuant to the Preference Share Documents, simultaneously with the issuance of the Notes under this Indenture. At any time during the Replacement Period, the Issuer may issue and sell additional Preference Shares and use the proceeds from such issuance and sale to purchase additional Collateral Obligations or as otherwise permitted under the Preference Share Documents and this Indenture pursuant to Section 6 of the Preference Shares Paying Agency Agreement. The Preference Shares are not secured by the lien of this Indenture. Any payments made by the Trustee hereunder with respect to the Preference Shares (other than, as and to the extent described herein, the Class II Preference Share Special Payments) will be released by the Trustee to the Preference Shares Paying Agent on each Payment Date in accordance with the Priority of Payments for deposit into the Preference Shares Distribution Account for payment, subject to Cayman Islands law, to Holders of the Preference Shares as dividends or Redemption Price, as applicable.

2.4 Extension of Replacement Period and Stated Maturity

- (a) The Issuer, if directed by the Servicer, shall be entitled on each Extension Effective Date to extend the Replacement Period to the applicable Extended Replacement Period End Date up to a maximum of four times if (i) in the case of an Extension Effective Date occurring after the first Extension Effective Date, the Issuer has previously effected a Maturity Extension for each preceding Extension Effective Date in accordance with this Section 2.4 and (ii) the Extension Conditions set forth in Section 2.4(c) are satisfied and the Issuer has given written notice of its election to extend the Replacement Period to the Trustee no later than 60 days and no earlier than 90 days prior to such Extension Effective Date. If the Extension Conditions are satisfied, the Stated Maturity of the Notes shall be automatically extended to the related Extended Stated Maturity Date and the Weighted Average Life Test shall be automatically extended to the related Extended Weighted Average Life Date, without any requirement for approval or consent of any Holders of Notes or Preference Shares or amendment or supplement to this Indenture or the Preference Share Documents (the ***Maturity Extension***); **provided** that the Issuer will not be permitted to effect more than four Maturity Extensions.
- (b) In the case of a Maturity Extension, any Holder of Securities wishing to sell such Securities to an Extension Qualifying Purchaser pursuant to the Extension Conditions must provide the applicable Extension Sale Notice within the Extension Sale Notice Period pursuant to Section 2.4(d) (such Securities as to which an Extension Sale Notice has been duly given, ***Extension Sale Securities***). Notwithstanding anything to the contrary herein, in connection with an Extension Sale, all, but not part, of the Extension Sale Securities shall be purchased and settled at the applicable Extension Purchase Price on the applicable Extension Effective Date.
- (c) The Maturity Extension shall be effective only if the following conditions (the ***Extension Conditions***) are satisfied:
 - (i) the purchase of all Extension Sale Securities has been settled by the designated Extension Qualifying Purchasers at the applicable Extension Purchase Price as of the applicable Extension Effective Date;
 - (ii) all such purchases of Extension Sale Securities individually and in the aggregate comply with the applicable transfer restrictions in this Indenture and the Preference Share Documents immediately after such purchase and the legends on such Extension Sale Securities and all applicable law, rules and regulations (including, without limitation, rules, regulations and procedures of any applicable securities exchange, self-regulatory organization or clearing agency);

- (iii) (a) the Rating Condition has been satisfied with respect to S&P (so long as any Notes are then rated by S&P) and (b) the Rating Condition has been satisfied with respect to Moody's (so long as any Notes are then rated by Moody's);
- (iv) the Issuer has not effected more than three prior Extensions; and
- (v) such extension is not effected for the primary purpose of decreasing losses or recognizing gains resulting from market value changes.

The Issuer, the Trustee and, by its acceptance of the Notes, each Noteholder agrees that neither of the Initial Purchasers shall be responsible for causing the Extension Conditions to be satisfied and neither of the Initial Purchasers shall be liable to any such Person or Noteholders (whether or not such Holder gave an Extension Sale Notice with respect to its Notes) or to any other Person if the Extension Conditions are not satisfied. Failure of the Extension Conditions to be satisfied shall not constitute a Default or Event of Default under this Indenture.

(d) Extension Procedure.

- (i) Not later than three Business Days following receipt by the Trustee of the notice given by the Issuer of its election to extend the Replacement Period (the ***Extension Notice***), the Trustee shall mail the Extension Notice to all Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of the Preference Shares) and each Rating Agency (so long as any rated Notes are Outstanding), in the form of Exhibit I, and shall request the Rating Confirmation for the Maturity Extension from each Rating Agency, if applicable;
- (ii) Any Holder of the Securities may deliver an irrevocable notice (an ***Extension Sale Notice***) to the Issuer and the Trustee within 30 days after the Trustee has mailed the Extension Notice (the ***Extension Sale Notice Period***) of its intention to sell all or a portion of its Securities to an Extension Qualifying Purchaser in the case of a Maturity Extension. Any Extension Sale Notice received by the Trustee after the Extension Sale Notice Period shall be disregarded and deemed not to have been given. No Holder of the Securities that has not delivered such an Extension Sale Notice within the Extension Sale Notice Period shall be entitled to sell its Securities to an Extension Qualifying Purchaser in connection with the Maturity Extension; and
- (iii) If clause (iii)(b) of the Extension Conditions is not satisfied as of the applicable Extension Determination Date as determined by the Issuer (or its agent), the Trustee shall request the Rating Condition to be satisfied with respect to Moody's.

- (e) On the applicable Extension Determination Date, the Issuer (or its agent) shall confirm (i) whether or not Extension Qualifying Purchasers for all Extension Sale Securities have been designated to purchase such Extension Sale Securities in compliance with all transfer restrictions in this Indenture and the Preference Share Documents and the legends on such Extension Sale Securities and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency), (ii) whether the requirements of clause (c)(iii) of the Extension Conditions are satisfied as of the applicable Extension Determination Date and (iii) whether all other Extension Conditions can be satisfied as of the applicable Extension Effective Date.
- (f) On each Extension Effective Date, the Maturity Extension shall automatically become effective under the terms of this Indenture; **provided** that all Extension Conditions set forth in clauses (a) and (c) above are satisfied (as certified to the Trustee by a certificate of an Authorized Officer of the Issuer). No later than two Business Days after each Extension Effective Date, the Trustee based on a determination made by the Issuer in consultation with the Servicer, at the expense of the Co-Issuers, shall mail a notice to all Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Servicer, the Initial Purchasers, each Rating Agency (so long as any rated Notes are Outstanding) and the Irish Stock Exchange (if and for so long as any Class of Notes is listed thereon) confirming whether or not the Maturity Extension became effective. If the Maturity Extension became effective, the Issuer shall make any required notifications thereof to the Depository for any Notes subject to the Maturity Extension.
- (g) In the case of a Maturity Extension, each Noteholder, other than a Holder of Extension Sale Securities, shall be entitled to receive an amount equal to the applicable Extension Bonus Payment. Holders of Preference Shares shall not be entitled to receive any Extension Bonus Payment.

The Extension Bonus Payment shall be payable to any applicable qualifying beneficial owners who have provided the Trustee with an Extension Bonus Eligibility Certification on the first Payment Date from and including each Extension Effective Date on which funds are available to be used for such purposes in accordance with Priority of Payments, but in any event, no later than the earlier of the Stated Maturity and the date of redemption of the Notes. Extension Bonus Payments which are not available to be paid on a Payment Date in accordance with the Priority of Payments shall not be considered "due and payable" hereunder. The failure to pay any such Extension Bonus Payment on such date shall not be an Event of Default, unless the Issuer shall fail to pay in full such Extension Bonus Payment on the earlier of the Stated Maturity and the date of redemption in full of the relevant Securities. Unpaid Extension Bonus Payments shall not accrue interest. Such amounts shall be paid, in the case of the Notes, to the accounts designated in the applicable Extension Bonus Eligibility

Certification or, to the extent otherwise required by the rules of any applicable securities exchange or clearing agency, in a manner determined by the Issuer.

- (h) If any Holder of Class II Preference Shares delivers an Extension Sale Notice notifying the Issuer and the Trustee of its intention to sell all or a portion of its Class II Preference Shares, such Holder will sell such Class II Preference Shares to the Extension Qualifying Purchaser and such Preference Shares will be redesignated as Class I Preference Shares.

2.5 Execution, Authentication, Delivery, and Dating

The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of the Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding that any of them have ceased to hold their offices before the authentication and delivery of the Notes or did not hold their offices at the date of issuance of the Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Co-Issuers may deliver the Notes, in each case executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver the Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange, or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged, or replaced, but shall represent only the current outstanding principal amount of the Notes so transferred, exchanged, or replaced. If any Note is divided into more than one Note in accordance with this Section 2, the original principal amount of the Note shall be proportionately divided among the Notes delivered in exchange for it and shall be the original aggregate principal amount of the subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on the Note a Certificate of Authentication executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and that certificate on any Note shall be conclusive evidence, and

the only evidence, that the Note has been duly authenticated and delivered under this Indenture.

2.6 Registration, Registration of Transfer and Exchange

- (a) The Issuer shall cause a register (the *Indenture Register*) to be kept in which the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "Indenture Registrar" for the purpose of registering Notes and transfers of the Notes as provided in this Indenture. The Issuer may rely conclusively on any such information provided to it by the Trustee. Upon any resignation or removal of the Indenture Registrar, the Issuer shall promptly appoint a successor and notify the Servicer of the appointment or, in the absence of such appointment, assume the duties of Indenture Registrar.

If the Issuer appoints a Person other than the Trustee to be Indenture Registrar, the Issuer will give the Trustee prompt written notice of the appointment of the Indenture Registrar and of the location, and any change in the location, of the Indenture Register. The Trustee may inspect the Indenture Register at all reasonable times and obtain copies of it. The Trustee may rely on a certificate executed on behalf of the Indenture Registrar by an Officer of the Indenture Registrar as to the names and addresses of the Noteholders and the principal amounts and number of the Notes.

Upon surrender for registration of transfer of any Notes at the office or agency of the Applicable Issuers to be maintained pursuant to Section 7.2, if the requirements of this Indenture are met the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferees, new Notes of any authorized denomination and of a like original Aggregate Outstanding Amount.

At the option of their Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at the office or agency of the Applicable Issuers to be maintained pursuant to Section 7.2. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Noteholder making the exchange is entitled to receive.

All Notes issued on any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers evidencing the same obligations and entitled to the same benefits under this Indenture as the Notes surrendered for registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form

satisfactory to the Indenture Registrar duly executed by its Holder or his attorney duly authorized in writing.

No Holder shall incur a service charge for any registration of transfer or exchange of the Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

- (b) No Note may be sold or transferred (including by pledge or hypothecation) unless the sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws, and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act. None of the Co-Issuers, the Trustee or any other Person shall have any obligation to register the Notes under the Securities Act or any state securities laws.
- (c)
 - (i) No Note or interest therein may be transferred to any purchaser or transferee if such purchase, holding and disposition of such Note would result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, foreign or church plan, any federal, state, foreign or local law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code).
 - (ii) Any person described in paragraph (i) above is referred to herein as a "Non-Permitted Benefit Plan Investor." Any transfer of a beneficial interest to a Non-Permitted Benefit Plan Investor shall be void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.
- (d) None of the Trustee, the Share Registrar or the Indenture Registrar shall be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a certificate or any other document is specifically required by this Section 2.6 to be provided to the Trustee or such Registrar by a prospective transferee, the Trustee and such Registrar, as applicable, shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6.
- (e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or register the transfer of any Issuer Ordinary Shares to U.S. persons and the Co-Issuer shall not issue or register the transfer of any of its shares of the Co-Issuer to U.S. persons. As used in this subsection (e), "U.S. person" has the meaning assigned to it in Regulation S.

- (f) So long as a Global Note remains Outstanding and is held by or on behalf of the Depository, transfers of the Global Note, in whole or in part, shall only be made in accordance with Section 2.2(c), Section 2.6(c) and this Section 2.6(f).
- (i) Subject to clauses (ii), (iii) and (iv) of this Section 2.6(f), transfers of a Global Note shall be limited to transfers of the Global Note in whole, but not in part, to nominees of the Depository.
- (ii) **Rule 144A Global Note to Regulation S Global Note.** If a Holder of a beneficial interest in a Rule 144A Global Note deposited with the Depository wishes at any time to exchange its interest in the Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in the Rule 144A Global Note to a Person who wishes to take delivery of it in the form of an interest in the corresponding Regulation S Global Note, the Holder may exchange or transfer the interest for an equivalent beneficial interest in the corresponding Regulation S Global Note (subject to the rules and procedures of the Depository) if the Holder after the exchange or transfer is not a U.S. person.

The Indenture Registrar shall instruct the Depository to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged, and to credit to the Securities Account of the Person specified in the instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note upon receipt by the Indenture Registrar of

- (A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Indenture Registrar to credit a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to the Holder's Notes, equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred,
- (B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and the Euroclear or Clearstream account to be credited with the increase,
- (C) a certificate in the form of Exhibit B-3 given by the Holder of the beneficial interest stating that the exchange or transfer of the interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the Holder or the transferee, as applicable, is not a U.S. person, and that the transfer

has been made pursuant to and in accordance with Regulation S,
and

- (D) in the case of a transfer, a certificate in the applicable form of Exhibit B-1 given by the proposed transferee stating that it is not a U.S. person.
- (iii) **Regulation S Global Note to Rule 144A Global Note.** If a Holder of a Note held as a beneficial interest in a Regulation S Global Note deposited with the Depository wishes at any time to exchange its interest in the Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in the Regulation S Global Note to a Person who wishes to take delivery of it in the form of an interest in the corresponding Rule 144A Global Note, the Holder may, subject to the rules and procedures of Euroclear, Clearstream or the Depository, as the case may be, exchange or transfer, or cause the exchange or transfer of, the interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Indenture Registrar of:
 - (A) instructions from Euroclear, Clearstream or the Depository, as the case may be, directing the Indenture Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note equal to the beneficial interest in the Regulation S Global Note, but not less than the minimum denomination applicable to the Holder's Notes, to be exchanged or transferred, the instructions to contain information regarding the participant account with the Depository to be credited with the increase,
 - (B) a certificate in the form of Exhibit B-2 given by the Holder of the beneficial interest and stating that, in the case of an exchange, the Holder is a Qualified Institutional Buyer and a Qualified Purchaser or, in the case of a transfer, the Person transferring the interest in the Regulation S Global Note reasonably believes that the Person acquiring the interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining the beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, and a Qualified Purchaser, and
 - (C) a certificate in the form of Exhibit B-1 given by the proposed transferee stating that it is a QIB/QP,

the Indenture Registrar shall instruct the Depository to reduce the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or

exchanged and the Indenture Registrar shall instruct the Depository, concurrently with the reduction, to credit to the Securities Account of the Person specified in the instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

- (iv) **Other Exchanges.** If a Global Note is exchanged for Notes in definitive registered form without interest coupons pursuant to Section 2.11, the Notes may be exchanged for one another only in accordance with procedures substantially consistent with the provisions above (including certification requirements intended to insure that the transfers are made only to Holders who are QIB/QPs or non-U.S. persons, or otherwise comply with Regulation S, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.
- (g) [Reserved]
- (h) If the Notes are issued upon the transfer, exchange, or replacement of Notes bearing the applicable legends in the applicable forms in Exhibit A, as applicable, and if a request is made to remove the legend on the Notes, the legend shall not be removed unless the Trustee and the Applicable Issuers received satisfactory evidence, which may include an Opinion of Counsel acceptable to them, reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither the legend nor the restrictions on transfer in it are required to ensure that transfers of the Notes comply with the Securities Act, the Investment Company Act, ERISA and the Code. Upon provision of satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear the applicable legend.
- (i) Notwithstanding anything contained in this Section 2.6 to the contrary:
 - (i) **Restrictions on U.S. Transfers.** Transfers of an interest in a Regulation S Global Note that are not made in an offshore transaction pursuant to Regulation S or are made to U.S. persons, if such transferees take delivery in the form of an interest in a Rule 144A Global Note, shall be limited to transfers made pursuant to the provisions of Section 2.6(f)(iii) and Section 2.6(f)(iv).
 - (ii) Beneficial interests in a Regulation S Global Note may only be held through Euroclear or Clearstream.
- (j) Each Person who becomes a beneficial owner of a Note evidenced by: (A) an interest in a Definitive Note, shall make the representations, warranties and agreements set forth in the applicable Transferee Certificate set forth in Exhibit B-

- 1 upon such Person's purchase or other acquisition of the relevant Definitive Note and (B) an interest in a Global Note, shall be deemed to make the representations, warranties and agreements set forth in the applicable legends of the Notes set forth in Exhibit A hereto and in the applicable Transferee Certificate set forth in Exhibit B-1 hereto upon such Person's purchase or other acquisition of the relevant Global Note.
- (k) The aggregate principal amount of any Global Note may be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC for the Global Note, which adjustments shall be conclusive as to the aggregate principal amount of any Global Note.
- (l) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void.

2.7 Mutilated, Destroyed, Lost or Stolen Notes

If the Applicable Issuers, the Trustee, and the relevant Transfer Agent receive evidence to their satisfaction of the destruction, loss or theft of any Note, and they receive the security or indemnity they require to hold each of them harmless, or if any mutilated Note is surrendered to a Transfer Agent, then, in the absence of notice to the Applicable Issuers, the Trustee, or the Transfer Agent that the Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and the Trustee shall authenticate and deliver to the Holder, in exchange for the mutilated, destroyed, lost, or stolen Note, a replacement Note, of like tenor and equal principal or face amount.

If, after delivery of the replacement Note or payment on it, a protected purchaser of the predecessor Note presents it for payment, transfer, or exchange, the Applicable Issuers, the Transfer Agent, and the Trustee may recover the replacement Note (or the payment on it) from the Person to whom it was delivered or any Person taking the replacement Note from the Person to whom the replacement Note was delivered or any assignee of that Person, except a protected purchaser, and may recover on the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the Applicable Issuers, the Trustee, and the Transfer Agent in connection with it.

If the final payment in respect of any mutilated, destroyed, lost, or stolen Note has become payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay the Note without requiring its surrender except that any mutilated Note shall be surrendered.

Upon the issuance of any new Note under this Section, the Applicable Issuers or the Trustee may require the payment by its holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the issuance and any other expenses (including the fees and expenses of the Trustee) connected with it.

Every new Note issued pursuant to this Section in replacement for any mutilated, destroyed, lost, or stolen Note shall be an original additional contractual obligation of the Applicable Issuers and the new Note shall be entitled to all the benefits of this Indenture equally and proportionately with all other Notes of the same Class duly issued under this Indenture, as applicable.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Notes.

2.8 Payment of Principal, Interest and Other Amounts; Rights Preserved; Withholding

- (a) The Notes of each Class shall accrue interest during each Interest Period on their Aggregate Outstanding Amount (determined as of the first day of the Interest Period and after giving effect to any redemption or other payment of principal occurring on that day) at the Applicable Note Interest Rate. Interest shall be payable in arrears on each Payment Date. Payment of interest on each Class of Notes shall be subordinated to the payments of interest on the related Priority Classes and other amounts in accordance with the Priority of Payments.

So long as any Priority Classes are Outstanding, with respect to any Class of Deferred Interest Notes, any payment of interest due on the Class of Deferred Interest Notes that is not available to be paid (*Deferred Interest*) in accordance with the Priority of Payments on any Payment Date shall not be considered "payable" for the purposes of this Indenture (and the failure to pay the interest shall not be an Event of Default) until the Payment Date on which the interest is available to be paid in accordance with the Priority of Payments. Deferred Interest on any Class of Deferred Interest Notes shall be payable on the first Payment Date on which funds are available to be used for that purpose in accordance with the Priority of Payments.

Interest shall cease to accrue on each Note, or in the case of a partial repayment, on the part repaid, from the date of repayment or its Stated Maturity unless payment of principal is improperly withheld or unless there is some other default with respect to the payments of principal.

To the extent lawful and enforceable, interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Note Interest Rate for the Class (and to the extent not paid as current interest on the Payment Date after the Interest Period in which it accrues, shall thereafter be additional Deferred Interest, until paid as provided in this Indenture).

- (b) The principal of each Note of each Class matures at par and is payable on the Payment Date that is the Stated Maturity for the Class of Notes, unless the unpaid principal of the Note becomes payable at an earlier date by declaration of

acceleration, call for redemption, or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Notes:

- (i) may only occur after principal on each Class of Notes that is a Priority Class with respect to the Class has been paid in full; and
- (ii) is subordinated to the payment on each Payment Date of the principal and interest payable on the Priority Classes, and other amounts in accordance with the Priority of Payments;

provided that, notwithstanding the foregoing, Interest Proceeds may be used to pay principal of the Class E Notes on any Payment Date to the extent necessary to satisfy the Class E Coverage Test.

- (c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Section 9.1.
- (d) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Paying Agent shall require the previous delivery of appropriate properly completed and signed original forms United States federal income tax certifications (generally, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or an appropriate Internal Revenue Service Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments on the Note under any present or future law of the United States or any present or future law of any political subdivision of the United States or taxing authority in the United States or to comply with any reporting or other requirements under any such law.
- (e) Payments in respect of interest on and principal of any Note shall be made by the Trustee in U.S. Dollars to the Depository or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Definitive Note, by wire transfer, as directed by the Holder, in immediately available funds to a U.S. Dollar account maintained by the Depository or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Definitive Note. In the case of a Definitive Note, its Holder has provided written wiring instructions to the Trustee and, if the payment with respect to a Definitive Note is to be made by the Irish Paying Agent, the Irish Paying Agent, on or before the related Record Date.

If appropriate instructions for the wire transfer are not received by the related Record Date, then the payment will be made by check drawn on a U.S. bank

mailed to the address of the Holder in the Indenture Register. Upon final payment due on the Maturity of a Note, its Holder shall present and surrender the Note at the office designated by the Trustee on or before the Maturity. If the Trustee and the Applicable Issuers have been furnished the security or indemnity they require to save each of them harmless and an undertaking thereafter to surrender the certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, the final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Share Registrar nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by Euroclear, Clearstream, or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note.

In the case where any final payment of principal and interest is to be made on any Note (other than on its Stated Maturity and except as otherwise provided in this Indenture), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than ten days before the date on which the payment is to be made, mail (by first-class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Indenture Register, a notice specifying the date on which the payment will be made, the amount of the payment per U.S.\$100,000 original principal amount of Notes and the place where the Notes may be presented and surrendered for payment. If the Trustee and the Issuer have been furnished any security or indemnity they require to save each of them harmless and an undertaking thereafter to surrender the certificate, then, in the absence of notice to the Issuer or the Trustee that the applicable certificate has been acquired by a protected purchaser, final payment shall be made without presentation or surrender of the applicable certificate.

- (f) Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of the Class registered in the name of each Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class on the Record Date.
- (g) Interest accrued shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Period **divided by 360**.
- (h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding on all future Holders of the Note and of any Note issued upon the registration of its transfer, exchange, or replacement, whether or not the payment is noted on the Note.
- (i) Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuer under the Notes and under this Indenture are non-recourse obligations, and the obligations of the Issuer under the Notes and under this Indenture are limited recourse obligations payable solely from the Collateral and following realization

of the assets, application of their proceeds in accordance with this Indenture and the reduction of the proceeds of the Collateral to zero, all obligations of, and any claims against, the Co-Issuers under this Indenture or under the Notes or arising in connection therewith shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, or incorporator of either of the Co-Issuers or their respective successors or assigns for any amounts payable under the Notes or this Indenture. The foregoing provisions of this paragraph (i) shall not (1) prevent recourse to the Collateral for the sums due or to become due under any security, instrument, or agreement that is part of the Collateral or (2) be a waiver, release, or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until the Collateral have been realized. The foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability is sought or (if obtained) enforced against the person.

- (j) If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes to any Noteholder, the tax shall reduce the amount otherwise distributable to the Noteholder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally owed, or required by law to be collected, by or on behalf of the Issuer (but the authorization shall not prevent the Trustee or the Issuer from contesting any such tax in appropriate proceedings and withholding payment of the tax, if permitted by law, pending the outcome of the proceedings). The amount of any withholding tax imposed with respect to any Noteholder shall be treated as Cash distributed to the Noteholder when it is withheld by the Trustee and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold the amounts in accordance with this Section 2.8(j). If any Noteholder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with the Noteholder in making the claim by providing information readily available to the Trustee so long as the Noteholder agrees to reimburse the Trustee for any out-of-pocket expenses incurred and provides the Trustee with security reasonably acceptable to the Trustee assuring the reimbursement. The Trustee hereby provides notice to each Noteholder that the failure by the Noteholder to provide the Trustee with appropriate tax certifications may result in amounts being withheld from payments to the Noteholder. Nothing in this Indenture shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

2.9 Persons Considered Owners

The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee shall treat as the owner of the Note the Person in whose name any Note is registered on the Indenture Register on the applicable Record Date for the purpose of receiving payments on the Note and on any other date for all other purposes whatsoever (whether or not the Note is overdue), and neither the Issuer, the Co-Issuer nor the Trustee nor any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary. Pursuant to the Servicing Agreement, the Servicer will notify the Trustee and the Share Registrar of any Affiliate of the Servicer that owns any of the Securities.

2.10 Cancellation

All Notes surrendered for payment, registration of transfer, exchange, or redemption, or lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy unless the Applicable Issuers direct by an Issuer Order delivered to the Trustee prior to cancellation and destruction that they be returned to the Issuer.

2.11 Definitive Notes

- (a) A Global Note deposited with the Depository pursuant to Section 2.2 shall be transferred in the form of a Definitive Note to its beneficial owners only if the transfer complies with Section 2.6 and either
 - (i) the Depository notifies the Co-Issuers that it is unwilling or unable to continue as Depository for the Global Note or
 - (ii) if at any time the Depository ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after the notice.
- (b) Any Global Note that is transferable in the form of a Definitive Note to its beneficial owners pursuant to this Section 2.11 shall be surrendered by the Depository to the office of the Trustee's agent located in the City of New York, New York as specified in Section 7.2 (or any other office designated by the Trustee) to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon the transfer of each portion of the Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of the Depository) (each, a *Definitive Note*) in authorized denominations. Any Definitive Note delivered in exchange for an interest in a Global Note, as applicable, shall, except as otherwise provided by Section 2.6(j),

bear the legends in the applicable portion of Exhibit A and shall be subject to the transfer restrictions referred to in the legends.

- (c) The Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes, as applicable.
- (d) Upon the occurrence of either of the events specified in Section 2.11(a)(i) and (ii), the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons.

The Definitive Notes shall be in substantially the same form as the Global Notes, with any changes the Issuer and Trustee agree to and the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in exchange therefor, the same aggregate principal amount of Definitive Notes of authorized denominations.

2.12 Notes Beneficially Owned by Non-Permitted Holders

- (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Global Note to a U.S. person (for purposes of this Section 2.12 as defined in Regulation S) that is not a QIB/QP and that is not made pursuant to an applicable exemption under the Securities Act shall be void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.
- (b) After discovery by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery) that a Person is a Non-Permitted Holder, the Issuer shall promptly send notice to the Non-Permitted Holder demanding that the Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of the notice. If the Non-Permitted Holder fails to so transfer its Notes or interest in the Notes without further notice to the Non-Permitted Holder, the Issuer may sell the Notes or interest in the Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on any terms the Issuer chooses. The Issuer, or the Trustee acting on behalf of the Issuer, may select the purchaser by soliciting bids (or by appointing an investment bank at the expense of the Issuer to solicit bids) from brokers or other market professionals that regularly deal in securities similar to the Notes, and selling the Notes, or interest in the Notes to the highest bidder. However, the Issuer or the Trustee may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the beneficial owner of each interest in a Note, the Non-Permitted Holder, and each other Person in the chain of title from the Holder or beneficial owner to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the

Issuer and the Trustee to effect the transfers. The proceeds of the sale, net of any commissions, expenses of the Trustee or otherwise, and taxes due in connection with the sale shall be remitted to the Non-Permitted Holder. The terms of any sale under this subsection shall be determined in the sole discretion of the Issuer (or the Trustee acting on its behalf), and the Issuer and the Trustee shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of its discretion.

2.13 Tax Characterization

The Issuer agrees and each registered holder and beneficial owner, by accepting a Note, agrees to treat the Notes as debt instruments of the Issuer only for accounting, financial reporting and U.S. federal and, to the extent permitted by law, state and local income and franchise tax purposes, to report all income (or loss) in accordance with such treatment and not to take any action inconsistent with such treatment unless otherwise required by any relevant taxing authority.

3.2 Custodianship; Delivery of Collateral Obligations and Eligible Investments

- (a) The Servicer, on behalf of the Issuer, shall deliver or cause to be delivered to a custodian appointed by the Issuer, which shall be a Securities Intermediary (the **Custodian**), all Collateral in accordance with the definition of "Deliver." Initially, the Custodian shall be State Street Bank and Trust Company. Any successor custodian shall be a state or national bank or trust company that is not an Affiliate of the Issuer or the Co-Issuer, has a short-term rating of at least "A-1" by S&P (or a long-term rating of at least "A+" by S&P if such institution has no short-term rating) and has combined capital and surplus of at least U.S.\$200,000,000 and is a Securities Intermediary. Subject to the limited right to relocate Pledged Obligations as provided in Section 7.5(b), the Trustee shall hold all Collateral Obligations, Eligible Investments, other assets purchased in accordance with this Indenture (other than Loans, Participations and general intangibles) and Cash in the relevant Account established and maintained pursuant to Section 10, as to which in each case the Trustee shall have entered into a Securities Account control agreement with the Custodian in accordance with Section 8 of the UCC providing, *inter alia*, that the establishment and maintenance of the Account shall be governed by the law of the State of New York.

The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other asset so acquired, including all interests of the Issuer in to any contracts related to and proceeds of the Collateral Obligations, Eligible Investments or other assets.

3.3 Representations as to Collateral

- (a) The Issuer hereby represents and warrants to the Secured Parties as to the Collateral as follows (which representations are repeated on each day on which the Issuer acquires new Collateral):
- (i) This Indenture creates a valid and continuing security interest (as defined in the applicable Uniform Commercial Code) in the Collateral in favor of the Trustee, which security interest is prior to all other liens, charges, claims, security interests, mortgages and other encumbrances, and is enforceable as such as against creditors of and purchasers from the Issuer.
 - (ii) Except for any Securities Lending Collateral and Synthetic Securities Collateral, the Issuer has good and marketable title to and is the owner of each item of Collateral free of any liens, claims, or encumbrances of any nature whatsoever except for liens (A) that are being released on the Closing Date and (B) granted pursuant to or permitted by this Indenture. The Issuer has a first priority security interest in all Securities Lending Collateral to secure all obligations of Securities Lending Counterparty under the Securities Lending Agreement and a first priority interest in all Synthetic Securities Collateral to secure all obligations of Synthetic Security Counterparty under the Synthetic Securities Agreement.
 - (iii) The Issuer has not assigned, pledged or otherwise encumbered any interest in the Collateral (or, if any interest in the Collateral has been assigned, pledged or otherwise encumbered, it has been released before the Closing Date or is being released on the Closing Date) other than interests granted pursuant to or permitted by this Indenture.
 - (iv) The Issuer has full right, and has received all consents and approvals required by the related Underlying Instruments, to grant a security interest in its rights in the Collateral to the Trustee.
 - (v) Each Collateral Obligation included in the Collateral satisfied the requirements of the definition of "Collateral Obligation" as of the date the Issuer committed to purchase the same or, in the case of the Loans with respect to which loans were made by Pre-Closing Participant and repaid by the Issuer on the Closing Date, as of the Closing Date.
 - (vi) All Collateral Obligations, any obligation that at the time of acquisition, conversion or exchange did not satisfy the requirements of a Collateral Obligation, and Eligible Investments (other than, in each case, "general intangibles" within the meaning of the applicable Uniform Commercial Code) have been and will have been credited to one of the Accounts. The securities intermediary for each Account has agreed to treat all assets

credited to the Accounts as "financial assets" within the meaning of the applicable Uniform Commercial Code.

- (vii) The Issuer has pledged to the Trustee all of the Issuer's interest in each Collateral Obligation included in the Collateral pursuant to the Granting Clauses of this Indenture and has delivered each Collateral Obligation (including any promissory note and all its other Underlying Instruments to the extent received by the Issuer) to the Trustee or the Custodian as contemplated by Section 3.2.
- (viii) Each of the Collateral constitutes "general intangibles," "certificated securities," "instruments," "securities entitlements," "uncertificated securities," "chattel paper" or Securities Accounts, each within the meaning of the applicable Uniform Commercial Code, or any other category of collateral under the applicable Uniform Commercial Code as to which the Issuer has complied with its obligations under Section 3.2(b).
- (ix) The Issuer has caused (or will have caused within 30 days following the Closing Date) the filing of appropriate financing statements in the proper filing offices in the appropriate jurisdictions under applicable law to perfect the security interest in the portion of the Collateral pledged to the Trustee under this Indenture that may be perfected by the filing of financing statements.
- (x) The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Collateral other than any financing statement (A) relating to the security interest granted to the Trustee under this Indenture, (B) that has been terminated or (C) that names the Trustee as the secured party. On the date of this Indenture, the Issuer is not aware of any judgment or Pension Benefit Guaranty Corporation or tax lien filings against the Issuer.
- (xi) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the securities intermediary for each Account has agreed to comply with all instructions originated by the Trustee relating to the Account without further consent by the Issuer.
- (xii) All original executed copies of each "instrument" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral have been delivered to the Custodian, to the extent received by the Issuer. The Issuer has received confirmation from the Custodian that the Custodian has credited the instruments to one of the Accounts. None of the instruments that are or evidence the Collateral has any marks or notations indicating that they are then pledged or otherwise assigned to any Person other than the Trustee.

- (xiii) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the securities intermediary of any Account to comply with instructions of any Person other than the Trustee.
- (xiv) All "certificated securities" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral have been delivered to the Custodian, to the extent received by the Issuer, registered in the name of the Custodian or indorsed to the Custodian. The Issuer has received confirmation from the Custodian that the Custodian has credited such certificated securities to one of the Accounts.
- (xv) The Issuer has caused all "uncertificated securities" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral to be registered in the name of the Custodian.
- (xvi) Upon grant by the Issuer, the Trustee has a first priority perfected security interest in the Collateral.

The parties to this Indenture shall not waive any of the representations in this Section 3.3, unless the Rating Condition is satisfied in connection with such waiver. The Issuer shall provide each of the Rating Agencies with prompt written notice of any breach of the representations contained in this Section 3.3 upon becoming aware thereof, and shall not waive a breach of any of the representations in this Section 3.3, unless the Rating Condition is satisfied (as determined after any adjustment or withdrawal of the ratings following notice of such breach) in connection with such waiver.

5.2 Notice of Event of Default; Acceleration of Maturity; Rescission and Annulment

- (a) Upon the occurrence of an Event of Default, the Trustee shall give prompt (and in no event later than five Business Days after becoming aware of such event) notice thereof to the Noteholders.
- (b) If an Event of Default is continuing (other than an Event of Default specified in Section 5.1(e), (g) or (h)), the Trustee may, with consent of the Majority of the Controlling Class, and shall, upon the written direction of a Majority of the Controlling Class, declare the principal of all the Notes to be immediately payable by notice to the Applicable Issuers and the Noteholders, and upon that declaration the unpaid principal of all the Notes, together with all its accrued and unpaid interest (and any applicable Defaulted Interest Charge), and other amounts payable under this Indenture, shall become immediately payable. The Replacement Period shall terminate upon a declaration of acceleration (subject to re-commencement pursuant to Section 5.2(c)). If an Event of Default specified in Section 5.1(e), (g) or (h) occurs, all unpaid principal, together with all its accrued and unpaid interest (and any applicable Defaulted Interest Charge), of all the Notes, and other amounts payable under this Indenture, shall automatically become payable without any declaration or other act on the part of the Trustee or any Noteholder and the Replacement Period shall terminate automatically (subject to re-commencement pursuant to Section 5.2(c)).
- (c) At any time after the declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee, a Majority of the Controlling Class by written notice to the Issuer, the Trustee and the Preference Shares Paying Agent may rescind the declaration and its consequences:
 - (i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:
 - (A) all unpaid installments of interest and principal on the Notes then due;
 - (B) to the extent that payment of the interest is lawful, interest on any Deferred Interest and Defaulted Interest at the Applicable Note Interest Rate or Default Interest Rate, as applicable;

No such rescission shall affect any subsequent Default or impair any right consequent thereon. The Issuer shall not terminate any Hedge Agreement at any time after a declaration of acceleration of Maturity of the Notes has been made, unless such declaration and its consequences may no longer be rescinded and annulled in accordance with this Section 5.2(c) and liquidation of the Collateral has begun.

If a declaration of acceleration is rescinded as described above:

- (x) the Replacement Period, if terminated by the declaration, shall recommence on the date of the rescission (unless the Replacement Period would have otherwise terminated before that date pursuant to clauses (i), (ii), or (iii) of its definition); and
- (y) the Trustee shall retain the Collateral in accordance with this Indenture. If the retention of the Collateral is rescinded pursuant to Section 5.5, the Notes may again be accelerated pursuant to Section 5.2(b), notwithstanding any previous rescission of a declaration of acceleration pursuant to this Section 5.2(c).

No rescission shall affect any subsequent Default or impair any right resulting from the Default.

- (d) Notwithstanding anything in this Section 5.2 to the contrary, the Notes will not be subject to acceleration by the Trustee, a Majority of the Controlling Class or any other Holders solely as a result of the failure to pay any amount due on Notes that are not of the Controlling Class.

5.3 Collection of Indebtedness and Suits for Enforcement by Trustee

The Applicable Issuers covenant that if a default occurs in the payment of any principal of or interest when payable on any Note, upon demand of the Trustee or the Holder of any affected Note, the Applicable Issuers shall pay to the Trustee, for the benefit of the Holder of the Note, the whole amount then payable on the Note for principal and interest with interest on the overdue principal and, to the extent that payments of the interest shall be legally enforceable, on overdue installments of interest and all other amounts owing to

the Noteholders under this Indenture, at the Applicable Note Interest Rate or Default Interest Rate, as applicable, and, in addition, an amount sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and the Holders and their agents and counsel.

If the Issuer or the Co-Issuer fails to pay those amounts immediately on demand, the Trustee, in its own name and as Trustee of an express trust, may, with the consent of the Majority of the Controlling Class, and shall at the written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), institute a Proceeding for the collection of the sums due, may prosecute the Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor on the Notes and collect the monies determined to be payable in the manner provided by law out of the Collateral.

If an Event of Default is continuing, the Trustee may, with the consent of the Majority of the Controlling Class, and shall upon written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), proceed to protect and enforce its rights and the rights of the Noteholders by any appropriate Proceedings as is deemed most effective (if no direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce the rights of the Trustee and the Noteholders, whether for the specific enforcement of any agreement in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law. The reasonable compensation, costs, expenses, disbursements and advances incurred or paid by the Trustee and its agents and counsel, in connection with such Proceeding, including, without limitation, the exercise of any remedies pursuant to Section 5.4, shall be reimbursed to the Trustee pursuant to Section 6.8.

If any Proceedings are pending relating to the Issuer or the Co-Issuer or any other obligor on the Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or if a receiver, assignee, or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official has been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or any other obligor on the Notes or its property, or if any other comparable Proceedings are pending relating to the Issuer, the Co-Issuer or other obligor on the Notes, or the creditors or property of the Issuer, the Co-Issuer or other obligor on the Notes, the Trustee, regardless of whether the principal of any Notes is then payable by declaration or otherwise and regardless of whether the Trustee has made any demand pursuant to this Section 5.3, may, by intervention in the Proceedings or otherwise:

- (a) file and prove claims for the whole amount of principal and interest owing and unpaid in respect of the Notes, and file any other papers or documents appropriate and take any other appropriate action (including sitting on a committee of creditors) to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys, and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor

Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relating to the Issuer, the Co-Issuer, or other obligor on the Notes or to the creditors or property of the Issuer, the Co-Issuer or other obligor on the Notes;

- (b) unless prohibited by applicable law, vote on behalf of the Noteholders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and
- (c) collect and receive any monies or other property payable to or deliverable on any such claims, and distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is authorized by each of the Noteholders to make payments to the Trustee, and, if the Trustee consents to making payments directly to the Noteholders, to pay to the Trustee amounts sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee, and their respective agents, attorneys, and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing in this Indenture shall authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of the Holder of any Note, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or any Noteholder, or to authorize the Trustee to vote on the claim of the Holder of any Note in any Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance of the sale or liquidation of the Collateral pursuant to this Section 5.3 except according to Section 5.5(a).

5.4 Remedies

- (a) If an Event of Default is continuing, and the Notes have been declared payable and the declaration and its consequences have not been rescinded, or at any time after the Stated Maturity, the Co-Issuers agree that the Trustee may, with the consent of the Majority of the Controlling Class, and shall, upon written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), to the extent permitted by applicable law, exercise one or more of the following rights:
 - (i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral any monies adjudged due;

- (ii) sell or liquidate all or a portion of the Collateral or interests in it, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;
- (iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;
- (iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights of the Trustee and the Noteholders under this Indenture; and
- (v) exercise any other rights that may be available at law or in equity;

except that the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance of the sale or liquidation of the Collateral pursuant to this Section 5.4 except according to Section 5.5(a).

- (b) If an Event of Default as described in Section 5.1(f) is continuing the Trustee may, with the consent of, and shall, at the written direction of, the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class, subject to Section 5.8 (and subject to Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from the Proceeding.
- (c) Upon any sale, whether made under the power of sale given under this Indenture or by virtue of judicial Proceedings, any Holders or the Servicer (subject to the Servicing Agreement) may bid for and purchase any part of the Collateral and, upon compliance with the terms of sale, may hold, retain, possess, or dispose of the Collateral in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale given under this Indenture or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchasers at any sale for their purchase money, and the purchasers shall not be obliged to see to its application.

Any sale, whether under any power of sale given under this Indenture or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Noteholders, shall operate to divest all interest whatsoever, either at law or in equity, of each of them in the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against all Persons claiming through or under them.

- (d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Noteholders may, before the date that is one year and one

day (or if longer, any applicable preference period plus one day) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer or the Co-Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium, or liquidation Proceedings, or other Proceedings under the Bankruptcy Law or any similar laws in any jurisdiction. Nothing in this Section 5.4 shall preclude the Trustee or any Secured Party (i) from taking any action before the expiration of that period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than a Secured Party or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action that is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

5.5 Optional Retention of Collateral

- (a) Notwithstanding anything to the contrary in this Indenture, if an Event of Default is continuing, the Trustee shall retain the Collateral, collect, and cause the collection of the proceeds of the Collateral and make and apply all payments and deposits and maintain all accounts in respect of the Collateral and the Notes, and any Hedge Agreements (other than amounts received under a Hedge Agreement that are used in putting a Replacement Hedge in place), in accordance with the Priority of Payments and Section 10 and Section 12 unless:
- (i) the Trustee, in consultation with the Servicer, determines that the anticipated net proceeds of a sale or liquidation of the Collateral would be sufficient to discharge in full the amounts then due and unpaid on the Notes for principal and interest (including Defaulted Interest and Deferred Interest and any interest on the Defaulted Interest and Deferred Interest), all Administrative Expenses, all other amounts (if any) then payable to the Hedge Counterparty by the Issuer (including any applicable termination payments) net of all amounts then payable to the Issuer by the Hedge Counterparty and all other amounts then payable under clause (3) of Section 11.1(a)(i) and a Majority of the Controlling Class agrees with that determination;
 - (ii) the Holders of a Super Majority of each of the Class A-1 Notes, the Class A-2 Notes, the Class B Notes, the Class C Notes, the Class D Notes and the Class E Notes direct the sale and liquidation of the Collateral; or
 - (iii) the Class A/B Overcollateralization Ratio is less than 90% and the Holders of a Majority of the Class A-1 Notes, the Class A-2 Notes and the Class B Notes voting together as a single Class direct the sale and liquidation of the Collateral; **provided** that upon such direction, the Trustee shall (x) first sell or liquidate any Collateral for which either (A) two or more bid-side prices have been determined by an Approved Pricing Service or (B) bid-side prices have been obtained from at least two nationally recognized

broker-dealers selected by a Majority of the Controlling Class and (y) thereafter shall sell or liquidate such remaining Collateral to the extent such Collateral can be liquidated or sold in accordance with the Indenture and applicable law; provided that any Collateral consisting of equity securities or Defaulted Collateral Obligations shall not be subject to sale or liquidation pursuant to this clause (iii).

If any Collateral is sold in accordance with clause (a)(iii)(x) above and Highland Capital Management, L.P. is the Servicer, the Servicer shall have the exclusive right to purchase such Collateral for the first two Business Days from the date the last of such bid-prices was determined by an Approved Pricing Service or obtained from a nationally recognized broker-dealer selected by a Majority of the Controlling Class with respect to such Collateral at a price equal to the highest bid-price for such Collateral that was determined by an Approved Pricing Service or obtained from a nationally recognized broker-dealer selected by a Majority of the Controlling Class and, thereafter, the Trustee may sell such Collateral to other parties in accordance with the terms hereof; **provided** that, in any such case, such sale to the Servicer or to any other party is effected in compliance with applicable law, including all notice and other provisions under the UCC.

The Trustee shall give written notice of the retention of the Collateral to the Issuer with a copy to the Co-Issuer and the Servicer. So long as the Event of Default is continuing, any retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

- (b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to retain the Collateral if prohibited by applicable law.
- (c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee, in consultation with the Servicer, shall obtain bid prices with respect to each security contained in the Collateral from two nationally recognized dealers (or if there is only one market maker, that market maker and if there is no market maker, from a pricing service) selected and specified by the Servicer to the Trustee in writing, at the time making a market in those securities, and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of the bid prices for each security. In addition, for the purposes of determining issues relating to the valuation of the Collateral, the satisfaction of the conditions specified in this Indenture, the execution of a sale or liquidation of the Collateral, and the execution of a sale or other liquidation of the Collateral in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain, at the Issuer's expense, and rely on an opinion of an Independent investment banking firm of national reputation, which may be either of the Initial Purchasers.

The Trustee shall deliver to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Noteholders, the Co-Issuers, the Servicer and the Hedge Counterparties a report stating the results of any determination required pursuant to Section 5.5(a)(i). The Trustee shall make the determinations required by Section 5.5(a)(i) after an Event of Default at the written request of a Majority of the Controlling Class at any time during which the Trustee retains the Collateral pursuant to Section 5.5(a) (**provided** that to the extent any such request is made more than once per fiscal quarter, the Trustee may require that such determination be at the expense of such requesting Holders). The Trustee shall obtain (at the Issuer's expense) a letter of a firm of Independent certified public accountants confirming the accuracy of each calculation made by the Trustee pursuant to Section 5.5(a)(i) and certifying their conformity to the requirements of this Indenture.

- (d) Notwithstanding anything in this Indenture to the contrary, the Trustee may not, and the Noteholders representing the requisite percentage of the Aggregate Outstanding Amount of the Notes specified in Section 5.4 or 5.5, may not instruct the Trustee to sell or liquidate or (except in connection with the concurrent execution of a Replacement Hedge) terminate any Hedge Agreement during the continuance of an Event of Default until all Collateral other than the Hedge Agreements has been sold or liquidated and its proceeds applied in accordance with this Indenture.
- (e) Collateral may not be sold or liquidated pursuant to Section 5.5(a)(i) after the last date on which the sale or liquidation is permitted under Section 5.5(a)(i) with respect to a determination made pursuant to Section 5.5(a)(i) (the last permitted date being determined by the Trustee under Section 5.5(a)(i)), unless a new determination is made in accordance with Section 5.5(a)(i) and the Collateral is sold or liquidated before the last sale date permitted in accordance with the new determination.

5.6 Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or their production in any trial or other Proceeding relating to them, and any Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as provided in Section 5.7.

In any Proceedings brought by the Trustee (and any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Noteholders.

5.7 Application of Money Collected

Any money collected by the Trustee with respect to the Notes pursuant to this Section 5 and any money that may then be held or subsequently received by the Trustee with respect to the Notes under this Indenture shall be applied, subject to Section 13.1 and in accordance with Section 11.1, at the dates fixed by the Trustee.

5.8 Limitation on Suits

No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture, unless:

- (a) the Holder has previously given to the Trustee written notice of an Event of Default;
- (b) the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings with respect to the Event of Default in its own name as Trustee under this Indenture and the Holders have offered to the Trustee indemnity satisfactory to it against the expenses and liabilities to be incurred in compliance with the request;
- (c) the Trustee for 30 days after its receipt of the notice, request and offer of indemnity has failed to institute a Proceeding; and
- (d) no direction inconsistent with the written request has been given to the Trustee during the 30 day period by a Majority of the Controlling Class.

No Noteholder shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect the rights of any other Noteholders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Notes of the same Class or to enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments or Section 11.2, as the case may be.

If the Trustee receives conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class pursuant to this Section 5.8, the Trustee shall take the action requested by the Holders of the largest percentage in Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture but subject to Section 6.3(e).

5.9 Unconditional Rights of Noteholders

Notwithstanding any provision of this Indenture other than this Section 5.9 and Sections 2.8(i), 5.4(d), and 13.1, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on the Note as it comes due in accordance with the Priority of Payments and Section 13.1, and, subject to Section 5.8, to institute proceedings for the enforcement of any such payment, and that right shall not be impaired without the consent of the Holder. Noteholders ranking junior to Notes still Outstanding may not institute proceedings for the enforcement of any such payment until no Note ranking senior to their Note remains Outstanding, subject to Section 5.8. For so long as any Notes are Outstanding, the Preference Shares Paying Agent shall not be entitled to any payment of any amount for payments to the Holders of the Preference Shares pursuant to the Preference Share Documents, to the extent legally permitted, on a claim against the Issuer unless there are sufficient funds to pay such amounts to the Preference Shares Paying Agent in accordance with the Priority of Payments.

5.10 Restoration of Rights and Remedies

If the Trustee or the Holder of any Note has instituted any Proceeding to enforce any right under this Indenture and the Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the Proceeding, the Co-Issuers, the Trustee and the Holder shall be restored to their former positions under this Indenture, and thereafter all rights of the Trustee and the Holder shall continue as though no Proceeding had been instituted.

5.11 Rights and Remedies Cumulative

No right in this Indenture conferred on or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right, and every right shall, to the extent permitted by law, be cumulative and in addition to every other right given under this Indenture or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right under this Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right.

5.12 Delay or Omission Not Waiver

No delay or omission of the Trustee or the Holder of any Note to exercise any right accruing upon any Event of Default shall impair the right or be a waiver of the Event of Default or an acquiescence in it or of a subsequent Event of Default. Every right given by this Section 5 or by law to the Trustee or to the Noteholders may be exercised from time to time, and as often as deemed expedient, by the Trustee or by the applicable Noteholders.

5.13 Control by Majority of the Controlling Class

- (a) Notwithstanding any other provision of this Indenture, during the continuance of an Event of Default, a Majority of the Controlling Class may institute and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any right of the Trustee with respect to the Notes if:
 - (i) the direction does not conflict with any rule of law or with any express provision of this Indenture; and
 - (ii) the Trustee has been indemnified to its reasonable satisfaction (and the Trustee need not take any action that it determines might involve it in liability unless it has received an indemnity against the liability).

Notwithstanding the foregoing, only a Majority of the Controlling Class may direct proceedings with respect to remedies specified in Section 5.4(a) or otherwise with respect to the Collateral.

- (b) The Trustee may take any other action deemed proper by the Trustee that is not inconsistent with a direction under Section 5.13(a). Subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received an indemnity against the liabilities and expenses reasonably satisfactory to it) and during the continuance of an Event of Default that has not been cured, or waived, the Trustee shall, before receiving directions from a Majority of the Controlling Class, exercise the rights expressly vested in it by this Indenture and use the same degree of care and skill in their exercise with respect to the Event of Default as is required by Section 6.1(b).
- (c) Any direction to the Trustee to undertake a Sale of the Collateral shall be in accordance with Section 5.4 or 5.5.

5.14 Waiver of Past Defaults

Before a judgment or decree for payment of any money due has been obtained by the Trustee, as provided in this Section 5, a Majority of the Controlling Class may on behalf of the Holders of all the Notes, with respect to the Notes waive any past Default and its consequences, except a Default:

- (a) in the payment of the principal or Redemption Price of any Note or in the payment of interest (including Defaulted Interest, Deferred Interest, and any interest on Defaulted Interest or Deferred Interest) on the Notes;
- (b) with respect to a provision of this Indenture that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected by the modification or amendment;

- (c) in the payment of amounts due to the Servicer, the Trustee or the Hedge Counterparty, which may only be waived with the consent of the affected party; or
- (d) arising as a result of an Event of Default described in Section 5.1(e), (g) or (h).

Upon any such waiver, the Default shall cease to exist, and any Event of Default arising from it shall be cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Servicer, S&P, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Noteholder.

5.15 Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by its acceptance of its Note agrees, that in any suit for the enforcement of any right under this Indenture, or in any suit against the Trustee or the Servicer for any action taken or omitted by it as Trustee or for any action taken or omitted by the Servicer, as applicable, any court may in its discretion require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and that the court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.15 shall not apply to any suit instituted by the Trustee or the Servicer, to any suit instituted by any Holder, or group of Holders, of Notes holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note or any other amount payable under this Indenture after the applicable Stated Maturity (or, in the case of redemption, after the applicable Redemption Date).

5.16 Waiver of Stay or Extension Laws

To the extent that they may lawfully do so, the Co-Issuers covenant that they will not at any time insist on, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption, or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, that may affect the covenants, the performance of, or any remedies under this Indenture. To the extent that they may lawfully do so, the Co-Issuers expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not delay or impede the execution of any power in this Indenture granted to the Trustee or the Noteholders but will permit the execution of every power as though the law had not been enacted or rights created.

5.17 Sale of Collateral

- (a) The power to effect any sale (a ***Sale***) of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of the Collateral remaining unsold, but shall continue unimpaired until the entire Collateral is sold or all amounts secured by the Collateral have been paid. The Trustee may upon notice to the Noteholders and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), and shall, at the direction of a Majority of the Controlling Class with respect to Collateral, from time to time postpone any Sale by public announcement made at the time and place of the Sale. The Trustee waives its rights to any amount fixed by law as compensation for any Sale. The Trustee may deduct the reasonable expenses (including the reasonable fees and expenses of its agents and attorneys) incurred by it in connection with a Sale from its proceeds notwithstanding Section 6.8.
- (b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public Sale of the Collateral, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Collateral all or part of the net proceeds of the Sale after deducting the reasonable expenses incurred by the Trustee in connection with the Sale notwithstanding Section 6.8. The Notes need not be produced to complete any Sale, or for the net proceeds of the Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.
- (c) If any portion of the Collateral consists of securities issued without registration under the Securities Act (***Unregistered Securities***), the Trustee may seek an Opinion of Counsel, or, if no Opinion of Counsel can be obtained, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of the Unregistered Securities.
- (d) The Trustee shall execute and deliver an appropriate instrument of transfer transferring its interest in any portion of the Collateral in connection with its Sale. In addition, the Trustee is irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer its interest in any portion of the Collateral in connection with its Sale, and to take all action necessary to effect the Sale. No purchaser or transferee at a Sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent, or see to the application of any monies.

5.18 Action on the Notes

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or

remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under the judgment on any portion of the Collateral or on any of the assets of the Issuer or the Co-Issuer.

Nothing in this Section 6.8(c) shall prohibit or otherwise prevent the Trustee from filing proofs of claim in any bankruptcy, insolvency or similar proceeding.

of the Co-Issuers. For purposes of the preceding clause (b), (i) the "actual knowledge" of the Trustee shall mean (x) its knowledge of those persons who have been expressly identified in writing to it by either or both of the Co-Issuers, or the Servicer on their behalf or (y) any persons otherwise actually known to a Responsible Officer of the Trustee, in either case, to be a person involved with the organization or operation either of the Co-Issuers, without any duty of independent inquiry or investigation on the part of the Trustee, and (ii) unless and except to the extent it has been otherwise expressly notified in writing by the Issuer, or the Servicer on its behalf, the Trustee shall be entitled to presume that the Issuer has no knowledge of such an affiliation. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 6.9, the combined capital and surplus of the Trustee shall be its combined capital and surplus in its most recent published report of condition. If at any time the Trustee ceases to be eligible in accordance with this Section 6.9, it shall resign immediately in the manner and with the effect specified in Section 6.10.

- (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Section 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11. The indemnification in favor of the Trustee shall survive any resignation or removal of the Trustee.
- (b) The Trustee may resign at any time by giving not less than 30 days' written notice to the Co-Issuers, the Servicer, the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency. Upon receiving the notice of resignation, the Co-Issuers shall by Board Resolution (or, if an Event of Default shall have occurred and be continuing, at the direction of a Majority of the Controlling Class) promptly appoint a successor trustee satisfying the requirements of Section 6.9, by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the resigning Trustee and one copy to the successor Trustee, together with a copy to each Noteholder, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and the Servicer. If no successor Trustee has been appointed and an instrument of acceptance by a successor Trustee has not been delivered to the Trustee within 60 days after the giving of the notice of resignation, the resigning Trustee or any Noteholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.9.
- (c) The Trustee may be removed (i) at any time by the Co-Issuers as directed by Board Resolution (or, if an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class) or (ii) by order of a court of competent jurisdiction, delivered to the Trustee and to the Co-Issuers.

- (d) If at any time:
- (i) the Trustee ceases to be eligible under Section 6.9 and fails to resign after written request by the Co-Issuers or a Majority of the Controlling Class; or

- (e) If the Trustee is removed or becomes incapable of acting, or if a vacancy occurs in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order (as directed by Board Resolution) or at the direction of a Majority of the Controlling Class, shall promptly appoint a successor Trustee. If the Co-Issuers fail to appoint a successor Trustee within 60 days after the removal or incapability or the occurrence of the vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, upon its acceptance of its appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee has been so appointed by the Co-Issuers or a Majority of the Controlling Class and accepted appointment pursuant to Section 6.11, subject to Section 5.15, then the Trustee to be replaced, or any Holder, may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.
- (f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of the event by first-class mail, postage prepaid, to the Servicer, to each Rating Agency, to the Noteholders as their names and addresses appear in the Indenture Register and to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares). Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail the notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause the notice to be given at the expense of the Co-Issuers.

- (g) If the Trustee resigns or is removed hereunder, unless and except to the extent otherwise expressly agreed by it in writing (which shall include agreement over terms of compensation), the Bank likewise shall automatically and immediately be declared to have resigned or been removed, as the case may be, in all other capacities in which it serves hereunder, and as Collateral Administrator under the Collateral Administration Agreement and Preference Shares Paying Agent under the Preference Shares Paying Agency Agreement, and the acceptance of appointment by the Person serving as successor Trustee shall constitute an acceptance of appointment by it in each such other capacity.

6.11 Acceptance of Appointment by Successor

Every successor Trustee appointed under this Indenture shall execute, acknowledge, and deliver to the Co-Issuers and the retiring Trustee an instrument accepting its appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and the successor Trustee, without any further act, shall become vested with all the rights and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Notes or the successor Trustee, the retiring Trustee shall, upon payment of any amounts then due to it, execute and deliver an instrument transferring to the successor Trustee all the rights and obligations of the retiring Trustee, and shall duly assign, transfer and deliver to the successor Trustee all property and money held by the retiring Trustee under this Indenture. Upon request of any successor Trustee, the Co-Issuers shall execute any instruments to more fully and certainly vest in and confirm to the successor Trustee all the rights and obligations of the Trustee under this Indenture.

No successor Trustee shall accept its appointment unless at the time of its acceptance the successor is qualified and eligible under Section 6.9 and either (a) each Rating Agency has been notified and the successor has long-term debt rated within the four highest rating categories by each Rating Agency, or (b) if not rated within the four highest categories by each Rating Agency, the Rating Condition with respect to each Rating Agency is satisfied with respect thereto.

6.12 Merger, Conversion, Consolidation, or Succession to Business of Trustee

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee is a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee under this Indenture (and of the Bank under all of its other capacities under this Indenture, including as Custodian, Securities Intermediary, Indenture Registrar and Paying Agent) without the execution or filing of any paper or any further act on the part of any of the parties hereto. If any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to the authenticating Trustee may adopt the authentication and deliver the Notes so authenticated with the same effect as if the successor Trustee had itself authenticated the Notes.

6.13 Co-Trustees

At any time, to meet the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Co-Issuers and the Trustee may appoint a co-trustee (subject to the approval of the Rating Agencies) to act jointly with the Trustee, with respect to all or any part of the Collateral, with the power to file proofs of claim and take any other actions pursuant to Section 5.6 in this Indenture and to make claims and enforce rights of action on behalf of the Noteholders, as the Holders themselves have the right to do, subject to the other provisions of this Section 6.13.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in the appointment within 15 days after they receive a request to do so, the Trustee may make the appointment.

Any instruments to more fully confirm a co-trustee's appointment shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Collateral), to the extent funds are available therefor under Section 11.1(a)(i)(1), any reasonable fees and expenses in connection with the appointment.

Every co-trustee shall, to the extent permitted by law, but to that extent only, be appointed subject to the following terms:

- (a) the Notes shall be authenticated and delivered and all rights and obligations under this Indenture in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee under this Indenture, shall be exercised solely by the Trustee;
- (b) the rights and obligations conferred or imposed on the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed on and exercised or performed by the Trustee or by the Trustee and the co-trustee jointly as provided in the instrument appointing the co-trustee;
- (c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.13, and if an Event of Default is continuing, the Trustee shall have the power to accept the resignation of, or remove, any co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.13;
- (d) no co-trustee under this Indenture shall be personally liable because of any act or omission of the Trustee under this Indenture;
- (e) the Trustee shall not be liable because of any act or omission of a co-trustee; and

- (f) any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

6.14 Certain Duties of Trustee Related to Delayed Payment of Proceeds

If in any month the Trustee has not received a payment with respect to any Pledged Obligation on its Due Date:

- (a) the Trustee shall promptly notify the Issuer and the Servicer in writing, and
- (b) unless the payment is received by the Trustee within three Business Days (or the end of the applicable grace period for the payment, if longer) after the notice, or unless the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), makes provision for the payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of the Pledged Obligation, the trustee under the related Underlying Instrument, or paying agent (save for the Irish Paying Agent) designated by either of them to make the payment as soon as practicable after the request but in no event later than three Business Days after the date of the request. If the payment is not made within that time period, the Trustee, subject to clause (iv) of Section 6.1(c), shall take the action directed by the Servicer in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Servicer requests a release of a Pledged Obligation or delivers a Collateral Obligation in connection with any such action under the Servicing Agreement, the release or substitution shall be subject to Section 10.6 and Section 12. Notwithstanding any other provision of this Indenture, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any Collateral Obligation received after its Due Date to the extent the Issuer previously made provisions for the payment satisfactory to the Trustee in accordance with this Section 6.14 and the payment shall not be part of the Collateral.

6.15 Authenticating Agents

Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of the Notes in connection with issuance, transfers, and exchanges under Sections 2.4, 2.5, 2.6, 2.7, and 8.5, as fully to all intents and purposes as though each Authenticating Agent had been expressly authorized by those Sections to authenticate the Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.15 shall be the authentication of the Notes "by the Trustee."

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any

Authenticating Agent by giving written notice of termination to the Authenticating Agent and the Co-Issuers.

The Co-Issuers agree to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating to its services as an Administrative Expense; **provided, however**, that if the Trustee elects to appoint an Authenticating Agent without the approval or request of the Co-Issuers, then the Trustee shall pay such compensation and reimbursement. Sections 2.9, 6.4, and 6.5 shall be applicable to any Authenticating Agent.

6.16 Fiduciary for Noteholders Only; Agent for Secured Parties

With respect to the security interest created under this Indenture, the delivery of any Pledged Obligation to the Trustee is to the Trustee as representative of the Noteholders and agent for the other Secured Parties. In furtherance of the foregoing, the possession by the Trustee of any Pledged Obligation and the endorsement to or registration in the name of the Trustee of any Pledged Obligation (including as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Noteholders and agent for the other Secured Parties.

6.17 Representations and Warranties of the Bank

The Bank represents and warrants as follows for the benefit of the Noteholders:

- (a) **Organization.** The Bank has been duly organized and is validly existing as a Massachusetts trust company and has the power to conduct its business and affairs as a trustee.
- (b) **Authorization; Binding Obligations.** The Bank has the corporate power and authority to perform the duties and obligations of trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant to this Indenture. Upon execution and delivery by the Bank, this Indenture will be the valid and legally binding obligation of the Bank enforceable in accordance with its terms.
- (c) **Eligibility.** The Bank is eligible under Section 6.9 to serve as Trustee under this Indenture.

6.18 Withholding Tax Forms

The Issuer hereby agrees to deliver or cause to be delivered, a United States Internal Revenue Service Form W-8BEN (or successor form thereto) or any other appropriate tax certificates to the relevant issuer of its Collateral Obligations and issuer of its Eligible Investments at the time such Collateral Obligations or Eligible Investments are purchased by the Issuer and thereafter as required under the relevant law. In addition, the Issuer

hereby agrees to deliver, and the Issuer shall be required to deliver, United States Internal Revenue Service Forms W-8BEN (or successor form thereto) and other appropriate United States tax forms as may be required by the Hedge Counterparty, to the Hedge Counterparty at the time the Hedge Agreement is entered into and thereafter prior to the expiration or obsolescence of such form, and shall take any other action appropriate to prevent withholding or backup withholding tax on the Hedge Agreements. The Issuer shall represent, to the Hedge Counterparty in the master agreement, confirmation or schedule to the Hedge Agreement, that the Issuer is a "non-U.S. branch" of a foreign person as that term is used in section 1.1441-4(a)(3)(ii) of the United States Treasury Regulations and a "foreign person" as that term is used in Section 1.6041-4(a)(4) of the United States Treasury Regulations. The Issuer will request that the Hedge Counterparty provide the Issuer a United States Internal Revenue Service Forms W-9 or W-8, as applicable, together with any required attachments, at the time the Hedge Agreement is entered into and thereafter prior to the expiration or obsolescence of such form.

6.19 Withholding Tax

If any withholding tax is imposed on the Issuer's payment under the Notes or otherwise to any Noteholder, such tax shall reduce the amount of such payment otherwise distributable to such Noteholder or Beneficial Owner. The Trustee or the applicable paying agent is hereby authorized and directed to retain from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) and to remit such amounts to the appropriate taxing authorities. The amount of any withholding tax imposed with respect to any Noteholder or Beneficial Owner shall be treated as Cash distributed to such Noteholder or Beneficial Owner at the time it is withheld by the Trustee. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.18. If any Noteholder or Beneficial Owner wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Noteholder or Beneficial Owner in making such claim so long as such Noteholder or Beneficial Owner agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Failure of a Holder of a Note to provide the Trustee or any Paying Agent and the Issuer with appropriate tax certificates may result in amounts being withheld from the payment to such Holders. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. Amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Issuer as provided in Section 7.1.

7. COVENANTS

7.1 Payment of Principal and Interest

The Applicable Issuers shall pay the principal of and interest on the Notes in accordance with the Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to the Holder for all purposes of this Indenture.

7.2 Maintenance of Office or Agency

The Co-Issuers appoint the Trustee as a Paying Agent for the payment of principal of and interest on the Notes. The Co-Issuers appoint State Street Bank and Trust Company, 200 Clarendon Street, Mailcode EUC 108, Boston, MA 02116, Attn: CDO Services Group, as the Co-Issuers' agent where notices and demands on the Co-Issuers in respect of the Notes or this Indenture may be served and where the Notes may be surrendered for registration of transfer or exchange.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any Paying Agent or appoint any additional agents for all of these purposes.

The Co-Issuers hereby appoint Corporation Service Company with an address at 1133 Avenue of the Americas, Suite 3100, New York, New York 10036, as the Co-Issuers' agent where service of any and all process in any action or Proceeding may be delivered.

No paying agent shall be appointed in a jurisdiction that subjects payments on the Notes to withholding tax.

So long as any Class of Notes is listed on the Irish Stock Exchange and the rules of the exchange so require, the Co-Issuers shall maintain in Ireland a Paying Agent.

The Co-Issuers appoint, for so long as any Class of Notes is listed on the Irish Stock Exchange, Maples Finance Dublin (the "***Irish Paying Agent***") as Paying Agent in Ireland with respect to the Notes. If the Irish Paying Agent is replaced at any time when any Class of Notes is listed on the Irish Stock Exchange, notice of the appointment of any replacement shall be given to the Company Announcements Office of the Irish Stock Exchange as promptly as practicable after the appointment. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and the Holders of the Notes

of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or fail to furnish the Trustee with their addresses, notices and demands may be served on the Co-Issuers.

7.3 Money for Note Payments to be Held in Trust

All payments of amounts payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers have a Paying Agent that is not also the Indenture Registrar, they shall furnish not later than the fifth calendar day after each Record Date a list in the form the Paying Agent reasonably requests, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each Holder.

Whenever the Applicable Issuers have a Paying Agent other than the Trustee, they shall, on or before the Business Day before each Payment Date or Redemption Date direct the Trustee to deposit on the Payment Date with the Paying Agent an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for that purpose in the Payment Account), that sum to be held in trust for the benefit of the Persons entitled to it and (unless the Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which the deposit was made shall be paid over by the Paying Agent to the Trustee for application in accordance with Section 10.

Additional or successor Paying Agents shall be appointed by Issuer Order with written notice of the appointment to the Trustee. So long as Notes of any Class are rated by a Rating Agency any Paying Agent must either have a long-term debt rating of "Aa3" (and not on credit watch with negative implications) or higher by Moody's and "AA-" or higher by S&P or a short-term debt rating of "P-1" (and not on credit watch for possible downgrade) by Moody's and "A-1+" by S&P or the Rating Condition with respect to each Rating Agency must be satisfied with respect to its appointment. If a successor Paying Agent ceases to have a long-term debt rating of "Aa3" (and not on credit watch with negative implications) or higher by Moody's and "AA-" or higher by S&P or a short-term debt rating of "P-1" (and not on credit watch for possible downgrade) by Moody's and a short-term debt rating of "A-1+" by S&P, the Co-Issuers shall promptly remove the Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of the appointment, a depository institution or trust company subject to supervision and examination by federal or state or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee

to execute and deliver to the Trustee an instrument in which the Paying Agent agrees with the Trustee, subject to this Section 7.3, that the Paying Agent will:

- (i) allocate all sums received for payment to the Noteholders for which it acts as Paying Agent on each Payment Date and any Redemption Date among the Holders in the proportion specified in the applicable report to the extent permitted by applicable law;
- (ii) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled to them until they are paid or otherwise disposed of as provided in this Indenture;
- (iii) immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of the Notes if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment;
- (iv) immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor on the Notes) in the making of any payment required to be made; and
- (v) during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by the Paying Agent.

To obtain the satisfaction and discharge of this Indenture or for any other purpose, the Co-Issuers may at any time pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or the Paying Agent, and, upon the payment by any Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to the money paid.

Any money deposited with a Paying Agent and not previously returned that remains unclaimed for 15 Business Days shall be returned to the Trustee. Except as otherwise required by applicable law, any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal of or interest on any Note and remaining unclaimed for two years after the principal or interest has become payable shall be paid to the Applicable Issuers. The Noteholder shall thereafter look only to the Applicable Issuers for payment of the amounts due to it as an unsecured general creditor and all liability of the Trustee or the Paying Agent with respect to that money (but only to the extent of the amounts so paid to the Applicable Issuers) shall thereupon cease. The Trustee or the Paying Agent, before being required to release any payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of the release of the payment, including mailing notice of the release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in monies payable but not claimed is

determinable from the records of any Paying Agent, at the last address of record of each Holder.

7.4 Existence of Co-Issuers

- (a) The Issuer and the Co-Issuer shall maintain in full force their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations (or, in the case of the Co-Issuer, as a limited liability company) in each jurisdiction in which the qualifications are necessary to protect the validity and enforceability of this Indenture, the Notes, the Preference Shares Paying Agency Agreement and any of the Collateral.

However, the Issuer may change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as:

- (A) the Issuer has received a legal opinion (on which the Trustee may rely) to the effect that the change is not disadvantageous in any material respect to the Holders, the Servicer or any Hedge Counterparty,
 - (B) written notice of the change has been given by the Issuer to the Trustee, the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Servicer, any Hedge Counterparty and each Rating Agency,
 - (C) on or before the 15th Business Day following its receipt of the notice the Trustee has not received written notice from a Majority of the Controlling Class objecting to the change,
 - (D) the Rating Condition with respect to S&P is satisfied, and
 - (E) the Issuer shall cause to be delivered to the Trustee an Opinion of Counsel stating that, in such counsel's opinion, all necessary filings, if any, and other necessary actions, if any, have been taken to maintain the effectiveness of the perfection of the security interest granted in the Collateral hereunder immediately after such change in the Issuer's jurisdiction of incorporation.
- (b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors', shareholders', independent managers' or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action or conduct its affairs in a manner that is likely to result

in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing,

- (i) Except as may be provided in Annex 1 to the Servicing Agreement, the Issuer shall not have any subsidiaries (other than the Co-Issuer),
- (ii) the Co-Issuer shall not have any subsidiaries,
- (iii) the Issuer shall maintain at all times at least one director who is Independent of the Servicer, the Trustee and any of their respective Affiliates,
- (iv) the Issuer shall not commingle its funds with the funds of any other Person, except as expressly permitted by this Indenture, and
- (v) except to the extent contemplated in the Servicing Agreement, the Administration Agreement, the Preference Shares Paying Agency Agreement and the declaration of trust by the Share Trustee, the Issuer and the Co-Issuer shall not:
 - (A) engage in any transaction with any shareholder that would be a conflict of interest (the entry into the Administration Agreement with the Administrator shall not be deemed a conflict of interest), or
 - (B) pay dividends in violation of this Indenture, the resolutions of its board of directors and the Preference Share Documents.

7.5 Protection of Collateral

- (a) The Servicer on behalf of the Issuer will procure any action within the Servicer's control that is reasonably necessary to maintain the perfection and priority of the security interest of the Trustee in the Collateral. The Issuer from time to time shall execute and deliver any supplements and amendments to this Indenture and shall execute and deliver any Financing Statements, continuation statements, instruments of further assurance, and other instruments and shall take any other action appropriate to secure the rights and remedies of the Secured Parties under this Indenture and to:
 - (i) Grant more effectively all or any portion of the Collateral;
 - (ii) maintain or preserve the lien (and its priority) of this Indenture or to carry out more effectively the purposes of this Indenture;

- (iii) perfect, publish notice of, or protect the validity of, any Grant made by this Indenture (including any actions appropriate as a result of changes in law);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights of the Secured Parties in the Collateral against the claims of anyone; and
- (vi) pay when due all taxes levied or assessed on any part of the Collateral.

The Issuer designates the Servicer as its agent and attorney in fact to execute any Financing Statement, continuation statement, and all other instruments, and take all other actions, required pursuant to this Section 7.5.

The Issuer authorizes the filing without the Issuer's signature a financing statement that names the Issuer as "debtor" and State Street Bank and Trust Company as "secured party" (with or without indicating its capacity as Trustee hereunder) and that describes the Collateral as "all assets of the debtor, whether now owned or hereafter acquired and wherever located."

(b) The Trustee shall not:

- (i) except in accordance with Section 10.6(a), (b) or (c), remove any portion of the Collateral that consists of Cash or is evidenced by an instrument, certificate or other writing:
 - (A) from the jurisdiction in which it was held at the date the most recent Opinion of Counsel was delivered pursuant to Section 7.6 (or from the jurisdiction in which it was held as described in the Opinions of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii) if no Opinion of Counsel has yet been delivered pursuant to Section 7.6), or
 - (B) from the possession of the Person who held it (other than the Bank), or
- (ii) cause or permit ownership or the pledge of any portion of the Collateral that consists of book-entry securities to be recorded on the books of a Person (other than the Bank):
 - (A) located in a different jurisdiction from the jurisdiction in which the ownership or pledge was recorded, or
 - (B) other than the Person on whose books the ownership or pledge was originally recorded, unless (in the case of any of the actions

described in clauses (i) or (ii) of this Section 7.5(b)) the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to the property and its priority will continue to be maintained after giving effect to the change.

- (c) Without at least 30 days' prior written notice to the Trustee and the Servicer, the Issuer shall not change its "location" (as defined in Section 9-307 of the UCC) or change its name from the name shown on the signature pages of this Indenture.
- (d) The Issuer shall, subject to the Priority of Payments, enforce all of its material rights and remedies under the Servicing Agreement, the Collateral Administration Agreement, the Preference Shares Paying Agency Agreement, each Hedge Agreement and each Securities Lending Agreement.
- (e) The Issuer shall pay any taxes levied because any Pledged Obligations are owned by the Issuer.
- (f) The Servicer on behalf of the Issuer will either exercise the "put" option that prevents a Collateral Obligation from being a Long-Dated Collateral Obligation on the last available date before the Stated Maturity of the Notes or sell the Collateral Obligation for Sale Proceeds at least equal to the Principal Balance of the Collateral Obligation, in either case by the Stated Maturity of the Notes.

7.6 Opinions as to Collateral

On or before November 1 in each calendar year, commencing in 2008, the Issuer shall furnish to the Trustee and each of the Rating Agencies, an Opinion of Counsel stating that in the opinion of such counsel as of the date of such opinion under the District of Columbia Uniform Commercial Code, the UCC financing statement(s) filed in connection with the lien and security interests created by this Indenture shall remain effective and no additional financing statements, continuation statements or amendments with respect to such financing statement(s) shall be required to be filed in the District of Columbia from the date thereof through the next twelve months to maintain the perfection of the security interest of this Indenture under the District of Columbia Uniform Commercial Code.

7.7 Performance of Obligations

- (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their reasonable commercial efforts not to permit any action to be taken by others, that would release any Person from any of the Person's covenants or obligations under any instrument included in the Collateral, except in the case of enforcement action taken with respect to any Defaulted Collateral Obligation in accordance with this Indenture and actions by the Servicer under the Servicing Agreement and in conformity with this Indenture or as otherwise required by this Indenture.

- (b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Notes and a Majority of the Preference Shares (except in the case of the Servicing Agreement and the Collateral Administration Agreement as initially executed), contract with other Persons (including the Servicer, the Trustee and the Collateral Administrator) for the performance of actions and obligations to be performed by the Applicable Issuers under this Indenture. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable for performance under this Indenture. The Applicable Issuers shall punctually perform, and use their reasonable commercial efforts to cause the Servicer, the Trustee, the Collateral Administrator, the Preference Shares Paying Agent and any other Person to perform, all of their obligations in the Servicing Agreement, this Indenture, the Collateral Administration Agreement, the Preference Shares Paying Agency Agreement or any other agreement.

7.8 Negative Covenants

- (a) The Issuer shall not and, with respect to clauses (ii), (iii), (iv), (vi) and (ix), the Co-Issuer shall not, in each case from and after the Closing Date:
- (i) sell, transfer, assign, exchange, or otherwise dispose of, or pledge, mortgage, hypothecate, or otherwise encumber (or permit or suffer the sale, transfer, assignment, exchange, or other disposition of, or pledge, mortgage, hypothecation, or other encumbering of), any part of the Collateral, except as expressly permitted by this Indenture and the Servicing Agreement;
 - (ii) claim any credit on, make any deduction from, or, to the fullest extent permitted by applicable laws, dispute the enforceability of payment of the principal or interest (or any other amount) payable in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands) or assert any claim against any present or future Noteholder because of the payment of any taxes levied or assessed on any part of the Collateral;
 - (iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated by this Indenture (including a Refinancing in accordance with Section 9.7 and including, as contemplated hereby, entering into the Hedge Agreements and Securities Lending Agreements) or (B) issue any additional class of securities other than the Preference Shares issued on or before the Closing Date, except as otherwise permitted by the Preference Share Documents;
 - (iv) (A) permit the validity or effectiveness of this Indenture or any Grant under this Indenture to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated, or discharged or permit any Person to be released from any covenants or obligations with

respect to this Indenture or the Notes, except as may be expressly permitted by this Indenture or by the Servicing Agreement, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise on or burden any part of the Collateral, any interest in it, or its proceeds of or (C) take any action that would permit the lien of this Indenture not to be a valid first priority perfected security interest in the Collateral;

- (v) amend the Servicing Agreement except pursuant to its terms and Section 15.1(h) or amend the Collateral Administration Agreement except pursuant to its terms unless the Rating Condition with respect to each Rating Agency is satisfied with respect to the amendment or enter into any waiver in respect of any of the foregoing agreements without providing written notice to each Rating Agency and the Trustee (and, with respect to the Collateral Administration Agreement, without the consent of the Trustee);
 - (vi) to the extent permitted by applicable law, dissolve or liquidate in whole or in part, except as permitted under this Indenture;
 - (vii) pay any dividends or other distributions other than in accordance with the Priority of Payments and the Preference Share Documents;
 - (viii) conduct business under any name other than its own;
 - (ix) have any employees (other than directors and officers to the extent they are employees);
 - (x) except for any Underlying Instrument and agreements involving the purchase or sale of Collateral Obligations having customary purchase or sale terms and documented with customary trading documentation (but not excepting any Synthetic Security or Hedge Agreement), enter into any agreement unless the agreement contains "non-petition" and "limited recourse" provisions and shall not amend such "non-petition" and "limited recourse" provisions without prior Rating Confirmation; or

Neither the Issuer nor the Co-Issuer (the *Merging Entity*) shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

- (a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by the consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the *Successor Entity*),
 - (i) if the Merging Entity is the Issuer, is a company organized and existing under the laws of the Cayman Islands or another jurisdiction approved by a Majority of the Controlling Class (except that no approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and

- (ii) in any case shall expressly assume, by an indenture supplemental to this Indenture, executed and delivered to the Trustee and each Noteholder, the due and punctual payment of all amounts on all Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided in this Indenture;
- (b) each Rating Agency shall have been notified of the consolidation, merger, transfer, or conveyance and the Rating Condition with respect to each Rating Agency is satisfied with respect to the transaction;
- (c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee,

 - (f) the Merging Entity shall have notified each Rating Agency of the consolidation, merger, transfer or conveyance and shall have delivered to the Trustee, each Noteholder and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) an Officer's certificate and an Opinion of Counsel each stating that the consolidation, merger, transfer or conveyance and the supplemental indenture comply with this Section 7 and that all conditions precedent in this Section 7 relating to the transaction have been complied with and shall have obtained a Tax Opinion of Counsel that no adverse tax consequences will result therefrom to the Holders of the Securities;
 - (g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to the transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and
 - (h) after giving effect to the transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

7.11 Successor Substituted

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right of, the Merging Entity under this Indenture with the same effect as if the Person had been named as the Issuer or the Co-Issuer, as the case may be, in this Indenture. Upon any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor may be dissolved, wound up and liquidated at any time thereafter, and the Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

7.12 No Other Business

- (a) From and after the Closing Date, the Issuer shall not engage in any business or activity other than (i) acquisition and disposition of Collateral Obligations and Eligible Investments solely for its own account, (ii) entering into, and performing its obligations under, the Indenture, the Preference Share Documents, any Hedge

Agreements, the Securities Lending Agreements, the Servicing Agreement, the Collateral Administration Agreement and the Administration Agreement, (iii) the issuance and sale of the Securities and the Issuer Ordinary Shares, (iv) the pledge of the Collateral as security for its obligations in respect of the Notes and any Hedge Agreements, (v) entering into certain pre-closing warehousing arrangements and the agreements relating thereto, (vi) owning all of the membership interests in the Co-Issuer and (vii) undertaking certain other activities incidental to the foregoing. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, other activities appropriate to accomplish the foregoing or incidental thereto or connected therewith.

- (b) The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or the Certificate of Incorporation and By-laws (or, in the case of the Co-Issuer, the certificate of formation and limited liability company agreement) if the Rating Condition with respect to each Rating Agency is satisfied with respect to the amendment (but not otherwise).

7.13 Listing on Irish Stock Exchange

So long as any Notes remain Outstanding, the Co-Issuers shall use all reasonable efforts to obtain and maintain the listing of the Notes on the regulated market of the ISE; **provided** that the Co-Issuers will not be required to maintain a listing on a stock exchange in the European Union if compliance with requirements of the European Commission on a member state becomes burdensome in the sole judgment of the Servicer.

7.14 Annual Rating Review

So long as any Notes of any Class remain Outstanding, on or before May in each year commencing in 2008, the Co-Issuers shall obtain and pay for an annual review or ongoing surveillance of the rating of each Outstanding Class of Notes from each Rating Agency, as applicable. The Co-Issuers shall promptly notify the Trustee and the Servicer in writing (and the Trustee shall promptly provide a copy of the notice to the Noteholders) and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) if at any time the rating of any Class of Notes has been, or is known will be, changed or withdrawn.

7.15 Reporting

At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or Beneficial Owner of any Note, the Co-Issuers shall promptly furnish "Rule 144A Information" to the Holder or Beneficial Owner, to a prospective purchaser of a Note designated by the Holder or Beneficial Owner or to the

Trustee for delivery to the Holder or Beneficial Owner or a prospective purchaser designated by the Holder or Beneficial Owner, as the case may be, to permit compliance by the Holder or Beneficial Owner with Rule 144A under the Securities Act in connection with the resale of the Note by the Holder or Beneficial Owner. **Rule 144A Information** is the information specified pursuant to Rule 144A(d)(4) under the Securities Act.

7.16 Calculation Agent

- (a) The Issuer agrees that for so long as any Floating Rate Notes remain Outstanding an agent will always have been appointed (that does not control and is not controlled by or under common control with the Issuer or its Affiliates) to calculate LIBOR in respect of each Interest Period (the **Calculation Agent**). The Issuer has initially appointed the Trustee as Calculation Agent. The Issuer may remove the Calculation Agent at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or if the Calculation Agent fails to determine any of the information required to be given to the Company Announcements Office of the Irish Stock Exchange, as described in subsection (b), in respect of any Interest Period, the Issuer or the Servicer (on its behalf) shall promptly appoint a replacement Calculation Agent. For so long as any Floating Rate Notes are listed on the Irish Stock Exchange and the rules of the exchange so require, notice of the appointment of any replacement Calculation Agent shall be given to the Company Announcements Office of the Irish Stock Exchange as promptly as practicable after the appointment. The Calculation Agent may not resign its duties without a successor having been duly appointed.
- (b) As soon as possible after 11:00 A.M., London time, on the second Business Day before the first day of each Interest Period, but in no event later than 11:00 A.M., London time, on the next Business Day, the Calculation Agent shall calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Period. The Calculation Agent shall communicate those rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Servicer, Euroclear, Clearstream, the Depository, and, so long as any of the Floating Rate Notes are listed thereon and the rules of the exchange so require, the Irish Stock Exchange. In the latter case, the information shall be given to the Company Announcements Office of the Irish Stock Exchange as soon as possible after its determination. The Calculation Agent shall separately notify the Irish Stock Exchange of the information. The Calculation Agent shall also specify to the Co-Issuers the quotations on which the foregoing rates are based, and in any event the Calculation Agent shall notify the Co-Issuers before 7:00 P.M., London time, on the second Business Day before the first day of each Interest Period that either:
 - (i) it has determined or is in the process of determining the Note Interest Rate for each Class of Floating Rate Notes, or

- (ii) it has not determined and is not in the process of determining any such Note Interest Rate together with its reasons therefor.

The Calculation Agent's determination of the foregoing rates for any Interest Period shall (in the absence of manifest error) be final and binding on all parties and the Holders and Beneficial Owners of the Preference Shares.

7.17 Certain Tax Matters

- (a) The Issuer, the Co-Issuer, the Trustee agree, and each registered Holder and Beneficial Owner of Notes, by accepting a Note, agrees to treat such Notes as indebtedness solely of the Issuer and not of the Co-Issuer for accounting, financial reporting and U.S. federal, and, to the extent permitted by law, state and local income tax purposes, to report all income (or loss) in accordance with such treatment and not to take any action inconsistent with such treatment unless otherwise required by any relevant taxing authority.
- (b) The Issuer agrees not to take any action to be treated as other than a corporation for U.S. federal income tax purposes.
- (c) The Issuer and Co-Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority.
- (d) The Issuer shall not file, or cause to be filed, any income or franchise tax return in any state of the United States unless the Issuer shall have obtained a Tax Opinion of Counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.
- (e) The Issuer shall not become the owner of any asset if the acquisition (including the manner thereof), ownership or disposition of such asset (without regard to the other activities of the Issuer) would cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes, except as a result of ownership of Eligible Equity Securities, securities or other consideration received in an exchange or Defaulted Collateral Obligations pending their sale in accordance with Section 12.1.
- (f) The Issuer will treat each purchase of Collateral Obligations and Eligible Investments as a "purchase" for tax accounting and reporting purposes.
- (g) Each of the Issuers and the Trustee agrees that it does not intend for this Indenture to represent an agreement to enter into a partnership, a joint venture or any other business entity for U.S. federal income tax purposes. The Issuers and the Trustee shall not represent or otherwise hold themselves out to the United States Internal Revenue Service or other third parties as partners in a partnership or members of a joint venture or other business entity for U.S. federal income tax purposes.

- (h) If the Issuer or Servicer becomes aware that withholding of United States income tax is required with respect to fees associated with the Synthetic Letters of Credit included in the Collateral and such taxes are not being withheld by an agent for the relevant syndicate of lenders, the Issuer shall cause such taxes to be paid.

7.18 Securities Lending.

- (a) So long as no Event of Default is continuing and if after the completion of the transaction the limit in clause (30) of the definition of "Concentration Limitations" would be satisfied, the Servicer may cause Collateral Obligations that are not Defaulted Collateral Obligations to be lent for a term of 90 days or less to banks, broker-dealers and other financial institutions (other than insurance companies) having long-term and short-term senior unsecured debt ratings or guarantors with ratings of at least "A1" (and not "A1" but on credit watch with negative implications) and "P-1" (and not on credit watch for possible downgrade) from Moody's and a long-term senior unsecured debt rating of at least "A" or a short-term senior unsecured debt rating of at least "A-1" from S&P (each, a ***Securities Lending Counterparty***) pursuant to one or more agreements (each, a ***Securities Lending Agreement***); **provided** that Collateral Obligations the Market Value of which cannot be determined under clause (i), (ii) or (iii) of that definition may not be lent pursuant to a Securities Lending Agreement. Upon receipt of an Issuer Order, the Trustee shall release any lent Collateral Obligations to a Securities Lending Counterparty as directed by the Servicer. The Securities Lending Counterparties may be Affiliates of the Initial Purchasers or Affiliates of the Servicer. The duration of any Securities Lending Agreement shall not exceed the Stated Maturity of the Notes.
- (b) Each Securities Lending Agreement shall be on market terms as determined by the Servicer (except as may be required below) and shall:
 - (i) require that the Securities Lending Counterparty return to the Issuer debt obligations that are identical (in terms of issue and class) to the lent Collateral Obligations;
 - (ii) require that the Securities Lending Counterparty pay to the Issuer amounts equivalent to all interest and other payments that the owner of the lent Collateral Obligation is entitled to for the period during which the Collateral Obligation is lent and require that any such payments not be subject to withholding tax imposed by any jurisdiction unless the Securities Lending Counterparty is required under the Securities Lending Agreement to make "gross-up" payments to the Issuer that cover the full amount of the withholding tax on an after-tax basis;
 - (iii) require that the Rating Condition with respect to each Rating Agency shall be satisfied with respect to the execution of the Securities Lending Agreement;

- (iv) satisfy any other requirements of Section 1058 of the Code and the Treasury Regulations promulgated under it;
- (v) be governed by the laws of New York;
- (vi) permit the Issuer to assign its rights under the Securities Lending Agreement to the Trustee pursuant to this Indenture;
- (vii) provide for early termination and the delivery of any lent Collateral Obligation with no penalty if the Collateral Obligation becomes a Credit Risk Obligation or is subject to redemption in accordance with its terms;
- (viii) provide for early termination and the delivery of any lent Collateral Obligation with no penalty upon any redemption of the Notes in whole;
- (ix) require the Securities Lending Counterparty to post with the Trustee collateral consisting of cash or direct registered debt obligations of the United States of America that have a maturity date no later than the Business Day preceding the stated termination date of the Securities Lending Agreement (the "*Securities Lending Collateral*") to secure its obligation to return the Collateral Obligations or in the alternative post the Securities Lending Collateral with a custodian for the benefit of the Issuer designated by the Securities Lending Counterparty that satisfies the requirements with respect to being a securities intermediary with respect to the posted collateral if that custodian would qualify to be a successor trustee under Section 6.9;
- (x) provide that the Securities Lending Collateral shall be maintained as provided in the related Securities Lending Agreement and if securities are delivered to the Trustee as security for the obligations of the Securities Lending Counterparty under the related Securities Lending Agreement, the Servicer on behalf of the Issuer will negotiate with the Securities Lending Counterparty a rate for the loan fee to be paid to the Issuer for lending the lent Collateral Obligations;
- (xi) the lent Collateral Obligations shall be marked-to-market on a daily basis by the Servicer on the basis of their Market Value;
- (xii) the Collateral will include the Issuer's rights under the related Securities Lending Agreement rather than the loaned Collateral Obligation;
- (xiii) provide for early termination within ten days at the option of the Issuer and the delivery of any lent Collateral Obligation with no penalty if the Securities Lending Counterparty is no longer in compliance with the requirements relating to the credit ratings of the Securities Lending

Counterparty and the noncompliance is not cured as provided in this Indenture; and

- (xiv) contain appropriate limited recourse and non-petition provisions (to the extent the Issuer has contractual payment obligations to the Securities Lending Counterparty) equivalent (*mutatis mutandis*) to those in this Indenture.
- (c) If either Moody's or S&P downgrades a Securities Lending Counterparty such that the Securities Lending Agreements to which the Securities Lending Counterparty is a party are no longer in compliance with the requirements relating to the credit ratings of the Securities Lending Counterparty, then the Servicer on behalf of the Issuer shall take such steps as provided in the related Securities Lending Agreements.
- (d) In connection with any such direction by the Servicer to enter into a Securities Lending Agreement, the Trustee may receive and rely on an Issuer Order to the effect that the Securities Lending Agreement, and its Securities Lending Counterparty, is each in compliance with the requirements of this Indenture (including the definition of "Securities Lending Counterparty"). The Issuer and the Trustee may enter into any Securities Lending Agreement (and any related account control agreement) at the instruction of the Servicer, and deliver and accept delivery and return of any Collateral Obligations pursuant to the Securities Lending Agreement, or pursuant to instructions from the Servicer in connection with the Securities Lending Agreement. The Trustee may take any actions and exercise any rights and remedies under any Securities Lending Agreement that the Servicer instructs. The Trustee need not enter into any Securities Lending Agreement (or any related account control agreement) that would in its judgment, subject it to any liability, whether financial or otherwise, or cause it to incur or subject it to risk of any cost or disbursement for which it is not, in its judgment, adequately indemnified, or that would impose on it any obligations or administrative burdens that are unacceptable to it. The Servicer shall instruct the Trustee in writing with respect to the administration of any Securities Lending Agreement (including with respect to any default and the exercise of rights under it). The Trustee shall not have any responsibility for evaluating the sufficiency, validity or acceptability of any Securities Lending Agreement or for the qualifications or eligibility of any Securities Lending Counterparty. Nothing in this Indenture shall be construed to cause the Trustee to have any fiduciary duties to any Securities Lending Counterparty.

So long as any Collateral Obligation is on loan pursuant to a Securities Lending Agreement,

- (e) the Trustee shall have no liability for any failure or inability on its part to receive any information or take any action with respect to the Collateral Obligation because of its being on loan (including any failure to take action with respect to a

notice of redemption, consent solicitation, exchange or tender offer, or similar corporate action), and

- (f) the loaned Collateral Obligations shall not be disqualified for return to the Trustee as a Collateral Obligation by any change in circumstance or status during the time while on loan (including any change that would cause the Collateral Obligation to be ineligible for purchase by the Issuer under this Indenture if applied to a proposed purchase of it in the open market at the time of its return from loan).

7.19 Purchase of Collateral Obligations; Ramp-Up Completion Date

- (a) The Issuer shall use its best efforts to purchase Collateral Obligations on any Business Day during the Ramp-Up Period or enter into commitments to purchase Collateral Obligations on any Business Day during the Ramp-Up Period for purchase on or as soon as practicable thereafter (not to exceed 60 days thereafter), in each case, for inclusion in the Collateral so that each of the Aggregate Principal Balance of the Collateral Obligations and the Overcollateralization Ratio Numerator with respect to the Class A-1 Notes, the Class A-2 Notes and the Class B Notes is at least U.S.\$687,400,000.
- (b) No Collateral Obligations may be purchased prior to the Ramp-Up Completion Date unless immediately following the purchase of any Collateral Obligation (as certified by the Servicer in writing), the remaining funds in the Collection Account, after giving effect to such purchase, are sufficient as of the date of determination to purchase Collateral Obligations for inclusion in the Collateral so that each of the Aggregate Principal Balance of the Collateral Obligations and the Overcollateralization Ratio Numerator with respect to the Class A-1 Notes, the Class A-2 Notes and the Class B Notes is at least U.S.\$687,400,000 (taking into account the Collateral Obligations already part of the Collateral (without giving effect to any reductions of that amount that may have resulted from scheduled principal payments, principal prepayments or dispositions made with respect to any Collateral Obligations on or before the Ramp-Up Completion Date)).
- (c) Notwithstanding the foregoing, or any other provision of this Indenture, if the Issuer has previously entered into a commitment to purchase a Collateral Obligation to be included in the Collateral, such commitment initially not to exceed 60 days, and at the time of the commitment the Collateral Obligation complied with the definition of "Collateral Obligation" and the requirements set forth in this Section 7.19, the Issuer may consummate the purchase of the Collateral Obligation notwithstanding that the Collateral Obligation fails to comply with the definition of "Collateral Obligation" and the requirements set out above on the date of settlement.
- (d) The Issuer will use commercially reasonable efforts to purchase, or to enter into binding agreements to purchase, Collateral Obligations by the Ramp-Up Completion Date, that, together with the Collateral Obligations purchased on or

before the Closing Date and then held by the Issuer, will satisfy, as of the Ramp-Up Completion Date (without giving effect to any reductions of that amount that may have resulted from scheduled principal payments, principal prepayments or dispositions made with respect to any Collateral Obligations on or before the Ramp-Up Completion Date), the Collateral Quality Tests, the Concentration Limitations, the criteria set forth in Section 12.2 of this Indenture and the Overcollateralization Tests.

- (e) No later than five Business Days after the Ramp-Up Completion Date, the Issuer shall notify each of the Rating Agencies in writing of the occurrence of the Ramp-Up Completion Date (each, a "**Ramp-Up Notice**") and request in writing that each of S&P and Moody's confirm in writing prior to the Determination Date related to the first Payment Date that it has not reduced or withdrawn the Initial Ratings; **provided**, that the Issuer shall not be required to request a Rating Confirmation from Moody's if, by the Determination Date related to the first Payment Date Moody's has received an Accountants' Certificate confirming (i) the Issuer is in compliance with each of the Collateral Quality Tests, the Coverage Tests and the Concentration Limitations and (ii) the Aggregate Principal Balance of the Collateral Obligations that the Issuer owns or has committed to purchase is at least equal to U.S.\$687,400,000. In connection with such request or, in the case of Moody's, in lieu of such request, the Issuer shall provide a report to the Rating Agencies identifying the Collateral Obligations then included in the Collateral and the Issuer shall obtain and deliver to the Trustee and the Rating Agencies, together with the delivery of a report (and, with respect to S&P, an Excel Default Model Input File and, with respect to each Collateral Obligation, the name of the obligor thereon and the CUSIP number thereof (if applicable)) substantially in the form of a Monthly Report as of the Ramp-Up Completion Date, an Accountants' Certificate confirming:
 - (i) confirming the maturity date, rating, spread and recovery rate for each item of Original Collateral Obligations owned by the Issuer as of the Ramp-Up Completion Date and the information provided by the Issuer with respect to every other asset included in the Collateral, by reference to such sources as shall be specified therein;
 - (ii) confirming that as of the Ramp-Up Completion Date:
 - (1) each of the Coverage Tests are satisfied;
 - (2) the Aggregate Principal Balance of Collateral Obligations that the Issuer owned or committed to purchase as of the Ramp-Up Completion Date is at least equal to the Maximum Amount; and

- (3) the Collateral Obligations comply with all of the requirements of the Collateral Quality Tests and the Concentration Limitations; and
- (iii) specifying the procedures undertaken by them to review data and computations relating to the foregoing statements.
- (f) Any failure by the Issuer to obtain a Rating Confirmation pursuant to Section 7.19(e) above shall be a Rating Confirmation Failure (a "***Rating Confirmation Failure***") and will thereafter be deemed to be continuing until the first date thereafter on which the Trustee shall have received evidence of confirmation of the Initial Ratings, on which date it shall be deemed to have been cured. If a Rating Confirmation Failure occurs, the Notes will be redeemed pursuant to, and to the extent provided in, Section 9.1(a).
- (g) On the date occurring 45 days after the Closing Date (the ***Interim Ramp-Up Test Date***), the Servicer, on behalf of the Issuer, shall submit to Moody's a statement showing compliance with the Interim Ramp-Up Test specified in the Interim Ramp-Up Test table below. Should the results of any such Interim Ramp-Up Test fail to comply with the levels established for such Interim Ramp-Up Test Date by the Servicer on behalf of the Issuer, and that are acceptable to Moody's, the Issuer shall discuss a plan with Moody's for achieving compliance with such tests by the Ramp-Up Completion Date at the levels required on the Ramp-Up Completion Date.

Interim Ramp-Up Test

Minimum Moody's Weighted Average Recovery Rate	Minimum Diversity Score	Maximum Weighted Average Moody's Rating Factor	Minimum Weighted Average Spread	Minimum Aggregate Principal Balance

7.20 Secondary Risk Procedures

The Servicer shall notify S&P and request that S&P modify the S&P CDO Monitor accordingly if on any date (as disclosed in the most recent Monthly Report):

- (a) the Aggregate Principal Amount of all Collateral Obligations participated from or entered into with the same Secondary Risk Counterparty exceeds the percentage of the Maximum Amount in the Secondary Risk Table opposite the long-term

S&P credit rating of the Secondary Risk Counterparty under the caption "Individual Counterparty Limit," or

- (b) the Aggregate Principal Amount of all Collateral Obligations participated from or entered into with Secondary Risk Counterparties with the same long-term credit rating exceeds the percentage of the Maximum Amount in the Secondary Risk Table opposite that rating under the caption "Aggregate Counterparty Limit" (excluding up to 5.0% by Aggregate Principal Amount of Synthetic Securities with respect to Collateral Obligations the Aggregate Counterparty Limit of which is 20.0% to the extent that (x) such exposure is fully collateralized with respect to principal and (y) the related Synthetic Security Counterparties are rated at least "A-1+" by S&P).

7.21 Section 3(c)(7) Procedures

In addition to the notices required to be given under Section 10.6 hereof, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (**provided** that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

- (a) **Section 3(c)(7) Notice to Investors.** The Issuer shall (i) request the Depository to cause, and cooperate with the Depository in causing, the Depository's security description and delivery order to include a "3(c)(7) marker" and the Depository's user manual to contain an accurate description of the restrictions on the holding and transfer of the Notes due to the Issuer's reliance on the exclusion to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) request that the Depository send, and cooperate with the Depository in causing the Depository to send, to its Agent Members (x) the Important Section 3(c)(7) Reminder Notice substantially in the form of Exhibit G-2 in connection with the initial offering of the Notes and (y) the Section 3(c)(7) Reminder Notice substantially in the form of Exhibit G-1 as set forth in Section 10.6(b) and (iii) request that the Depository cause, and cooperate with the Depository in causing, the Depository's Reference Directory to include each Class of Notes (and the applicable CUSIP numbers for the Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Notes.
- (b) **CUSIP Numbers.** The Issuer shall (a) request of S&P, and shall cooperate with S&P to ensure that all CUSIP numbers identifying the Notes shall have a "fixed field" attached thereto that contains "3c7" and "144A" indicators and (b) take steps to cause the Initial Purchasers and any market makers to require that all "confirms" of trades of the Notes contain CUSIP numbers with such "fixed field" identifiers.

- (c) **Bloomberg and other Third-Party Vendor Screens.** The Issuer shall use all reasonable efforts to cause the Bloomberg screen or screens containing information about the Notes to include the following language: (a) the "Note Box" on the bottom of the "Security Display" page describing the Notes shall state: "Iss'd Under 144A/3(c)(7)," (b) the "Security Display" page shall have the flashing red indicator "See Other Available Information" and (c) the indicator shall link to the "Additional Security Information" page, which shall state that the securities are "being offered in reliance on the exemption from registration under Rule 144A of the Securities Act, to persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act)." The Issuer shall use all reasonable efforts to require that any other third-party vendor screens containing information about the Notes include substantially similar language to clauses (a) through (c) above.

8. SUPPLEMENTAL INDENTURES

8.1 Supplemental Indentures Without Consent of Holders

- (a) Without the consent of the Holders of any Securities (other than with respect to the consent of the Majority of the Controlling Class specified in clause (15) below), any Hedge Counterparty (except to the extent such consent is required under the applicable Hedge Agreement) or any Synthetic Security Counterparty (except to the extent such consent is required under the applicable Synthetic Security Agreement), when authorized by Board Resolutions, and subject to the requirement provided below in this Section 8.1 with respect to the ratings of any Class of Notes, the Co-Issuers and the Trustee may, if, with respect to any matters described in clauses (1) through (23) below, the interests of the Holders of the Securities (except, in the case of clause (12) below, any Holders of Notes subject to the applicable Refinancing) are not materially and adversely affected thereby (the Co-Issuers and the Trustee will be bound by a standard of good faith and fair dealing in making such determination, subject to the terms of this Indenture) execute one or more indentures supplemental to this Indenture, in form satisfactory to the Trustee, to:
- (1) evidence the succession of another Person to the Issuer or the Co-Issuer and the assumption by the successor Person of the obligations of the Issuer or the Co-Issuer in this Indenture and in the Securities;
 - (2) add to the covenants of the Co-Issuers or the Trustee for the benefit of the Noteholders or to surrender any right in this Indenture conferred on the Co-Issuers;

amount, terms, and purposes of the issue, authentication and delivery of the Notes;

- (4) evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee and to add to or change any of the provisions of this Indenture necessary to facilitate the administration of the trusts under this Indenture by more than one Trustee, pursuant to the requirements of Sections 6.10, 6.11, and 6.13;
- (5) correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey, and confirm to the Trustee any property subject or required to be subject to the lien of this Indenture (including all actions appropriate as a result of changes in law) or to subject to the lien of this Indenture any additional property;
- (6) cause any provision of this Indenture to conform to, or be consistent with, the statements made with respect to such provision in the Offering Memorandum;
- (7) modify the restrictions on and procedures for resales and other transfers of the Notes to reflect any changes in applicable law (or its interpretation) or to enable the Co-Issuers to rely on any less restrictive exemption from registration under the Securities Act (including, without limitation, to add provisions for resales and transfers of the Preference Shares under Regulation S) or the Investment Company Act or to remove restrictions on resale and transfer to the extent not required under this Indenture;
- (8) with the consent of the Servicer, modify (A) the restrictions on the sales of Collateral Obligations in Section 12.1 or (B) with the consent of the Majority of the Controlling Class (which consent shall not be unreasonably withheld), the Eligibility Criteria in Section 12.2 (and the definitions related thereto); **provided** that, for the avoidance of doubt, the consent of a Majority of the Controlling Class shall not be required if such amendment also satisfies the requirements of clause (24) below;
- (9) make appropriate changes for any Class of Notes to be listed on an exchange other than the Irish Stock Exchange;
- (10) otherwise to correct any inconsistency or cure any ambiguity or errors in this Indenture;
- (11) accommodate the issuance of the Notes in book-entry form through the facilities of DTC or otherwise;
- (12) to accommodate a Refinancing effected pursuant to and in compliance with Section 9.7; provided that no Holders of Notes or Preference Shares

are materially adversely affected thereby, other than Holders of Notes subject to such Refinancing;

- (13) to avoid the imposition of tax on the net income of the Issuer or of withholding tax on any payment to the Issuer;
- (14) authorize the appointment of any listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes appropriate in connection with the listing of any Class of Notes on the Irish Stock Exchange or any other stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes in connection with its appointment, so long as the supplemental indenture would not materially and adversely affect any Noteholder, as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an Authorized Officer of the Servicer, to the effect that the modification would not be materially adverse to the Holders of any Class of Notes;
- (15) with the consent of the Majority of the Controlling Class, amend, modify, enter into or accommodate the execution of any contract relating to a Synthetic Security (including posting collateral under a Synthetic Security Agreement) if such particular action is not otherwise permitted under the Indenture;
- (16) modify Section 3.3 to be consistent with applicable laws or Rating Agency requirements;
- (17) evidence any waiver by any Rating Agency as to any requirement or condition, as applicable, of the Rating Agency set forth in this Indenture;
- (18) facilitate the issuance of participation notes, combination notes, composite securities and other similar securities;
- (19) facilitate hedging transactions;
- (20) facilitate the ability of the Issuer to lend collateral pursuant to a Securities Lending Agreement;
- (21) modify any provision to facilitate an A/B Exchange, including to effect any serial designation relating to the exchange;

- (22) with the consent of the Servicer, enter into any additional agreements not expressly prohibited by this Indenture as well as any amendment, modification, or waiver if the Issuer determines that the amendment, modification, or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interest of the Holders of any Class of Securities as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an officer of the Servicer to the effect that the modification would not be materially adverse to the Holders of any Class of Securities; provided that, for the avoidance of doubt, this clause (22) shall not permit the Co-Issuers and the Trustee to effect any amendment that expressly requires the consent of the Majority of the Controlling Class without such consent;
- (23) provide for the issuance of additional Preference Shares to the extent permitted by the Preference Share Documents and to extend to such additional Preference Shares the benefits applicable to the Preference Shares under the Indenture and the Preference Share Documents; or
- (24) prevent the Issuer from becoming an "investment company" as defined in the Investment Company Act or to better assure compliance with the requirements of Rule 3a-7 and/or to remove transfer restrictions and other requirements relating to Section 3(c)(7);

provided that, as a condition to the effectiveness of any such supplemental indenture, each of the Issuer, the Trustee and the Servicer shall have received (A) a Rating Confirmation with respect to such supplemental indenture and (B) a customary opinion of counsel (which may be supported as to factual matters by any relevant certificates or other documents necessary or advisable in the judgment of counsel delivering such opinion) from a nationally recognized law firm providing that, after giving effect to such supplemental indenture, the Issuer is exempt from registration as an "investment company" under the Investment Company Act in reliance on the exemption provided by Rule 3a-7.

- (b) Without the consent of the Servicer, no supplemental indenture may be entered into that would reduce the rights, decrease the fees or other amounts payable to the Servicer under this Indenture or increase the duties or obligations of the Servicer.
- (c) The Trustee is authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be in the agreements, but the Trustee shall not be obligated to enter into any such supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law. Unless notified by a Majority of any Class of Notes or a Majority of the

Preference Shares that Holders of the Class of the Notes or Holders of the Preference Shares would be materially and adversely affected, the Trustee may rely on a certificate of the Servicer and an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) as to whether the interests of any Holder of Securities would be materially and adversely affected by any such supplemental indenture.

- (d) If any Outstanding Notes are rated by a Rating Agency, the Trustee shall enter into a supplemental indenture pursuant to this Section 8.1 only if either (1) the Rating Condition with respect to each Rating Agency is satisfied with respect to the supplemental indenture or (2) the Servicer and the Holders of 100% in Aggregate Outstanding Amount of each Class of Notes the ratings on which would be reduced or withdrawn consent to the supplemental indenture. Prior to the entry into any supplemental Indenture with respect to which a Rating Confirmation for one or more Classes of Notes is not expected to be delivered, the Trustee shall provide written notice to each Holder of each Outstanding Note informing them of such fact.
- (e) At the cost of the Co-Issuers, the Trustee shall mail to the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), each Rating Agency (for so long as any Notes are Outstanding and rated by a Rating Agency) and each Hedge Counterparty a copy of any such proposed supplemental indenture pursuant to this Section at least 15 Business Days before its execution by the Trustee (or 60 calendar days before execution in the case of a supplemental indenture for the purpose described in paragraph (8) of Section 8.1(a), which shall be identified as such in a certificate of the Servicer delivered to the Trustee before the date on which such notice is required to be given).

8.2 Supplemental Indentures With Consent of Holders

- (a) If the Rating Condition is satisfied with respect to each Rating Agency, the Trustee and the Co-Issuers may execute one or more indentures supplemental to this Indenture to add any provisions to, or change in any manner, or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Noteholders under this Indenture with the consent of:
 - (1) the Servicer if the supplemental indenture would reduce the rights, decrease the fees or other amounts payable to it under this Indenture or increase the duties or obligations of the Servicer;
 - (2) a Majority of each Class of Notes adversely affected thereby, by Act of the Holders of each such Class of Notes;
 - (3) a Majority of the Preference Shares adversely affected thereby;

- (4) each Hedge Counterparty (if such consent is required pursuant to the applicable Hedge Agreement); and
- (5) each Synthetic Security Counterparty (if such consent is required pursuant to the applicable Synthetic Security Agreement).

Any proposed supplemental indenture that would also necessitate a change to the Issuer Charter may only be made after a Special Resolution (as defined in the Issuer Charter) has been passed to permit the Issuer's constitutional documents to be altered to conform them to the proposed change to this Indenture as certified to the Trustee by the Issuer.

Notwithstanding anything in this Indenture to the contrary, without the consent of the Holder of each Outstanding Note adversely affected thereby and the Holder of each Preference Share adversely affected thereby, no supplemental indenture shall:

- (i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Note or of any payment to the Preference Shares Paying Agent for payment to the Holders of the Preference Shares (other than in the case of any Maturity Extension in connection with an extension of the Replacement Period as described in Section 2.4), reduce the principal amount or the rate of interest on any Note, or the Default Interest Rate or the Redemption Price with respect to any Note or Preference Share, or change the earliest date on which Notes of any Class or Preference Share may be redeemed at the option of the Issuer, change the provisions of this Indenture relating to the application of proceeds of any Collateral to the payment of principal of or interest on Notes, or to payment to the Preference Shares Paying Agent for payment to the Holders of the Preference Shares, or change any place where, or the coin or currency in which, Notes or their principal or interest are paid or impair the right to institute suit for the enforcement of any such payment on or after their Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date);
- (ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class or Holders of Preference Shares whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults under this Indenture or their consequences provided for in this Indenture;
- (iii) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Collateral or terminate the lien on any property at any time subject hereto or deprive the Holder of any Note of the security afforded by the lien of this Indenture;

- (iv) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required to request the Trustee to retain the Collateral or rescind the Trustee's election to retain the Collateral, pursuant to Section 5.5 or to sell or liquidate the Collateral, pursuant to Section 5.4 or 5.5;
 - (v) modify any of the provisions of this Section, or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note and Preference Share affected thereby;
 - (vi) modify the definition of "Outstanding," "Controlling Class," or "Majority," or the Priority of Payments in Section 11.1(a) or Section 13.1; or
 - (vii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of Redemption Price or of interest or principal on any Note or any payment to the Preference Shares Paying Agent for the payment of dividends or other payments on the Preference Shares on any Payment Date or to affect the rights of the Holders of the Securities to the benefit of any provisions for the redemption of the Notes or the Preference Shares contained in this Indenture.
- (b) Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Servicer, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), each Hedge Counterparty, each Synthetic Security Counterparty (to the extent required by the terms of the related Synthetic Security) and each Rating Agency (for so long as any Notes are Outstanding and rated by a Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Securities to be given within the Initial Consent Period. Any consent given to a proposed supplemental indenture by the Holder of any Securities, as applicable, shall be irrevocable and binding on all future Holders or beneficial owners of that Security, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Securities consent to a proposed supplemental indenture within the Initial Consent Period, on the first Business Day after the Initial Consent Period, the Trustee shall notify the Issuer and the Servicer which Holders of Securities have consented to the proposed supplemental indenture and, which Holders (and, to the extent such information is reasonably available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture. If it intends to exercise its Amendment Buy-Out Option pursuant to Section 9.6, the Amendment Buy-Out Purchaser shall so notify the Trustee and S&P (which notice shall designate a date for the

Amendment Buy-Out to occur no earlier than 10 Business Days after the date of such notice) no later than five Business Days after the Servicer is so notified by the Trustee and the Trustee shall promptly mail such notice to all Noteholders and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares). Any Non-Consenting Holder may give consent to the related proposed supplemental indenture until the 5th Business Day prior to the date of the Amendment Buy-Out designated by the Amendment Buy-Out Purchaser, and in such case shall cease to be a Non-Consenting Holder for purposes of the Amendment Buy-Out. If the Amendment Buy-Out Purchaser exercises its Amendment Buy-Out Option and purchases the applicable Securities pursuant to Section 9.6 below, the Amendment Buy-Out Purchaser, as Holder or beneficial owner of the applicable Securities, may consent to the related proposed supplemental indenture within five Business Days of the Amendment Buy-Out.

- (c) It shall not be necessary for any Act of Noteholders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if the Act or consent approves its substance.
- (d) The Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Servicer, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), each Hedge Counterparty, each Synthetic Security Counterparty and each Rating Agency a copy of any supplemental indenture pursuant to this Section 8.2 promptly after its execution by the Co-Issuers and the Trustee. Any failure of the Trustee to mail a copy of any supplemental indenture as provided in this Indenture, or any defect in the mailing, shall not in any way affect the validity of the supplemental indenture.

8.3 Execution of Supplemental Indentures

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Section 8 or the modifications thereby of the trusts created by this Indenture, the Trustee may receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of the supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent to the execution of such supplemental indenture have been satisfied. In the event that any supplemental indenture is consented to by the Issuer, the Co-Issuer and 100% of the Aggregate Outstanding Amount of each Class of Notes and the Rating Condition is satisfied or is specifically waived by all consenting parties, all conditions precedent to the execution of such supplemental indenture shall be deemed satisfied, the execution of such supplemental indenture shall be authorized or permitted by this Indenture, and the Trustee shall execute and accept the additional trusts created by such supplemental indenture pursuant to this Section 8 or modification thereby of the trusts created by this Indenture without obtaining an Opinion of Counsel; **provided** that the Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Servicer shall not be bound by any amendment or supplement to this

Indenture that would reduce the rights, decrease the fees or other amounts payable to it under this Indenture or increase the duties or obligations of the Servicer unless the Servicer consents to it in writing, such consent not to be unreasonably withheld or delayed. The Servicer shall follow any amendment or supplement to this Indenture by which it is bound of which it has received written notice from the time it receives a copy of the amendment from the Issuer or the Trustee.

8.4 Effect of Supplemental Indentures; Certain Required Consents

Upon the execution of any supplemental indenture under this Section 8, this Indenture shall be modified in accordance therewith, and the supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered under this Indenture shall be bound thereby.

Any supplemental indenture that would necessitate a change to the Issuer Charter may only be made after a Special Resolution (as defined in the Issuer Charter) has been passed to permit the Issuer Charter to be altered to conform with such proposed amendment.

8.5 Reference in Notes to Supplemental Indentures

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Section 8 may, and if required by the Trustee shall, bear a notice in form approved by the Trustee as to any matter provided for in the supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

9. REDEMPTION OF NOTES

9.1 Mandatory Redemption

- (a) If either (a) a Coverage Test is not met on any Determination Date or (b) a Rating Confirmation Failure occurs, principal payments on the Notes shall be made on the related Payment Date (without payment of any Redemption Price) in accordance with the Priority of Payments.

Upon receipt of notice of a Rating Confirmation Failure and if available Interest Proceeds and Principal Proceeds are insufficient to effect the redemption of the Notes, at par on any subsequent Payment Date in accordance with the Priority of Payments as and to the extent necessary for each of Moody's and S&P to confirm in writing the Initial Ratings assigned by it on the Closing Date to the Notes, then at the direction and in accordance with the instructions of the Servicer the Trustee shall sell Collateral Obligations so that the proceeds from the sale and all other funds available for the purpose in the Collection Account will be used to redeem the Notes and the Preference Shares (but only to the extent necessary for each of

Moody's and S&P to confirm in writing the Initial Ratings assigned by it on the Closing Date to the Notes) and to pay all administrative and other fees, expenses and obligations payable under the Priority of Payments. Any sale under this Section shall be conducted in such a manner that:

- (i) after giving effect to the sale each Overcollateralization Test is satisfied or, if any Overcollateralization Test is not satisfied, the extent of compliance with the Overcollateralization Test is not reduced,
 - (ii) if the sale occurs on or after the second Payment Date, after giving effect to the sale each Interest Coverage Test is satisfied or, if any Interest Coverage Test is not satisfied, the extent of compliance with the Interest Coverage Test is not reduced, and
 - (iii) after giving effect to the sale each Collateral Quality Test is satisfied or, if any Collateral Quality Test is not satisfied, the extent of compliance with the Collateral Quality Test is not reduced.
- (b) The Preference Shares will be redeemed in whole in accordance with the Priority of Payments and the Preference Share Documents on any Payment Date on which a mandatory redemption of the Notes pursuant to Section 9.1(a) results in the payment in full of the Aggregate Outstanding Amount of each Class of Notes.

9.2 Optional Redemption

- (a) Upon the occurrence of a Tax Event, or at any time after the Non-Call Period, the Notes shall be redeemed by the Applicable Issuers, in whole but not in part, on any Payment Date from Principal Proceeds and all other funds available for that purpose in the Collection Account, the Payment Account, the Closing Date Expense Account, the Synthetic Security Reserve Account, the Revolving Reserve Account and the Delayed Drawdown Reserve Account at the direction of the applicable Required Redemption Percentage, which direction must be given to the Preference Shares Paying Agent, the Trustee, the Issuer and the Servicer not later than 45 days before the Payment Date on which the redemption is to be made, at the applicable Redemption Price (exclusive of installments of interest and principal maturing on or before that date, payment of which shall have been made or duly provided for, to the Noteholders on relevant Record Dates or as otherwise provided in this Indenture). All Notes must be simultaneously redeemed, and any termination payments pursuant to Hedge Agreements must be paid.

In the event that the Preference Shares Paying Agent, the Trustee and the Issuer receive notice directing an optional redemption from any one or more Holders of Preference Shares holding less than a Majority of the Preference Shares, the Preference Shares Paying Agent shall, within five Business Days of receipt of such notice, notify the Holders of the Preference Shares (i) of the receipt of such

notice and (ii) that any Holder of Preference Shares may join in directing an optional redemption by notifying the Issuer, the Trustee and the Preference Shares Paying Agent in writing within five Business Days after such Holder's receipt of the Preference Shares Paying Agent's Notice.

Upon receipt of a notice of redemption pursuant to the first paragraph of this Section 9.2(a), the Servicer in its sole discretion will (subject to the standard of care specified in the Servicing Agreement), on behalf of the Issuer, direct the sale of the Collateral Obligations so that the proceeds from the sale and all other funds available for such purpose in the Collection Account, the Closing Date Expense Account, the Synthetic Security Reserve Account, the Revolving Reserve Account and the Delayed Drawdown Reserve Account will be at least sufficient to redeem all of the Notes and to pay all administrative and other fees and expenses payable under the Priority of Payments without regard to any payment limitations. If, in the Servicer's reasonable discretion, the sale would not be sufficient to redeem the Notes, and to pay the fees, expenses and obligations, the Notes shall not be redeemed.

Upon any redemption pursuant to this Section 9.2(a), the Issuer shall, at least 30 days before the Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency of the Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on the Redemption Date and the applicable Redemption Prices.

- (b) On any Payment Date on or after payment in full of the Notes, all administrative and other fees (without regard to any payment limitations) payable under the Priority of Payments (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing under this Indenture and all amounts owing under this Indenture and any Hedge Agreement to any Hedge Counterparty have been discharged,
 - (i) at the direction of a Majority of the Preference Shares, the Issuer shall cause the Trustee to make payments in redemption of all of the Preference Shares, in an aggregate amount equal to all of the proceeds from the sale or other disposition of all of the remaining Collateral less any fees and expenses owed by the Issuer (including the Redemption Price of any Notes being simultaneously redeemed), the aggregate amount to be distributed to the Preference Shares Paying Agent for distribution to the Holders of the Preference Shares *pro rata* in accordance with their respective holdings or
 - (ii) at the unanimous direction of the Holders of the Preference Shares, voting as a single Class or group, the Issuer shall cause the Trustee to make payments in redemption of all or a directed portion (representing less than all) of the Preference Shares to the Preference Shares Paying Agent for

distribution to the Holders of the Preference Shares based upon such direction.

Upon a distribution pursuant to Section 9.2(b)(i), the Servicer will (subject to the standard of care specified in the Servicing Agreement), on behalf of the Issuer (and subject to Section 9.2(b)(ii)), direct the sale of all remaining Collateral Obligations. Upon a distribution pursuant to Section 9.2(b)(ii), the Servicer will effect the sale of Collateral Obligations in accordance with the unanimous direction of the Holders of the Preference Shares.

9.3 Optional Redemption Procedures

- (a) Upon any redemption pursuant to Section 9.2, the Trustee shall give notice of a redemption by first-class mail, postage prepaid, mailed not later than 10 Business Days and not earlier than 30 days before the applicable Redemption Date, to each Holder of Notes to be redeemed, at the Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of DTC, Euroclear, and Clearstream, as applicable, to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and (in the case of a redemption pursuant to Section 9.2(a)) to each Rating Agency. In addition, for so long as any Notes are listed on the Irish Stock Exchange and so long as the rules of the exchange so require, notice of redemption of Notes pursuant to Section 9.2 shall also be given to the Company Announcements Office of the Irish Stock Exchange.
- (b) All notices of redemption delivered pursuant to Section 9.3(a) shall state:
 - (i) the applicable Redemption Date;
 - (ii) the Redemption Price of the Notes to be redeemed (in the case of a redemption pursuant to Section 9.2(a));
 - (iii) in the case of a redemption pursuant to Section 9.2(a), that all of the Notes, are to be redeemed in full and that interest on the Notes to be redeemed shall cease to accrue on the Payment Date specified in the notice; and
 - (iv) the places where the Notes to be redeemed in whole are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained in the Borough of Manhattan as provided in Section 7.2 and the Corporate Trust Office or other office designated by the Trustee for surrender).

Any such notice of redemption may be withdrawn by the Issuer up to the fourth Business Day before the scheduled Redemption Date by written notice to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Trustee and the Servicer only if:

- (A) in the case of a redemption pursuant to Section 9.2(a), the Servicer does not deliver the sale agreement or certifications (described in Section 9.3(c) and 12.1(f)), as the case may be, in form satisfactory to the Trustee,
- (B) in the case of a redemption pursuant to Section 9.2(a) or Section 9.2(b)(i), the Issuer receives the written direction of the Majority of the Preference Shares (or, in the case of an Optional Redemption of the Notes resulting from a Tax Event, the Affected Class) to withdraw the notice of redemption delivered by a percentage of the Preference Shares (or, in the case of an Optional Redemption of the Notes resulting from a Tax Event, the Affected Class) requesting redemption under Section 9.2(a) or Section 9.2(b)(i), as applicable, or
- (C) in the case of a redemption pursuant to Section 9.2(b)(ii), the Issuer receives the unanimous written direction of the Holders of the Preference Shares to withdraw the notice of redemption (and the Issuer hereby agrees for the benefit of the directing Holders to withdraw the applicable notice of redemption if it receives the written direction referred to in the preceding clause (B) or this clause (C)).

Notice of any withdrawal shall be sent, not later than the third Business Day before the scheduled Redemption Date (assuming that the Trustee has received timely written notice from the Issuer as provided above), by the Trustee, to each Noteholder scheduled to be redeemed at the Holder's address in the Indenture Register by overnight courier guaranteeing next day delivery (or, to the extent the address contained in the Indenture Register is not sufficient for that purpose, by first class mail) and the Preference Shares Paying Agent (for forwarding to each Holder of Preference Shares). If the Issuer so withdraws any notice of redemption or is otherwise unable to complete any redemption of the Notes, the Sale Proceeds received from the sale of any Collateral Obligations sold pursuant to Sections 9.2 and 12.1(f) may, during the Replacement Period (and, in respect of Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, after the Replacement Period) at the Servicer's discretion, be used to purchase replacement Collateral Obligations in accordance with the Eligibility Criteria.

Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Notes selected for redemption or the Preference Shares Paying Agent (for forwarding to each Holder of Preference Shares) shall not impair or affect the validity of the redemption of any other Securities.

- (c) The Notes may not be redeemed pursuant to Section 9.2(a) unless either of the following conditions is satisfied:
- (i) At least 10 Business Days before the Redemption Date, the Servicer shall have furnished to the Trustee evidence (in form reasonably satisfactory to the Trustee) that the Issuer has entered into a binding agreement (with (x) a financial or other institution or entity whose short-term unsecured debt obligations (other than obligations whose rating is based on the credit of a Person other than the institution) have a credit rating of at least "A-1" from S&P and of "P-1" (and not on credit watch for possible downgrade) from Moody's, (y) any other entity that has the benefit of a credit facility, a warehouse agreement, a liquidity facility or a similar arrangement with a financial or other institution or entity that satisfies the criteria in sub-clause (x) above and such financial or other institution or entity irrevocably agrees to fund the purchase of all or part of the Collateral as set forth herein or (z) any other institution or entity if the Rating Condition with respect to Moody's is satisfied with respect to the other entity) to sell to the financial or other institutions, not later than the Business Day before the Redemption Date in immediately available funds, all or part of the Collateral (directly or by participation or other arrangement) at a Purchase Price at least equal to an amount sufficient (together with any Cash and other Eligible Investments not subject to the agreements and maturing on or before the Redemption Date and any payments to be received with respect to the Hedge Agreements on or before the Redemption Date) to pay all administrative and other fees and expenses payable under the Priority of Payments without regard to any payment limitations (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing under this Indenture, all amounts owing under the Hedge Agreements to the Hedge Counterparties, and to redeem the Notes on the Redemption Date at the applicable Redemption Prices; or
 - (ii) Before entering into any binding agreement to sell all or a portion of the Collateral and selling or terminating any Hedge Agreement, the Servicer shall have certified that, in its commercially reasonable judgment, the settlement dates of the sales will be scheduled to occur on or before the Business Day before the Redemption Date and that the expected proceeds from the sales are to be delivered to the Trustee no later than the Business Day before the Redemption Date, in immediately available funds, in an amount (calculated as applicable in the manner provided below) sufficient (together with any Cash and other Eligible Investments not subject to the agreements and maturing on or before the Redemption Date and any payments to be received with respect to the Hedge Agreements on or before the Redemption Date) to pay all administrative and other fees and expenses payable under the Priority of Payments (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing

under this Indenture, all amounts owing under the Hedge Agreements to the Hedge Counterparties, and to redeem the Notes on the Redemption Date at the applicable Redemption Prices. For purposes of this paragraph, the amount shall be calculated with respect to the classes of Collateral listed in the table below by multiplying the expected proceeds of sale of the Collateral by the indicated percentage in the table below. For the avoidance of doubt, no Hedge Agreement shall be sold or terminated unless the third Business Day before the scheduled Redemption Date has passed and no notice of withdrawal has been issued.

9.4 Notes Payable on Redemption Date

- (a) Notice of redemption pursuant to Section 9.3 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become payable at the Redemption Price therein specified and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) the Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and

surrender the Note at the place specified in the notice of redemption on or before the Redemption Date unless the Co-Issuers and the Trustee receive the security or indemnity required by them to save each of them harmless and an undertaking thereafter to surrender the Note, and in the absence of notice to the Co-Issuers and the Trustee, that the applicable Note has been acquired by a protected purchaser, the final payment shall be made without presentation or surrender. Payments of interest on Notes so to be redeemed whose Stated Maturity is on or before the Redemption Date shall be payable to the Noteholders, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date if the Record Date is a Business Day (or, if the Record Date is not a Business Day, the close of business on the Business Day before the Record Date) according to Section 2.8(e).

- (b) If any Note called for redemption is not paid on its surrender for redemption, its principal shall bear interest from the Redemption Date at the Applicable Note Interest Rate for each successive Interest Period the Note remains Outstanding if the reason for the non-payment is not the fault of the Holder of the Note.

9.5 Special Redemption

Principal payments on the Notes shall be made in whole or in part, at par, in accordance with the Priority of Payments if, at any time during the Replacement Period, the Servicer elects (subject to the Servicing Agreement) to notify the Trustee and each Rating Agency that it has been unable, for 45 consecutive Business Days, to identify additional or replacement Collateral Obligations that are deemed appropriate by the Servicer in its sole discretion and meet the Eligibility Criteria in sufficient amounts to permit the application of all or a portion of the funds then in the Collection Account available to be used to purchase additional or replacement Collateral Obligations (a "***Special Redemption***").

On the first Payment Date following the Due Period for which the notice is effective (a "***Special Redemption Date***"), the funds in the Collection Account or the Payment Account representing Principal Proceeds that, by operation of the preceding paragraph, are not used to purchase additional Collateral Obligations (the "***Special Redemption Amount***") will be available to be applied in accordance with the Priority of Payments under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.5 shall be given by first-class mail, postage prepaid, mailed not later than three Business Days before the applicable Special Redemption Date, to each Holder of Notes to be redeemed, at the Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of DTC. In addition, for so long as any Notes are listed on the Irish Stock Exchange and so long as the rules of the exchange so require, notice of redemption of Notes pursuant to Section 9.2 shall also be given to the Company Announcements Office of the Irish Stock Exchange.

9.6 Amendment Buy-Out

- (a) In the case of any supplemental indenture pursuant to Section 8.2 that requires the consent of one or more Holders of Securities, the Amendment Buy-Out Purchaser shall have the right, but not the obligation, to purchase from Non-Consenting Holders all Securities held by such Holders whose consent was solicited with respect to such supplemental indenture (the "***Amendment Buy-Out Option***") for the applicable Amendment Buy-Out Purchase Price; **provided**, that the Amendment Buy-Out Purchaser may not exercise the Amendment Buy-Out Option during the Non-Call Period in connection with a proposed amendment to reduce the rate of interest on any Note or to change the earliest date on which Notes of any Class or Preference Shares may be redeemed at the option of the Issuer. If such option is exercised, the Amendment Buy-Out Purchaser must purchase all such Securities of Non-Consenting Holders for the applicable Amendment Buy-Out Purchase Price, regardless of the applicable percentage of the Aggregate Outstanding Amount of the Securities the consent of whose Holders is required for such supplemental indenture (an "***Amendment Buy-Out***"). By its acceptance of its Securities hereunder, each Holder of Securities agrees that if the Amendment Buy-Out Option is exercised, any Non-Consenting Holder will be required to sell its applicable Securities to the Amendment Buy-Out Purchaser; **provided** that if any Non-Consenting Holder holds Class II Preference Shares, such Non-Consenting Holder will sell such Class II Preference Shares to the Amendment Buy-Out Purchaser and such Preference Shares will be redesignated as Class I Preference Shares. Neither the Amendment Buy-Out Purchaser nor any other Person shall have any liability to any Holder or beneficial owner of Securities as a result of an election by the Amendment Buy-Out Purchaser not to exercise the Amendment Buy-Out Option.
- (b) All purchases made pursuant to an Amendment Buy-Out Option individually and in the aggregate must comply with the applicable transfer restrictions for the relevant Securities set forth herein and in the Preference Share Documents, and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency).

9.7 Redemption by Refinancing

- (a) On any Payment Date after the Non-Call Period, any Class of the Notes may be redeemed in whole, but not in part from Refinancing Proceeds if the Servicer, on behalf of the Issuer, proposes to the Holders of the Preference Shares in writing (by notice to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares)) with a copy to the Trustee and the Rating Agencies, at least 30 days prior to the Payment Date for such redemption (such date, the "***Refinancing Date***"), to redeem such Notes in accordance with this Section 9.7 (a "***Notice of Refinancing***"), which notice shall, among other things, specify the Refinancing Date and the Class of Notes to be Refinanced. Such redemption shall

be effected by the Issuer obtaining a loan or an issuance of a replacement class of notes ("**Refinancing Notes**"), the terms of which loan or issuance will be negotiated by the Servicer, on behalf of the Issuer, from one or more financial institutions or purchasers (which may include the Servicer or its Affiliates) selected by the Servicer (a refinancing provided pursuant to such loan or issuance, a "**Refinancing**"), and provided that (i) such proposal is approved by a Majority of the Preference Shares (voting as a single class) at least 15 days prior to the Refinancing Date and (ii) the Servicer completes such Refinancing and causes the Refinancing Proceeds to be deposited with the Trustee (in immediately available funds) no later than the close of the Business Day immediately preceding the Refinancing Date.

- (b) The Issuer shall obtain a Refinancing only if the Servicer determines and certifies to the Trustee that:
- (i) a Rating Confirmation has been obtained from each Rating Agency for each class of Refinancing Notes and each Class of Notes not subject to Refinancing;
 - (ii) the proceeds from the Refinancing will be at least sufficient to pay the Refinancing Price plus any Administrative Expenses of the Issuer related to the Refinancing;
 - (iii) the interest rate payable in respect of the obligations providing the Refinancing is less than the interest rate payable on the Notes being refinanced;
 - (iv) the principal amount of any obligations providing the Refinancing is no greater than the principal amount of the Notes being redeemed with the proceeds of such obligations;
 - (v) the stated maturity of the obligations providing the Refinancing is no earlier than the stated maturity of the Notes being refinanced;
 - (vi) the Refinancing Proceeds will be used (to the extent necessary) to redeem the applicable Notes;
 - (vii) the agreements relating to the Refinancing contain limited recourse, non-recourse and non-petition provisions, investor qualification provisions and transfer restrictions equivalent to those applicable to the Notes being redeemed, as set forth herein;
 - (viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Notes being redeemed; and

- (ix) the expenses in connection with the Refinancing have been paid or will be adequately provided for.
- (c) The Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon an Opinion of Counsel stating that the Refinancing is permitted by this Indenture and that all conditions precedent thereto have been complied with.
- (d) Any Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Refinancing Date pursuant to this Indenture to redeem the Notes being refinanced and pay Administrative Expenses in connection with the Refinancing without regard to the Priority of Payments; **provided** that to the extent that any Refinancing Proceeds exceed the amount necessary to redeem the Notes being refinanced (and any associated Administrative Expenses), such excess Refinancing Proceeds will be treated as Principal Proceeds.
- (e) If notice of consent by a Majority of the Preference Shares to a Refinancing has been received by the Trustee from the Servicer pursuant to Section 9.7(a) no later than 15 days prior to the Refinancing Date, notice of a Refinancing shall be given by the Trustee by first class mail, postage prepaid, mailed not less than 10 Business Days prior to the proposed Refinancing Date, to each Holder of Notes of the Class to be refinanced at the address in the Indenture Register (with a copy to the Servicer) and, so long as any Class of Notes is listed on the Irish Stock Exchange, the Irish Paying Agent.

All Notices of Refinancing shall state:

- (i) the proposed Refinancing Date, which shall be the applicable Redemption Date in respect of the Notes being redeemed;
- (ii) the Refinancing Price, which shall be the applicable Redemption Price in respect of the Notes being redeemed;
- (iii) that on such proposed Refinancing Date such Notes will be refinanced and redeemed in full, and that, provided that the Refinancing Proceeds have been deposited with the Trustee for any such payment in full, interest on such Notes being redeemed shall cease to accrue on such date; and
- (iv) the place or places where such Notes are to be surrendered for payment of the Refinancing Price which, if not stated, shall be the office or agency of any paying agent (save for the Irish Paying Agent) as provided in Section 7.2.

provided that no such Notice of Refinancing shall be sent if either (a) the Servicer has withdrawn its consent to such Refinancing or (b) the consent of a

Majority of the Holders of Preference Shares to such Refinancing has not been obtained.

- (f) Notice of Refinancing shall be given by the Trustee at the expense of the Issuer. Failure to give a Notice of Refinancing, or any defect therein, to any Holder of any Note selected for Refinancing shall not impair or affect the validity of the Refinancing or give rise to any claim based upon such failure or defect.
- (g) Any Notice of Refinancing may be withdrawn by the Servicer, on behalf of the Issuer, on or prior to the fourth Business Day prior to the scheduled Refinancing Date by written notice to the Trustee, the Paying Agent, the Preference Shares Paying Agent, the Rating Agencies and the Holders of the Preference Shares. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and, if applicable, the Irish Paying Agent.
- (h) If a Notice of Refinancing pursuant to Section 9.7(a) has been given as provided herein and not withdrawn, the Notes to be refinanced shall on the Refinancing Date become due and payable at the Refinancing Price. Each Holder of such Notes shall present and surrender its Note at the place specified in the Notice of Refinancing on or prior to such Refinancing Date; **provided** that if there is delivered to the Issuer and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer and the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender.
- (i) If any Class of Notes called for Refinancing shall not be so paid upon surrender thereof for Refinancing (or the delivery of the indemnity pursuant to the preceding paragraph) the principal shall, until paid, bear interest from the Refinancing Date at the applicable Interest Rate for each successive Payment Date with respect to which such Note remains Outstanding.

10. ACCOUNTS, ACCOUNTINGS, AND RELEASES

10.1 Collection of Money

Except as otherwise expressly provided in this Indenture, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms of the Pledged Obligations. The Trustee shall segregate and hold all money and property received by it in trust for the Secured Parties and shall apply it as provided in this Indenture. Any Account may contain any number of sub-accounts for the convenience of the Trustee or as required by the Servicer for convenience in administering the Accounts, the Collateral.

10.2 Collection Account

- (i) any funds transferred from the Closing Date Expense Account pursuant to Section 10.3(g),
 - (ii) all Principal Proceeds (unless (1) simultaneously used to purchase Collateral Obligations in accordance with Section 12, (2) deposited into the Synthetic Security Reserve Account, the Revolving Reserve Account or the Delayed Drawdown Reserve Account or (3) posted by the Issuer as cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security or in Eligible Investments) received by the Trustee,
 - (iii) all Interest Proceeds received by the Trustee (unless simultaneously used to purchase accrued interest in respect of Collateral Obligations in accordance with Section 12 or in Eligible Investments), and
 - (iv) all other funds received by the Trustee from the Collateral and not excluded above.

In addition to the items described above, the Issuer may, but under no circumstances shall be required to, deposit from time to time any monies, securities and other instruments in the Collection Account it deems, in its sole discretion, to be advisable (and may designate any amounts deposited pursuant to this sentence as Principal Proceeds or Interest Proceeds in its discretion). Any Principal Proceeds received during the Replacement Period, and Sale Proceeds from the sale of Credit Improved Obligations and Unscheduled Principal Payments received after the Replacement Period, which have not been used to purchase additional Collateral Obligations on the Business Day of receipt shall be deposited in the Collection Account and shall at the direction of the Servicer be applied to the purchase of additional Collateral Obligations in accordance with the Eligibility Criteria and the other requirements set forth herein or the purchase of Eligible Investments pending such application or used to enter into additional Hedge Agreements or used in connection with a Special Redemption. Principal Proceeds (other than Sale Proceeds from the sale of Credit Improved Obligations, Credit Risk Obligations and Unscheduled Principal Payments) received after the Replacement Period shall be deposited into the Collection Account and applied to the purchase of Eligible Investments. All monies deposited from time to time in

- (b) Within one Business Day after receipt of any distribution or other proceeds of the Collateral that are not Cash, the Trustee shall so notify the Issuer and the Servicer. Within five Business Days of receipt of the notice from the Trustee, the Servicer, on behalf of the Issuer, shall sell the distribution or other proceeds for Cash in an arm's length transaction to a Person that is not the Servicer or an Affiliate of the Servicer and deposit its proceeds in the Collection Account. The Issuer need not sell the distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee and the Servicer certifying that the distributions or other proceeds are Collateral Obligations, Eligible Investments, or Workout Assets.
- (c) During the Replacement Period (or, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, after the Replacement Period), at the direction of the Servicer, the Issuer may by Issuer Order direct the Trustee to, and upon receipt of the Issuer Order the Trustee shall withdraw funds on deposit in the Collection Account representing Principal Proceeds (and, to the extent expressly provided in this Indenture, Interest Proceeds) and apply the funds to purchase Collateral Obligations (including any related deposit into the Synthetic Security Reserve Account, the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security), in each case in accordance with the requirements of Section 12 and the Issuer Order.
- (d) At any time during or after the Replacement Period, at the direction of the Servicer, the Issuer may by Issuer Order direct the Trustee to, and upon receipt of the Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Period from Interest Proceeds only, any Administrative Expenses that require payment before the next Payment Date to the extent that the amount of the payments does not exceed the aggregate amount that may be paid on the next Payment Date under, and at the level of priority specified by, Section 11.1(a)(i)(1); **provided** that the Trustee shall be entitled (but not required), without liability on its part, to refrain from making such a requested payment of an Administrative Expense on a day other than a Payment Date if in the reasonable determination of the Trustee the payment of such amount would leave insufficient funds available to pay in full each of the items described in said Section 11.1(a)(i)(1) in amounts reasonably anticipated by the Trustee to be payable thereunder on the next Payment Date (taking into account the Administrative Expense Cap) or that would result in payments being made that are not in accordance with the Priority of Payments.

- (e) The Trustee shall transfer to the Payment Account from the Collection Account for application pursuant to Section 11.1(a) or 11.2, as applicable, on or not later than the Business Day preceding each Payment Date, the amount set forth to be so transferred in the Valuation Report for the Payment Date.
- (f) On the Determination Date related to the first Payment Date, and at the option of the Servicer, Principal Proceeds in the Collection Account in an amount not to exceed U.S.\$2,000,000 may be designated as Interest Proceeds for distribution on the first Payment Date in accordance with the Priority of Payments to the extent such funds are not required to be applied to cure a Rating Confirmation Failure or applied to a Special Redemption.

If no Event of Default is continuing, the Servicer may direct the Trustee (and if an Event of Default is continuing, the Servicer may advise, and the Trustee may, in consultation with the Servicer, decide) to accept or participate in or decline or refuse to participate in the Offer and, in the case of acceptance or participation, to dispose of the Collateral Obligation in accordance with the Offer against receipt of payment for it. If the consideration to be received by the Issuer for the Collateral Obligation is other than Cash, the consideration must be a Collateral Obligation that would be eligible for purchase by the Issuer pursuant to Section 12.2 assuming for this purpose that the Issuer committed to purchase the same on the date on which the Issuer accepts the Offer.
- (d) Upon disposition by the Trustee of Collateral to any Person against receipt of payment therefore as provided in any of the foregoing clauses (a), (b) or (c), the Collateral shall be free of the lien of this Indenture. The lien shall continue in the proceeds received from the disposition.
- (e) As provided in Section 10.2(b), the Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the Collection Account, unless simultaneously applied to the purchase of additional Collateral Obligations (including any related deposit into the Synthetic Security Reserve Account, the

Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security) or Eligible Investments as permitted under and in accordance with the requirements of this Section 10 and Section 12.

- (f) The Trustee shall, upon receipt of an Issuer Order when no Notes are Outstanding and all obligations of the Co-Issuers under this Indenture have been satisfied, as evidenced by an Officer's certificate or an Opinion of Counsel, release any remaining Collateral from the lien of this Indenture.
- (g) The Trustee shall release from the lien of this Indenture any Collateral that is provided directly to a Synthetic Security Counterparty or deposited in a segregated account in accordance with Section 10.5. Any Collateral or proceeds received by or redeposited by the Issuer into the Collection Account in accordance with Section 10.5 shall again be subject to the lien of this Indenture.

Any collateral deposited in a segregated account in accordance with Section 10.3(d), (e), and (f) shall be subject to the lien of this Indenture for the benefit of the Secured Parties. Any collateral withdrawn by the Issuer in accordance with Section 10.3(d), (e), and (f) shall be released from the lien of this Indenture by the Trustee to the extent returned to the appropriate counterparty pursuant to Sections 10.3(d), (e) and (f).

If a conflict exists between the firm of Independent certified public accountants and the Issuer with respect to any matter in this Section 10.8, the determination by that firm of Independent public accountants shall be conclusive. The statement shall be in the form of an Accountant's Certificate issued to the Issuer, the form of which shall be agreed on by the Servicer on behalf of the Issuer.

- (c) Upon the written request of the Preference Shares Paying Agent or any Holder of Preference Shares, the Issuer shall cause the firm of Independent certified public accountants appointed pursuant to Section 10.8(a) to provide any Holder of Preference Shares with all information requested pursuant to Section 7.17(g) or provide the Issuer with any assistance required in its preparation.

12. SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF COLLATERAL OBLIGATIONS

12.1 Sales of Collateral Obligations

Subject to the satisfaction of the conditions specified in Section 10.6, Section 12.1 and Section 12.3 and if no Event of Default is continuing as evidenced by an Officer's

certificate of the Servicer provided to the Trustee, the Issuer may, at the direction of the Servicer, direct the Trustee to sell any Collateral Obligation or Workout Asset if the Servicer certifies to the Trustee that the sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1. If the Issuer sells any Collateral Obligation or Workout Asset during the Replacement Period, the proceeds shall be applied in accordance with Section 12.2.

- (a) **Credit Risk Obligations.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Replacement Period without restriction and the Trustee shall sell the Credit Risk Obligation in accordance with such direction. Following any sale of a Credit Risk Obligation pursuant to this Section 12.1(a), at the direction of the Servicer during the Replacement Period, the Issuer shall use commercially reasonable efforts to purchase additional Collateral Obligations (to the extent the purchase is in the best interest of the Issuer) meeting the Eligibility Criteria with an Aggregate Principal Balance at least equal to the Sale Proceeds received by the Issuer with respect to the Collateral Obligation sold. For this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its Funded Amount.
- (b) **Credit Improved Obligations.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any Credit Improved Obligation if either:
 - (i) during the Replacement Period, the Servicer has identified in writing before the sale one or more specific manners in which it will be able, in compliance with the Eligibility Criteria and the requirements set forth in Section 12.1(i), to cause the Issuer to use the Sale Proceeds (it being understood that such identification shall not be considered either a requirement or an assurance that any specified purchase will be consummated) to purchase one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Purchase Criteria Adjusted Balance of the Credit Improved Obligation by the end of the immediately succeeding Due Period (for this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its Funded Amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest) which in aggregate will result in (i) the Collateral Quality Tests, the Interest Coverage Tests, the Overcollateralization Tests and the Concentration Limitations herein being satisfied or if one or more of such Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests or Concentration Limitations are not satisfied, the degree of compliance therewith being improved, (ii) the quality of the total portfolio of Collateral Obligations as measured by such Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests and Concentration Limitations being improved on a net basis in the commercially reasonable judgment of the Servicer

and (iii) in the case of each of clause (i) and (ii), any other Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests or Concentration Limitations not being violated or, in the commercially reasonable judgment of the Servicer, the likelihood of such violation in the future not being significantly increased; and

- (ii) after the Replacement Period, the Sale Proceeds received in respect of the Credit Improved Obligation are at least equal to its Purchase Criteria Adjusted Balance. For this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its Funded Amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest;

and the Trustee shall sell the Credit Improved Obligation in accordance with such direction.

- (c) **Non-Performing Collateral Obligations.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any Non-Performing Collateral Obligation at any time during or after the Replacement Period without restriction and the Trustee shall sell the Non-Performing Collateral Obligation in accordance with such direction. Non-Performing Collateral Obligations may be sold regardless of price.
- (d) **Non-qualifying Collateral Obligations.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any obligation that at the time of acquisition, conversion, or exchange does not satisfy the requirements of a Collateral Obligation (the "*Non-qualifying Collateral Obligation*") at any time during or after the Replacement Period without restriction and the Trustee shall sell that obligation in accordance with such direction.
- (e) **Withholding Tax Sales.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any Collateral Obligation subject to withholding tax at any time during or after the Replacement Period without restriction and the Trustee shall sell the Collateral Obligation in accordance with such direction.
- (f) **Optional Redemption.** After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Section 9, at the direction of the Servicer, the Issuer shall direct the Trustee to sell all or a portion of the Collateral Obligations as contemplated therein if (i) the requirements of Section 9 are satisfied and (ii) the Independent certified public accountants appointed pursuant to Section 10.7 have confirmed the calculations contained in any required certificate furnished by the Servicer pursuant to Section 9.3(c). After a Majority of the Preference Shares have directed an Optional Redemption of the Preference Shares in accordance with Section 9.2(b), at the direction of the Servicer, the Issuer shall direct the Trustee to sell all of the remaining Collateral Obligations (in

the case of an Optional Redemption pursuant to Section 9.2(b)(i)) or a portion of the remaining Collateral Obligations in accordance with the unanimous directions of Holders of the Preference Shares (in the case of an Optional Redemption pursuant to Section 9.2(b)(ii)) and the Trustee shall sell the remaining Collateral Obligations in accordance with such direction.

- (g) **Rating Confirmation Failure.** After the Servicer has received notice of a Rating Confirmation Failure and if available Interest Proceeds and Principal Proceeds are insufficient to effect the redemption of the Notes at par on any subsequent Payment Date in accordance with the Priority of Payments as and to the extent necessary for each of Moody's and S&P to confirm the Initial Ratings assigned by it on the Closing Date to the Securities, the Issuer may, at the direction of the Servicer, direct the Trustee to sell Collateral Obligations as contemplated in Section 9.1 and the Trustee shall sell the Collateral Obligations in accordance with such direction.
- (h) **Workout Assets.** At the direction of the Servicer, the Issuer may direct the Trustee to sell any Workout Asset at any time during or after the Replacement Period without restriction and regardless of price and the Trustee shall sell the Workout Assets in accordance with such direction.
- (i) **Supervening Requirement.** Notwithstanding anything herein to the contrary, the Issuer (at the direction of the Servicer or otherwise) shall not acquire or dispose of a Collateral Obligation or other eligible asset (as defined in Rule 3a-7) for the primary purpose of recognizing gains or decreasing losses resulting from market value changes. For the avoidance of doubt, the Issuer, at the direction of the Servicer or otherwise, may direct the Trustee to sell any CCC+/Caa1 Collateral Obligation or Deep Discount Obligation only (a) if it constitutes a Credit Risk Obligation or Non-Performing Collateral Obligation or (b) in connection with the Optional Redemption as set out in paragraph (f) above. The Trustee shall have no obligation to monitor compliance by the Issuer or the Servicer with respect to the requirement set out in this paragraph (i).
- (j) **Tax Sales.** The Issuer must sell (not merely hedge) any Eligible Equity Security or security or other consideration that is received in an exchange and any Defaulted Collateral Obligation or any other obligation or security that in each case does not comply with paragraphs (15), (28) or (29) of the definition of Collateral Obligation not later than five Business Days after the Issuer's receipt thereof (or within five Business Days of such later date as such security may first be sold of in accordance with its terms and applicable law).

Notwithstanding the foregoing, the Issuer (or the Servicer on its behalf) shall not direct the Trustee to sell any Collateral Obligation (other than the sale of a Credit Risk Obligation or a Non-Performing Collateral Obligation pursuant to a sale that meets the requirements in paragraph (a) or (c) above, as applicable) following receipt by the Servicer of notice of removal pursuant to Section 14 of the

Servicing Agreement until a successor Servicer is appointed pursuant to Section 12 of the Servicing Agreement.

12.2 Purchase of Collateral Obligations

- (a) On any date during the Replacement Period (and, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, on any date after the Replacement Period), so long as no Event of Default is continuing, at the direction of the Servicer, the Issuer may direct the Trustee to apply Principal Proceeds (together with Interest Proceeds, but only to the extent used to pay for accrued interest on Collateral Obligations) to purchase Collateral Obligations (including any related deposit into the Synthetic Security Reserve Account, the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security) if the Servicer certifies to the Trustee that, to the best knowledge of the Servicer, the conditions specified in this Section 12.2 and Section 12.3 are met.
- (b) **Eligibility Criteria.** No obligations may be purchased unless each of the conditions in the following clauses (i) through (xii) (the "**Eligibility Criteria**") is satisfied as evidenced by a certificate of the Servicer as of the date the Issuer commits to make the purchase, in each case after giving effect to the purchase and all other purchases and sales previously or simultaneously committed to:
 - (i) the obligation is a Collateral Obligation;
 - (ii) for any date occurring during the Replacement Period:
 - (A) each Overcollateralization Test is satisfied and, if the commitment is made on or after the second Payment Date, each Interest Coverage Test is satisfied, or

 - (1) the extent of satisfaction of the Coverage Test is not reduced, and
 - (2) the Collateral Obligation is being purchased with Principal Proceeds other than:

- (b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that is a Junior Class agree for the benefit of the Holders of Notes of each Priority Class with respect to the Junior Class that the Junior Class shall be subordinate and junior to the Notes of each Priority Class to the extent and in the manner provided in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is continuing in accordance with Section 5, each Priority Class of Notes shall be paid in full in Cash or, to the extent a Majority of each Class consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class of Notes with respect to the Priority Class. The Holders of each Junior Class of Notes agree, for the benefit of the Holders of Notes of each Priority Class in respect of the Junior Class, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due to the Junior Class, of the Notes or each Class of Notes, as the case may be, or under this Indenture until the payment in full of the Priority Classes or all the Classes, as the case may be, and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since the payment.

If any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to this Indenture, including this Section 13.1.
- (d) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that the Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of the Notes in violation of this Indenture including this Section 13.1. 14. MISCELLANEOUS

14.1 Form of Documents Delivered to Trustee

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all the matters be certified by, or covered by the opinion of, only one Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to the matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Servicer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless the Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Where any Person is required to make, give, or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever this Indenture provides that the absence of the continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of the condition is a condition precedent to the Co-Issuer's right to make the request or direction, the Trustee shall be protected in acting in accordance with the request or direction if it does not have knowledge of the continuation of the Default or Event of Default as provided in Section 6.1(d).

The fact and date of the execution by any Person of any instrument may also be proved in any other manner that the Trustee deems sufficient.

- (c) The Indenture Register shall prove the ownership of the Notes and the principal amount and registered numbers of Notes and the number of Preference Shares held by and the number(s) of the Preference Share certificate(s) issued to, any Person shall be proved by the Preference Share register.

- (c) Upon the retirement of the Notes and the release of the Collateral from the lien of this Indenture, this assignment, and all rights in this Indenture assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the interest of the Trustee in the Servicing Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence the termination and reversion.
- (d) The Issuer represents that the Issuer has not executed any other assignment of the Servicing Agreement.
- (e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action that is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably request.
- (f) The Issuer agrees to obtain the agreement and consent of the Servicer in the Servicing Agreement to the following:
 - (i) the Servicer consents to this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to the Servicer pursuant to the Servicing Agreement.
 - (ii) the Servicer acknowledges that the Issuer is collaterally assigning all of its interest in the Servicing Agreement to the Trustee for the benefit of the Secured Parties and the Servicer agrees that all of the representations,

covenants and agreements made by the Servicer in the Servicing Agreement are also for the benefit of the Secured Parties.

- (iii) the Servicer shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the Servicing Agreement (other than any of them delivered to the Issuer by the Trustee or the Collateral Administrator).
- (iv) the procedure for amending the Servicing Agreement as set forth in Section 15.1(h) below.
- (v) except as otherwise provided in this Indenture and the Servicing Agreement, subject to the resignation rights of the Servicer pursuant to Section 12 of the Servicing Agreement, the Servicer shall continue to serve as Servicer under the Servicing Agreement notwithstanding that the Servicer shall not have received amounts due it under the Servicing Agreement because sufficient funds were not then available under this Indenture to pay the amounts pursuant to the Priority of Payments. The Servicer agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Administrative Agent to the Servicer under the Servicing Agreement until the payment in full of all Notes issued under this Indenture and the payment to the Preference Shares Paying Agent of all amounts payable with respect to the Preference Shares in accordance with the Priority of Payments and the expiration of a period equal to the greater of (A) the applicable preference period plus one day or (B) one year and one day following the payment. Notwithstanding the foregoing, the Servicer may commence any legal action that is not a bankruptcy, insolvency, liquidation or similar proceeding against the Issuer or the Co-Issuer or any of their properties and may take any action it deems appropriate at any time in any bankruptcy, insolvency, liquidation or similar proceeding and any other Proceeding voluntarily commenced by the Issuer or the Co-Issuer or involuntarily commenced against the Issuer or the Co-Issuer by anyone other than the Servicer or any Affiliate of the Servicer.
- (vi) the Servicer irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes, the Preference Shares or this Indenture, and the Servicer irrevocably agrees that all claims in respect of the action or proceeding may be heard and determined in the New York State or federal court. The Servicer irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of the action or proceeding. The Servicer irrevocably consents to the service of all process in any action or proceeding by the mailing or delivery of copies

of the process to it the address provided for in Section 14.3. The Servicer agrees that a final and non-appealable judgment by a court of competent jurisdiction in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

- (g) Following the resignation or removal of the Servicer, the Issuer shall use its best efforts to appoint a successor Servicer, and the Issuer, the Trustee, and the resigning or removed Servicer shall take any action consistent with the Servicing Agreement and this Indenture applicable to the Servicer, necessary to effectuate any such succession.
- (h)
 - (i) The Issuer may, at the request of the Servicer, enter into an amendment or modification of the Servicing Agreement from time to time, without the consent of the Holders of the Securities and without regard to whether or not the interests of the Holders of the Securities are adversely affected thereby; **provided** that, with respect to any such amendment or modification, (a) a Rating Condition is satisfied and (b) a Majority of the Controlling Class of Notes or a Majority of the Holders of the Preference Shares have not objected in writing to such amendment or modification prior to the relevant Objection Cut-Off Date (as defined below).
 - (ii) If at any time the Servicer desires to amend or modify the Servicing Agreement, the Servicer shall notify the Issuer and the Trustee, providing details of such proposed amendment or modification. Not later than five Business Days after receipt of such notice, the Trustee shall mail such notice to (a) each Noteholder at such Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of the Depository, Euroclear and Clearstream, as applicable, (b) to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and (c) to each Rating Agency. If any Holder of the Controlling Class of Notes or any Holder of the Preference Shares notifies, by delivering a written notice to the Trustee within 35 days after the Trustee has mailed such notice, that it objects to such proposed amendment or modification, the Trustee shall, within two Business Days after receiving such notice of objection, mail a notice of the receipt of such objection to the Issuer, the Servicer and other Holders of the Controlling Class of Notes and other Holders of the Preference Shares. Each Holder of the Controlling Class of Notes and each Holder of the Preference Shares that also wishes to object to such amendment or modification must, by delivering a written notice, so notify the Trustee within seven Business Days after the Trustee has mailed such notice of the receipt of such objection (the last day of such seven Business Day period, the **Objection Cut-Off Date**). If a Majority of either the Controlling Class of Notes or the Preference Shares notifies the Trustee in writing on or before the Objection Cut-Off Date that they object

to the proposed amendment or modification to the Servicing Agreement, such amendment or modification shall not be made.

15.2 Hedge Agreements

- (a) At any time and from time to time on or after the Closing Date, the Issuer, at the direction of the Servicer and with the consent of a Majority of the Controlling Class, shall enter into the Hedge Agreements and shall assign its rights (but none of its obligations) under the Hedge Agreements to the Trustee pursuant to this Indenture. The Trustee shall, on behalf of the Issuer and in accordance with the Valuation Report, pay amounts due to the Hedge Counterparties under the Hedge Agreements on any Payment Date in accordance with Section 11.1. The Issuer shall not enter into any Hedge Agreement the payments from which are subject to withholding tax unless the Issuer is not required to make additional payments to the Hedge Counterparty on account of amounts withheld and the Hedge Counterparty is required to make additional payments so that the net amount received by the Issuer after satisfaction of such tax is the amount due to the Issuer before the imposition of withholding tax. The Issuer shall not enter into any Hedge Agreement the entry into, performance or termination of which would subject the Issuer to net income tax in any jurisdiction outside of the Issuer's jurisdiction of incorporation.
- (b) If at any time a Hedge Counterparty does not have the Required Rating, then the Hedge Counterparty shall be required to post collateral, obtain a guarantor, replace itself with a substitute Hedge Counterparty or take such other measures as specified in the applicable Hedge Agreement that has been entered into according to Section 15.2(i) below.
- (c) Whenever the Issuer enters into a Hedge Agreement, the Hedge Counterparty thereto shall comply with the then currently applicable rating criteria of each Rating Agency from time to time (the **Required Rating**).
- (d) Any payments required to be made under the Hedge Agreements shall be made in accordance with the Priority of Payments. Subordinated Defaulted Hedge Termination Payments shall be subordinate to interest and principal payments on the Notes and any other payments required to be made by the Issuer under the Hedge Agreements, but senior to distributions to Holders of the Preference Shares.
- (e) Except as provided in paragraph (i) of this Section 15.2, the Issuer, at the direction of the Servicer, shall, promptly following the early termination of a Hedge Agreement (other than on a Redemption Date) (but no later than 60 days after the early termination), and to the extent possible through application of Hedge Termination Receipts, enter into a Replacement Hedge, unless, in the exercise of the Servicer's commercially reasonable judgment, to do so would not be in the best interest of the Issuer and the Rating Condition with respect to each Rating

Agency is satisfied with respect to the non-entry into the a Replacement Hedge. In addition, a Replacement Hedge may not be entered into unless the Issuer provides the Rating Agencies with at least seven Business Days' prior written notice of its intention to enter into the agreement, together with its form and the Rating Condition with respect to each Rating Agency is satisfied with respect to the Replacement Hedge. The Issuer shall use commercially reasonable efforts to cause the termination of a Hedge Agreement (other than a termination resulting from the bankruptcy, insolvency, or similar event with respect to the Hedge Counterparty) to become effective simultaneously with its entering into a Replacement Hedge. To the extent that (i) the Servicer determines not to replace the Hedge Agreement and the Rating Condition with respect to each Rating Agency is satisfied with respect to the determination or (ii) termination is occurring on a Redemption Date, the Hedge Termination Receipts shall become part of Principal Proceeds and be distributed in accordance with Section 11.1 on the next following Payment Date (or on the Redemption Date, if the Notes are redeemed on the Redemption Date).

- (f) Notwithstanding Section 15.2(f), the applicable requirements of Section 15.2(f) shall not have to be met if the Rating Condition with respect to each Rating Agency is otherwise satisfied with respect thereto.
- (g) The notional amounts of the Hedge Agreements outstanding at any time may be reduced or increased from time to time, by the Issuer, and the Hedge Agreements may be amended, modified or terminated in accordance with the Hedge Agreements if the Rating Condition with respect to each Rating Agency is satisfied with respect to the reduction, increase, amendment, modification or termination, as the case may be.
- (h) Each Hedge Agreement may be terminated pursuant to its terms by the Hedge Counterparty upon an Optional Redemption of the Notes, (but only after the applicable notice of redemption may no longer be withdrawn pursuant to Section 9.03) an acceleration of maturity of the Notes followed by the liquidation of any or all of the Collateral after an Event of Default or the entry into certain amendments to the Indenture without the consent of the Hedge Counterparty. The Hedge Agreement will not be permitted to be terminated by the Issuer as the result of a Default or Event of Default unless any acceleration of maturity of the Notes resulting from the Event of Default is no longer permitted to be rescinded pursuant to this Indenture.
- (i) Except for Hedge Agreements entered into on or before the Closing Date, the Issuer shall not enter into any Hedge Agreement unless the Rating Condition with respect to each Rating Agency is satisfied.

Diversity Score Calculation

The Diversity Score for the Collateral Obligations is calculated by summing each of the Industry Diversity Scores, which are calculated as follows

- (i) An ***Obligor Par Amount*** is calculated for each obligor represented in the Collateral Obligations (other than Defaulted Collateral Obligations) by summing the par amounts of all Collateral Obligations in the Collateral (other than Defaulted Collateral Obligations) issued by that obligor or any Affiliate of that obligor (other than obligors that the Servicer reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).
- (ii) An ***Average Par Amount*** is calculated by summing the Obligor Par Amounts and dividing by the number of obligors represented. For purposes of calculating the number of issuers of the Collateral Obligations (other than Defaulted Collateral Obligations), any issuers Affiliated with one another shall be considered one issuer (other than obligors that the Servicer reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).
- (iii) An ***Equivalent Unit Score*** is calculated for each obligor represented in the Collateral Obligations (other than Defaulted Collateral Obligations) by taking the lesser of (A) one and (B) the Obligor Par Amount for the obligor **divided by** the Average Par Amount. For purposes of calculating the Equivalent Unit Score, any issuers Affiliated with one another shall be considered one issuer (other than obligors that the Servicer reasonably determines are Affiliated but are not dependent upon one another for credit support and are not dependent upon a Person by which they are commonly controlled for credit support).
- (iv) An ***Aggregate Industry Equivalent Unit Score*** is then calculated for each of the Moody's industrial classification groups by summing the Equivalent Unit Scores for each obligor in the industry.
- (v) An ***Industry Diversity Score*** is then established by reference to the Diversity Score Table shown below for the related Aggregate Industry Equivalent Unit Score. If any Aggregate Industry Equivalent Unit Score falls between any two the scores then the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores in the Diversity Score Table.

The Diversity Score for any Structured Finance Obligation that is (i) a collateralized loan obligation, (ii) any Synthetic Security with respect to which the Reference Obligation is a collateralized loan obligation or (iii) any Synthetic Security based upon or relating to a senior secured index providing non-leveraged credit exposure to a basket of credit default

swaps referencing a diversified group of Reference Obligations, with respect to which the principal or notional amount of the credit exposure to any single Reference Obligation does not increase over time, is equal to zero.

SCHEDULE 7

Certain Defined Terms Relating to S&P Rating and Moody's Rating

Assigned Moody's Rating: The monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

Moody's Default Probability Rating: With respect to any Collateral Obligation as of any date of determination, the rating determined in accordance with the following, in the following order of priority

- (a) with respect to a Moody's Senior Secured Loan:
 - (i) if the Loan's obligor has a corporate family rating from Moody's, such corporate family rating; and
 - (ii) if the preceding clause does not apply, the Moody's Obligation Rating of such Loan;
 - (iii) if the preceding clauses do not apply, the rating that is one subcategory above the Moody's Equivalent Senior Unsecured Rating;
- (b) with respect to a Moody's Non Senior Secured Loan or a Bond, the Moody's Equivalent Senior Unsecured Rating of such Collateral Obligation;
- (c) with respect to a Collateral Obligation that is a DIP Loan, the rating that is one rating subcategory below the Assigned Moody's Rating thereof;
- (d) with respect to a Structured Finance Obligation, the Assigned Moody's Rating thereof or, if the obligation does not have an Assigned Moody's Rating but has a rating by S&P, then the Moody's Default Probability Rating shall be
 - (i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher, or
 - (ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower; and
- (e) with respect to a Synthetic Security, the Assigned Moody's Rating thereof.

Notwithstanding the foregoing, if the Moody's rating or ratings used to determine the Moody's Default Probability Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down (if on watch for downgrade) (i) with respect to any Collateral Obligation other than Structured Finance Obligations, one subcategory and (ii) with respect to any Structured Finance Obligation, two subcategories or adjusted up (if on watch for upgrade) (i) with respect to any Collateral Obligation other than

Structured Finance Obligations, one subcategory and (ii) with respect to any Structured Finance Obligation, two subcategories. For purposes of any calculation under this Indenture, if a Moody's Default Probability Rating is withdrawn by Moody's with respect to a Collateral Obligation, the Issuer will continue using the latest Moody's Default Probability Rating available immediately prior to such withdrawal until a bankruptcy event occurs with respect to such Collateral Obligation.

Moody's Equivalent Senior Unsecured Rating: With respect to any Collateral Obligation that is a Loan or bond and the obligor thereof, as of any date of determination, the rating determined in accordance with the following, in the following order of priority

- (a) if the obligor has a senior unsecured obligation with an Assigned Moody's Rating, such Assigned Moody's Rating;
- (b) if the preceding clause does not apply, the Moody's "Issuer Rating" for the obligor;
- (c) if the preceding clauses do not apply, but the obligor has a subordinated obligation with an Assigned Moody's Rating, then
 - (i) if such Assigned Moody's Rating is at least "B3" (and, if rated "B3", not on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be the rating which is one rating subcategory higher than such Assigned Moody's Rating, or
 - (ii) if such Assigned Moody's Rating is less than "B3" (or rated "B3" and on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be such Assigned Moody's Rating;
- (d) if the preceding clauses do not apply, but the obligor has a senior secured obligation with an Assigned Moody's Rating, then
 - (i) if such Assigned Moody's Rating is at least "Caa3" (and, if rated "Caa3", not on watch for downgrade), the Moody's Equivalent Senior Unsecured Rating shall be the rating which is one subcategory below such Assigned Moody's Rating, or
 - (ii) if such Assigned Moody's Rating is less than "Caa3" (or rated "Caa3" and on watch for downgrade), then the Moody's Equivalent Senior Unsecured Rating shall be "C";
- (e) if the preceding clauses do not apply, but such obligor has a corporate family rating from Moody's, the Moody's Equivalent Senior Unsecured Rating shall be one rating subcategory below such corporate family rating;
- (f) if the preceding clauses do not apply, but the obligor has a senior unsecured obligation (other than a bank loan) with a monitored public rating from S&P

(without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), then the Moody's Equivalent Senior Unsecured Rating shall be

- (i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher,
 - (ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower; or
 - (iii) "B3" until the Issuer or the Servicer obtains an estimated rating from Moody's if (A) the Servicer certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating no lower than "B3" will be assigned by Moody's and the Issuer or the Servicer on its behalf applies for an estimated rating from Moody's within five Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (f)(iii), or clause (g)(iii) or (h)(iii) does not exceed 5% of the Maximum Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;
- (g) if the preceding clauses do not apply, but the obligor has a subordinated obligation (other than a bank loan) with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating shall be deemed to be
 - (i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher;
 - (ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower, and the Moody's Equivalent Senior Unsecured Rating shall be determined pursuant to clause (c) above; or
 - (iii) "B3" until the Issuer or the Servicer obtains an estimated rating from Moody's if (A) the Servicer certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating not lower than "B3" will be assigned by Moody's and the Issuer or the Servicer on its behalf applies for an estimated rating from Moody's within five Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (g)(iii), or clauses (f)(iii) or (h)(iii) does not exceed 5% of the Maximum Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;

- (h) if the preceding clauses do not apply, but the obligor has a senior secured obligation with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating shall be deemed to be
 - (i) one rating subcategory below the Moody's equivalent of such S&P rating if it is "BBB-" or higher;
 - (ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is "BB+" or lower, and the Moody's Equivalent Senior Unsecured Rating shall be determined pursuant to clause (d) above; or
 - (iii) "B3" until the Issuer or the Servicer obtains an estimated rating from Moody's if (A) the Servicer certifies to the Trustee that in its commercially reasonable judgment, it believes an estimated rating equivalent to a rating not lower than "B3" will be assigned by Moody's and the Issuer or the Servicer on its behalf applies for an estimated rating from Moody's within two Business Days of the date of the commitment to purchase the Loan or Bond, (B) the aggregate Principal Balance of Collateral Obligations having an Assigned Moody's Rating pursuant to either this clause (h)(iii), or clauses (f)(iii) or (g)(iii) does not exceed 5% of the Maximum Amount, and (C) all the Coverage Tests and the Collateral Quality Tests are satisfied;
- (i) if the preceding clauses do not apply and each of the following clauses (i) through (viii) do apply, the Moody's Equivalent Senior Unsecured Rating will be "Caa1"
 - (i) neither the obligor nor any of its Affiliates is subject to reorganization or bankruptcy proceedings,
 - (ii) no debt securities or obligations of the obligor are in default,
 - (iii) neither the obligor nor any of its Affiliates has defaulted on any debt during the preceding two years,
 - (iv) the obligor has been in existence for the preceding five years,
 - (v) the obligor is current on any cumulative dividends,
 - (vi) the fixed-charge ratio for the obligor exceeds 125% for each of the preceding two fiscal years and for the most recent quarter,
 - (vii) the obligor had a net profit before tax in the past fiscal year and the most recent quarter, and

- (ix) the annual financial statements of such obligor are unqualified and certified by a firm of Independent accountants of international reputation, and quarterly statements are unaudited but signed by a corporate officer;
- (j) if the preceding clauses do not apply but each of the following clauses (i) and (ii) do apply, the Moody's Equivalent Senior Unsecured Rating will be "Caa3"
 - (i) neither the obligor nor any of its Affiliates is subject to reorganization or bankruptcy proceedings; and
 - (ii) no debt security or obligation of such obligor has been in default during the past two years; and
- (k) if the preceding clauses do not apply and a debt security or obligation of the obligor has been in default during the past two years, the Moody's Equivalent Senior Unsecured Rating will be "Ca."

Notwithstanding the foregoing, not more than 10% of the Maximum Amount may consist of Relevant Obligations given a Moody's Equivalent Senior Unsecured Rating based on a rating given by S&P as provided in clauses (f), (g) and (h) above.

Moody's Obligation Rating: With respect to any Collateral Obligation as of any date of determination, the rating determined in accordance with the following, in the following order of priority

- (a) With respect to a Moody's Senior Secured Loan
 - (i) if it has an Assigned Moody's Rating, such Assigned Moody's Rating; or
 - (ii) if the preceding clause does not apply, the rating that is one rating subcategory above the Moody's Equivalent Senior Unsecured Rating; and
- (b) With respect to a Moody's Non Senior Secured Loan or a Bond
 - (i) if it has an Assigned Moody's Rating, such Assigned Moody's Rating; or

- (c) With respect to a Synthetic Security or a DIP Loan, the Assigned Moody's Rating thereof.

Notwithstanding the foregoing, if the Moody's rating or ratings used to determine the Moody's Obligation Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down one subcategory (if on watch for downgrade) or up one subcategory (if on watch for upgrade).

Moody's Rating: The Moody's Default Probability Rating; **provided** that, with respect to the Collateral Obligations generally, if at any time Moody's or any successor to it ceases to provide rating services, references to rating categories of Moody's in this Indenture shall be deemed instead to be references to the equivalent categories of any other nationally recognized investment rating agency selected by the Servicer, as of the most recent date on which such other rating agency and Moody's published ratings for the type of security in respect of which such alternative rating agency is used. If no other security or obligation of the Borrower or its Guarantor is rated by S&P or Moody's, then the Servicer may apply to Moody's for a Moody's credit rating estimate, which will be its Moody's Rating; **provided** that, on or prior to each one-year anniversary of the acquisition of any such Collateral Obligation, the Issuer shall submit to Moody's a request for a Moody's credit rating estimate for such Collateral Obligation, which shall be its Moody's Rating, together with all information reasonably required by Moody's to perform such estimate.

S&P Rating: With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology

- (i) If there is an issuer credit rating of the borrower of the Collateral Obligation (the **Borrower**), or the guarantor who unconditionally and irrevocably guarantees the Collateral Obligation (the **Guarantor**) by S&P, the most current issuer credit rating for such Borrower or Guarantor (**provided** that with respect to any private or confidential rating, a consent has been granted by such Borrower or Guarantor and a copy of such consent shall be provided to S&P indicating that the issuer can rely on such private or confidential rating);
- (ii) (a) if there is not an issuer credit rating of the Borrower or its Guarantor by S&P, but there is a rating by S&P on a senior secured obligation of the Borrower or its Guarantor, then the S&P Rating of the Collateral Obligation will be one subcategory below such rating; (b) if there is not a rating by S&P on a senior secured obligation of the Borrower or its Guarantor, but there is a rating by S&P on a senior unsecured obligation of the Borrower or its Guarantor, then the S&P Rating will be such rating; and (c) if there is not a rating by S&P on a senior obligation of the Borrower or its Guarantor, but there is a rating by S&P on a subordinated obligation of the Borrower or its Guarantor, then the S&P Rating will be two subcategories above such rating if such rating is "BBB-" or higher and will be one subcategory above such rating if such rating is "BB+" or lower (**provided** that with respect to any private or confidential rating, a consent has been granted by such Borrower or Guarantor and a copy of such consent shall be provided to S&P indicating that the issuer can rely on such private or confidential rating); or
- (iii) if there is neither an issuer credit rating of the Borrower or its Guarantor by S&P nor a rating by S&P on an obligation of the Borrower or its

Guarantor, then the S&P Rating may be determined using any one of the methods below

- (A) if an obligation of the Borrower or its Guarantor is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Default Probability Rating, except that the S&P Rating of such obligation will be (1) one subcategory below the S&P equivalent of the rating assigned by Moody's if such security is rated "Baa3" or higher by Moody's and (2) two subcategories below the S&P equivalent of the rating assigned by Moody's if such security is rated "Bal" or lower by Moody's; **provided** that Collateral Obligations constituting no more than 10% of the Maximum Amount may be given a S&P Rating based on a rating given by Moody's as provided in this subclause (a) (after giving effect to the addition of the relevant Collateral Obligation, if applicable);
- (B) if no other security or obligation of the Borrower or its Guarantor is rated by S&P or Moody's, then the Servicer may apply to S&P for a S&P credit rating estimate, which will be its S&P Rating; **provided** that, prior to or on acquisition of any such Collateral Obligation and on or prior to each one year anniversary of the acquisition of such Collateral Obligation, the Issuer shall submit to S&P a request for a S&P credit rating estimate for such Collateral Obligation, which shall be its S&P Rating, together with all information reasonably required by S&P to perform such estimate; or
- (C) if such Collateral Obligation is not rated by Moody's or S&P, no other security or obligation of the Borrower or its Guarantor is rated by S&P or Moody's and if the Servicer determines in its sole discretion based on information available to it after reasonable inquiry that such Borrower (1) is not subject to any bankruptcy or reorganization proceedings nor in default on any of its obligations (unless the subject of a good faith business dispute), (2) is a legally constituted corporate entity having the minimum legal, financial and operational infrastructure to carry on a definable business, deliver and sell a product or service and report its results in generally accepted accounting terms as verified by a reputable audit firm and (3) is not so vulnerable to adverse business, financial and economic conditions that default in its financial or other obligations is foreseeable in the near term if current operating trends continue, then the S&P Rating will be the rating determined by the Servicer, using its commercially reasonable judgment, to be applicable for such Collateral Obligation during such time as the credit estimate is pending; **provided** that (x) if the Issuer submits

all information reasonably required by S&P to perform such estimate within 30 days upon acquisition of any such Collateral Obligation, the aforementioned rating determined by the Servicer will apply until S&P assigns a different rating, (y) if the Issuer does not submit all information reasonably required by S&P to perform such estimate within 30 days upon acquisition of any such Collateral Obligation and if, upon the 90th day following the acquisition of such Collateral Obligation (which 90-day period will be extended by S&P upon request by the Servicer so long as the Servicer has applied to S&P for a S&P credit rating and has provided all the information necessary for S&P to provide a credit rating to such Collateral Obligation prior to or upon acquisition of the such Collateral Obligation), S&P has not assigned a credit rating to such Collateral Obligation, then such Collateral Obligation shall be treated by the Issuer as having a rating of "CCC-" and (z) Collateral Obligations constituting no more than 5% of the Maximum Amount may be given an S&P Rating based on this subclause (c) (after giving effect to the addition of the relevant Collateral Obligation, if applicable);

provided that if (i) the relevant Borrower or Guarantor or obligation is placed on any positive "credit watch" list by S&P, such rating will be increased by one rating subcategory or (ii) the relevant Borrower or Guarantor or obligation is placed on any negative "credit watch" list by S&P, such rating will be decreased by one rating subcategory.

Notwithstanding the foregoing, in the case of a Collateral Obligation that is a DIP Loan, the S&P Rating shall be (A) the rating assigned thereto by S&P if the rating is public, (B) the rating assigned by S&P if the rating is confidential, but only if all appropriate parties have provided written consent to its disclosure and use, (C) the rating assigned by S&P thereto through an estimated rating or (D) the rating assigned thereto by S&P in connection with the acquisition thereof upon the request of the Servicer. In the case of a Collateral Obligation that is a PIK Security, Structured Finance Obligation or Synthetic Securities, the S&P Rating may not be determined pursuant to clause (iii)(A) above.

S&P Ratings for entities or obligations relevant hereunder other than Borrowers and Collateral Obligations shall be determined in a corresponding manner.

INDENTURE, dated as of August 18, 2004 (as amended, supplemented or modified from time to time, this “Indenture”), among VALHALLA CLO, LTD., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “Issuer”), VALHALLA CLO, INC., a Delaware corporation (the “Co-Issuer” and, together with the Issuer, the “Issuers”) and JPMORGAN CHASE BANK, a banking corporation organized under the laws of New York (the “Trustee”).

Each party agrees as follows for the benefit of the other parties and for the benefit of the Noteholders and the Swap Counterparty.

PRELIMINARY STATEMENT

The Issuers are duly authorized to execute and deliver this Indenture to provide for the issuance of the Notes, the Class Q-1 Securities and the Class Q-2 Securities, in each case as provided in this Indenture. All covenants and agreements made by the Issuers herein are for the benefit and security of the Noteholders, the Swap Counterparty, the Collateral Administrator and the Trustee (collectively, the “Secured Parties”). The Issuers are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Issuers in accordance with its terms have been done.

GRANT OF SECURITY INTEREST

The Issuer hereby grants to the Trustee, for the benefit and security of the Secured Parties, a first priority security interest in all of its right, title and interest in, to and under, in each case, whether now owned or hereafter acquired or arising, all property (other than Excluded Property and the Class Q-2 Securities Collateral (except such described in clause (iii) of the definition thereof at any time prior to the time at which such property is required to be applied to the payment of the Income Notes represented by the Class Q-2 Collateral Asset A)) of any type or nature owned by it or in which the Issuer has an interest, including all accounts, chattel paper, deposit accounts, financial assets, general intangibles, instruments, investment property, letter-of-credit rights and other supporting obligations, and specifically including: (i) each of the Collateral Account, the Collection Account, the Expense Reserve Account, any subaccounts thereof and all financial assets credited to, and amounts on deposit or credit balances carried in, each of them from time to time; (ii) all rights of the Issuer under the Swap Agreement and the Swap Guarantee, including payments made by the Swap Counterparty or the Swap Guarantor thereunder; (iii) all rights of the Issuer under the Collateral Administration Agreement; (iv) all Eligible Investments purchased with funds on deposit in any Trust Account and all income or other proceeds from the investment of funds therein; (v) all cash and Money delivered to the Trustee (directly or through the Securities Intermediary); and (vi) all proceeds, accessions, profits, income, benefits, substitutions and replacements, whether voluntary or involuntary, of and to any of the property of the Issuer described in the preceding clauses (collectively, the “Trust Estate”).

Such aforementioned grants are made, however, in trust, to secure, in accordance with the priorities set forth in the Priority of Payments, the Notes equally and ratably without prejudice, priority or distinction, except as expressly otherwise provided in this Indenture, between any Note and any other Note by reason of difference in time of issuance or otherwise, and to secure, in accordance with the priorities set forth in the Priority of Payments, (i) the payment of all amounts payable by the Issuer under the Swap Agreement, (ii) the payment of all amounts due on the Notes in accordance with their terms and (iii) the payment of all amounts payable by the Issuers under this Indenture and compliance by the Issuers with the other provisions hereof, all as provided in this Indenture.

In addition, the Issuer hereby grants to the Trustee, solely for the benefit and security of the Holders of the Class Q-2 Securities, a first priority security interest in all of its right, title and interest in, to and under, in each case whether now owned or hereafter acquired or arising, the Class Q-2 Securities Collateral. Such grants are made, however, in trust, to secure, in accordance with the priorities set forth in the Class Q-2 Priority of Payments, the Class Q-2 Securities equally and ratably without prejudice, priority or distinction, except as expressly otherwise provided in this Indenture, between any Class Q-2 Security and any other Class Q-2 Security by reason of difference in time of issuance or otherwise, and to secure, in accordance with the priorities set forth in the Class Q-2 Priority of Payments, the payment of all amounts due on the Class Q-2 Securities in accordance with their terms.

Except to the extent otherwise provided in this Indenture, this Indenture shall constitute a security agreement under the laws of the State of New York applicable to agreements made and to be performed therein. Upon the occurrence of any Event of Default with respect to the Notes or the occurrence of any Class Q-2 Event of Default with respect to the Class Q-2 Securities, and in addition to any other rights available under this Indenture or any other instruments included in the Trust Estate held for the benefit and security of the Secured Parties, or included in the Class Q-2 Securities Collateral held for the benefit and security of the Holders of Class Q-2 Securities, or otherwise available at law or in equity, the Trustee, for the benefit of the Secured Parties or for the benefit of the Holders of Class Q-2 Securities, as applicable, shall have all rights and remedies of a secured party on default under the laws of the State of New York and other applicable law to enforce the assignments and security interests contained herein and, in addition, shall have the right, subject to compliance with any mandatory requirements of applicable law, to sell or apply any rights and other interests assigned or pledged hereby in accordance with the terms hereof at public or private sale.

It is expressly agreed that, anything herein contained to the contrary notwithstanding, the Issuer shall remain liable under any instruments included in the Trust Estate or the Class Q-2 Securities Collateral to perform all the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and, except as otherwise expressly provided herein or agreed by the Trustee, the Trustee shall not have any obligations or liabilities under such instruments by reason of or arising out of this Indenture, nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the Issuer under or pursuant to such instruments or to make any payment, to make any inquiry as to the nature or sufficiency of any payment received by it, to present or file any claim or to take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times, except as provided herein.

The Trustee acknowledges the grants of the security interests provided above, accepts the trusts hereunder in accordance with the provisions hereof and agrees to perform the duties herein pursuant to and in accordance with the terms of this Indenture.

ARTICLE I

Unless otherwise defined herein, terms (whether or not capitalized) defined in the UCC are used herein (including in the granting clauses hereof) as therein defined. Capitalized terms used in Sections 8.7, 8.8 and 8.9 and in Schedule A that are not defined herein have the meanings specified in the Swap Agreement.

SECTION 1.3 Assumptions as to Eligible Investments and the Swap Agreement.

Except as otherwise expressly set forth herein, the provisions set forth in this Section 1.3 shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to distributions on any Eligible Investment, or any payments under the Swap Agreement or on any other assets included in the Trust Estate or the Class Q-2 Securities Collateral, and with respect to the income that may be earned on distributions on such Eligible Investments and on any other amounts that may be received for deposit in the Trust Accounts or the Class Q-2 Securities Collateral Account.

(a) All calculations with respect to distributions in respect of the Eligible Investments and payments with respect to the Securities shall be made by the Issuer or its agent, based upon the assumptions that (i) no Eligible Investment will default or be sold and the Swap Counterparty will make the payments required to be made by it under the Swap Agreement in accordance with its terms and (ii) no optional redemption of any Eligible Investment will occur except for those that have actually occurred or as to which irrevocable notice from the obligor of the Eligible Investment to the Issuer thereof shall have been given.

(b) For each Periodic Interest Accrual Period, the distributions on any Eligible Investment shall be the sum of (i) the total amount of payments and collections in respect of such Eligible Investment at the current interest rate and other terms applicable thereto, that, if paid as scheduled, will be available in the Trust Accounts at the end of such period for distribution in accordance with Section 8.6 (or will be available in the Class Q-2 Securities Collateral Account at the end of such period for distribution in accordance with Section 2.17(d), as applicable), plus (ii) any such amounts received in prior such periods that were not disbursed on a previous Payment Date.

(c) With respect to any Eligible Investment as to which any interest or other payment thereon is subject to any withholding tax, each distribution thereon shall, for purposes of the Coverage Tests (for Eligible Investments in the Trust Accounts) or the Class Q-2A Coverage Test (for Eligible Investment in the Class Q-2 Securities Collateral Account), be deemed to be payable net of such withholding tax unless the issuer thereof or obligor thereon is required to make additional payments to fully compensate the Issuers for such withholding taxes (including in respect of any such additional payments). On any date of determination, the amount of any scheduled distribution on the Eligible Investments due on any future date shall be assumed to be made net of any such uncompensated withholding tax based upon applicable withholding tax rates in effect on such date of determination.

(d) The terms and provisions contained in the Securities shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuers and the Trustee, by their execution and delivery of this Indenture, and the Holders of Securities, by their acceptance of the Securities, expressly agree to such terms and provisions and to be bound thereby. To the extent any provision of any Security conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(e) The Certificated Income Notes, the Certificated Class Q-1 Securities, the Certificated Class Q-2 Securities, the Global Notes (including the Class Q-1 Temp Reg S Global Securities and the Class Q-1 Reg S Global Securities) or any definitive notes issued in accordance with Section 2.5(d) and (e) shall be typewritten on bond paper or safety paper, printed, lithographed, engraved or produced by any combinations of these methods, with or without steel engraved borders.

The Maturity Date for each Class of Notes is August 1, 2016, or, if the maturity is extended pursuant to Section 2.15 hereof, August 1, 2020. Notwithstanding anything to the contrary herein, the Aggregate Principal Amount of the Income Notes includes the U.S. 25,000,000 Aggregate Principal Amount of Income Notes Delivered to the Class Q-2 Securities Collateral Account on the Closing Date, which shall be deemed to have been issued for all purposes of this Indenture.

(b) The Notes will be issued in Classes, denominated as Class A-1 Floating Rate Senior Extendable Notes (the “Class A-1 Notes”), Class A-2 Floating Rate Senior Extendable Notes (the “Class A-2 Notes”), Class B Floating Rate Deferrable Senior Subordinate Extendable Notes (the “Class B Notes”), Class C-1 Floating Rate Deferrable Senior Subordinate Extendable Notes (the “Class C-1 Notes”), Class C-2 Fixed Rate Deferrable Senior Subordinate Extendable Notes (the “Class C-2 Notes”) and Extendable Income Notes (the “Income Notes”). The Income Notes will be subordinate in payment priority hereunder to the Senior Notes. The Class C-1 Notes and the Class C-2 Notes will rank pari passu with each other and (except in certain cases where the Diversion Test is not satisfied) will be subordinate in payment priority hereunder to the Class B Notes, and to the Class A-2 Notes and to the Class A-1 Notes. (d) Each Class of Notes, whether issued in definitive or global form, shall be issuable and transferable in minimum denominations of U.S. \$500,000 and integral multiples of U.S. \$1,000 in excess thereof. The denominations of the Notes authorized to be issued under this Section 2.4(d) are referred to herein in each case as “Authorized Denominations” and are expressed in terms of the principal amounts thereof at the date of issuance. After issuance, any

Note may fail to be in an Authorized Denomination due to the repayment of principal thereof in accordance with the Priority of Payments or any other applicable provision hereof, and after such repayment the “Authorized Denomination” of any such Note, for purposes of this Indenture, shall mean the original Authorized Denomination reduced by any such repayment.

(e) The Notes will be subject to redemption prior to the Maturity Date solely as provided in Section 2.14.

SECTION 2.4 Issuance of Securities.

(a) The Securities shall be executed on behalf of the Issuer and, in the case of the Senior Notes only, the Co-Issuer by Authorized Officers thereof. The signature of any such Authorized Officers on the Securities may be manual or facsimile.

(b) Securities bearing the manual or facsimile signature of individuals who were Authorized Officers at the time when such signatures shall have been affixed shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding that such individuals or any of them shall have ceased to hold such office prior to the authentication and delivery of such Securities or did not hold such office at the date of issuance of such Securities.

(c) On the Closing Date and from time to time after the execution and delivery of this Indenture, the applicable Issuers shall deliver the Securities executed by such Issuers to the Trustee for authentication; and the Trustee shall authenticate and deliver such Securities as provided in this Indenture and not otherwise.

Each Security authenticated and delivered by the Trustee on the Closing Date shall be dated as of the Closing Date. All other Securities that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

(d) Subject to the second sentence hereof, Securities issued upon transfer, exchange or replacement of other Securities shall be issued in Authorized Denominations reflecting the original Aggregate Principal Amount of the Securities so transferred, exchanged or replaced, but shall represent only the Outstanding Aggregate Principal Amount of the Securities so transferred. If any Security is divided into more than one Security in accordance with this Article II, the original Aggregate Principal Amount of such Security shall be appropriately divided among the Securities delivered in exchange therefor in denominations specified by the Holders thereof; provided, that each Security is in an Authorized Denomination and the Aggregate Principal Amount of each Security is in the aggregate equal to the original Aggregate Principal Amount of such divided Security.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee by the manual signature of one of its Responsible Officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 2.5 Book-Entry Securities.

(a) In the case of the Senior Notes, Class Q-1 Temp Reg S Global Securities and Class Q-1 Reg S Global Securities, unless and until definitive Securities have been issued in accordance with Section 2.5(d) and (e) (i) such Securities, upon original issuance, shall be book-entry Securities (“Book-Entry Securities”), (ii) the Depositary with respect to such Book-Entry Securities shall be DTC or such successor Depositary named in accordance with Section 2.5(c) below and (iii) such Book-Entry Securities shall be maintained on the book-entry deposit system of the Depositary in accordance with the procedures established by the Depositary. Each Class of the Book-Entry Securities shall be represented by a Global Note or Global Notes, which shall at all times be registered on the records of the Trustee and the Registrar in name of the Depositary or its nominee. With respect to the Book-Entry Securities:

(i) the provisions of this Section 2.5(a) shall be in full force and effect and with respect to the Senior Notes represented by Global Notes, to the extent that the provisions of this Section 2.5(a) conflict with any other provisions of this Indenture, the provisions of this Section 2.5(a) shall control;

(ii) the beneficial ownership of such Book-Entry Securities will be evidenced solely through the book-entry record system maintained by the Depositary (by book-entries made in the records of the Depositary, or the records of a Person or entity maintaining an account with the Depositary (either as a Participant or as an Indirect Participant, in accordance with the rules of the Depositary)) and the holdings of Book-Entry Securities of customers (including Indirect Participants) of Participants will not be known to the Trustee, the Issuer, the Co-Issuer or the Depositary;

(iii) the beneficial owners of such Book-Entry Securities will not be recognized by the Trustee or by the Issuers as “Holders of the Securities” or “Securityholders” as such terms are used herein and beneficial owners will only be able to exercise the rights of the Holders of the Securities indirectly through the Depositary and its Participants and Indirect Participants and shall be subject to any agreements between such beneficial owners and the Depositary and/or its Participants and/or Indirect Participants; provided, that the registered Holder of a Global Note may grant proxies and otherwise authorize any person, including agent members and Persons that may hold interests through agent members, to take any action that a Holder is entitled to take under this Indenture or the Securities;

(iv) with respect to Senior Notes represented by Global Notes only, transfers of beneficial ownership of such Book-Entry Securities shall be made on the books and records of the Depositary and/or its Participants and/or Indirect Participants;

(v) beneficial ownership and with respect to Senior Notes represented by Global Notes only transfers of beneficial ownership of such Book-Entry Securities shall be governed by the rules of the Depositary;

(vi) the Issuers and the Trustee may deal with the Depositary as the sole holder of record of such Book-Entry Securities for all purposes, including exercising

the rights of the Holders of the Securities under this Indenture, and requests and directions for and votes of the Depositary (or its Participants) will not be deemed inconsistent if they are made with respect to different beneficial owners; all references in this Indenture to actions taken by the Holders of the Securities refer to actions taken by the Depositary upon instructions of its Participants and/or Indirect Participants;

(vii) neither the Issuers nor the Trustee will have responsibility or liability for any aspect of the records of the Depositary, any Participant or any Indirect Participant relating to the beneficial ownership of the Book-Entry Securities;

(viii) the Issuers and the Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its Participants and by Participants with respect to the beneficial owners of the Securities;

(ix) all payments due on account of or with respect to such Book-Entry Securities shall be made to the Depositary as provided herein, and neither the Issuer, the Co-Issuer, the Trustee nor any agent of any of them shall have any responsibility or liability for the disbursement of such payments by the Depositary or any Participant or Indirect Participant to beneficial owners of Securities;

(x) such Book-Entry Securities may not be exchanged for definitive Notes except under circumstances set forth in Sections 2.5(d) and (e), provided that upon transfers of Class Q-1 Temp Reg S Global Securities and Class Q-1 Reg S Global Securities physical definitive Securities will be delivered to the transferee as provided in Section 2.16(c)(iii); and

(xi) insofar as interests in the Global Notes are held by the agent members of Euroclear or Clearstream, the provisions of the "Operating Procedures of the Euroclear System" and the "Terms and Conditions Governing Use of Participants" of Euroclear and Clearstream, respectively, or any successors thereto shall be applicable. Account holders or participants in Euroclear and Clearstream shall have no rights under this Indenture with respect to such Book-Entry Securities, and the registered nominee of the Depositary will be treated by the Trustee and any agent of the Trustee as the owner of the Global Note or Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Trustee or any agent of the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and Euroclear, Clearstream and their respective agent members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(b) The Issuers shall execute and deliver initially the Global Notes registered in the name of DTC or Cede & Co., as DTC's nominee, and the Trustee shall hold such Global Notes as custodian for DTC or pursuant to DTC's instructions, if any.

Notwithstanding anything in this Indenture to the contrary, members of, or Participants in, the Depositary as well as any other Persons on whose behalf such Participants may act (including Euroclear and Clearstream and account holders and participants therein) shall

have no rights under this Indenture with respect to any Global Note held on their behalf or for their benefit by the Depositary, and the Depositary may be treated by the Issuers or the Trustee and any agent of the Issuers or the Trustee as the absolute owner of such Global Note or Global Notes for all purposes whatsoever. Upon the issuance of any Global Note, the Registrar or its duly appointed agent shall record the Depositary's nominee as the registered holder of such Global Note on the Securities Register.

(c) The Issuers may from time to time select a new entity to act as Depositary with respect to the Book-Entry Securities, and if such selection is made, the Issuers shall promptly give the Trustee notice to such effect identifying the new Depositary and the Issuers shall cause the Global Notes to be delivered to the Trustee for cancellation and immediately thereupon, in accordance with Sections 2.4 and 2.6, the Issuers shall execute and deliver to the Trustee and the Trustee shall authenticate, register and deliver to the successor Depositary, or retain as custodian for the successor Depositary, one or more successor Global Notes. Appropriate changes may be made in the form of such Global Notes to reflect the selection of the new Depositary.

(d) Notwithstanding anything to the contrary in paragraphs (a) and (c) above, if, with respect to the Book-Entry Securities, (i)(A) the Depositary notifies the Trustee in writing that it is unwilling or unable to continue as Depositary for the Notes or the Depositary, Euroclear or Clearstream ceases to be a "clearing agency" (as defined in the Exchange Act) registered under the Exchange Act and (B) a successor depository or clearing agency is not appointed by the Trustee within 90 days after receiving such notice; (ii) as a result of any amendment to or change in the laws or regulations of the Cayman Islands, or of any authority therein having power to tax, or in the interpretation or administration of such laws or regulations that become effective on or after the Closing Date, the Issuer, the Trustee, or any Paying Agent is required to make any deduction or withholding from any payment in respect of the Global Notes which would not be required if such Notes were not represented by a global note; or (iii) any Event of Default (as defined in Section 5.1) has occurred and is continuing (and has not been waived); the Trustee shall execute an agreement with the Issuers amending this Indenture pursuant to Section 9.1 for the purpose of terminating the book entry deposit system and substituting definitive Notes for the Global Notes. Such agreement shall provide for the form and terms of such definitive Notes and the place and manner in which a Noteholder may obtain possession of such definitive Notes; provided, that in no event may holders of beneficial interests in the Temporary Regulation S Global Notes or Class Q-1 Temp Reg S Global Securities receive definitive Notes pursuant to this provision prior to the Exchange Date and each such holder must certify to the Issuers and the Trustee that it is a non-U.S. Person. Such agreement shall also provide the procedures for registration of transfer or exchange of such definitive Notes, as well as such other provisions as the Issuer, the Co-Issuer and the Trustee may agree shall be necessary or appropriate to effect the substitution of definitive Notes for Global Notes and to modify the provisions of this Indenture to provide for the use of definitive Notes in lieu of a book-entry deposit system.

(e) Upon the occurrence of any of the events described in paragraph (d) above, the Trustee shall notify all Holders of the Global Notes and shall advise such Holders of the Global Notes of the procedure by which the Global Notes shall be exchanged for definitive Notes. Each beneficial owner of Global Notes shall be entitled, at no cost to it, to have registered in the name of the beneficial owner of Global Notes one or more definitive Notes

representing the same aggregate principal amount of Notes of the relevant Class as its beneficial interest in the related Global Note. Upon the occurrence of any such event, (i) the Trustee at the expense of the Issuer shall obtain from the Depository a listing of the Participants then holding Book-Entry Securities on the records of the Depository and (ii) upon surrender by the Depository to the Trustee of the Global Notes for each Class, the Trustee shall cancel such Global Notes and the Issuers shall execute and deliver to such Participants definitive Notes representing in the aggregate the identical Aggregate Principal Amount of beneficial interests in the Global Notes held by such Participants on the records of the Depository, registered in such names as such Participants shall have provided to the Trustee; provided, however, that the Trustee shall not register any such definitive Note or deliver any such definitive Note to a Participant unless and until such Participant shall have provided to the Trustee a certification acceptable to the Trustee that such registration instructions were given, and delivery of such definitive Note will be made, in accordance with the directions of the beneficial owners of Notes represented by such Participant. Neither the Issuers nor the Trustee shall be liable for any delay in delivery of such registration instructions by any Participant and each of them may conclusively rely on, and shall be protected in relying on, (i) information contained in the Participant listing provided by the Depository regarding the names of the Participants holding beneficial interests in the Global Notes and the Aggregate Principal Amount of Notes represented by the beneficial interests in the Global Notes held by each such Participant, and (ii) the foregoing registration instructions and certifications provided by each such Participant with respect to definitive Notes representing the same Aggregate Principal Amounts of definitive Notes as the beneficial interests in the Global Notes stated to be held by such Participant in such Participant listing. If definitive Notes are issued, the Issuer will publish in the Republic of Ireland thereafter information explaining the payment, transfer and exchange procedures for the definitive Notes. The Trustee shall recognize the registered holders of the definitive Notes as Holders of the Notes hereunder. The Registrar shall reflect on its records the issuance of definitive Notes in exchange for the Global Notes.

(f) In the event that definitive Notes are not issued to each beneficial owner promptly after an event described in Section 2.5(d), the Issuers expressly acknowledge, with respect to the rights of any Holder of the Notes to pursue a remedy pursuant to Article V hereof, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Notes that represents such beneficial owner's Notes as if such definitive notes had been issued.

SECTION 2.6 Registration of Transfer and Exchange of Securities; Restriction on Transfer.

(a) The Issuers shall cause to be kept a securities register (the "Securities Register") for the Securities in which, subject to such reasonable regulations as they may prescribe, the Issuers shall provide for the registration of the Holders of the Securities and the registration of transfers of the Securities. The Trustee is hereby appointed to be the initial securities registrar (in such capacity, the "Registrar") for the purpose of registering the Securities and the registration of transfers and exchanges of Securities. Upon the resignation of any Registrar, the Issuers shall promptly appoint a successor thereto. The Trustee may prescribe reasonable procedures for carrying out its function as Registrar that do not conflict with the procedures established by the Issuer. In all events, the Trustee shall be entitled to maintain at its Corporate Trust Office within the United States such books and records as it may deem

necessary or appropriate in respect of the performance of its function as Registrar. In the event that the Trustee is no longer acting in the capacity of the Registrar, the Trustee shall promptly inform any such successor Registrar of any transfer of record ownership of a Security so that the successor Registrar may register the same in the Securities Register; and upon request at any time the Registrar shall provide to the Trustee or the Issuers a current list of the Holders of the Securities as reflected in the Securities Register. The Issuer shall notify the Trustee of any Securities owned by or pledged to the Issuer or any of its Affiliates promptly upon the acquisition thereof or the creation of such pledge.

Subject to the provisions of this Section 2.6, at the option of a Holder, Securities may be exchanged for other Securities of the same Class, in any Authorized Denominations and of a like Aggregate Principal Amount, upon surrender of the Securities to be exchanged at the Corporate Trust Office of the Trustee. Whenever any Securities are so surrendered for exchange, the applicable Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder of Securities making the exchange is entitled to receive. Notwithstanding the foregoing, an interest in a Global Note may be transferred or exchanged for an interest in another Global Note or in definitive Notes only in the limited circumstances set forth in this Section or in Section 2.5(c), 2.5(d), 2.5(e) and 2.16 hereof.

No service charge shall be made for any registration of transfer or exchange of Securities or beneficial interest therein, but the Issuers, the Trustee or the Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Securities or any beneficial interest therein, other than exchanges not involving any transfer.

All Securities issued and authenticated upon any registration of transfer or exchange shall be the valid obligations of the applicable Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer or exchange substantially in the form of Exhibit D hereto in form satisfactory to the applicable Issuers and the Trustee duly executed by the Holder thereof or its attorney duly authorized in writing.

The preceding provisions of this Section 2.6 notwithstanding, the Issuers shall not be required to transfer or make exchanges, and the Registrar need not register transfers or exchanges, of Securities that are due for repayment within fifteen (15) days of submission to the Trustee for transfer or exchange.

(b) No Security may be sold or transferred (including, without limitation, by mortgage, charge, pledge or hypothecation) unless such sale or transfer is exempt from or not subject to the registration requirements of the Securities Act, would not require the registration of the Issuers under the Investment Company Act, is exempt under applicable state or foreign securities laws and is in compliance with the terms of this Indenture. No Security may be offered, sold or delivered at any time within the United States or to, or for the benefit of, U.S. Persons except in accordance with (i) Rule 144A under the Securities Act, to Persons who are

both Qualified Institutional Buyers and Qualified Purchasers (or, solely in the case of Income Notes, in accordance with an exemption from registration under the Securities Act to Persons who are both Accredited Investors and Qualified Purchasers) and (ii) the provisions of this Article II. In addition, no Security or any beneficial interest therein may be offered, sold or delivered at any time within the United States or to, or for the benefit of, U.S. Persons unless such person (A) was not formed for the purpose of investing in the Securities, (B) has received the necessary consent from its beneficial owners if the purchaser is a private investment company formed before April 30, 1996, (C) is not a broker-dealer that owns and invests on a discretionary basis less than \$25,000,000 in securities of unaffiliated issuers, (D) is not a partnership, common trust fund, special trust, pension, profit sharing or other retirement trust fund or plan in which the partners, beneficiaries or participants, as applicable, may designate the particular investments to be made, (E) is acquiring its Securities in a transaction that may be affected without loss of any applicable Investment Company Act exemption, (F) will provide notice to any subsequent transferee of the transfer restrictions applicable to such Securities under the Indenture or provided in the legend set forth on such Securities, (G) will hold and transfer its beneficial interest only in a principal amount of not less than the applicable Authorized Denomination and (H) will provide the Issuer from time to time such information as it may reasonably request in order to ascertain compliance with this paragraph (b). The Securities may be sold in offshore transactions to non-U.S. Persons in reliance on Regulation S under the Securities Act. None of the Issuers, the Trustee or any other Person may register the Securities under the Securities Act or any state or foreign securities laws.

(c) Upon the request of any Holder of a Security (or beneficial owner of a Security), the Issuers shall promptly furnish to such Holder (or beneficial owner of a Security) or to a prospective purchaser of any Security designated by such Holder (or beneficial owner of a Security), as the case may be, the information which the Issuers determine to be required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act ("Rule 144A Information"), in order to permit compliance by such Holder with Rule 144A in connection with the resale of such Security by such Securityholder. Upon request by the applicable Issuers, the Trustee shall cooperate with such Issuers in mailing or otherwise distributing (at the expense of the Issuers) to such Holders of the Securities (or beneficial owners of Securities) or prospective purchasers, at and pursuant to the written direction of such Issuers, the foregoing materials prepared and provided by the Issuers; provided, however, that the Trustee shall be entitled to affix thereto or enclose therewith such disclaimers as the Trustee shall deem reasonably appropriate, at its discretion (such as, for example, a disclaimer to the effect that such Rule 144A Information was assembled by the Issuers and not by the Trustee, that the Trustee has not reviewed or verified the accuracy thereof, and that it makes no representation as to the sufficiency of such information under Rule 144A or for any other purpose).

(d) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, Investment Company Act, applicable state securities laws, ERISA or the Code; except that if a Transfer Letter or a Transferee Certificate or other letter or certificate is specifically required by the terms of this Section 2.6, Section 2.16 or 2.17 to be provided to the Trustee (including in its capacity as Registrar) by a transferor or prospective transferee, as applicable, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of such Section.

(e) For so long as any of the Securities are Outstanding, the Issuer shall not issue or permit the transfer of any Ordinary Shares of the Issuer to U.S. Persons.

(f) So long as any Global Note remains Outstanding and is held by or on behalf of the Depositary, transfers of a beneficial interest in a Global Note in whole or in part, shall only be made in accordance with this Section 2.6(f).

(i) Transfer of Interest in Rule 144A Global Note for Interest in Temporary Regulation S Global Note or Regulation S Global Note. Subject to the provisions of this Section 2.6 and the Applicable Procedures, a holder of a beneficial interest in a Rule 144A Global Note may at any time transfer all or a portion of its beneficial interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an equivalent interest in a corresponding Temporary Regulation S Global Note or Regulation S Global Note of the same Class in an offshore transaction in accordance with Rule 903 or 904 of Regulation S; *provided* that the remaining principal amount of the beneficial interest of such holder in the Rule 144A Global Note shall either equal zero or be in an Authorized Denomination. Upon the receipt by the Trustee of (A) instructions given in accordance with the Applicable Procedures from a Participant directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Temporary Regulation S Global Note or Regulation S Global Note in an amount equal to the beneficial interest in such Rule 144A Global Note, in an Authorized Denomination, to be exchanged or transferred, such instructions to contain information regarding the Euroclear or Clearstream account to be credited with such increase and (B) a Transfer Letter substantially in the form of Exhibit E-1 attached hereto given by the transferor of such beneficial interest stating, among other things, that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the transferee is not a U.S. Person, and pursuant to and in accordance with Regulation S, then the Registrar shall instruct the Depositary to reduce the principal amount of such Rule 144A Global Note by the Aggregate Principal Amount of the beneficial interest in the Rule 144A Global Note to be transferred, record the transfer in the Securities Register in accordance with Section 2.5(a) and instruct the Depositary concurrently with such reduction to increase the Aggregate Principal Amount of the Temporary Regulation S Global Note or the Regulation S Global Note, as the case may be, by the Aggregate Principal Amount of the beneficial interest in the Rule 144A Global Note to be transferred, and to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the corresponding Temporary Regulation S Global Note or the Regulation S Global Note equal to the reduction in the Aggregate Principal Amount of the Rule 144A Global Note. In no event shall Persons hold interests in the Temporary Regulation S Notes or Regulation S Global Notes through Participants of DTC other than such Participants maintaining positions on behalf of Euroclear or Clearstream.

(ii) Transfer of Interest in Temporary Regulation S Global Note or Regulation S Global Note for Interest in Rule 144A Global Note. Subject to the provisions of this Section 2.6 and the Applicable Procedures, a holder of a beneficial interest in a Temporary Regulation S Global Note or Regulation S Global Note may

transfer at any time all or a portion of its beneficial interest in such Temporary Regulation S Global Note or Regulation S Global Note in accordance with Rule 144A under the Securities Act to a Person who takes delivery thereof in the form of an interest in the corresponding Rule 144A Global Note; provided, that the remaining principal amount of such holder's beneficial interest in the Temporary Regulation S Global Note or Regulation S Global Note shall either equal zero or be in an Authorized Denomination. Upon receipt by the Trustee of (A) instructions from Euroclear, Clearstream or the Depositary, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Temporary Regulation S Global Note or Regulation S Global Note, but not less than an Authorized Denomination, to be exchanged or transferred, such instructions to contain information regarding the participant account with the Depositary to be credited with such increase and (B) a Transfer Letter substantially in the form of Exhibit E-2 attached hereto given by the transferor of such beneficial interest stating, among other things, that such holder reasonably believes that the proposed transferee is both (i) a Qualified Institutional Buyer and (ii) a Qualified Purchaser, then Euroclear, Clearstream or the Registrar, as the case may be, shall instruct the Depositary to reduce such Temporary Regulation S Global Note or Regulation S Global Note by the Aggregate Principal Amount of the beneficial interest in the Temporary Regulation S Global Note or Regulation S Global Note to be transferred, and the Registrar shall record the transfer in the Securities Register in accordance with Section 2.5(a) and the Registrar shall then instruct the Depositary concurrently with such reduction, to increase the Aggregate Principal Amount of the Rule 144A Global Note by the Aggregate Principal Amount of the beneficial interest in the Regulation S Global Note or Temporary Regulation S Global Note, as the case may be, to be transferred, and to credit or cause to be credited to the account of the Person specified in such instructions, a beneficial interest in the Rule 144A Global Note equal to the reduction in the Aggregate Principal Amount of the Temporary Regulation S Global Note or Regulation S Global Note.

(iii) Transfer of Interest in Rule 144A Global Note for Interest in Rule 144A Global Note. Transfers of interests in a Rule 144A Global Note to transferees maintaining a beneficial interest in such Global Note may only be made in accordance with the provisions of this Indenture, will be effected by book-entry transfer of beneficial interests effected on the records of the Depositary and may be made only to a Person whom the transferor reasonably believes is a Qualified Institutional Buyer and a Qualified Purchaser in a transaction exempt under Rule 144A from the registration requirements of the Securities Act and in accordance with any applicable securities laws of any state of the United States. Each transferee of a Rule 144A Global Note or beneficial interest therein will be deemed to have made the representations and agreements set forth in Section 2.6(g).

(iv) Transfer of Interest in Temporary Regulation S Global Note or Regulation S Global Note for Interest in Temporary Regulation S Global Note or Regulation S Global Note. Transfers of interests in a Temporary Regulation S Global Note or Regulation S Global Note to transferees maintaining a beneficial interest in such Global Note may only be made in accordance with the provisions of this Indenture, will be effected by book-entry transfer of beneficial interests within the Clearance Systems

(and subject to the Applicable Procedures) and may be made only to non-U.S. Persons who acquire the interests in offshore transactions in compliance with Regulation S. In no event shall Persons hold an interest in Temporary Regulation S Global Notes or Regulation S Global Notes through Participants of DTC other than such Participants maintaining positions on behalf of Euroclear or Clearstream. Each transferee of Temporary Regulation S Global Notes or Regulation S Global Notes or beneficial interest therein will be deemed to have made the representations and agreements set forth in Section 2.6(h).

(g) Each transferee of a Rule 144A Global Note or beneficial interest therein will be deemed to have represented and agreed as follows:

(i) It (A) is a Qualified Institutional Buyer and is acquiring the Notes in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder, (B) is a Qualified Purchaser and (C) understands the Notes will bear the legend set forth in the Indenture and be represented by one or more Rule 144A Global Notes. In addition, it represents and warrants that it (1) was not formed for the purpose of investing in the Notes, (2) has received the necessary consent from its beneficial owners if the purchaser is a private investment company formed before April 30, 1996, (3) is not a broker-dealer that owns and invests on a discretionary basis less than \$25,000,000 in securities of unaffiliated issuers, (4) is not a partnership, common trust fund, or special trust, pension, profit sharing or other retirement trust fund or plan in which the partners, beneficiaries or participants, as applicable, may designate the particular investments to be made, (5) is acquiring its Notes in a transaction that may be effected without loss of any applicable Investment Company Act exemption, (6) will provide notice to any subsequent transferee of the transfer restrictions applicable to such Notes under the Indenture or provided in such legend, (7) will hold and transfer its beneficial interest only in a principal amount of not less than the applicable Authorized Denomination, and (8) will provide the Issuer from time to time such information as it may reasonably request in order to ascertain compliance with this paragraph (i).

(ii) The Notes are being purchased or transferred in accordance with the transfer restrictions set forth in this Indenture and pursuant to an exemption from Securities Act registration, and in accordance with applicable state securities laws or securities laws of any other relevant jurisdiction. It understands that the Notes have been offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, the Notes have not been and will not be registered under the Securities Act or any state securities laws, and, if in the future it decides to offer, resell, pledge or otherwise transfer the Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with an exemption from registration under such laws and pursuant to the provisions of the Indenture and the legend on such Notes. In particular, it understands that interests in the Notes may be transferred only to (a) a Qualified Purchaser that is a Qualified Institutional Buyer or (b) a person that is not a "U.S. person" as defined in Regulation S under the Securities Act. Transferees who reside in certain states or jurisdictions may be subject to additional suitability standards and/or specific holding periods before the Notes may be resold or otherwise transferred.

It acknowledges that no representation is made as to the availability of any exemption under the Securities Act or any state securities laws for resale of the Notes.

(iii) In connection with the purchase of the Notes (*provided* that no such representations in clauses (A), (B) or (C) below are made with respect to the Reference Portfolio Manager or its Affiliates by the Reference Portfolio Manager or any Affiliate of the Reference Portfolio Manager or by any account managed or advised by the Reference Portfolio Manager or any such Affiliate of the Reference Portfolio Manager: (A) it understands that none of the Issuers, the Reference Portfolio Manager, the Swap Counterparty, the Swap Guarantor, the Initial Purchaser, the Placement Agent, the Collateral Administrator or any of their respective Affiliates is acting as a fiduciary or financial or investment adviser for such beneficial owner; (B) such beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Issuers, the Reference Portfolio Manager, the Swap Counterparty, the Swap Guarantor, the Initial Purchaser, the Placement Agent, the Trustee, the Collateral Administrator or any of their respective Affiliates, agents and independent contractors in their capacities as such other than any statements, if any, of such person in a current offering circular for the Notes; (C) such beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisers to the extent it has deemed necessary and has made its own investment decisions based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Issuers, the Reference Portfolio Manager, the Swap Counterparty, the Swap Guarantor, the Initial Purchaser, the Placement Agent, the Trustee, the Collateral Administrator or any of their respective Affiliates, agents and independent contractors in their capacities as such; (D) such beneficial owner's purchase of the Notes will comply with all applicable laws in any jurisdiction in which it resides or is located; (E) such beneficial owner is acquiring the Notes as principal solely for its own account for investment and not with a view to the resale, distribution or other disposition thereof in violation of the Securities Act; (F) such beneficial owner has made investments prior to the date hereof and was not formed solely for the purpose of investing in the Notes; (G) such beneficial owner shall not hold any Notes for the benefit of any other person, it shall at all times be the sole beneficial owner thereof for purposes of the Investment Company Act and all other purposes and it shall not sell participation interests in the Notes or enter into any other arrangement pursuant to which any other Person shall be entitled to a beneficial interest in the distributions on the Notes; (H) all Securities (together with any other securities of the Issuers) purchased and held directly or indirectly by such beneficial owner constitute in the aggregate an investment of no more than 40% of its assets or capital; and (I) it is a sophisticated investor and is purchasing the Notes with a full understanding of all of the terms, conditions and risks thereof, and it is capable of assuming and willing to assume those risks.

(iv) On each day from the date on which such beneficial owner acquires its interest in the Notes through and including the date on which such beneficial owner disposes of its interest in such Notes, either (A) such beneficial owner is not a Plan, an entity whose underlying assets include the assets of any Plan by reason of Department of Labor regulation Section 2510.3-101 or otherwise, or a governmental plan

that is subject to any federal, state or local law which is substantially similar to the provisions of Section 406 of ERISA or Section 4975 of the Code or (B) such beneficial owner's purchase, holding and disposition of such Notes (or interest therein) will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental plan, any substantially similar federal, state or local law) for which an exemption is not available, all of the conditions of which are satisfied.

(v) It understands that the Indenture permits the Issuer to demand that any holder of a beneficial interest in a Rule 144A Global Note who is determined not to be a Qualified Institutional Buyer and a Qualified Purchaser sell the Notes (A) to a person who is both a Qualified Institutional Buyer and a Qualified Purchaser in a transaction meeting the requirements of Rule 144A or (B) to a Person who will take delivery of the holder's interest in the Rule 144A Global Note in the form of an interest in a Temporary Regulation S Global Note or Regulation S Global Note, as applicable, and who is not a U.S. Person in a transaction meeting the requirements of Regulation S and, if such holder does not comply with such demand within 30 days thereof, the Issuer may cause such holder of the beneficial interest to sell such holder's interest in the Note on such terms as the Issuer may choose.

(vi) It understands that in the case of any supplemental indenture to this Indenture or Swap Agreement Amendment that requires consent of one or more Holders of the Notes, this Indenture permits the Amendment Buy-Out Purchaser to purchase the beneficial interest in the Notes from any Non-consenting Holder thereof at the applicable Amendment Buy-Out Purchase Price; and such Non-consenting Holder will be required to sell its beneficial interest in this Notes to the Amendment Buy-Out Purchaser at such price.

(vii) It understands that the maturity of the Notes is subject to an extension of four years to August 1, 2020 without consent of any holders of Securities at the option of the Swap Counterparty if certain conditions are satisfied.

(viii) It acknowledges that it is its intent and that it understands it is the intent of the Issuer that, for purposes of U.S. federal income, state and local income and franchise tax and any other income taxes, the Issuer will be treated as a corporation, the Senior Notes will be treated as indebtedness of the Issuer, and the Income Notes will be treated as equity in the Issuer; it agrees to such treatment and agrees to take no action inconsistent with such treatment.

(ix) It is not purchasing the Notes in order to reduce any United States federal income tax liability or pursuant to a tax avoidance plan. In the case of a transferee that is a bank (as defined in Section 881(c)(3)(a) of the Code) or an Affiliate of such a bank, the transferee (a) is acquiring the Notes as a capital markets investment and will not for any purpose treat the assets of the Issuer as loans acquired in its banking business, and (b) has not proposed or identified, and will not propose or identify, any security or loan for inclusion in the Reference Portfolio.

(x) In the case of any transferee that is not a United States person (as defined in Section 7701(a)(30) of the Code), the transferee is not a bank (as defined in Section 881(c)(3)(a) of the Code) or an Affiliate of such a bank, unless the transferee is a person that is eligible for benefits under an income tax treaty with the United States that eliminates United States federal income taxation of United States source interest not attributable to a permanent establishment in the United States.

(xi) It acknowledges that the Reference Portfolio Manager will act solely on behalf of the Swap Counterparty and will not act or be deemed to act on behalf of, or have any contractual relationship with, the Issuer or the Holder of Securities.

(xii) It is aware that, except as otherwise provided in the Indenture, the Notes being sold to it will be represented by one or more Global Notes, and that beneficial interests therein may be held only through the Depositary.

(xiii) It acknowledges that no governmental agency has passed upon the Notes or made any finding or determination as to the fairness of an investment in the Notes.

(xiv) It acknowledges that certain persons or organizations will perform services on behalf of the Issuers and will receive fees and/or compensation for performing such services as described in the Offering Circular and Indenture.

(xv) It acknowledges that the Notes do not represent deposits with or other liabilities or obligations of, and are not guaranteed or endorsed by, the Swap Counterparty, the Swap Guarantor, the Placement Agent, the Initial Purchaser, the Reference Portfolio Manager, the Trustee, the Collateral Administrator or any of their respective affiliates or any entity related to any of them or any other holder of Notes. It acknowledges that none of such persons will, in any way, be responsible for or stand behind the value or the performance of the Notes or the assets held by the Issuer. It acknowledges that purchase of Notes involves investment risks including possible delay in payment of distributions and loss of income and principal invested.

(xvi) It understands that the Issuers, the Trustee, the Swap Counterparty, the Swap Guarantor, the Reference Portfolio Manager, the Initial Purchaser, the Collateral Administrator, and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

(h) Each transferee of a Temporary Regulation S Global Note or a Regulation S Global Note or a beneficial interest therein will be deemed to have made the representations set forth in Sections 2.6(g)(ii), (iii), (iv), (vi), (vii), (viii), (ix), (xi), (xii), (xiii), (xiv), and (xv), and in addition to have represented and agreed that:

(i) It is aware that the sale of Notes to it is being made in reliance on the exemption from registration provided by Regulation S and understands that the Notes offered in reliance on Regulation S will bear the legend set forth on Exhibits A1-1, A2-1, B1-1, B2-1, C1-1 and C2-1 or A1-2, A2-2, B-2, C1-2 and C2-2 as the case may be, to this Indenture. It and each beneficial owner of its Notes is not, and will not be, a U.S. Person

as defined in Regulation S under the Securities Act, and its purchase of the Notes will comply with all applicable laws in any jurisdiction in which it resides or is located. In addition, it represents and warrants that it will provide notice to any subsequent transferee of the transfer restrictions provided in such legend and in the Indenture and will provide the Issuer from time to time such information as it may reasonably request in order to ascertain compliance with this subclause (i).

(ii) It understands that the Indenture permits the Issuer to demand that any holder of a beneficial interest in a Temporary Regulation S Global Note or Regulation S Global Note who is determined not to have acquired such beneficial interest in compliance with the requirements of Regulation S or who is a U.S. Person sell such beneficial interest (A) to a Person who is not a U.S. Person in a transaction meeting the requirements of Regulation S or (B) to a Person who will take delivery of the beneficial interest of such holder in the Temporary Regulation S Global Notes or Regulation S Global Notes in the form of an interest in a Rule 144A Global Note, who is both a Qualified Institutional Buyer and a Qualified Purchaser in a transaction meeting the requirements of Rule 144A and, if the holder does not comply with such demand within 30 days thereof, the Issuer may cause the holder to sell its beneficial interest on such terms as the Issuer may choose.

(iii) Such beneficial owner is aware that, except as otherwise provided in the Indenture, the Notes being sold to it will be represented (A) initially, by one or more Temporary Regulation S Global Notes and (B) after the Exchange Date, by one or more Regulation S Global Notes, and that beneficial interests therein may be held only through Euroclear or Clearstream.

(iv) A holder of a beneficial interest in a Temporary Regulation S Global Note must provide Euroclear or Clearstream or the participant organization through which it holds such interest, as applicable, with a certificate certifying that the beneficial owner of the interest in the Temporary Regulation S Global Note is a non-U.S. Person, and Euroclear or Clearstream, as applicable, must provide to the Trustee a certificate to such effect, prior to (A) the payment of interest or principal with respect to the beneficial interest of such holder in the Temporary Regulation S Global Note and (B) any exchange of such beneficial interest for a beneficial interest in a Regulation S Global Note.

(v) It understands that any resale or other transfer of beneficial interests in a Temporary Regulation S Global Note or Regulation S Global Note to U.S. Persons shall not be permitted.

(vi) It will hold and transfer its beneficial interest in any Note only in the applicable Authorized Denomination.

(vii) It understands that the Issuers, the Trustee, the Swap Counterparty, the Reference Portfolio Manager, the Initial Purchaser, the Placement Agent, the Collateral Administrator and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

(i) Transfers and exchanges of Certificated Income Notes, in whole or in part, shall only be made in accordance with this Section 2.6(i).

(i) Each initial purchaser and, after the Closing Date, each Person that becomes a Holder of Income Notes shall be required to deliver to the Trustee a Transferee Certificate (with appropriate modifications acceptable to the Issuer and the Trustee, including in the case of a transfer that is a mortgage, charge, pledge or hypothecation) in which it shall represent, warrant and agree as set forth therein.

(ii) If a Holder of an Income Note wishes at any time to transfer such Income Note, such Holder may transfer or cause the transfer of such Income Notes represented by one or more Certificated Income Notes as provided below. Upon receipt by the Trustee of (A) such Holder's Certificated Income Note properly endorsed for assignment to the transferee, (B) a Transferee Certificate provided by the transferee of such Certificated Income Note and (C) in the case of a transfer to an Accredited Investor that is not a Qualified Institutional Buyer, if requested by the Issuer, an Opinion of Counsel addressed to the Issuer and the Trustee to the effect that such transfer may be made pursuant to an exemption from registration under the Securities Act and any applicable state securities laws, then the Trustee shall cancel such Certificated Income Note in accordance with Section 2.10, cause the Registrar to record the transfer in the Securities Register in accordance with Section 2.6(a) and upon execution by the Issuer authenticate and deliver one or more Certificated Income Notes registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal of the Certificated Income Notes transferred by the transferor), and in Authorized Denominations. After giving effect to such transfer, the Trustee shall deliver Certificated Income Notes to the transferor representing the principal amount of the Income Notes represented by the cancelled Certificated Income Note(s) (prior to such transfer) that was retained by such transferor. Any purported transfer of a Certificated Income Note not in accordance with this Section 2.6(i) and Section 2.6(n) shall be null and void ab initio and shall not be given effect for any purpose hereunder.

(iii) If a Holder of one or more Certificated Income Notes wishes at any time to exchange any or all such Certificated Income Notes for one or more Certificated Income Notes representing in the aggregate the same principal amount of Income Notes as are represented by the Certificated Income Notes to be exchanged, such Holder may exchange or cause the exchange of such Certificated Income Note(s) as provided below. Upon receipt by the Trustee of (A) such Holder's Certificated Income Notes properly endorsed for such exchange and (B) written instructions from such Holder designating the number and principal amounts of the Certificated Income Notes to be issued (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Income Notes surrendered for exchange), then the Trustee shall cancel such Certificated Income Notes in accordance with Section 2.10, cause the Registrar to record the exchange in the Securities Register in accordance with Section 2.6(a) and upon execution by the Issuer authenticate and deliver one or more Certificated Income Notes, registered in the same names as the Certificated Income Notes surrendered by such

Holder, in the principal amounts designated by such Holder, and in Authorized Denominations.

(j) The Trustee, the Registrar and the Issuers may (absent actual knowledge to the contrary) conclusively rely on, and assume the continuing accuracy of, the certifications contained in a Transfer Letter, Transferee Certificate, Class Q-1 Certificated Transfer Letter, Class Q-2A Certificated Transfer Letter or Class Q-2B Certificated Transfer Letter or other applicable letter delivered (or, if applicable, the representations set forth in Sections 2.6(g) and (h) and deemed to have made by the transferee) in connection with the purchase or transfer, as applicable, of any Securities or beneficial interests in any Securities and shall have no obligation to investigate the truth and correctness thereof or to verify that any transfer satisfies the requirements of this Section 2.6, Section 2.16(c) or Section 2.17(j), as applicable. In every instance, the Registrar shall also be entitled (but is not under a duty) to require an Opinion of Counsel from any prospective transferee to the effect that such proposed transfer is in compliance with this Section 2.6, Section 2.16(c) or Section 2.17(j), as applicable.

(k) If Securities are issued upon the transfer, exchange or replacement of Securities bearing the applicable legends set forth in the Exhibits hereto, and if a request is made to remove such applicable legend on such Securities, the Securities so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA, the Code or other applicable law. Upon provision of such satisfactory evidence, the Trustee, at the written direction of the Issuers shall, after due execution by the Issuers, authenticate and deliver Securities that do not bear such applicable legend.

(l) So long as a Temporary Regulation S Global Note or Regulation S Global Note remains Outstanding, transfers of beneficial interests therein shall only be made in accordance with this Section 2.6. On or after the Exchange Date, interests in a Temporary Regulation S Global Note or Class Q-1 Temp Reg S Global Security may be exchanged for interests in the corresponding Regulation S Global Note or Class Q-1 Reg S Global Security, as the case may be, in the form of Exhibit A1-2, A2-2, B1-2, B2-2, C1-2, C2-2 or Q1-2 hereto, as the case may be. Any such Regulation S Global Note or Class Q-1 Reg S Global Security shall be so issued and delivered in exchange for only that portion of the Temporary Regulation S Global Note or Class Q-1 Temp Reg S Global Security, as the case may be, in respect of which there shall have been presented to the Depositary by Euroclear or Clearstream through its agent members, as the case may be, a certification to the effect that it has received from or in respect of Persons entitled to an interest (as shown by its records) therein, a certification that the beneficial interests in such Temporary Regulation S Global Note or Class Q-1 Temp Reg S Global Security, as the case may be, are owned by Persons who are non-U.S. Persons.

(m) Invalid Transfers. If a Responsible Officer of the Trustee has actual knowledge that (i) a transfer or attempted or purported transfer of any beneficial interest in any Note was consummated in violation of the provisions of this Indenture or on the basis of a

materially incorrect certification from the transferor or purported transferor or transferee or purported transferee, (ii) the holder of a beneficial interest in such Note failed to deliver to the Trustee the Transfer Letter or Transferee Certificate, if applicable, required to be delivered hereunder or (iii) the holder of any beneficial interest in a Note is in material breach of any representation or agreement set forth in the Transfer Letter or Transferee Certificate, if applicable, or any deemed representation or agreement of such holder of any beneficial interest in a Note, the Trustee will not register such attempted or purported transfer. If any such transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a “Disqualified Transferee”) and the last preceding beneficial owner that was not a Disqualified Transferee shall be restored to all rights as a beneficial owner thereof retroactively to the date of purported transfer of such Note by such beneficial owner (unless any applicable provisions of the rules of the Irish Stock Exchange provide otherwise); provided, however, that this provision shall not be interpreted to confer on any of the Issuer, the Co-Issuer, the Trustee or any Paying Agent any rights against Euroclear or Clearstream to require that Euroclear or Clearstream reverse or rescind any trade completed in accordance with the rules of Euroclear or Clearstream. In furtherance of the foregoing, (a) either of the Issuers shall be entitled to demand that a transferee of a beneficial interest in the Senior Notes that (i) acquired an interest in a Rule 144A Global Note but is not a Qualified Purchaser and a Qualified Institutional Buyer, or (ii) acquired an interest in a Temporary Regulation S Global Note or a Regulation S Global Note but is determined not to have acquired such interest in compliance with Regulation S or is a U.S. Person sell such Notes to a purchaser qualified under this Indenture to purchase such beneficial interest in the Notes and if the transferee does not comply with such demand within 30 days thereof, the Issuer or the Co-Issuer, may sell or cause such transferee to sell such interest of the transferee in the Note to a permitted transferee under this Indenture on such terms as the Issuer or Co-Issuer may choose; and (b) the Issuer shall be entitled to demand that a transferee of a Certificated Income Note that (i) is not both (A) a Qualified Purchaser and (B) a Qualified Institutional Buyer or an Accredited Investor or (ii) is determined not to have acquired such Certificated Income Notes in compliance with Regulation S sell such Certificated Income Notes to a purchaser qualified under this Section 2.6 to purchase such Certificated Income Notes and if the transferee does not comply with such demand within 30 days thereof, the Issuer may sell or cause such transferee to sell such interest of the transferee in the Note to a permitted transferee under this Indenture on such terms as the Issuer may choose.

(n) Notwithstanding anything to the contrary herein, no purchase by or proposed transfer to any person of Income Notes will be permitted, and the Trustee shall not register or permit the registration of any such purchase or transfer, if Holders of the Income Notes that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Principal Amount of the Income Notes (excluding Income Notes in the form of the Class Q-1 Income Note Component, Income Notes represented by the Class Q-2 Collateral Asset A and Income Notes held by Controlling Persons) immediately after such purchase or transfer. Notwithstanding anything to the contrary herein, no purchase by or proposed transfer to any person of Class Q-1 Securities or Class Q-2B Securities will be permitted, if such person has represented that it is a Benefit Plan Investor, and the Trustee shall not register or permit the registration of any such purchase or transfer to a Person that has represented that it is a Benefit Plan Investor.

(o) If any Person shall become the beneficial owner of an interest in any ERISA Restricted Note who has made an ERISA-related representation required by this Indenture that is subsequently shown to be false or misleading (any such person a “Non-Permitted ERISA Holder”), the Issuer shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of ERISA Restricted Note held by such Person to a Person that is not a Non-Permitted ERISA Holder within 30 days of the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such ERISA Restricted Note the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such ERISA Restricted Note or interest in such ERISA Restricted Note to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Holder of each ERISA Restricted Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the ERISA Restricted Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the ERISA Restricted Notes sold as a result of any such sale or the exercise of such discretion.

SECTION 2.7 Mutilated, Destroyed, Lost or Stolen Notes.

(a) If (i) any mutilated Note is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Trustee and the Issuers such security or indemnity as may be reasonably required by the Trustee and the Issuers to hold the Issuers and the Trustee harmless, then, in the absence of notice to the Issuers, the Registrar or the Trustee that such Note has been acquired by a protected purchaser, the Issuers shall execute and the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of the same Class of a like Aggregate Principal Amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven (7) days shall be due and payable, instead of issuing a replacement Note, the Issuers may pay to the Holder of such destroyed, lost or stolen Note the amount payable thereunder when so due or payable without surrender thereof.

(b) If, after the delivery of a replacement Note or payment in respect of a destroyed, lost or stolen Note pursuant to subsection (a), a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment, transfer or exchange such original Note, the Issuers and the Trustee shall be entitled to recover such replacement Note (or such payment) from (i) any Person to which it was delivered; (ii) the Person taking such replacement Note from the Person to which such replacement Note was delivered; or (iii) any assignee of such Person, except a protected purchaser, and the Issuers and the Trustee shall be entitled to recover upon the security or indemnity provided therefor to the

extent of any loss, damage, cost or expense incurred by the Issuers or the Trustee in connection therewith.

(c) In connection with the issuance of any replacement Note under this Section 2.7, the Issuers may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including all fees and expenses of the Trustee) connected therewith.

(d) Any duplicate Note issued pursuant to this Section 2.7 in replacement for any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuers, whether or not the mutilated, destroyed, lost or stolen Note shall be found at any time or be enforced by any Person, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the applicable Class duly issued hereunder.

(e) The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.8 Payments on the Notes.

(a) Each Class of Senior Notes shall accrue interest on the Aggregate Principal Amount thereof during each Periodic Interest Accrual Period at the applicable Interest Rate specified in Section 2.3. Subject to the availability of funds in the Trust Estate and to Section 8.6, payments of Periodic Interest shall be paid on each Class of Senior Notes on each Payment Date through the Maturity Date (or, if earlier, the date of redemption or repayment in full of such Class of Notes). In the event that the principal of any of the Senior Notes is not paid in full on the Maturity Date, no interest will accrue on the unpaid principal amount of any Senior Note subsequent to the Maturity Date. So long as any more senior Class of Notes is then Outstanding, any payment of interest due on Class B Notes, Class C-1 Notes or Class C-2 Notes which is not available to be paid ("Deferred Interest" with respect to such Notes) in accordance with Section 8.6 on any Payment Date shall not be considered "due and payable" hereunder (and so long as any more senior Class of Notes is then Outstanding, the failure to pay such interest shall not be an Event of Default unless the Issuer shall fail to pay in full such interest on the earlier of the Maturity Date and the date of redemption in full of the relevant Notes). Deferred Interest on any such Class of Notes shall be payable on the first Payment Date on which funds are available to be used for such purposes in accordance with Section 8.6, but in any event, no later than the earlier of the Maturity Date and such date of redemption. To the extent lawful and enforceable, interest on Deferred Interest with respect to any such Class of Notes shall accrue at the applicable Interest Rate for such Class until paid as provided herein. The Income Notes shall not accrue interest at a stated rate but on each Payment Date shall be entitled to distributions solely to the extent of available funds therefor pursuant to Section 8.6.

(b) The principal amount of the Notes of each Class shall be due and payable in accordance with Section 8.6 on the Maturity Date unless the unpaid principal of the Notes becomes due and payable at an earlier date upon a declaration of acceleration in accordance with Section 5.3, redemption in accordance with Section 2.14 or otherwise. If the unpaid principal

amount of the Notes shall become due and payable upon a declaration of acceleration, the Trustee shall make payments in respect of the principal and interest of the Notes as provided in Section 5.8.

(c) The Issuers shall require any certification from Holders necessary to permit the Issuer, the Trustee or any Paying Agent (A) to make payments to the Holders or others, or to receive payments on Eligible Investments or from the Swap Counterparty or others, without, or at a reduced rate of, withholding, (B) to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments made by or on behalf of the Issuer under any present or future law, rule, regulation or interpretation of the United States or the Cayman Islands or of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirement under any such law or regulation and (C) to comply with any filing, reporting or other requirement under any present or future law, rule, regulation or interpretation of any taxing authority or any political subdivision thereof to avoid the imposition of withholding or deduction of taxes or other charges on payments received by or on behalf of the Issuer, including (i) with respect to a Holder that is a U.S. person for U.S. federal income tax purposes, either a taxpayer identification number or proof of exemption from backup withholding (which shall be deemed satisfied by the delivery of a properly completed and signed Internal Revenue Service Form W-9 (or applicable successor form)) or (ii) with respect to a Holder that is not a U.S. person for U.S. federal income tax purposes, the delivery of a properly completed and signed Internal Revenue Service Form W-8BEN or W-8IMY with appropriate attachments (or in either case the applicable successor form).

(d) Except as otherwise provided herein, payments in respect of interest on and principal of and any other amounts payable, if any, on or in respect of any Note shall be payable by wire transfer in immediately available funds to a United States dollar account maintained at a bank by the Depositary or its nominee with respect to any Global Note and to the Holder or its designee with respect to a definitive Note or a Certificated Income Note shall be payable in accordance with wiring instructions provided to the Trustee or any Paying Agent; provided, that if appropriate instructions for any such wire transfer are not received at least fifteen (15) Business Days prior to the relevant Payment Date, then such payment shall be made by check drawn on a United States bank mailed to the address of the Holder specified in the Securities Register as of the Record Date applicable to such Payment Date. Upon final payment due on the Maturity Date of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office or as otherwise designated by the Trustee for such purpose on or prior to such date; provided, however, that if the Issuers and the Trustee shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. None of the Issuers, the Trustee, any Paying Agent, the Initial Purchaser, the Placement Agent, the Swap Counterparty, the Reference Portfolio Manager or any of their respective Affiliates will have any responsibility or liability for any aspects of the records maintained by Euroclear, Clearstream, the Depositary or any of the Participants or Indirect Participants or their respective participants relating to or for payments made thereby on account of beneficial interests in a Global Note.

(e) Except as otherwise provided herein, interest, principal and other amounts, if any, payable in respect of the Securities of any Class on any Payment Date or the Maturity Date or Class Q-2 Maturity Date, as applicable, shall be paid to the Holders of the Securities of such Class as of the related Record Date.

(f) Interest on the Class A-1 Notes, Class A-2 Notes, Class B Notes, the Class C-1 Notes and the Class Q-2A Securities shall be computed for each Periodic Interest Accrual Period on the basis of a 360-day year and the actual number of days in such Periodic Interest Accrual Period. Interest on the Class C-2 Notes shall be computed for each Periodic Interest Accrual Period on the basis of a 360-day year consisting of twelve 30-day months.

(g) If any Payment Date or the Maturity Date or the Class Q-2 Maturity Date, as applicable, or any other date for the payment of the principal of, or interest on, or any other amount payable on or in respect of, any Security is not a Business Day, then payment need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date or Maturity Date or the Class Q-2 Maturity Date, as applicable, or any other date for the payment of the principal of, or interest on, or any other amount payable on or in respect of, any Security, as the case may be. In the case of the Class A-1 Notes, Class A-2 Notes, Class B Notes and Class C-1 Notes and the Class Q-2A Securities, interest shall accrue on such payment for the period from or after any such nominal date to the next succeeding Business Day and be payable on such Business Day as provided in the definitions of Periodic Interest for such Classes, and in the case of the Class C-2 Notes, no interest shall accrue on such payment for the period from and after any such nominal date to the next succeeding Business Day.

(h) Principal of, interest on and all other amounts payable on or in respect of the Notes or pursuant to this Indenture (other than amounts payable on Class Q-2 Securities, which shall be subject to the limited recourse provision in Section 2.17(i)) shall constitute limited recourse obligations of the Issuer and, in the case of the Senior Notes, non-recourse obligations of the Co-Issuer, payable solely from and to the extent of the Trust Estate, and following the liquidation of the Trust Estate and the application of the proceeds thereof as provided herein, all obligations of each of the Issuers and any claims against either of the Issuers shall be extinguished and shall not thereafter revive. Neither of the Issuers, the Swap Counterparty, the Reference Portfolio Manager, the Trustee, the Collateral Administrator, nor any of their respective agents, partners, beneficiaries, officers, directors, employees or any Affiliate of any of them or any of their respective successors or assigns shall be personally liable for any amounts payable, or performance due, under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Trust Estate for the sums due or to become due under any security, instrument or agreement for which the Trust Estate is security, or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until all items in the Trust Estate have been liquidated and applied to the payment of the obligations, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Issuers as parties defendant in any action or suit or in the exercise of any other remedy under the Notes or in this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal

liability shall be asked for or (if obtained) enforced against any such Person or entity. The provisions of this Section 2.8(h) shall survive the termination of this Indenture.

(i) For so long as any of the Securities are listed on any stock exchange, to the extent required by the rules of such stock exchange, either of the Issuers or the Trustee shall notify such stock exchange in the event that the Securities do not receive scheduled payments of principal or interest on any Payment Date or the Maturity Date.

(j) Subject to the foregoing provisions of this Section 2.8 and the provisions of Sections 2.6, 2.7, 2.16 and 2.17, as applicable, each Security delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights of unpaid interest, principal and other applicable amounts that were carried by such other Security.

SECTION 2.9 Persons Deemed Owners.

Except as may be otherwise expressly agreed, prior to due presentment for registration of transfer of any Note, the Issuers and the Trustee, and any agent of the Issuers or the Trustee, shall treat the Person in whose name any Note is registered as it appears on the Securities Register (with respect to payments only, as of the applicable Record Date) as the owner of such Note for the purpose of receiving payments of principal, interest and distributions on such Note and for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee, or any agent of any of them, shall be affected by notice to the contrary. The Depositary shall be deemed the owner of the Global Notes, and owners of beneficial interests in Global Notes shall not be considered the owners of any Notes for the purpose of receiving notices.

SECTION 2.10 Cancellation of Notes.

All Notes surrendered for payment, exchange or registration of transfer shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly canceled by the Trustee. Either of the Issuers may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer or Co-Issuer, as applicable, may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly canceled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes may be held or disposed of by the Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct the Trustee that they be returned to the Issuers; provided, however, that such direction is timely and the Notes have not been previously disposed of by the Trustee.

SECTION 2.11 Swap Counterparty, Reference Portfolio Manager and Initial Purchaser as Holders.

Without limiting provisions hereof relating to the purchase of any Securities in connection with an Amendment Buy-Out pursuant to Section 9.6 or a Maturity Extension pursuant to Section 2.15 of this Indenture, each of the Swap Counterparty, the Reference Portfolio Manager and the Initial Purchaser and their respective Affiliates, in its individual or

any other capacity, may become an owner of the Securities (provided that such transactions are conducted on an arm's-length basis) and may otherwise deal with the Issuers or their respective Affiliates with the same rights that it would have if it were not the Swap Counterparty, the Reference Portfolio Manager, the Initial Purchaser or such an Affiliate.

SECTION 2.12 Treatment of Senior Notes.

The Issuer and each Holder of a Senior Note or beneficial owner of an interest in a Senior Note, by acquiring any Senior Note or interest therein, (i) expresses its intention that the Senior Notes be treated as evidencing indebtedness, which indebtedness is solely of the Issuer and (ii) unless otherwise required in a final determination by appropriate taxing authorities, agrees to treat the Senior Notes as indebtedness solely of the Issuer, in each case for the purpose of United States federal income taxes, state and local income and franchise taxes and any other taxes imposed upon, measured by or based upon gross or net income.

SECTION 2.13 No Gross Up.

The Issuers shall not be obligated to pay any additional amounts to the Holders or the beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or government charges with respect to the Notes.

SECTION 2.14 Redemption of Notes.

(a) On each Payment Date following the Ramp-up End Date for which a Coverage Test was not met as of the related Determination Date, principal payments on the Senior Notes will be made in accordance with the Priority of Payments.

(b) On each Payment Date, principal payments on the Senior Notes will be made in accordance with the Principal Priority of Payments to the extent of any Note Redemption Amounts for such Payment Date.

(c) In the event that any Rating Agency has not confirmed in writing the rating in effect on the Closing Date of any Class of Notes as of the 30th day following the Ramp-up End Date, principal payments on the Senior Notes will be made on subsequent Payment Dates in accordance with the Priority of Payments until each such rating is confirmed.

(d) If an Indenture Tax Event has occurred and is continuing, at the direction of Holders of a majority of the Aggregate Principal Amount of the Income Notes, the Issuers shall redeem (a "Tax Redemption") the Outstanding Notes on the Payment Date next following receipt of such direction (or, if such direction is received less than 45 Business Days prior to a Payment Date, on the next Payment Date thereafter) by the Trustee (the "Tax Redemption Date"), in the case of the Senior Notes at a price of par plus any accrued and unpaid interest thereon (including any Deferred Interest) to the redemption date; provided that the Swap Counterparty has consented to such redemption in its sole discretion and the Issuers have sufficient funds, after liquidation of Eligible Investments in the Trust Accounts pursuant to Section 8.3, to permit the payment of all Administrative Expenses and Subordinated Administrative Expenses and all Accrued Swap Liabilities as of the Tax Redemption Date and

the repayment in full of the Aggregate Principal Amount of all Classes of Senior Notes then Outstanding and all accrued and unpaid interest (including any Deferred Interest) with respect thereto in accordance with the Priority of Payments and all other amounts ranking senior to the Income Notes payable pursuant to the Priority of Payments. The Issuer shall provide the Rating Agencies and the Investment Agreement Counterparty prior notice of any redemption pursuant to this Section 2.14(d).

(e) After the date that is five and a half years following the Closing Date, at the direction of Holders of at least 66-2/3% in Aggregate Principal Amount of the Income Notes, the Issuers shall redeem (an "Optional Redemption") the Aggregate Principal Amount of all Outstanding Notes, in the case of the Senior Notes at par plus any accrued and unpaid interest (including any Deferred Interest) thereon to the redemption date plus, in the case of the Class C-2 Notes, the applicable Make-whole Premium on the Payment Date next following receipt of such direction by the Trustee (or, if such direction is received less than 45 Business Days prior to a Payment Date, on the next Payment Date thereafter) (the "Optional Redemption Date"); provided that the Issuers shall not so redeem the Notes unless the Issuers will have sufficient funds, after liquidation of Eligible Investments in the Trust Accounts pursuant to Section 8.3, to permit the payment of all Administrative Expenses and Subordinated Administrative Expenses and all Accrued Swap Liabilities as of the Optional Redemption Date (calculated taking into account all accrued and unpaid Base Amount, Subordinate Amount and Incentive Amount for such Optional Redemption Date to the extent provided in the Swap Agreement) and the repayment in full of the Aggregate Principal Amount of all Classes of Senior Notes then Outstanding and all accrued and unpaid interest (including any Deferred Interest) and any applicable Make-whole Premium with respect thereto in accordance with the Priority of Payments. The Issuer shall provide the Rating Agencies and the Investment Agreement Counterparty prior notice of any redemption pursuant to this Section 2.14(e).

SECTION 2.15 Maturity; Extension of Maturity.

The Maturity Date for each Class of Notes and the Class Q-1 Securities is August 1, 2016, unless extended in accordance with this Section 2.15.

(a) If the Swap Termination Date is extended pursuant to the Swap Agreement, on the Extension Effective Date, the Maturity Date of the Notes and the Class Q-1 Securities shall be automatically extended for four years, to August 1, 2020, without any requirement for approval or consent of any Holders of Securities or amendment or supplement to this Indenture; provided that the Extension Conditions are satisfied (the "Maturity Extension").

(b) In the case of a Maturity Extension, any Holder of Notes or Class Q-1 Securities wishing to sell such Securities to an Extension Qualifying Purchaser pursuant to the Extension Conditions must provide the applicable Extension Sale Notice within the Extension Sale Notice Period pursuant to subsection (e) below (such Securities as to which an Extension Sale Notice has been duly given, "Extension Sale Securities"). Notwithstanding anything to the contrary herein, each Holder providing an Extension Sale Notice shall be deemed to agree that no Extension Sale Securities of any Holder shall be purchased unless all Extension Sale Securities of all Holders are purchased and settled at the applicable Extension Purchase Price on the Extension Effective Date and the other Extension Conditions are satisfied as of such date.

(c) Extension Conditions. The Maturity Extension shall be effective only if the following conditions (the “Extension Conditions”) are satisfied:

(i) The purchase of all Extension Sale Securities has been settled by the designated Extension Qualifying Purchasers at the applicable Extension Purchase Price as of the Extension Effective Date;

(ii) All such purchases of Extension Sale Securities individually and in the aggregate comply with the applicable transfer restrictions in this Indenture (including, without limitation, the restriction that such Securities may not be purchased (x) in the case of the Class Q-1 Securities by any Person that is a Benefit Plan Investor and (y) in the case of the Income Notes, if Holders of the Income Notes that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Principal Amount of the Income Notes (excluding Income Notes in the form of the Class Q-1 Income Note Component, Income Notes represented by the Class Q-2 Collateral Asset A and Income Notes held by Controlling Persons) immediately after such purchase and the legends on such Securities and all applicable law, rules and regulations (including, without limitation, rules, regulations and procedures of any applicable securities exchange, self-regulatory organization or clearing agency); and

(iii) (a) Rating Confirmation has been obtained from S&P (so long as any Securities are then rated by S&P) (which confirmation shall be based on S&P’s applicable rating criteria and models pursuant to which the applicable Securities were rated by S&P as of the Closing Date) and (b) either (i) all Coverage Tests and clauses 17, 18 and 22 of the Reference Portfolio Criteria are satisfied as of the Extension Determination Date and the rating of each Class of Senior Notes by Moody’s has not been downgraded, withdrawn or qualified from that in effect on the Closing Date (unless it subsequently has been reinstated to the rating assigned on the Closing Date) or (ii) Rating Confirmation has been obtained from Moody’s (so long as any Securities are then rated by Moody’s).

The Issuer, the Trustee and, by its acceptance of the Securities, each Holder of Securities agrees that the Swap Counterparty shall not be responsible for causing the Extension Conditions to be satisfied and shall not be liable to any such Person or Holder of Securities (whether or not such Holder gave an Extension Sale Notice with respect to its Securities) or to any other Person if the Extension Conditions are not satisfied. Failure of the Extension Conditions to be satisfied shall not constitute a Default or Event of Default under this Indenture or a Swap Event of Default.

(d) Extension Procedure.

(i) No later than three (3) Business Days following receipt by the Trustee of the notice given by the Swap Counterparty of the Swap Counterparty’s election to extend the Swap Termination Date (the “Extension Notice”), the Trustee shall mail the Extension Notice to all Holders of Securities and each Rating Agency (so long as any rated Securities are Outstanding), in the form of Exhibit N, and shall request Rating Confirmation for the Maturity Extension from S&P, if applicable;

(ii) Any Holder of Securities may give irrevocable notice (an “Extension Sale Notice”) within 30 days after the Trustee has mailed the Extension Notice (the “Extension Sale Notice Period”) of its intention to sell its Securities to an Extension Qualifying Purchaser in the case of a Maturity Extension. Any Extension Sale Notice received by the Trustee after the Extension Sale Notice Period shall be disregarded and deemed not to have been given. No Holder of Securities that has not given such an Extension Sale Notice within the Extension Sale Notice Period shall be entitled to sell its Securities to an Extension Qualifying Purchaser in connection with the Maturity Extension; and

(iii) If clause (iii)(b)(i) of the Extension Conditions is not satisfied as of the Extension Determination Date as determined by the Issuer (or its agent), the Trustee shall request Rating Confirmation from Moody’s, if applicable.

(e) On the Extension Determination Date, the Issuer (or its agent) shall confirm (i) whether or not Extension Qualifying Purchasers for all Extension Sale Securities have been designated to purchase such Securities in compliance with all transfer restrictions in this Indenture and the legends on such Securities and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency), (ii) whether the requirements of clause (c)(iii) of the Extension Conditions are satisfied as of the Extension Determination Date and (iii) whether all other Extension Conditions can be satisfied as of the Extension Effective Date.

(f) On the Extension Effective Date, the Maturity Extension shall automatically become effective under the terms of this Indenture, provided that all Extension Conditions set forth in clause (c) above are satisfied. No later than 2 Business Days after the Extension Effective Date, the Trustee, at the expense of the Issuers, shall mail a notice to all Holders of Securities, the Swap Counterparty, the Reference Portfolio Manager, the Investment Agreement Counterparty, each Rating Agency (so long as any rated Securities are Outstanding) and the Irish Stock Exchange (if and for so long as any Class of Securities is listed thereon) confirming whether or not the Maturity Extension became effective. If the Maturity Extension became effective, the Issuer shall make any required notifications thereof to the Depositary for any Securities subject to the Maturity Extension.

(g) In the case of a Maturity Extension, each Holder of Senior Notes (including in the form of the Class Q-1 Senior Note Component) other than Extension Sale Securities shall be entitled to receive an amount equal to the applicable Extension Bonus Payment. Holders of Income Notes shall not be entitled to receive any Extension Bonus Payment.

The Extension Bonus Payment on any such Class of Senior Notes shall be payable to any applicable qualifying beneficial owners who have provided the Trustee with an Extension Bonus Eligibility Certification, on the first Payment Date from and including the Extension Effective Date on which funds are available to be used for such purposes in accordance with Section 8.6, but in any event, no later than the earlier of the Maturity Date and the date of redemption of such Notes. Extension Bonus Payments which are not available to be paid on a Payment Date in accordance with Section 8.6 on a Payment Date shall not be considered “due and payable” hereunder. The failure to pay any such Extension Bonus Payment

on such date shall not be an Event of Default, unless the Issuer shall fail to pay in full such Extension Bonus Payment on the earlier of the Maturity Date and the date of redemption in full of the relevant Securities. Unpaid Extension Bonus Payments shall not accrue interest. Such amounts shall be paid to the accounts designated in the applicable Extension Bonus Eligibility Certification or, to the extent otherwise required by the rules of any applicable securities exchange or clearing agency, in a manner determined by the Issuer.

SECTION 2.16 Class Q-1 Securities.

The provisions of this Section 2.16 shall apply only to the Class Q-1 Securities and shall override any contrary or inconsistent provisions of this Indenture. Subject to the foregoing sentence, the other provisions of Article II shall apply to the Class Q-1 Securities to the same extent as the Notes.

(a) In addition to the Classes of Notes set forth in Section 2.3, the Issuer will issue the Class Q-1 Extendable Securities (the “Class Q-1 Securities”). The maximum initial stated amount of the Class Q-1 Securities that may be executed and delivered under this Indenture is limited to U.S.\$ 10,000,000. The Aggregate Principal Amounts of the Components of the Class Q-1 Securities are included in, and are not in addition to, the Aggregate Principal Amounts of the Class C-2 Notes and the Income Notes as set forth in Section 2.3.

(b) All Class Q-1 Securities initially sold in the United States or to U.S. Persons pursuant to Rule 144A under the Securities Act will be issued and may be transferred in the form of certificates (each a “Certificated Class Q-1 Security”) in definitive, physical certificates in fully registered form, registered in the name of the beneficial owner thereof or its nominee and in the form of Exhibit Q-1 Certificated hereto. All Class Q-1 Securities initially sold to non-U.S. Persons (as defined in Regulation S) in offshore transactions in reliance on Regulation S will be issued in the form of a temporary global security (the “Class Q-1 Temp Reg S Global Security”) in the form of Exhibit Q-1 Temp Reg S, and on or after the Exchange Date, shall be exchangeable for interests in a permanent global security (a “Class Q-1 Reg S Global Security”) in the form of Exhibit Q-1 Reg S, subject to the provisions of Sections 2.2, 2.5 and 2.6 to the same extent as other Temporary Regulation S Global Notes and Regulation S Global Notes (but subject to clause (c) below with respect to transfers of any interest therein). Class Q-1 Securities shall only be issued and held in minimum denominations (an “Authorized Class Q-1 Denomination”) such that the Class Q-1 Senior Note Component and the Class Q-1 Income Note Component thereof is in an Authorized Denomination, which shall mean that the Authorized Class Q-1 Denomination shall be \$1,000,000 in stated amount (consisting of \$500,000 Aggregate Principal Amount of the Class Q-1 Senior Note Component and \$500,000 Aggregate Principal Amount of the Class Q-1 Income Note Component).

(c) No transfer of a Class Q-1 Security will be permitted to a person that would not be permitted to acquire the Class C-2 Notes and Income Notes comprising the Components of the Class Q-1 Security under this Indenture.

(i) Certificated Class Q-1 Security to Certificated Class Q-1 Security. Each purchaser or transferee of a Certificated Class Q-1 Security will be required to provide to the Trustee a properly completed certificate in the form of Exhibit Q-1

Certificated Transfer Letter. If a Holder of a Certificated Class Q-1 Security wishes at any time to transfer such Certificated Class Q-1 Security, such Holder may transfer or cause the transfer of such Certificated Class Q-1 Security as follows: Upon receipt by the Registrar of (A) such Holder's Certificated Class Q-1 Security properly endorsed for assignment to the transferee and (B) a properly completed certificate by the transferee in the form of Exhibit Q-1 Certificated Transfer Letter, and any other documentation as may be required thereunder, the Trustee will cancel such Certificated Class Q-1 Security in accordance with this Indenture, cause the Registrar to record the transfer in the Securities Register and, upon execution by the Issuer, deliver to the transferee one or more Certificated Class Q-1 Securities in the aggregate stated amount transferred and in the Authorized Class Q-1 Denomination. Notwithstanding anything to the contrary herein, no purchase or proposed transfer of Class Q-1 Securities will be permitted, and the Trustee shall not register or permit the registration of any such purchase or transfer, to a Person that has represented that it is a Benefit Plan Investor. Any purported transfer in violation of this provision shall be null and void *ab initio*.

(ii) Class Q-1 Reg S Global Security to Certificated Class Q-1 Security. If a holder of a beneficial interest in Class Q-1 Securities in the form of a Class Q-1 Temp Reg S Global Security or Class Q-1 Reg S Global Security wishes at any time to transfer its interest in such Security, the transferee must take delivery thereof in the form of a Certificated Class Q-1 Security. Such Holder may, subject to the rules and procedures of the Depository, transfer or cause the transfer of such interest for an equivalent interest in one or more such Certificated Class Q-1 Securities as described below. Upon receipt by the Registrar of (A) instructions given in accordance with the Applicable Procedures from a Participant, directing the Registrar to deliver one or more such Certificated Class Q-1 Securities, designating the registered name or names, address, payment instructions, and the number and stated amount (and Aggregate Principal Amount of the related Components) of such Certificated Class Q-1 Securities to be executed and delivered (the aggregate stated amount of such Certificated Class Q-1 Notes being equal to the aggregate stated amount of the interest in the Class Q-1 Temp Reg S Global Security or Class Q-1 Reg S Global Security to be transferred), in Authorized Class Q-1 Denominations and (B) a properly completed certificate by the transferee in the form of Exhibit Q-1 Certificated Transfer Letter, and any other documentation as may be required thereunder, then the Registrar will instruct the Depository to reduce, or cause to be reduced, the applicable Class Q-1 Temp Reg S Global Security or Class Q-1 Reg S Global Security by the aggregate stated amount of the beneficial interest in such Class Q-1 Temp Reg S Global Security or Class Q-1 Reg S Global Security to be transferred and the Registrar shall record the transfer in the Securities Register and authenticate and deliver one or more Certificated Class Q-1 Securities registered in the names specified in the certificate described in clause (B) above in the stated amount designated by the transferee (the aggregate of such stated amount being equal to the beneficial interest in the Class Q-1 Temp Reg S Global Securities or Class Q-1 Reg S Global Securities to be transferred) and in the applicable Authorized Class Q-1 Denomination. Any purported transfer in violation of this provision shall be null and void *ab initio*.

(iii) No Transfer to Class Q-1 Reg S Global Security. Certificated Class Q-1 Securities may not be transferred or exchanged for Class Q-1 Securities in the form of Class Q-1 Temp Reg S Global Securities or Class Q-1 Reg S Global Securities.

(d) Except as otherwise provided herein, the rights and obligations of Holders of the Class Q-1 Securities shall consist solely of the rights and obligations of Holders of the applicable Components. References herein to the rights and obligations of the Holders of Class C-2 Notes, Class C Notes or Income Notes include the rights and obligations of the Holders of Class Q-1 Securities to the extent of the applicable Components.

(i) On each date on which payments are made with respect to the Class C-2 Notes or Income Notes, a portion of such payment or distribution shall be allocated to the Class Q-1 Securities in the proportion that the Aggregate Principal Amount of Notes comprising the applicable Component thereof bears to the Aggregate Principal Amount of the related Class of Notes as a whole (including the related Components) and in accordance with the applicable terms and conditions hereof. No other amounts shall be payable in respect of the Class Q-1 Securities.

(ii) The Holders of Class Q-1 Securities will be entitled to voting rights based on the voting rights of the respective underlying Class C-2 Notes or Income Notes related to any applicable Component in the proportion that the Aggregate Principal Amount of such Class C-2 Notes or Income Notes bears to the Aggregate Principal Amount of all Class C-2 Notes or Income Notes (including such Component), as applicable. Except as expressly provided herein, the Holders of the Class Q-1 Securities shall not be entitled to voting rights as a separate class. Additionally, the Holders of Class Q-1 Securities shall not be entitled to direct the Trustee pursuant to this Indenture except in the capacity as Holders of Class C-2 Notes or Income Notes to the extent of their interest in any applicable Component.

(e) A Holder of a Class Q-1 Security may exchange all or a proportionate amount of each Component for proportionate interests in the Class C-2 Notes and Income Notes, as applicable, that comprise such Components, subject to the Authorized Denominations for the Notes and the Authorized Class Q-1 Denomination and, in the manner provided in Sections 2.2, 2.5 and 2.6 hereof, in the case of the Class Q-1 Senior Note Component, for transfer of beneficial interests to a Rule 144A Global Note, Regulation S Global Note or Temporary Regulation S Global Note, and in the case of the Class Q-1 Income Note Component, for transfer of a Certificated Income Note. The Trustee, upon surrender of a Certificated Class Q-1 Security for such an exchange, shall simultaneously convert the constituent Components into the Class C-2 Notes and Income Notes comprising such Components, as applicable, and effect such exchange. Thereafter, the Holder of the Class Q-1 Security so exchanged will be the Holder of an interest in the Class C-2 Notes and the Income Notes received upon such an exchange. No Holder of Class C-2 Notes or Income Notes (including following such an exchange) will be entitled to exchange such Notes for a Class Q-1 Security. No service charge shall be made for any such exchange of Class Q-1 Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with such exchange. Each Holder of a Class Q-1 Security, by its acceptance thereof, acknowledges that upon any such exchange, the rating of such Class Q-1 Security by any Rating Agency may not apply to the

Securities received in such exchange. Upon the exchange of all outstanding Class Q-1 Securities pursuant to this provision, the Issuer will notify each Rating Agency then rating the Class Q-1 Securities.

(f) The Class Q-1 Nominal Rate is the rate per annum at which interest is stated to be payable on the Class Q-1 Securities solely for purposes of calculating the Class Q-1 Nominal Principal, and does not limit the entitlement of Holders of the Class Q-2 Securities to receive Class Q-1 Excess Distributions.

Each Holder of a Class Q-1 Security, by its acquisition thereof, acknowledges that the rating of the Class Q-1 Securities by Moody's addresses solely the return of the Class Q-1 Rated Principal.

(g) For purposes of Section 2.12, references to "Senior Notes" shall, with respect to the Class Q-1 Securities, be deemed to refer only to the Class Q-1 Senior Note Component.

(h) If a Responsible Officer of the Trustee has actual knowledge that (i) a transfer or attempted or purported transfer of any interest in any Class Q-1 Security was consummated in violation of this Indenture or on the basis of a materially incorrect certification from the transferee or purported transferee, (ii) the transferee or the purported transferee failed to deliver to the Trustee the certificate in the form of Exhibit Q-1 Certificated Transfer Letter or other purchaser letter or certificate or any other documentation required to be delivered thereunder or hereunder or (iii) the transferee or purported transferee is in material breach of any representation or agreement set forth in the certificate in the form of Exhibit Q-1 Certificated Transfer Letter or other purchaser letter or certificate or in this Indenture, the Trustee will not register such attempted or purported transfer. If any such transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a "Disqualified Transferee") and the last preceding owner that was not a Disqualified Transferee shall be restored to all rights as a owner thereof retroactively to the date of purported transfer of such Class Q-1 Security by such owner. In furtherance of the foregoing, the Issuer shall be entitled to demand that a transferee of a Class Q-1 Security that (i) acquired an interest in a Class Q-1 Security in reliance on Rule 144A but is not a Qualified Purchaser and a Qualified Institutional Buyer, or (ii) acquired an interest in a Class Q-1 Security in reliance on Regulation S but is determined not to have acquired such interest in compliance with Regulation S or is a U.S. Person sell such Class Q-1 Securities to a purchaser qualified under this Indenture to purchase such Class Q-1 Securities and if the transferee does not comply with such demand within 30 days thereof, the Issuer may sell or cause such transferee to sell such interest of the transferee in the Class Q-1 Security to a permitted transferee under this Indenture on such terms as the Issuer may choose.

SECTION 2.17 Class Q-2 Securities.

The provisions of this Section 2.17 shall apply only to the Class Q-2 Securities and shall override any contrary or inconsistent provisions of this Indenture. Subject to the foregoing sentence, the other provisions of Article II shall apply to the Class Q-2 Securities to the same extent as the Notes.

(a) Authorized Amount; Maturity Date; Denomination.

In addition to the Classes of Notes set forth in Section 2.3 and the Class Q-1 Securities set forth in Section 2.16, the Issuer will issue Class Q-2A Securities and Class Q-2B Securities (collectively, the “Class Q-2 Securities”). The maximum Aggregate Principal Amount of the Class Q-2A Securities and the Class Q-2B Securities that may be executed, authenticated and delivered under this Indenture is limited to U.S. \$7,200,000 and U.S. \$40,000,000, respectively. The maturity date for the Class Q-2 Securities (the “Class Q-2 Maturity Date”) is April 28, 2034. The Class Q-2A Securities will be issuable and transferable in minimum denominations of U.S.\$500,000 and integral multiples of U.S. \$1,000 in excess thereof. The Class Q-2B Securities will be issuable and transferable in minimum denominations of U.S.\$1,000,000 and integral multiples of U.S. \$1,000 in excess thereof.

(b) Form of Class Q-2 Securities.

All Class Q-2 Securities shall be issued in the form of certificated securities (each a “Certificated Class Q-2 Security”) in definitive, physical certificates in fully registered form without interest coupons with the applicable legends set forth in the form of Exhibit Certificated Class Q-2A and Exhibit Certificated Class Q-2B hereto, as appropriate, which shall be registered in the name of the beneficial owner or a nominee thereof, duly executed by the Issuer and authenticated by the Trustee as provided in Article II of this Indenture.

(c) Payments on the Class Q-2 Securities.

(i) The Class Q-2A Securities shall accrue interest on the Aggregate Principal Amount thereof during each Periodic Interest Accrual Period at a rate equal to LIBOR plus 0.50% per annum (the “Class Q-2A Interest Rate”). Any payment of interest due on Class Q-2A Securities which is not available to be paid (“Class Q-2A Deferred Interest”) in accordance with clause (d) on any Payment Date shall not be considered “due and payable” hereunder and the failure to pay such interest shall not be a Class Q-2 Event of Default. Class Q-2A Deferred Interest shall be payable on the first Payment Date on which funds are available to be used for such purposes in accordance with clause (d) below. To the extent lawful and enforceable, interest on Class Q-2A Deferred Interest shall accrue at the applicable Class Q-2A Interest Rate until paid as provided herein.

(ii) The Class Q-2B Securities shall not accrue interest at a stated rate but on each Payment Date shall be entitled to distributions solely to the extent of available funds therefor pursuant to clause (d) below.

(iii) The Aggregate Principal Amount of the Class Q-2A Securities shall be due and payable in accordance with clause (d) below on the Class Q-2 Maturity Date unless paid earlier as provided pursuant to clause (d) below.

(A) to the Holders of the Class Q-2A Securities, the Class Q-2A Interest Amount;

(B) to the Holders of the Class Q-2A Securities, any Class Q-2A Deferred Interest;

(e) Class Q-2 Securities Collateral Account.

(i) The Trustee shall, on or prior to the Closing Date, establish a segregated trust account in the name of the Trustee for the benefit of the Holders of Class Q-2 Securities, which shall be designated as the Valhalla CLO, Ltd. – Class Q-2

Securities Collateral Account (the “Class Q-2 Securities Collateral Account”). All moneys credited from time to time to the Class Q-2 Securities Collateral Account shall be held by the Trustee as part of the Class Q-2 Securities Collateral and shall be applied for the purposes provided herein.

(ii) On the Closing Date, the Issuer shall cause to be Delivered to the Class Q-2 Securities Collateral Account (i) the Class Q-2 Collateral Asset A and (ii) the Class Q-2 Collateral Asset B.

(iii) Except as otherwise expressly provided in this Indenture, the Trustee shall deposit into the Class Q-2 Securities Collateral Account promptly upon receipt from time to time, all proceeds from the Class Q-2 Collateral Assets, including, without limitation, distributions on the Class Q-2 Collateral Asset A and any proceeds from the sale, redemption or maturity of all or portions of the Class Q-2 Collateral Assets.

(iv) The Trustee shall have the right to establish such subaccounts within the Class Q-2 Securities Collateral Account as the Trustee may deem necessary or appropriate for convenience in administering the Class Q-2 Securities Collateral.

(v) The Trustee shall invest moneys held from time to time in the Class Q-2 Securities Collateral Account in one or more Eligible Investments pursuant to the following sentence, if the Class Q-2A Securities are then Outstanding, and otherwise pursuant to the unanimous written direction of the Holders of the Class Q-2B Securities (which may be in the form of standing instructions). If the Class Q-2A Securities are then Outstanding, or if the Trustee does not receive such written directions within three days of receipt of uninvested moneys (whether by reason of a new deposit of moneys or payments in respect of, or realized upon the maturity of, existing Eligible Investments), the Trustee shall invest such moneys in the JPMorgan Fleming US Dollar Liquidity Fund 6052, provided such fund then meets the requirements of the definition of Eligible Investments, and if such fund then does not meet such requirement, an Eligible Investment that meets the requirements of clause (a) of the definition of Eligible Investments; provided further, that any Eligible Investment in the Class Q-2 Securities Collateral Account shall be required to mature on or before the Business Day prior to the next Payment Date. Any Eligible Investments constituting general intangibles, deposit accounts and accounts shall be Delivered to the Trustee. The Trustee shall not be liable by reason of any investment loss realized in connection with any Eligible Investment.

(vi) Section 8.5 shall be applicable to the Class Q-2 Securities Collateral Account with references to a “Trust Account” thereunder being deemed to refer to the Class Q-2 Securities Collateral Account.

(f) Rights with respect to the Class Q-2 Collateral Asset A.

(i) With respect to any matter under this Indenture as to which the Holders of Income Notes are entitled to vote or give any consent or direction, the Trustee shall follow the direction of the Holders of a majority of the Aggregate Principal Amount of the Class Q-2B Securities for purposes of voting or giving such consent or direction for the Income Notes represented by the Class Q-2 Collateral Asset A. The Holders of Class Q-2 Securities shall not otherwise be entitled to direct the Trustee with respect to the Trust Estate pursuant to this Indenture.

(ii) If as a result of any action pursuant to clause (i) the Holder of the Income Notes represented by the Class Q-2 Collateral Asset A would constitute a Non-consenting Holder, the Amendment Buy-Out Purchaser will be entitled to purchase the Income Notes represented by the Class Q-2 Collateral Asset A in accordance with Section 9.6 hereof, and the proceeds of such purchase shall be credited to the Class Q-2 Securities Collateral Account for distribution on the next succeeding Payment Date pursuant to subsection (d) above. The Class Q-2 Securities themselves shall not be subject to an Amendment Buy-Out pursuant to Section 9.6.

(iii) Without limiting clause (i), in the case of the Maturity Extension, if any, pursuant to Section 2.15, the Holders of a majority of the Aggregate Principal Amount of the Class Q-2B Securities shall be entitled to direct the Trustee to provide an Extension Sale Notice with respect to the Income Notes represented by the Class Q-2 Collateral Asset A. Any proceeds from an Extension Sale with respect to the Income Notes represented by the Class Q-2 Collateral Asset A shall be credited to the Class Q-2 Securities Collateral Account for distribution on the applicable Payment Date pursuant to subsection (d) above.

(g) Liquidation of Class Q-2 Collateral Asset A.

If the Class Q-2A Coverage Test is not satisfied on any date of determination (as determined by the Trustee in consultation with the Swap Counterparty or an affiliate of the Swap Counterparty designated by the Swap Counterparty) following the Closing Date, at the unanimous direction of the Holders of the Class Q-2A Securities, the Issuer shall cause the Trustee to liquidate the Class Q-2 Collateral Asset A and credit the proceeds thereof to the Class Q-2 Securities Collateral Account for distribution in accordance with clause (d) above upon receipt of such proceeds as though the date of receipt thereof were a Payment Date.

(h) Exchange of Class Q-2B Securities.

On any Business Day on and after the date on which the Class Q-2A Securities are redeemed or repaid in full, any Holder of a Class Q-2B Security may exchange all but not less than all of its Class Q-2B Securities for its applicable pro rata share of the Class Q-2 Collateral Asset A (subject to the provisions of 2.6(i)(A) regarding acquiring Income Notes in the form of a Certificated Income Note) and the Class Q-2 Collateral Asset B (subject to any restrictions on transfer with respect thereto) and any proceeds thereof in the Class Q-2 Securities Collateral Account. The Trustee, upon surrender of a Certificated Class Q-2B Security by a

Holder for such an exchange, shall simultaneously convert the applicable portion of the Class Q-2 Collateral Asset A into Certificated Income Notes and transfer the applicable portion of the Class Q-2 Collateral Asset B to such Holder in accordance with standard settlement procedures for assets of that type and effect such exchange. Thereafter, the Holder of the Class Q-2B Security so exchanged will be the Holder of the Income Notes received upon such an exchange for purposes of this Indenture. No Holder of Income Notes (including following such an exchange) or CGMHI Notes will be entitled to exchange any such notes for a Class Q-2B Security. No service charge shall be made for any such exchange of Class Q-2B Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with such exchange.

(i) Limited Recourse.

Principal of, interest on and all other amounts payable on or in respect of the Class Q-2 Securities shall constitute limited recourse obligations of the Issuer and be payable solely from and to the extent of the Class Q-2 Securities Collateral, and following the liquidation of the Class Q-2 Securities Collateral and the application of the proceeds thereof as provided herein, all obligations of the Issuer and any claims against the Issuer shall be extinguished and shall not thereafter revive. Neither of the Issuers, the Swap Counterparty, the Reference Portfolio Manager, the Trustee, the Collateral Administrator, nor any of their respective agents, partners, beneficiaries, officers, directors, employees or any Affiliate of any of them or any of their respective successors or assigns shall be personally liable for any amounts payable, or performance due, under the Class Q-2 Securities or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Class Q-2 Securities Collateral for the sums due or to become due under any security, instrument or agreement for which the Class Q-2 Securities Collateral is security, or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Class Q-2 Securities or secured by this Indenture until all items in the Class Q-2 Securities Collateral have been liquidated and applied to the payment of the obligations, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Issuers as parties defendant in any action or suit or in the exercise of any other remedy under the Class Q-2 Securities or in this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The provisions of this Section 2.17(i) shall survive the termination of this Indenture.

(j) Transfer of Class Q-2 Securities.

(i) Each purchaser or transferee of a Certificated Class Q-2 Security will be required to provide to the Trustee a properly completed certificate in the form of Exhibit Q-2A Certificated Transferee Letter or in the form of Exhibit Q-2B Certificated Transferee Letter, as applicable. Certificated Class Q-2B Securities may only be purchased by or transferred to a Person that is not a U.S. Person in a transaction meeting the requirements of Regulation S and that is an “eligible contract participant” as defined in Section 1a(12) of the U.S. Commodity Exchange Act.

(ii) If a Holder of a Certificated Class Q-2 Security wishes at any time to transfer such Certificated Class Q-2 Security, such Holder may transfer or cause the transfer of such Certificated Class Q-2 Security as follows: Upon receipt by the Registrar of (A) such Holder's Certificated Class Q-2 Security properly endorsed for assignment to the transferee and (B) a properly completed certificate by the transferee in the form of Exhibit Q-2A Certificated Transferee Letter or Exhibit Q-2B Certificated Transferee Letter, as applicable, and any other documentation as may be required thereunder, the Trustee will cancel such Certificated Class Q-2 Security in accordance with this Indenture, cause the Registrar to record the transfer in the Securities Register and, upon execution by the Issuer, deliver to the transferee one or more Certificated Class Q-2 Securities in the aggregate stated amount transferred and in the applicable authorized denomination. Notwithstanding anything to the contrary herein, no purchase or proposed transfer of Class Q-2B Securities will be permitted, and the Trustee shall not register or permit the registration of any such purchase or transfer, to a Person that has represented that it is a Benefit Plan Investor. Any purported transfer in violation of this provision shall be null and void *ab initio*.

(iii) No transfer of a Class Q-2B Security will be permitted to a person that would not be permitted to acquire the Income Notes represented by the Class Q-2 Collateral Asset A under this Indenture.

(iv) If a Responsible Officer of the Trustee has actual knowledge that (i) a transfer or attempted or purported transfer of any interest in any Class Q-2 Security was consummated in violation of this Indenture or on the basis of a materially incorrect certification from the transferee or purported transferee, (ii) the transferee or the purported transferee failed to deliver to the Trustee the certificate in the form of Exhibit Q-2A Certificated Transferee Letter or Exhibit Q-2B Certificated Transferee Letter, as applicable, or any other documentation required to be delivered thereunder or hereunder or (iii) the transferee or purported transferee is in material breach of any representation or agreement set forth in the certificate in the form of Exhibit Q-2 Certificated Transferee Letter or Exhibit Q-2 Certificated Transferee Letter, as applicable, or in this Indenture, the Trustee will not register such attempted or purported transfer. If any such transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a "Disqualified Transferee") and the last preceding owner that was not a Disqualified Transferee shall be restored to all rights as a owner thereof retroactively to the date of purported transfer of such Class Q-2 Security by such owner. In furtherance of the foregoing, the Issuer shall be entitled to demand that (i) a transferee of a Class Q-2A Security that acquired an interest in a Class Q-2A Security in reliance on Rule 144A but is not a Qualified Purchaser and a Qualified Institutional Buyer, or (ii) a transferee of a Class Q-2A Security or Class Q-2B Security that acquired an interest in such Class Q-2 Security in reliance on Regulation S but is determined not to have acquired such interest in compliance with Regulation S or is a U.S. Person sell such Class Q-2 Securities to a purchaser qualified under this Indenture to purchase such Class Q-2 Securities and if the transferee does not comply with such demand within 30 days thereof, the Issuer may sell or cause such transferee to sell such interest of the transferee in the Class Q-2 Security to a permitted transferee under this Indenture on such terms as the Issuer may choose.

(k) Prior to the issuance of the Class Q-2 Securities pursuant to this Indenture, the Trustee shall, in addition to the other conditions precedent set forth in this Indenture, have received:

(i) The Grant pursuant to the granting clause hereof of all of the Issuer's right, title and interest in and to the Class Q-2 Securities Collateral securing the Class Q-2 Securities and delivery of such Class Q-2 Securities Collateral to the Trustee or its nominee, which, if any Class Q-2 Collateral is held through an intermediary shall be deemed to have occurred upon receipt of evidence satisfactory to the Trustee that on or before the Closing Date, the Issuer shall have purchased or entered into agreements to purchase such Class Q-2 Securities Collateral and that such Class Q-2 Securities Collateral has been credited by the Securities Intermediary to the Class Q-2 Securities Collateral Account.

(ii) A certificate of an Authorized Officer of the Issuer, dated as of the Closing Date, to the effect of Section 3.2(b) with respect to each Class Q-2 Collateral Asset pledged to the Trustee for inclusion in the Class Q-2 Securities Collateral.

(l) Section 3.3 shall be applicable to the Class Q-2 Securities Collateral (including Eligible Investments on deposit in the Class Q-2 Securities Collateral Account) and the Class Q-2 Securities Collateral Account; provided, that references to (x) Pledged Securities shall be to the Class Q-2 Securities Collateral other than the Class Q-2 Securities Collateral Account and (y) Trust Account shall be to the Class Q-2 Securities Collateral Account.

(m) Class Q-2 Events of Default.

(i) For the purposes of this Indenture, a "Class Q-2 Event of Default" wherever used herein, means any one of the following events (whatever the reason for such Class Q-2 Event of Default, and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(A) a default in the payment, when due and payable, of any Periodic Interest on the Class Q-2A Securities, which default shall continue for a period of five days (provided that the failure to pay Periodic Interest on the Class Q-2A Securities because insufficient funds are available in accordance with the Class Q-2 Priority of Payments will not constitute a Class Q-2 Event of Default);

(B) a default in the payment of principal of any Class Q-2 Security on the Maturity Date; provided that, in the case of a default in such payment due solely to an administrative error or omission by the Trustee or any Paying Agent, such default continues for a period of five days;

(C) a failure to apply, within five days following any Payment Date or Class Q-2 Maturity Date, available amounts in accordance with Section 2.17(d) or a default in payment solely due to an administrative error or omission by the Trustee, which default continues for a period of five days;

(D) either of the Issuers or the Class Q-2 Securities Collateral becomes an investment company required to be registered under the Investment Company Act;

(E) except as otherwise provided in this Section 2.17(m), a default in any respect in the performance, or a breach of any covenant, warranty or other agreement of the Issuers in this Indenture, or the failure of any representation or warranty of the Issuers made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all respects when the same shall have been made, which default, breach or failure would have a material adverse effect on the Holders of the Class Q-2 Securities and continuance of such default, breach or failure for a period of 30 calendar days after written notice shall have been given to the Issuers by the Trustee or to the Issuers and the Trustee by the Class Q-2 Requisite Securityholders specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; and

(F) an Event of Default pursuant to 5.1(h) or (i) has occurred.

(ii) Acceleration of Maturity; Rescission and Annulment.

(A) If a Class Q-2 Event of Default (other than a Class Q-2 Event of Default specified in clause (i)(D) or (F) hereof) occurs and is continuing, the Trustee shall, at the written direction of Class Q-2 Requisite Securityholders, declare the principal of and any accrued interest on the Class Q-2A Securities to be immediately due and payable, by a notice in writing to the Issuers and the Swap Counterparty, with a copy to the Rating Agencies, and the Reference Portfolio Manager. In the absence of any such written direction, the Trustee shall take no action. If a Class Q-2 Event of Default of the type described in clause (i)(D) or (F) occurs, the principal of and accrued interest on the Class Q-2A Securities automatically shall become immediately due and payable without any action of the Trustee or any other Person.

(B) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in this clause (m), the Class Q-2 Requisite Securityholders, may rescind and annul such declaration and its consequences by written notice to the Trustee and the Issuers, if (a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay (x) all overdue amounts payable on or in respect of the Class Q-2 Securities (other than amounts due solely as a result of the acceleration); (y) to the extent that payment of interest on such amount is lawful, interest on such overdue amounts at the Class Q-2A Interest Rate (in the case of the Class Q-2A Securities); and (z) (i) the reasonable compensation, expenses, disbursement and advances of the Trustee, its agents and counsel in connection with such Class Q-2 Event of Default and (ii) unpaid Class Q-2 Administrative Expenses, and (b) the Trustee has determined that all Class Q-2 Events of Default, other than the nonpayment of such amount that has become due solely by such acceleration, have been cured, and the Class Q-2 Requisite Securityholders by written notice to the Trustee have agreed with such determination (which agreement shall not unreasonably be withheld), or waived as provided in Section 5.15.

(C) No such rescission shall affect any subsequent Class Q-2 Event of Default or impair any rights consequent thereon.

(iii) Priority of Payment on Acceleration

Upon the acceleration of the Class Q-2A Securities (whether or not the Trustee sells or liquidates the Class Q-2 Securities Collateral), the moneys in the Class Q-2 Securities Collateral Account will thereafter be applied in accordance with the Class Q-2 Priority of Payments pursuant to Section 2.17(d).

Upon the acceleration of the Class Q-2A Securities, if the Class Q-2 Securities Collateral has not been sold or liquidated, the funds in the Class Q-2 Securities Collateral Account, if any, will be applied in accordance with the Class Q-2 Priority of Payments pursuant to Section 2.17(d) on each Payment Date. If the Class Q-2 Securities Collateral is sold or liquidated, a final distribution will be made pursuant thereto on the first Business Day following the last day on which an item of the Class Q-2 Securities Collateral is sold or liquidated (and no interim distributions will be made on any date (including on any Payment Date) during the sale or liquidation process).

The Trustee may fix a record date and payment date for any payment to Holders of Class Q-2 Securities pursuant to this Section 2.17(m)(iii). At least fifteen (15) days before such record date, the Trustee shall mail to each Holder of a Class Q-2 Security a notice that states the record date, the payment date and the amount to be paid.

(iv) Remedies. The provision of Sections 5.4, 5.5, 5.6, 5.7, 5.9, 5.10, 5.11, 5.12, 5.13, 5.14, 5.15, 5.16, 5.17, 5.18 and 5.20 with the following modifications shall be applicable solely with respect to the Class Q-2 Securities Collateral and the Class Q-2 Securities: (A) references to (1) the Trust Estate shall be to the Class Q-2 Securities Collateral, (2) Event of Default shall be to Class Q-2 Event of Default, (3) the Collection Account shall be to cash in the Class Q-2 Securities Collateral Account; (4) Sections 5.8 and 8.6 with respect to a Class Q-2 Event of Default shall be to Section 2.17(d), (5) Secured Parties shall be to the Holders of Class Q-2 Securities, (6) Requisite Noteholders shall be to Class Q-2 Requisite Securityholders; and the most senior Class of Notes shall be to the Class Q-2A Securities so long as any Class Q-2A Securities are Outstanding and thereafter to the Class Q-2B Securities, (7) the Notes shall be to the Class Q-2 Securities, (8) Noteholders shall be to the Holders of Class Q-2 Securities, (9) the Maturity Date shall be to the Class Q-2 Maturity Date, (10) the Senior Notes shall be to the Class Q-2A Securities, (11) the Income Notes shall be to the Class Q-2B Securities and (12) the Swap Counterparty (except in Section 5.20(b)), Swap Agreement, Accrued Swap Liabilities, Swap Event of Default, Base Amount and Subordinate Amount shall be disregarded and "other Secured Party" shall be disregarded; (B) (1) the reference in Section 5.5(a)(i) to Administrative Expenses shall be to Class Q-2 Administrative Expense, (2) Section 5.5(a)(ii) shall not be applicable, and (3) Section 5.5(a)(iii) shall be replaced with "the Class Q-2 Requisite Securityholders direct the Trustee at any time following the acceleration of the Class Q-2 Securities to sell or liquidate the Class Q-2 Securities Collateral"; and (C) the second sentence of Section 5.5(c) shall not be applicable.

Nothing in this provision shall affect the rights of the Holders of Notes pursuant to Article V of this Indenture. Notwithstanding anything to the contrary herein, no Holder of Class Q-2 Securities will be entitled (i) to direct the Trustee or exercise any right or remedy or bring any proceeding with respect to the Trust Estate pursuant to this Indenture other than through and solely to the extent of the rights pertaining to the Class Q-2 Collateral Asset A under this Indenture or (ii) while the Notes are Outstanding, to bring any Proceeding against the Issuer other than solely in respect of the Class Q-2 Securities Collateral. For the avoidance of doubt, so long as the Notes are Outstanding, any such Proceeding with respect to the Class Q-2 Securities Collateral shall not include any bankruptcy or similar proceedings. The costs of any Proceedings by Holders of Class Q-2 Securities and the costs, charges and expenses incurred by the Trustee in connection with any sale or liquidation of the Class Q-2 Securities Collateral pursuant to this provision shall not be payable from the Trust Estate (except to the extent included in the Class Q-2 Securities Collateral pursuant to the definition thereof).

SECTION 3.2 Security for the Notes.

Prior to the issuance of the Notes pursuant to this Indenture, the Trustee shall, in addition to the other conditions precedent set forth herein, have received the following:

(a) Grant of Eligible Investments. The Grant pursuant to the granting clause hereof of all of the Issuer’s right, title and interest in and to the Eligible Investments securing the Notes and delivery of such Eligible Investments to the Trustee or its nominee, which, if any such Eligible Investments are held through an intermediary shall be deemed to have occurred upon receipt of evidence satisfactory to the Trustee that on or before the Closing Date, the Issuer shall have purchased or entered into agreements to purchase Eligible Investments having an aggregate principal balance equal to or greater than \$247,500,000, and that such Eligible Investments have been credited by the Securities Intermediary to a Trust Account.

(b) Certificate of the Issuer. A certificate of an Authorized Officer of the Issuer, dated as of the Closing Date, to the effect that, in the case of each Eligible Investment pledged to the Trustee for inclusion in the Trust Estate on the Closing Date and immediately prior to the delivery thereof on the Closing Date:

(i) the Issuer is the owner of such Eligible Investment free and clear of any liens, claims or encumbrances of any nature whatsoever except for those which are being released on the Closing Date and except for those Granted pursuant to this Indenture;

(ii) the Issuer has acquired its ownership in such Eligible Investment in good faith without notice of any adverse claim, except as described in paragraph (i) above;

(iii) the Issuer has not assigned, pledged or otherwise encumbered any interest in such Eligible Investment (or, if any such interest has been assigned, pledged or

otherwise encumbered, it has been released) other than interests Granted pursuant to this Indenture;

(iv) the Issuer has full right to Grant a security interest in and assign and pledge such Eligible Investment to the Trustee;

(v) the Eligible Investments included in the Trust Estate satisfy the requirements of the definition of Eligible Investment and of Section 3.2(a); and

(vi) upon Grant by the Issuer, the Trustee has a first priority security interest in the Trust Estate.

SECTION 3.3 Custodianship; Delivery of Eligible Investments.

(a) Subject to the limited right to relocate Pledged Securities set forth in Section 7.5(b), the Trustee shall hold all Pledged Securities purchased in accordance with this Indenture in the relevant Trust Account established and maintained pursuant to Article VIII, as to which in each case the Trustee shall have entered into an Account Agreement, providing, *inter alia*, that the establishment and maintenance of such Trust Account will be governed by a law of a jurisdiction satisfactory to the Issuer and the Trustee and such jurisdiction will be the securities intermediary's jurisdiction for purposes of Articles 8 of the UCC and the bank's jurisdiction for purposes of Article 9 of the UCC.

(b) Each time that the Issuer shall direct or cause the acquisition of any Eligible Investment, the Issuer shall, if such Eligible Investment has not already been transferred to the relevant Trust Account, cause such Eligible Investment to be Delivered. The security interest of the Trustee in the funds or other property utilized in connection with such acquisition shall, immediately and without further action on the part of the Trustee, thereupon be released. The security interest of the Trustee shall nevertheless come into existence and continue in such Eligible Investment so acquired, including all rights of the Issuer in and to any contracts related to and proceeds of such Eligible Investment.

(c) Notwithstanding any of the foregoing, any Delivery shall include the taking of such steps as are necessary to ensure that all payments with respect to any item of the Trust Estate shall be made directly to the Trustee for credit to a Trust Account.

SECTION 3.4 The Swap Agreement.

(a) On the Closing Date, the Issuer shall enter into the Swap Agreement with the Swap Counterparty. The Swap Agreement shall terminate, or may be terminated, in accordance with its terms, whether or not the Notes of any Class have been paid in full prior to such termination. If the Swap Agreement has been terminated early while any Class of Notes remains Outstanding, except as provided in paragraphs (b) and (c) below, the Issuer shall use its best efforts to enter into a substitute swap agreement on similar terms to the extent that the Issuer has adequate funds and is otherwise able to enter into such an agreement.

(b) If at any time the Swap Agreement becomes subject to early termination due to the occurrence of a Swap Event of Default with respect to the Swap Counterparty or a Swap

Additional Termination Event with respect to which the Swap Counterparty is the affected party thereunder, the Issuer and the Trustee, upon written direction of the Requisite Noteholders, shall take such actions (following the expiration of any applicable grace period) to enforce the rights of the Issuer and the Trustee under the Swap Agreement and this Indenture as may be permitted by the terms of the Swap Agreement and consistent with the terms hereof. In such case, subject to paragraph (c) below, the Issuer shall apply the proceeds of any such actions (including, without limitation, the proceeds of the liquidation of any collateral pledged by the Swap Counterparty) to enter into a replacement swap agreement on substantially identical terms or on such other terms for which the Issuer receives Rating Confirmation (and with respect to which the Reference Portfolio Manager may, but is not obligated to, propose a replacement swap counterparty); provided that such replacement swap agreement has been approved by both (i) the Holders of a majority of the Aggregate Principal Amount of the Senior Notes (voting together as a single class), and (ii) the Holders of a majority of the Aggregate Principal Amount of the Income Notes. Any costs attributable to entering into a replacement swap agreement which exceed the amount of any termination payment received from the Swap Counterparty upon the termination of the Swap Agreement or to the extent not paid by the Swap Counterparty, shall be borne solely by the Issuer and shall constitute Administrative Expenses payable in accordance with Section 8.6. If any such termination payment received from the Swap Counterparty exceeds the costs attributable to entering into a replacement Swap Agreement, the excess amount will be deposited into the Collateral Account and applied in accordance with Section 8.6(b).

(c) Notwithstanding anything to the contrary herein, if the Swap Agreement has been terminated and the Notes have been accelerated in accordance with Section 5.3, no substitute Swap Agreement will be entered into, and any proceeds received from the Swap Counterparty upon termination of the Swap Agreement will be distributed in accordance with Section 5.8.

ARTICLE IV

SECTION 4.1 Satisfaction and Discharge of Indenture.

This Indenture shall be discharged and shall cease to be of further effect (A) with respect to the obligations of the Issuers under the Securities and the Trust Estate securing the obligations of the Issuers under the Securities and (B) with respect to the obligations of the Issuer under the Class Q-2 Securities and the Class Q-2 Securities Collateral securing the obligations of the Issuer under the Class Q-2 Securities, in either case except as to (i) rights of registration of transfer and exchange of Securities, (ii) substitution or replacement of mutilated, destroyed, lost or stolen Securities, (iii) rights of the Swap Counterparty and the Holders and beneficial owners of the Securities to receive payment as provided herein (including as provided in Section 8.6), (iv) the rights, obligations and immunities of the Trustee hereunder, and the obligations of the Trustee with respect to any funds or obligations deposited with the Trustee and (v) the rights of Secured Parties as beneficiaries hereof with respect to the property deposited with the Trustee (other than the Class Q-2 Securities Collateral) and payable to all or any of them and the rights of the Holders of Class Q-2 Securities with respect to the Class Q-2 Securities Collateral; and the

Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

(a) all Securities theretofore authenticated and delivered (other than (A) Securities that have been mutilated, destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.7 hereof and (B) Securities for whose payment money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3(c)) have been delivered to the Trustee for cancellation;

(b) the Issuer has paid or caused to be paid all sums payable hereunder (including amounts payable pursuant to the Swap Agreement and the Collateral Administration Agreement) and no other amounts will become due and payable by the Issuers;

(c) the Issuers have delivered to the Trustee and the Swap Counterparty Officer's Certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with; and

(d) the Swap Agreement has been terminated.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Issuers, the Trustee and, if applicable, the Holders of the Securities, as the case may be, under Articles 2 and 8 and under Sections 4.2, 5.10, 5.18, 6.1, 6.2, 6.6, 7.1, 7.3, and 11.16 shall continue.

SECTION 4.2 Application of Trust Funds.

All funds deposited with the Trustee pursuant to Section 4.1 hereof shall be held in trust by the Trustee and applied by it, in accordance with the provisions of the Securities and this Indenture, including Section 8.6 and Section 2.17(d), to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, and such funds shall be held (i) in a segregated trust account identified as being held in trust for the benefit of the Secured Parties and (ii) in a segregated trust account identified as being held in trust for the benefit of the Holders of the Class Q-2 Securities, as applicable. Except as specifically provided herein, the Trustee shall not be responsible for payment of interest upon any funds deposited with it.

ARTICLE V

DEFAULT AND REMEDIES

SECTION 5.1 Events of Default.

For the purposes of this Indenture, "Event of Default" wherever used herein, means any one of the following events (whatever the reason for such Event of Default, and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of any Periodic Interest on any Class of Senior Notes, which default in each case shall continue for a period of five days; provided that (except on the Maturity Date and the date of redemption in full of the Class B Notes or Class C Notes), the failure to pay Periodic Interest on the Class B Notes, Class C-1 Notes or Class C-2 Notes, as the case may be, because insufficient funds are available in accordance with the Priority of Payments will not constitute an Event of Default so long as any more senior Class of Notes then remains Outstanding;

(b) a default in the payment of principal of any Senior Note (and any Make-whole Premium, if applicable) on the Maturity Date, Optional Redemption Date or Tax Redemption Date; provided that, in the case of a default in such payment due solely to an administrative error or omission by the Trustee or any Paying Agent, such default continues for a period of five days;

(c) a default in the payment of any net amounts owed by the Issuer to the Swap Counterparty under the Swap Agreement, which default shall continue for a period of two Business Days; provided that the failure to pay any amount payable to the Swap Counterparty pursuant to Section 8.6(a)(xiii) or (xv) or Section 8.6(b)(xvi) or (xvii) because insufficient funds are available in accordance with such Priority of Payments will not constitute an Event of Default, so long as any Senior Notes are then Outstanding;

(d) a failure to apply, within five days following any Payment Date or Maturity Date, Optional Redemption Date or Tax Redemption Date, available amounts in accordance with the Payment Date Priority of Payments or Principal Priority of Payments, as applicable, set forth under Section 8.6 or a default in payment solely due to an administrative error or omission by the Trustee, which default continues for a period of five days;

(e) the early termination of the Swap Agreement and the failure by the Issuer to enter into a replacement Swap Agreement within 60 days of such termination;

(f) either of the Issuers or the Trust Estate becomes an investment company required to be registered under the Investment Company Act;

(g) except as otherwise provided in this Section 5.1, a default in any respect in the performance, or a breach of any covenant, warranty or other agreement of the Issuers in this Indenture, or the failure of any representation or warranty of the Issuers made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all respects when the same shall have been made, which default, breach or failure would have a material adverse effect on the Holders or beneficial owners of the Notes and continuance of such default, breach or failure for a period of 30 calendar days after written notice shall have been given to the Issuers and the Swap Counterparty by the Trustee or to the Issuers, the Swap Counterparty and the Trustee by the Holders of more than 25% of the Aggregate Principal Amount of the Senior Notes specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(h) the entry of a decree or order by a court having jurisdiction in the premises adjudging either the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect

of either the Issuer or the Co-Issuer under any applicable Bankruptcy Law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of either the Issuer or the Co-Issuer or of any substantial part of their respective property, or ordering the winding up or liquidation of their affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive calendar days; or

(i) the institution by either the Issuer or the Co-Issuer of proceedings to be adjudicated as bankrupt or insolvent, or the consent by either the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency proceedings against it, or the filing by either the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under any Bankruptcy Law, or the consent by either the Issuer or the Co-Issuer to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of either the Issuer or the Co-Issuer or of any substantial part of their respective property, or to the ordering of the winding up or liquidation of their affairs, or the making by either the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by either the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by either the Issuer or the Co-Issuer in furtherance of any such action.

SECTION 5.2 Rights of Swap Counterparty upon Event of Default. Unless (a) the Swap Agreement has been terminated and all amounts owed to the Swap Counterparty have been paid in full, or (b) a Swap Event of Default has occurred and is continuing as to which the Swap Counterparty is the defaulting party while any Senior Notes are Outstanding, the Swap Counterparty shall have the rights set forth under Sections 5.3, 5.5 and 5.15 upon the occurrence of an Event of Default hereunder.

SECTION 5.3 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 5.1(f), (h) or (i) hereof) occurs and is continuing, the Trustee shall, at the written direction of the Requisite Noteholders or the Swap Counterparty (unless the Swap Agreement has been terminated and all amounts owed to the Swap Counterparty thereunder have been paid in full or a Swap Event of Default as to which the Swap Counterparty is the defaulting party has occurred and is continuing while any Senior Notes are Outstanding), declare the principal of and any accrued interest on the Notes to be immediately due and payable, by a notice in writing to the Issuers and the Swap Counterparty (if the declaration was made at the direction of the Requisite Noteholders), with a copy to the Rating Agencies, the Investment Agreement Counterparty and the Reference Portfolio Manager. In the absence of any such written direction, the Trustee shall take no action. If an Event of Default of the type described in clause 5.1(f), (h) or (i) occurs, the principal of and accrued interest on the Notes automatically shall become immediately due and payable without any action of the Trustee or any other Person.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in this Article V, the Requisite Noteholders, with the written consent of the Swap Counterparty (unless the Swap Agreement has been terminated and all amounts owed to the Swap Counterparty thereunder have been paid in full or a Swap Event of Default as to which

the Swap Counterparty is the defaulting party has occurred and is continuing while any Senior Notes are Outstanding), may rescind and annul such declaration and its consequences by written notice to the Trustee and the Issuers, if:

(i) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue amounts payable on or in respect of the Notes (other than amounts due solely as a result of the acceleration) and the Swap Agreement;

(B) to the extent that payment of interest on such amount is lawful, interest on such overdue amounts at the applicable Interest Rate (in the case of the Senior Notes) and the applicable default rate under the Swap Agreement (in the case of the Swap Agreement);

(C) all unpaid Administrative Expenses and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(ii) the Trustee has determined that all Events of Default, other than the nonpayment of such amount that has become due solely by such acceleration, have been cured, and the Requisite Noteholders by written notice to the Trustee have agreed with such determination (which agreement shall not unreasonably be withheld), or waived as provided in Section 5.15.

(c) No such rescission shall affect any subsequent Event of Default or impair any rights consequent thereon.

SECTION 5.4 Remedies.

If an Event of Default shall have occurred and be continuing, and the Notes have been declared or have become due and payable and such declaration and its consequences have not been rescinded and annulled, or at any time on or after the Maturity Date, subject to the provisions of Section 5.5, and provided that adequate provision is made for the payment of any expenses incurred by the Trustee in accordance with Section 6.6, the Trustee shall, upon written direction by the Requisite Noteholders, do one or more of the following:

(a) institute Proceedings for the collection of all amounts then payable on the Notes or under this Indenture, whether by declaration or otherwise, enforce any judgment obtained and collect from the Trust Estate moneys adjudged due;

(b) sell all or a portion of the Trust Estate or rights of interest therein at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.20;

(c) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;

(d) exercise any remedies of a secured party under the applicable UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee or the Noteholders hereunder; or

(e) exercise any other rights and remedies that may be available at law or in equity.

SECTION 5.5 Retention of Trust Estate.

(a) If an Event of Default has occurred and is continuing, the Trustee shall retain the Trust Estate intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all amounts in respect of the Trust Estate and the Notes in accordance with the terms of this Indenture (including paying all amounts owed by the Issuer under the Swap Agreement); provided, that if the Notes have been declared or have become due and payable pursuant to Section 5.3, the Trustee shall apply any moneys in the Collection Account pursuant to Section 5.8. The Trustee shall not sell or liquidate the Trust Estate pursuant to Section 5.4 unless the Notes have been declared or have become due and payable pursuant to Section 5.3 or following the Maturity Date and one of the following conditions exists:

(i) The Trustee determines that the anticipated net proceeds of a sale or liquidation of the Trust Estate would be sufficient to pay (a) to the appropriate Persons any accrued and unpaid Administrative Expenses, (b) to the Swap Counterparty all Accrued Swap Liabilities and (c) to the Holders of the Senior Notes the principal of and interest accrued on the Senior Notes to the date of acceleration. The Trustee shall make or cause to be made the calculation required by this paragraph promptly after the acceleration of the Notes and on each monthly anniversary thereafter. In the event that the conditions of this clause (i) are satisfied, the Trustee shall promptly effect the sale or liquidation of the Trust Estate and apply the proceeds as described in Section 5.8;

(ii) Unless the Swap Agreement has been terminated and the Swap Counterparty has been paid in full the amount owed to it thereunder or unless a Swap Event of Default as to which the Swap Counterparty is the defaulting party has occurred and is continuing while any Senior Notes are Outstanding, the Swap Counterparty at any time following the acceleration of the Notes directs the Trustee to sell or liquidate the Trust Estate; or

(iii) If the Swap Agreement has been terminated and the Swap Counterparty has been paid in full the amount owed to it thereunder or if a Swap Event of Default as to which the Swap Counterparty is the defaulting party has occurred and is continuing while any Senior Notes are Outstanding, the Requisite Noteholders direct the Trustee at any time following the acceleration of the Notes to sell or liquidate the Trust Estate.

For purposes of (i) and (iii), the amounts due and payable under the Swap Agreement will be calculated taking into account the amount of any accrued and unpaid Base Amount, Subordinate Amount and Incentive Amount, in each case as provided in the Swap Agreement.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Trust Estate securing the obligations of the Issuer under the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain bid prices with respect to each asset in the Trust Estate from two nationally recognized dealers at the time making a market in such assets or similar assets, specified by the Swap Counterparty in writing so long as the Swap Agreement has not been terminated and additional amounts payable to the Swap Counterparty thereunder have been paid in full and otherwise selected by the Requisite Noteholders, and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such asset. In the case of each calculation made by the Trustee pursuant to Section 5.5(a)(i), the Trustee shall obtain a letter of an independent certified public accountant of national standing confirming the accuracy of the computations of the Trustee and certifying their conformity to the requirements of this Indenture.

The Trustee shall deliver to the Noteholders (with a copy to the Swap Counterparty and the Reference Portfolio Manager) a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after making such determination but in any case after such sale or liquidation.

SECTION 5.6 Trustee May File Proofs of Claim.

(a) In case there shall be pending Proceedings relative to the Issuer, the Co-Issuer or any other obligor upon the Notes under any Bankruptcy Law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or such other obligor, or in case of any voluntary dissolution, liquidation or winding up of the Issuer, the Co-Issuer or such other obligor, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of Section 5.3, the Trustee shall be entitled and empowered to, by intervention in such Proceedings or otherwise:

(i) file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Senior Notes and any distributions owed with respect to the Income Notes, and file such other papers or documents and take such other action, including participating as a member, voting or otherwise, of any committee of creditors, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee or any Secured Party, except as a result of negligence or bad faith) and of the Secured Parties allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(ii) unless otherwise directed by the Requisite Noteholders, or prohibited by applicable law and regulations, vote on behalf of the Holders of the Notes in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(iii) collect and receive any moneys or other property payable to or deliverable on any such claims, and distribute in accordance with Section 5.8 all amounts received with respect to the claims of the Secured Parties and of the Trustee on their behalf; and any trustee, receiver, liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Notes and the other Secured Parties to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Secured Parties, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee or any Holder of a Note or other Secured Party except as a result of negligence or bad faith of the Trustee.

(b) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder of a Note or any other Secured Party any plan of reorganization, arrangement, adjustment or compromise affecting the Notes or the rights of any Holder thereof or any other Secured Party, or to authorize the Trustee to vote in respect of the claim of any Holder of a Note or any other Secured Party in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member of any committee of creditors.

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes and all other Secured Parties subject to the provisions of this Indenture, and it shall not be necessary to make any Holders of the Notes or any other Secured Party parties to any such Proceedings.

SECTION 5.7 Trustee May Enforce Claims Without Possession of Notes.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.8 hereof.

SECTION 5.8 Priority of Payment on Acceleration.

Upon the acceleration of the Notes (whether or not the Trustee sells or liquidates the Trust Estate), the moneys in the Collection Account (and the moneys in all of the Trust Accounts, in the case of a complete liquidation of the Trust Estate) will thereafter be applied in

the following order of priority, with each priority being fully paid prior to such proceeds being used to pay any lower priority (subject to Section 5.5):

(a) to the payment of any accrued and unpaid Administrative Expenses (in the order set forth in the definition thereof) in an amount not exceeding the Expense Cap Amount;

(b) to the Swap Counterparty, any accrued and unpaid Accrued Swap Liabilities, except any Swap Termination Payment due to the Swap Counterparty upon the early termination of the Swap Agreement as a result of a Swap Event of Default as to which the Swap Counterparty is the defaulting party or as a result of a Swap Additional Termination Event;

(c) after acceleration of the Notes but before the sale or liquidation of the Trust Estate, to the Collateral Account, to the extent required to maintain the same ratio between the Aggregate Reference Value and the sum of (i) Eligible Investments and (ii) moneys credited to the Collateral Account as the ratio in effect on the Closing Date between the Swap Notional Amount and the net proceeds realized from the sale of the Securities that were deposited into the Collateral Account;

(d) to the Holders of the Class A-1 Notes, first accrued and unpaid interest on the Class A-1 Notes to the date of acceleration and then the Aggregate Principal Amount of the Class A-1 Notes;

(e) to the Holders of the Class A-2 Notes, first accrued and unpaid interest on the Class A-2 Notes to the date of acceleration and then the Aggregate Principal Amount of the Class A-2 Notes;

(f) to the Holders of the Class B Notes, first, accrued and unpaid interest (including Deferred Interest) on the Class B Notes and then, the Aggregate Principal Amount of the Class B Notes;

(g) first, on a pro rata basis, to the Holders of the Class C-1 Notes, accrued and unpaid interest (including Deferred Interest) on the Class C-1 Notes and to the Holders of the Class C-2 Notes, accrued and unpaid interest (including Deferred Interest) on the Class C-2 Notes, to the date of acceleration and then, on a pro rata basis, to the Holders of the Class C-1 Notes, the Aggregate Principal Amount of the Class C-1 Notes and to the Holders of the Class C-2 Notes, the Aggregate Principal Amount of the Class C-2 Notes;

(h) to the Swap Counterparty, any Swap Termination Payment due to the Swap Counterparty, to the extent not paid pursuant to clause (b) above;

(i) to the payment first, of any accrued and unpaid Administrative Expenses (in the order set forth in the definition thereof) to the extent not paid pursuant to clause (a) above and then, any accrued and unpaid Subordinated Administrative Expenses;

(j) to the payment of any unpaid Extension Bonus Payments (i) first, to the applicable Holders of Class A-1 Notes, (ii) then, to the applicable Holders of Class A-2 Notes, (iii) then, to the applicable Holders of Class B Notes, and (iv) then, on a pro rata basis, to the applicable Holders of Class C-1 Notes and the applicable Holders of Class C-2 Notes; and

(k) to the Holders of the Income Notes, any remaining funds.

Upon the acceleration of the Notes, if the Trust Estate has not been sold or liquidated, the funds in the Collection Account, if any, will be applied in accordance with the above priority of payments on each Payment Date. If the Trust Estate is sold or liquidated, a final distribution will be made pursuant thereto on the first Business Day following the last day on which an item of the Trust Estate is sold or liquidated (and no interim distributions will be made on any date (including on any Payment Date) during the sale or liquidation process).

The Trustee may fix a record date and payment date for any payment to Noteholders pursuant to this Section 5.8. At least fifteen (15) days before such record date, the Trustee shall mail to each Holder of a Note a notice that states the record date, the payment date and the amount to be paid.

SECTION 5.9 Limitation of Suits.

No Holder of any Note shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture, or to appoint a receiver or trustee, or to seek any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) the Holders of at least 25% of the Aggregate Principal Amount of the most senior Class of Notes then Outstanding have made written request to the Trustee to institute such Proceeding in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee in form and substance against the costs, expenses and liabilities to be incurred in complying with such request;

(d) the Trustee, for 30 days after its receipt of such notice, request and offer of indemnity or security, has failed to institute such Proceedings; and

(e) if Holders of 50% or less of the Aggregate Principal Amount of the most senior Class of Notes have requested initiation of proceedings, no written direction inconsistent with such written request has been given to the Trustee during such 30-day period by the Holders of at least 25% of the Aggregate Principal Amount of the most senior Class of Notes then Outstanding;

it being understood and intended that no one or more Holders of the Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the same Class or to obtain or to seek to obtain priority or preference over any other such Holders of the same Class (except as otherwise contemplated by this Indenture) or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all such Holders of the same Class, and provided that any such Proceedings will be subject to the limitations on the liquidation of the Trust Estate described in Section 5.5. Subject to the provisions hereof, for the

protection and enforcement of the provisions of this Section 5.9, each and every Holder shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provisions of this Indenture, if the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the most senior Class of Notes then Outstanding under this Section 5.9, each representing 50% or less of the Aggregate Principal Amount of the Notes of that Class, the Trustee shall not take any action.

Notwithstanding anything to the contrary herein, no Holder of Income Notes shall be entitled to institute Proceedings or to seek any other remedy hereunder unless all of the Senior Notes have been redeemed in full and the Swap Agreement has been terminated and any amounts owed to the Swap Counterparty thereunder have been paid in full.

SECTION 5.10 Rights of Noteholders to Receive Principal and Interest.

(a) Notwithstanding any other provision in this Indenture, but subject to the provisions of Sections 2.3(b), 2.8, 5.2, 5.5, 5.8, and 8.6 hereof, the Holder of any Senior Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note as such principal and interest become due and payable in accordance with Sections 2.8, 5.8 and 8.6 and, subject to Sections 5.2, 5.5 and 5.9, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(b) If collections in respect of the Trust Estate are insufficient to make payments on the Notes, no other assets will be available for payment of the deficiency following realization on the Trust Estate, and the obligations of the Issuers to pay any deficiency shall be extinguished and shall not thereafter revive.

SECTION 5.11 Restoration of Rights and Remedies.

If the Trustee, any Holder of any Note or any other Secured Party has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee, to such Holder of a Note or to such other Secured Party, then and in every such case the Issuer, the Co-Issuer, the Trustee, the Holders of the Notes and such other Secured Parties shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, the Holders of the Notes and such other Secured Parties shall continue as though no such Proceeding has been instituted.

SECTION 5.12 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Swap Counterparty, the Trustee or to the Holders of the Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or

otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.13 Delay or Omission Not a Waiver.

No delay or omission of the Swap Counterparty, the Trustee or any Holder of a Note to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Subject to Section 5.2, every right and remedy given by this Article V or by law to the Swap Counterparty, the Trustee or to the Holders of the Notes may be exercised from time to time, and as often as may be deemed expedient, by the Swap Counterparty, the Trustee or by the Holders of the Notes, as the case may be.

SECTION 5.14 Control by Noteholders.

Notwithstanding any other provision of this Indenture, but subject to Section 5.2 and Section 5.5, the Requisite Noteholders shall have the right (a) to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or (b) subject to Section 6.2(e), to direct the Trustee with respect to its exercise of any right, remedy, trust or power conferred on the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with any express provision of this Indenture (including without limitation, any provision hereof which expressly provides for a greater percentage of any Class of Notes or an additional Class of Notes to effect an action hereunder and any provision providing express personal protection to the Trustee or a limitation on the liability of the Issuer as set forth in Section 2.8(h) hereof); and

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, however, that, subject to Section 6.1, the Trustee need not take any action that it reasonably determines might involve it in liability (unless the Trustee has received reasonably satisfactory indemnity or security against such liability as set forth herein). During the continuance of an Event of Default that has not been cured, the Trustee shall, prior to the receipt of directions, if any, from the Swap Counterparty or Requisite Noteholders, as applicable, or any other relevant Noteholders, exercise such of the rights and powers expressly vested in it by this Indenture and use the same degree of care and skill in their exercise, with respect to such Event of Default, as is required by Section 6.1(f) hereof.

SECTION 5.15 Waiver of Past Defaults.

(a) Prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 5.3 and subject to the provisions of Section 5.2, the Requisite Noteholders and the Swap Counterparty may jointly waive any past Default or Event of Default and its consequences except a Default (or an Event of Default arising from such Default) (i) in the payment of principal of or interest on any of the Notes or (ii) in respect of a covenant or provision hereof which cannot be modified or amended without the consent of all of the affected Noteholders. In the case of any such waiver, the Issuer, the Co-Issuer, the Trustee and the Noteholders shall be restored to their former positions and rights hereunder, respectively.

(b) Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Swap Counterparty, the Reference Portfolio Manager, each Rating Agency and the Investment Agreement Counterparty.

SECTION 5.16 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any Proceeding for the enforcement of any right or remedy under this Indenture, or in any Proceeding against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such Proceeding of an undertaking to pay the reasonable costs of such Proceeding and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such Proceeding, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided, that the provisions of this Section 5.16 shall not apply to:

(a) any Proceeding instituted by the Trustee;

(b) any Proceeding instituted by any Holder of a Note, or group of Holders of the Notes, in each case holding in the aggregate more than 10% of the Aggregate Principal Amount of the Notes; or

(c) any Proceeding instituted by any Holder of a Note for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture.

SECTION 5.17 Waiver of Stay or Extension Laws.

Each of the Issuer and the Co-Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of or the exercise of any remedies under this Indenture. Each of the Issuer and the Co-Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, any Noteholder or the Swap Counterparty, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.18 Action on Notes.

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee, the Holders of the Notes or any other Secured Party shall be impaired by the

recovery of any judgment by the Trustee against the Issuer, the Co-Issuer or the Swap Counterparty or by the levy of any execution under such judgment upon any portion of the assets of the Issuer, the Co-Issuer or the Swap Counterparty.

SECTION 5.19 Performance and Enforcement of Certain Obligations.

(a) Promptly following a request from the Trustee to do so, the Issuer agrees to take all such lawful action as the Trustee may request to compel or secure the performance and observance by the Swap Counterparty or Swap Guarantor of its obligations to the Issuer under or in connection with the Swap Agreement or Swap Guarantee, as applicable, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Swap Agreement or the Swap Guarantee to the extent and in the manner directed by the Trustee, including the transmission of notices of default on the part of the Swap Counterparty or Swap Guarantor thereunder, and the institution of Proceedings to compel or secure performance by the Swap Counterparty of its obligations under the Swap Agreement or Swap Guarantor, as applicable.

(b) If an Event of Default has occurred and is continuing, the Trustee may, and, at the direction (which direction shall be in writing) of the Holders of a majority of the Aggregate Principal Amount of the Senior Notes, voting together, shall, subject to the right of the Trustee to receive indemnity or security in accordance with Section 6.2(e) or otherwise hereunder against costs, expenses and liabilities in form and substance reasonably satisfactory to the Trustee and subject to Section 5.14, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Swap Counterparty and the Swap Guarantor, under or in connection with the Swap Agreement or Swap Guarantee, as applicable, including the right or power to take any action to compel or secure performance or observance by the Swap Counterparty and the Swap Guarantor of its obligations to the Issuer (or to the Trustee) thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Swap Agreement or Swap Guarantee, as applicable, and any right of the Issuer to take such action shall be suspended.

SECTION 5.20 Sale of Trust Estate.

(a) In effecting any sale or liquidation of the Trust Estate pursuant to Section 5.4 or 5.5 (a "Sale"), the Trustee may retain an independent investment banking firm of national reputation to assist it in effecting such sale or liquidation. The power to effect any Sale of any portion of the Trust Estate pursuant to Section 5.4 and Section 5.5 hereof shall not be exhausted by any one or more Sales as to any portion of such Trust Estate remaining unsold, but shall continue unimpaired until the entire Trust Estate shall have been sold or all amounts payable on the Notes under this Indenture with respect thereto shall have been paid. The Trustee may, upon giving notice on behalf of the Issuer to the Holders of the Notes and the Swap Counterparty, and shall, upon written direction of the Requisite Noteholders (or the Swap Counterparty, if the sale was directed by the Swap Counterparty pursuant to Section 5.5(a)(ii)) from time to time, postpone any Sale by public announcement made at the time of and place of such Sale. The Trustee hereby expressly waives its right to any amount fixed by law as compensation for any Sale; provided, that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it (including any fees and expenses incurred in obtaining a letter under Section 5.5(c) hereof) in connection with any Sale from the proceeds thereof notwithstanding the

provisions of Section 6.6 hereof, but without duplication of amounts payable as Administrative Expenses.

(b) The Trustee, the Swap Counterparty and the Reference Portfolio Manager and their respective Affiliates may bid for and acquire for cash any portion of the Trust Estate in connection with a Sale thereof to the extent not prohibited by applicable law, and may pay all or part of the purchase price by crediting against amounts owing on any Notes it holds or other amounts owed to it and secured by this Indenture, to the extent such amounts would have been owing on such obligations in accordance with Section 5.8 or Section 8.6, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale (including any fees and expenses incurred in obtaining a letter under Section 5.5(c) hereof). The Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Trust Estate consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of the Requisite Noteholders and the Swap Counterparty, seek a no-action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such Unregistered Securities, the cost of which in each case shall be reimbursable to the Trustee in accordance with the terms of this Indenture.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Trust Estate in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Trust Estate in connection with a Sale thereof and to take all action necessary to effect such Sale. No purchaser or transferee at such a Sale shall be bound to ascertain the authority of the Trustee, inquire into the satisfaction of any conditions precedent or see to the application of any moneys.

ARTICLE VI

THE TRUSTEE

SECTION 6.1 Duties of Trustee.

(a) Subject to Section 6.1(f) below, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) Subject to Section 6.1(f) below, in the absence of bad faith, willful misconduct, negligence or reckless disregard of obligations on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed

therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture, and shall promptly, but in any event within three (3) Business Days in the case of a certificate delivered by the Swap Counterparty, notify the party delivering the same if such certificate or opinion does not so conform. If a corrected certificate or opinion shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders of the Notes.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

- (i) this Section 6.1(c) does not limit the effect of Section 6.1(a) or (b);
- (ii) the Trustee shall not be liable for an error of judgment made in good faith by a Responsible Officer unless the Trustee was negligent in ascertaining the pertinent facts; and
- (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with the direction of the Issuer, the Co-Issuer, the Requisite Noteholders (or Holders with such larger percentage, or other Class, as may be required by the terms hereof) or the Swap Counterparty pursuant to this Indenture or the Swap Agreement (or the Reference Portfolio Manager on behalf of the Swap Counterparty pursuant to the Swap Agreement), or in exercising any trust or power conferred upon the Trustee under this Indenture.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity or security against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including under Article 5, under this Indenture. Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable under this Indenture for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(e) The Trustee shall not be liable for interest on any money received by it.

(f) In case an Event of Default or Class Q-2 Event of Default known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of written directions, if any, in the case of an Event of Default, from the Swap Counterparty or the Requisite Noteholders and in the case of a Class Q-2 Event of Default, from the Class Q-2 Requisite Securityholders, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would

exercise or use under the circumstances in the conduct of its own affairs; provided, that, in the case of an Event of Default, so long as the Swap Agreement is in effect, the Trustee shall not take any action under this subsection prior to receipt of such directions with respect to an Event of Default (other than to provide notice thereof as provided in Section 6.5) without the prior consent of the Swap Counterparty.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.2.

SECTION 6.2 Rights of Trustee.

Except as otherwise provided in Section 6.1:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, consent or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order, and any request, consent or direction from the Swap Counterparty mentioned herein shall be sufficiently evidenced by a written request or direction from, or consented to or approved by, an authorized officer of the Swap Counterparty;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or (ii) be required to determine the value of any asset of the Trust Estate or the Class Q-2 Securities Collateral or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part and unless other evidence be herein specifically prescribed, rely on reports of nationally recognized accounting firms or other persons qualified to provide the information required to make such determination including nationally or internationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith in reliance thereon; provided, however, that with respect to any payment required to be made to the Swap Counterparty hereunder or under the Swap Agreement, the Trustee shall act in accordance with the direction provided by the Swap Counterparty pursuant to Section 8.3, without first obtaining an Opinion of Counsel. The Trustee shall have no liability for any action, or failure to act, in accordance with the direction provided by the Swap Counterparty pursuant to Section 8.3;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or to honor the request or direction of any of the Holders of the Notes (or any request or direction of the Swap Counterparty, in the case of any provision hereof

which entitles the Swap Counterparty to make such request or give such direction) pursuant to this Indenture unless such parties shall have offered to the Trustee reasonable security or indemnity against all costs, expenses and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper documents, but the Trustee, in its discretion, may and, upon written direction of the Requisite Noteholders or the Swap Counterparty shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed at the sole expense of the Issuer and the Trustee shall incur no additional liability of any kind by reason of such inquiry or investigation. Upon the occurrence and continuation of an Event of Default or Class Q-2 Event of Default, as applicable, the Trustee, the Swap Counterparty (or its agent) and any Holder or beneficial owner of a Note or Class Q-1 Security (or Class Q-2 Security, as applicable) shall be entitled (but not obligated), on reasonable prior request (which request shall include a statement of the purpose therefor) made in advance to the Issuer to examine the books and records relating to the Trust Estate (or Class Q-2 Securities Collateral, as applicable) of the Issuer personally or by agent or attorney during normal business hours; provided, that the Trustee, the Swap Counterparty or any such Holder or beneficial owner shall, and shall cause its agents, to hold in confidence all such information, except as otherwise required pursuant to this Indenture or to the extent disclosure may be required by law or by any regulatory or judicial authority and, in the case of the Trustee, to the extent the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of determining and discharging its rights and duties hereunder; and the Trustee shall not be responsible for any misconduct or negligence on the part of any non-affiliated agent or adviser appointed or retained or any non-affiliated attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter (other than an Event of Default described in Sections 5.1(a)-(d)) unless a Responsible Officer within the corporate trust department of the Trustee has actual knowledge thereof or unless written notice thereof is received by the Trustee at its Corporate Trust Office and such notice references the Notes generally, either of the Issuers or this Indenture. Whenever reference is made in this Indenture to an Event of Default or Class Q-2 Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default or a Class Q-2 Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(i) except as expressly set forth herein, the Trustee shall not be obligated to monitor, evaluate, verify or otherwise determine or compel compliance by the Swap Counterparty or any Paying Agent (to the extent the Trustee is not serving as the exclusive Paying Agent) with the requirements, terms or conditions of this Indenture or the Swap

Agreement, as applicable; provided, however, that the Trustee shall be obligated to ensure that all duties appointed to it by the Issuer shall be executed as set forth in this Indenture. The Trustee shall have no liability for the acts or omissions of the Swap Counterparty or any Paying Agent appointed under or pursuant to this Indenture, and shall be under no obligation to verify independently the accuracy of the information it receives from the Swap Counterparty or the Reference Portfolio Manager on behalf of the Swap Counterparty with respect to the Reference Portfolio;

(j) the Trustee shall have no obligation or responsibility for the accuracy of the records of the Depository, any Clearing Corporation (including Euroclear or Clearstream) or any non-Affiliated Securities Intermediary and shall have no liability for the acts or omissions of the Depository, any Clearing Corporation (including Euroclear or Clearstream) or any non-Affiliated Securities Intermediary;

(k) with respect to the security interests in the Trust Estate created hereunder, the pledge of any item of property of the Trust Estate to the Trustee is to the Trustee as representative of the Holders of the Notes and as agent for the other Secured Parties. In furtherance of the foregoing, the possession by the Trustee of any item of property of the Trust Estate and the endorsement to or registration in the name of the Trustee of any item of property of the Trust Estate (including without limitation as entitlement holder of the Collateral Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Notes and as agent for the other Secured Parties;

(l) the Trustee shall not be under any obligation or duty to become a party to, or to review or evaluate the terms of (or have responsibility for the sufficiency of) any agreement executed pursuant to this Indenture, including but not limited to the Swap Agreement and the Investment Agreement;

(m) the terms of the Swap Agreement shall expressly permit and acknowledge the collateral assignment and pledge by the Issuer of its rights and interests thereunder to the Trustee pursuant to the Indenture; and shall expressly provide that such assignment and pledge is made for collateral security only and shall not impose upon, or be deemed to transfer to (or constitute an assumption by) the Trustee, any liabilities or obligations of the Issuer to the Swap Counterparty;

(n) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and, after the occurrence and during the continuance of a Default (subject to Section 6.1(f)), prudently believes to be authorized or within its discretion, rights or powers hereunder;

(o) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to U.S. generally accepted accounting principles, the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or the Independent Accountants (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain the same directly from an independent accountant at the expense of the Issuer) as to the application of U.S. generally accepted accounting principles in such connection, in any instance;

(p) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise; and

(q) the enumeration of any permissible right or power herein available to the Trustee shall not be construed to be the imposition of a duty.

SECTION 6.3 Trustee May Own Notes.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer and the Co-Issuer, the Swap Counterparty or any of their respective Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights.

SECTION 6.4 Trustee's Disclaimer.

The Trustee shall not be responsible for and, except as set forth in Section 6.11, makes no representations as to the validity or adequacy of this Indenture, the other Basic Documents, the Notes or any related documents. It shall not be accountable for the use by the Issuers of the proceeds from the Notes, it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Certificate of Authentication of the Trustee and it shall in no event assume or incur any liability, duty or obligation to any Holder of a Note, other than as expressly provided in this Indenture or by law. Under no circumstances shall the Trustee be liable for indebtedness evidenced by or arising under any of the Basic Documents, including the amounts payable on the Notes.

SECTION 6.5 Notice of Defaults; Events of Default and Acceleration.

Promptly (and in no event later than three (3) Business Days) after the occurrence of any Default or Event of Default or any Class Q-2 Event of Default, in each case known to a Responsible Officer of the Trustee or after any declaration of acceleration has been made by or delivered to the Trustee pursuant to Sections 5.3 or 2.17(m)(ii) hereof, the Trustee shall mail to the Rating Agencies, the Reference Portfolio Manager, the Swap Counterparty, the Investment Agreement Counterparty and each Holder of a Security notice of the Default or Event of Default or Class Q-2 Event of Default, as applicable (unless such Default or Event of Default or Class Q-2 Event of Default shall have been cured or waived, in which case notice of the Default or Event of Default or Class Q-2 Event of Default, as applicable, and that it has been cured or waived shall be promptly provided to each such Person) or notice of any declaration of acceleration. In addition, if and for so long as any Class of the Securities is listed on the Irish Stock Exchange and so long as the rules of such Stock Exchange so require, notices to the Holders of such Securities shall also be given by publication in the Irish Stock Exchange's Daily Official List.

SECTION 6.6 Compensation; Reimbursement; Indemnity.

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date the Trustee Fee (which Trustee Fee shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or in the enforcement of any provision hereof (including securities transaction charges and the reasonable compensation and the expenses incurred by the Trustee including, without limitation, any legal counsel, investment banking firm, accounting firm or any other agent employed by the Trustee pursuant to this Indenture and reasonable disbursements of its agents and counsel, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) and expenses related to the maintenance and administration of the Trust Estate;

(iii) to pay or to reimburse the Trustee for its payment of the fees of any accounting firm or investment banking firm employed by the Trustee as provided herein;

(iv) to indemnify fully and hold harmless each of the Trustee, its directors, officers, employees and agents for, and to hold each of them harmless against, any claims, loss, liability, damages, costs or expense (including without limitation reasonable counsel fees and expenses) incurred without negligence, willful misconduct or bad faith arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defense against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder; and

(v) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.12 hereof.

(b) If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof in accordance with Section 8.6, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor in accordance with Section 8.6 and the failure to pay such amount will not, by itself, constitute an Event of Default. Subject to Section 6.7 hereof, the Trustee shall continue to serve as Trustee under this Indenture regardless of whether it has received amounts due it hereunder, and the Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment to the Trustee of any amounts provided by this Section 6.6 until at least one year and one day (or, if longer, the applicable preference period then in effect as confirmed by an Opinion of Counsel provided to the Trustee), after the termination of this Indenture. No

direction by any Holders of the Notes or the Swap Counterparty shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

(c) When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 5.1(h) or Section 5.1(i), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Bankruptcy Law.

SECTION 6.7 Resignation and Removal of Trustee; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under this Section. The indemnifications in favor of the Trustee in Section 6.6 hereof shall survive any resignation or removal (to the extent of any indemnified liabilities, costs, expenses and other amounts arising or incurred prior to, or arising out of actions or omissions occurring prior to, the effectiveness of such resignation or removal) and the termination of this Indenture.

(b) The Trustee may resign at any time by giving 30 days' prior written notice thereof to the Issuers, the Holders of the Notes, the Swap Counterparty, the Reference Portfolio Manager and each Rating Agency.

(c) The Trustee may be removed at any time by the Requisite Noteholders, with the consent of the Swap Counterparty (such consent not to be unreasonably withheld) (or, following the Maturity Date and distribution of the Trust Estate, the Class Q-2 Requisite Securityholders), upon written notice thereof to the Trustee, the Issuers, each Rating Agency, the Reference Portfolio Manager and the Swap Counterparty.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.10 hereof and shall fail to resign after written request therefor by the Issuers or by the Requisite Noteholders;

(ii) the Trustee shall become incapable of acting;

(iii) a court having jurisdiction in the premises in respect of the Trustee in an involuntary case or proceeding under federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator or similar official for the Trustee or for any substantial part of the Trustee's property, or ordering the winding-up or liquidation of the Trustee's affairs, provided any such decree or order shall have continued unstayed and in effect for a period of 30 consecutive days; or

(iv) the Trustee commences a voluntary case under any federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable

federal or state bankruptcy, insolvency or other similar law, or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator or other similar official for the Trustee or for any substantial part of the Trustee's property, or makes any assignment for the benefit of its creditors or fails generally to pay, or admits in writing its inability to pay, its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing;

then, in any such case, (A) the Issuers, by an Issuer Order, may remove the Trustee, and the Trustee hereby agrees to resign immediately in the manner and with the effect provided in this Section 6.7, or (B) any Noteholder or the Swap Counterparty may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason, the Issuers shall promptly appoint a successor Trustee by written instrument, in duplicate, executed by an Authorized Officer of each of the Issuers on behalf of the Issuers, one original copy of which shall be delivered to the Trustee so resigning and one original copy to the successor Trustee, together with a copy to each Noteholder, the Swap Counterparty, the Reference Portfolio Manager and the Rating Agencies; provided, that such successor Trustee shall be appointed, only upon the written consent of the Requisite Noteholders and the Swap Counterparty and provided, further, that the Issuer received Rating Confirmation for such appointment. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the resigning Trustee within 30 days after the giving of such notice of resignation, the retiring or resigning Trustee, the Swap Counterparty or any Holder of a Note, may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Reference Portfolio Manager, the Swap Counterparty, each Rating Agency and to the Holders of the Notes as their names and addresses appear in the Securities Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

(g) Every successor Trustee appointed hereunder shall be required to meet the eligibility requirements set forth in Section 6.10 and shall execute, acknowledge and deliver to the Issuers and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers, the successor Trustee, the Swap Counterparty or the Requisite Noteholders, such retiring Trustee shall, upon payment of its fees and expenses then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(h) Upon request of any such successor Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts. Upon acceptance of appointment by a successor Trustee as provided in this Section, the Issuers shall mail notice thereof by first-class mail, postage prepaid, to the Holders of the Notes at their last addresses appearing upon the Securities Register, the Rating Agencies, the Swap Counterparty, the Reference Portfolio Manager and the Investment Agreement Counterparty. If the Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Issuers.

SECTION 6.8 Merger or Consolidation of Trustee.

Any Person into which the Trustee may be merged or with which it may be consolidated, or any Person resulting from any merger or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee under this Indenture (provided, however, that such Person shall be eligible under the provisions of Section 6.10) without the execution or filing of any instrument or any further act on the part of any of the parties to this Indenture, anything in this Indenture to the contrary notwithstanding.

SECTION 6.9 Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provision of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the Issuer's assets may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's assets, and to vest in such Person or Persons in such capacity and for the benefit of the Noteholders and the other Secured Parties, such title to the Issuer's assets, or any part hereof, and, subject to the other provisions of this Section 6.9, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.10 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 6.7.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the assets of the Issuer or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 6.10 Eligibility; Disqualification.

The Trustee shall (a) be a Person organized and doing business under the laws of the United States of America or of any state thereof, (b) be authorized under such laws to exercise corporate trust powers, (c) have an office in the United States, (d) have a combined capital and surplus of at least \$200,000,000 and be subject to supervision or examination by federal or state authorities, and (e) have (or have a parent which has) a long-term unsecured debt or deposit rating of at least "Baa1" by Moody's and "BBB+" by Standard & Poor's. If such Person shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section 6.10, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.10, the Trustee shall resign immediately in the manner and with the effect specified in Section 6.7.

SECTION 6.11 Representations and Warranties of Trustee.

The Trustee, in its individual capacity, represents and warrants as of the Closing Date that:

(a) it is a banking corporation duly organized and validly existing under the laws of the State of New York;

(b) it has full corporate trust power, authority and legal right to execute, deliver and perform its obligations under this Indenture, and has taken all necessary action to authorize

the execution, delivery and performance by it of this Indenture, the Account Agreement and the Investment Agreement;

(c) neither the execution, delivery and performance by it of this Indenture nor the consummation of the transactions contemplated by this Indenture shall violate any provision of its corporate charter or by-laws; and

(d) this Indenture has been duly executed and delivered by it and constitutes its legal, valid and binding agreement, enforceable against it in accordance with its terms, subject, as to enforcement, to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and except as such enforceability may be limited by general principles of equity (whether considered in a Proceeding at law or in equity).

SECTION 6.12 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

In the event that in any month the Trustee shall not have received a payment under the Swap Agreement when due or with respect to any Pledged Security on its due date, the Trustee shall promptly notify the Swap Counterparty and the Reference Portfolio Manager in writing and, unless (a) such payment shall subsequently have been received by the Trustee or (b) the Issuers make or cause to be made provisions for such payment satisfactory to the Trustee within three Business Days after such notice, shall request the Swap Counterparty, in the case of the Swap Agreement, or the obligor or issuer of such Pledged Security, the agent or trustee under the related underlying instrument or paying agent designated by any of them, as applicable, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee shall take such action as the Requisite Noteholders (or, unless the Swap Agreement has been terminated and all amounts owed to the Swap Counterparty have been paid, the Swap Counterparty in the case of failure to receive payments in respect of the Pledged Securities) shall reasonably direct in writing (provided, however, that the Trustee shall not be obligated to take any action, including commencement of any legal proceeding, unless it shall have received reasonably satisfactory indemnification or security against expenses and liabilities that may be associated therewith). Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuers or their designee any payment with respect to the Swap Agreement or any Pledged Security received after the due date thereof to the extent the Issuers previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.12, and such payment shall not be deemed part of the Trust Estate.

SECTION 6.13 Withholding; Tax Forms.

(a) If any withholding tax is imposed on the payment (or allocations of income) under the Securities by the Issuers to any Holder of a Security, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder of a Security sufficient moneys for the payment of any withholding tax that is legally owed by the Issuers (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate Proceedings and withholding

payment of such tax, if permitted by law, pending the outcome of such Proceedings). The amount of any withholding tax imposed with respect to any Holder of a Security shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.13. If any Holder of a Security wishes to apply for a refund of any such withholding tax, the Trustee shall provide to such Holder any information with respect to such withholding tax reasonably available to the Trustee so long as such Holder agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuers.

(b) The Issuer shall prepare and file or deliver, or cause to be prepared, filed and delivered, any income tax, franchise tax, information or withholding tax or other tax returns or forms that are required to be filed with or provided to any tax authority, to the Holders or with or to any other person by or on behalf of the Issuer or the Co-Issuer.

SECTION 6.14 Fiduciary for Noteholders Only; Agent for Other Secured Parties.

With respect to the security interest created in the Trust Estate hereunder, the Delivery of any part of the Trust Estate to the Trustee is to the Trustee as fiduciary of the Noteholders and as agent for the other Secured Parties; in furtherance of the foregoing, the possession by the Trustee of any part of the Trust Estate and the endorsement to or registration in the name of the Trustee of any part of the Trust Estate (including without limitation as entitlement holder of the Collateral Account) are all undertaken by the Trustee in its capacity as fiduciary of the Noteholders and agent for the other Secured Parties.

SECTION 6.15 Assignment of Rights; Not Assumption of Duties.

Anything herein contained to the contrary notwithstanding, (a) each of the Issuers shall remain liable under this Indenture and each of the documents contemplated herein and related hereto to which it is a party to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Indenture had not been executed, (b) the exercise by the Trustee, any Noteholder or Noteholders or any other Secured Party of any of their rights, remedies or powers hereunder shall not release the Issuers from any of their duties or obligations under each of such documents to which they are parties and (c) neither the Noteholders nor the Trustee or any other Secured Parties shall have any obligation or liability under any of such documents to which one or both of the Issuers are parties by reason of or arising out of this Indenture, nor shall the Noteholders, the other Secured Parties or the Trustee be obligated to perform any of the obligations or duties of the Issuers thereunder or, except as expressly provided herein with respect to the Trustee, to take any action to collect or enforce any claim for payment assigned hereunder or otherwise.

ARTICLE VII

COVENANTS

SECTION 7.1 Payments on Securities.

The Issuers will duly and punctually pay the principal of and interest on the Securities, and all other amounts payable on or in respect of the Securities, in accordance with the terms of the Securities and this Indenture. Amounts properly withheld under the Code (or any successor statute), and under the laws of any State or other jurisdiction by any Person from a payment to any Holder of a Security of the principal of or interest on the Securities shall be considered as having been paid by the Issuers to the Holder of a Security for all purposes of this Indenture and the Securities.

SECTION 7.2 Maintenance of Office or Agency.

The Trustee will maintain an office or agency in the Borough of Manhattan, The City of New York, the State of New York, where Securities may be presented or surrendered for payment. The Trustee hereby initially designates the Corporate Trust Office as such office or agency. The Trustee will give prompt written notice to the Issuers and the Holders of the Securities of any change in the location of any such office or agency in New York City.

SECTION 7.3 Money for Payments to Be Held in Trust.

(a) All payments of amounts due and payable under this Indenture with respect to the Securities, and payments to be made hereunder with respect to the Swap Agreement, shall be made on behalf of the Issuer by the Trustee or another Paying Agent, in each case from amounts deposited with the Trustee or Paying Agent, as the case may be, by or on behalf of the Issuers for such purpose.

(b) The Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, together with any instructions that accompanied the deposit of such sums, with such sums to be held by the Trustee upon the same terms as those upon which the sums were held by such Paying Agent; and upon such payment and delivery by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(c) The Trustee shall give written notice to the Issuers of any money held by the Trustee or any Paying Agent for the payment of any amount due with respect to any Security and remaining unclaimed for two years after such amount has become due and payable and, subject to applicable abandoned property laws, upon written request of the Issuer such amount shall be deemed discharged from any trust and be paid to the Issuer; and the Holder of such Security shall thereafter look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Trustee or such Paying Agent with respect to such funds shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such payment to the Issuer, shall (i) at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily

published on each Business Day and of general circulation in New York City, and, in accordance with Section 11.4, in the Irish Stock Exchange's Daily Official List, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining shall be repaid to the Issuer and (ii) mail notice of such repayment to the Holders of the Securities whose right or interest in moneys due and payable but not claimed is determinable from the records of the Trustee or of any Paying Agent, at the last address of record for each such Holder. The Trustee may also adopt and employ, at the expense of the Issuer, any other reasonable means of notification of such repayment.

(d) If and to the extent any funds shall be delivered to it from time to time pursuant to this Indenture for the purpose of making payments on or in respect of the Securities, the Trustee shall be entitled to establish a segregated account for the purpose of holding and disbursing such funds. The Trustee shall have no obligation to invest or pay interest on any such funds held by it (except as and to the extent otherwise expressly provided herein).

SECTION 7.4 Existence of Issuers.

(a) Each of the Issuers will maintain in full force and effect its existence, rights and franchises as a company or corporation incorporated under the laws of the jurisdiction of its incorporation and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Securities or any of the Pledged Securities or other property included in the Trust Estate or in the Class Q-2 Securities Collateral; provided, however, that, subject to Cayman Islands law, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction (other than the United States or any state or political subdivision thereof or therein) reasonably selected by the Issuer so long as (i) the Issuer determines such change is not disadvantageous in any material respect to the Issuer, the Holders of the Securities or any other Secured Party, (ii) written notice of such change shall have been given by the Issuer to the Trustee, the Reference Portfolio Manager, the Swap Counterparty, the Noteholders and the Rating Agencies at least thirty (30) Business Days prior to such change of jurisdiction, (iii) on or prior to the fifteenth Business Day following such notice the Trustee shall not have received written notice from the Holders of a majority of the Aggregate Principal Amount of each Class of Senior Notes, or the Holders of a majority of the Aggregate Principal Amount of the Income Notes, or the Swap Counterparty, objecting to such change, and (iv) such change shall not cause the Issuer to be in violation of United States or Cayman Islands law. Each of the Issuers shall comply with its organizational documents and shall not amend its organizational documents in any manner that would have a material adverse effect on the rights of the Swap Counterparty or the Holders of any Class of Notes. The Board of Directors of each of the Issuers will at all times have at least one member who is Independent of the Swap Counterparty and the Reference Portfolio Manager. The Issuer shall be entitled to take any action required by this Indenture within the United States, notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States, so long as prior to taking any such action the Issuer receives a legal Opinion of Tax Counsel to the effect that it is not necessary to take such action outside the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to any United States federal, state or local income or withholding taxes.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular meetings of the board of directors and shareholders, or other similar meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceedings. Without limiting the foregoing, (i) neither the Issuer nor the Co-Issuer shall have any subsidiaries and (ii) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective officers and directors) or (B) engage in any transaction with any shareholder that would constitute a conflict of interest (provided that the Administration Agreement shall not be deemed to be a transaction that would constitute such a conflict of interest).

(c) The Issuer shall notify the Rating Agencies of any amendment of any of the organizational documents of the Issuers and of any redemption in full of any Class of Notes.

SECTION 7.5 Protection of Trust Estate.

(a) The Issuer shall from time to time execute, deliver and file all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments and shall take such other action as may be necessary or advisable (including, without limitation, causing the registration of this Indenture in the Register of Mortgages of the Issuer at the Issuer's Registered Office in the Cayman Islands) to secure the rights and remedies of the Secured Parties, including to:

- (i) Grant more effectively all or any portion of the Trust Estate;
- (ii) maintain, preserve and perfect the validity of any Grant made or to be made by this Indenture or to carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of, or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulation);
- (iv) enforce the Swap Agreement and any of the Pledged Securities or any other instruments or property included in the Trust Estate;
- (v) preserve and defend title to the Trust Estate and the rights therein of the Trustee, the Swap Counterparty, the Collateral Administrator and the Holders of the Notes in such Trust Estate against the claims of all other Persons; and
- (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Trust Estate.

The Issuer hereby designates the Trustee its agent and attorney-in-fact to execute and file (i) a financing statement in connection with the Grant pursuant to this Indenture identifying as collateral "all assets in which the Issuer now or hereafter has rights," and (ii) any other financing statement, continuation statement or other instrument necessary or desirable under this section; provided, however, that the Trustee shall be under no obligation to prepare,

execute or file any such financing statement, continuation statement or other instrument and that such appointment shall not impose upon the Trustee any of the Issuer's obligations under this Section 7.5.

(b) The Trustee shall not, except in accordance with Article VIII and Section 5.8, permit the removal of any portion of the Trust Estate or transfer any such property from a Trust Account to which it is credited, or cause or permit any change in the manner of Delivery of any Pledged Securities, if after giving effect thereto the jurisdiction governing the perfection of the Trustee's security interest in such Pledged Securities is different from the jurisdiction governing perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6(a) (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6(a), the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1), unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Pledged Securities.

(d) Without at least thirty (30) days prior written notice to the Trustee, the Issuer shall not change its name, or the name under which it does business, from the name shown on the signature page hereof.

SECTION 7.6 Opinions as to Trust Estate and Tax Certificates.

(a) On or before July 31st in each calendar year commencing in 2005, the Issuer shall cause to be delivered to the Trustee (with a copy to each Rating Agency, the Swap Counterparty and the Reference Portfolio Manager) an Opinion of Counsel with respect to the laws of the State of New York, stating that, in the opinion of such counsel, as of the date of such opinion, (i) the security interest in the Trust Estate created by this Indenture is perfected and, with respect to certain portions of the Trust Estate, of the first priority (subject to reasonable assumptions and qualifications as applicable), and (ii) no further action (other than as specified in such opinion) is required to be taken (under the UCC and applicable federal regulation as in effect on such date) to ensure the continued perfection of such security interest during the succeeding year.

(b) If required to prevent the withholding and imposition of U.S. federal income tax, the Issuer shall deliver or cause to be delivered a United States Internal Revenue Service Form W-8BEN (or any successor thereto) to each issuer of a Pledged Security in the Trust Estate at the time such Pledged Security is purchased by the Issuer and as necessary thereafter. The Issuer similarly shall comply with any information reporting or certification procedures imposed by any state, local or non-U.S. tax law as a precondition to an exemption from, or reduction in the rate of, the withholding and imposition of any tax in respect of a Pledged Security in the Trust Estate.

SECTION 7.7 Performance of Obligations.

(a) Each of the Issuers shall not take any action and shall not consent to any action proposed to be taken by others that would release any Person from any of such Person's covenants or obligations under any instrument or agreement included in the Trust Estate, except in accordance with the provisions hereof.

(b) Either or both Issuers may contract with other Persons, including the Collateral Administrator, for the performance by such Persons of the obligations of either or both Issuers hereunder. Notwithstanding any such arrangement, the Issuers shall remain primarily liable with respect thereto. With respect to any such contract, the performance of such obligations by such Persons shall be deemed to be performance of such obligations by the Issuer or Co-Issuer, as applicable, and the Issuer or Co-Issuer, as applicable, will perform punctually, and will use its best efforts to cause such Persons, to perform punctually their obligations hereunder.

SECTION 7.8 Negative Covenants.

(a) The Issuer will not, and with respect to clauses (ii), (iv), (vi), (vii), (x) and (xii), the Co-Issuer will not:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Trust Estate or the Class Q-2 Securities Collateral, except as expressly permitted by this Indenture and the Swap Agreement;

(ii) claim any credit on, or make any deduction from or dispute the enforceability of, the amount payable with respect to the Securities other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands, or assert any claim against any present or future Holder of the Securities, by reason of the payment of any taxes levied or assessed upon any part of the Trust Estate or the Class Q-2 Securities Collateral, as applicable;

(iii) (A) incur or assume any indebtedness other than pursuant to this Indenture (including trade debt incidental to the performance of the respective obligations of the Issuers hereunder), (B) incur, assume or guarantee the indebtedness of any other Person or (C) issue any additional shares other than the Ordinary Shares authorized to be issued as of the Closing Date;

(iv) (A) permit the validity or effectiveness of this Indenture or any grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Securities, except, in each case, as may be expressly permitted hereby or thereby, (B) create, permit or suffer to exist any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Trust Estate or the Class Q-2 Securities Collateral, or any part thereof or any interest therein or the proceeds thereof, or (C) take

any action that would permit the lien of this Indenture not to constitute a valid first priority perfected security interest in the Trust Estate or the Class Q-2 Securities Collateral;

(v) directly or through any other Person, engage in any activity that could cause it to be a dealer in securities or to be deemed to be engaged in a finance or lending business for United States federal income tax purposes;

(vi) (A) commence any case, proceeding or other action under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have any order for relief entered with respect to it, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seek appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets, or make a general assignment for the benefit of its creditors;

(vii) amend the “non petition” or “limited recourse” provisions of any of the Basic Documents;

(viii) enter into any agreement or contract with any Person unless such contract or agreement contains “limited recourse” provisions and such Person agrees that, prior to the date that is one year and one day after all of the related obligations of the Issuer have been paid in full (or, if longer, the applicable preference period under applicable insolvency law), such Person shall not take any action or institute any proceeding against the Issuer under any insolvency law applicable to the Issuer or which would be reasonably likely to cause the Issuer to be subject to, or seek the protection of, any such insolvency law; provided, however, that such Person shall be permitted to become a party to and to participate in any Proceeding or action under any such insolvency law that is initiated by any Person other than one of its Affiliates;

(ix) declare or pay dividends or other distributions in respect of, or redeem or otherwise purchase, any equity interest of the Issuer, other than as contemplated by this Indenture, or authorize, issue or sell any additional equity interest of the Issuer;

(x) take any action that could cause the Issuer, the Co-Issuer, the Trust Estate or the Class Q-2 Securities Collateral to be required to (A) register as an “investment company” under the Investment Company Act or (B) register any of the issued and outstanding securities of the Issuer or Co-Issuer under the Securities Act or any United States or state securities law;

(xi) designate an Early Termination Date (as defined in the Swap Agreement) other than by reason of a Swap Event of Default or amend the Swap Agreement in any material respect, unless the Issuer receives Rating Confirmation for such designation or amendment; or

Without the consent of the Holders of the Notes but with the consent of the Swap Counterparty, the Issuers and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, in order to:

(a) evidence the succession of any Person to either the Issuer or Co-Issuer and the assumption by any such successor of the covenants of the Issuer or Co-Issuer in the Securities and the Indenture or to change the name of either of the Issuers;

(b) provide for definitive Notes as contemplated by Section 2.5(d) and (e);

Issuer will be engaged in a United States trade or business or otherwise subject to United States federal income tax on a net income basis;

(k) provide for additional or modified reports to Holders of Securities; or

(l) amend, modify or change any test or requirement of any Rating Agency hereunder where such amendment, modification or change has been specified or authorized by such Rating Agency (and notice thereof has been provided to the Trustee, Swap Counterparty and Reference Portfolio Manager);

provided, that, in each case, the Trustee shall have received Rating Confirmation for such supplemental indenture; provided, further, that the Trustee may, with the consent of the Holders of 100% of the Aggregate Principal Amount of each Class of Senior Notes and Class Q-1 Securities affected thereby and with the consent of the Swap Counterparty, enter into any such supplemental indenture notwithstanding any qualification, downgrade or withdrawal of the then-current ratings of any such Class of Senior Notes or Class Q-1 Securities.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be contained therein.

SECTION 9.2 Supplemental Indentures With Consent of Noteholders.

(a) With the consent of the Holders of a majority of the Aggregate Principal Amount of each Class of Notes adversely affected thereby, and the consent of the Swap Counterparty and Rating Confirmation for such action, the Issuers and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, that the Issuers and the Trustee may, with the consent of Holders of 100% of the Aggregate Principal Amount of each Class of Senior Notes and the Class Q-1 Securities affected thereby, enter into any supplemental indenture notwithstanding that either Rating Agency has stated that such supplemental indenture will result in a qualification, withdrawal or downgrade of its then-current ratings of such Class of Senior Notes or Class Q-1 Securities. However, without the consent of the Swap Counterparty if adversely affected thereby and the Holders of each Outstanding Security adversely affected thereby and without Rating Confirmation for such supplemental indenture or a waiver of such Rating Confirmation by the Holders whose consent is required for such supplemental indenture, no supplemental indenture may:

(i) change the maturity of any Security or the principal of, or the interest on any Senior Note or Class Q-2A Security or reduce the principal amount thereof or the rate of interest thereon or change the time or amount of any other amount payable in respect of any Security;

(v) modify any of the provisions of this Indenture with respect to supplemental indentures or waiver of Events of Default or Class Q-2 Events of Default and their consequences except to increase the percentage of the Aggregate Principal Amount of Notes or Class Q-2 Securities, as applicable, the consent of the Holders of which is required for any such action or to provide that other provisions of the Indenture cannot be modified or waived without the consent of the Holders of each Outstanding Note (or each Outstanding Class Q-2 Security, as applicable) affected thereby;

(vi) modify the provisions of the Priority of Payments, the Class Q-2 Priority of Payments or the definitions of the terms "Holder" or "Outstanding;" or

(vii) modify any of the provisions of the Indenture in such a manner as to affect the calculation of the amount of any payment of principal of or interest on or other amount payable in respect of any Security or to affect the right of the Holders of the Securities to the benefit of any provisions for the payment of such Securities contained therein.

(b) No supplemental indenture may modify the terms of the Class Q-1 Securities, the Class Q-2A Securities or the Class Q-2B Securities as such in a manner that would adversely affect the Class Q-1 Securities, the Class Q-2A Securities or the Class Q-2B Securities without the prior written consent of a majority of the stated amount of the Class Q-1 Securities, aggregate principal amount of the Class Q-2A Securities or Class Q-2B Securities, as applicable, or the consent of the Holders of each Outstanding Class Q-2 Security adversely affected thereby as set forth above. Except for any proposed such supplement that would affect the terms of the Class Q-1 Securities, Class Q-2A Securities or the Class Q-2B Securities as such or as provided in subsection (a) above, Holders of Class Q-1 Securities, Class Q-2A Securities and Class Q-2B Securities shall be entitled to vote under this Section 9.2 only (i) in the case of the Class Q-1 Securities, as Holders of the respective related Components and (ii) in the case of the Class Q-2 Securities, pursuant to Section 2.17(f) with respect to the Income Notes represented by the Class Q-2 Collateral Asset A.

relating to calculations with respect to the Reference Portfolio, the Swap Counterparty's or the Reference Portfolio Manager's obligations or liabilities, fees or expenses payable by or reimbursable to it or the Reference Portfolio Manager, or otherwise adversely affects it or the Reference Portfolio Manager, will be deemed to adversely affect the Swap Counterparty and therefore will not be effective without the prior consent of the Swap Counterparty.

(d) Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section, the Trustee at the expense of the Issuers shall mail to the Holders of Securities, the Swap Counterparty, the Reference Portfolio Manager, the Investment Agreement Counterparty and each Rating Agency (so long as any rated Securities are Outstanding) a copy of such supplemental indenture and shall, (1) request Rating Confirmation from each Rating Agency, as applicable, and (2) request any required consent from the applicable Holders of Securities to be given within the Initial Consent Period. Any consent given to a proposed supplemental indenture by the Holder of any Securities shall be irrevocable and binding on all future Holders or beneficial owners of that Security, irrespective of the execution date of the supplemental indenture. If Holders of less than the required percentage of the Aggregate Principal Amount of the relevant Securities consent to a proposed supplemental indenture within the Initial Consent Period, on the first Business Day after the Initial Consent Period, the Trustee shall notify the Issuer, the Swap Counterparty and the Reference Portfolio Manager which Holders of Securities have consented to the proposed supplemental indenture, and, which Holders and, to the extent such information is reasonably available to the Trustee, which beneficial owners have not consented to the proposed supplemental indenture. If it intends to exercise its Amendment Buy-Out Option pursuant to Section 9.6, the Amendment Buy-Out Purchaser shall so notify the Trustee (which notice shall designate a date for the Amendment Buy-Out to occur no earlier than ten Business Days after the date of such notice) no later than five (5) Business Days after so being notified by the Trustee and the Trustee shall mail such notice to all Holders of Securities. Any Non-consenting Holder may give consent to the related proposed supplemental indenture until the 5th Business Day prior to the date of the Amendment Buy-Out designated by the Amendment Buy-Out Purchaser, and in such case shall cease to be a Non-consenting Holder for purposes of the related Amendment Buy-Out. If the Amendment Buy-Out Purchaser exercises its Amendment Buy-Out Option and purchases the applicable Securities pursuant to Section 9.6 below, the Amendment Buy-Out Purchaser as Holder or beneficial owner of the applicable Securities may consent to the related proposed indenture within five (5) Business Days of the Amendment Buy-Out.

(e) The Trustee may, consistent with an Opinion of Counsel, determine whether or not the Holders of any Notes would be adversely affected by any supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance in good faith upon an Opinion of Counsel delivered to the Trustee as described in Section 9.3 hereof.

(f) It shall not be necessary in connection with any consent of the Holders of the Securities under this Section 9.2 for such Holders to approve the specific form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

(g) Promptly after the execution by the Issuers and the Trustee of any supplemental indenture pursuant to this Section 9.2, the Trustee, at the expense of the Issuers, shall mail to the Holders of the Securities, the Reference Portfolio Manager, the Swap Counterparty, the Irish Stock Exchange (if and for so long as any Class of Securities is listed thereon), the Investment Agreement Counterparty and each Rating Agency (so long as any rated Securities are Outstanding) a copy thereof.

SECTION 9.3 Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.2) shall be fully protected in relying in good faith upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent applicable thereto under this Indenture have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. If requested by the Initial Purchaser, following the execution of any supplemental indenture under this Article 9, the Issuer shall deliver a copy of such supplemental indenture to the Repository for posting on the Repository in the manner described in Section 11.6.

SECTION 9.4 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article IX, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.5 Reference in Notes to Supplemental Indentures.

Securities executed, authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuers shall so determine, new Securities, so modified as to conform in the opinion of the Trustee and the Issuers to any such supplemental indenture, may be prepared and executed by the Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

SECTION 9.6 Amendment Buy-Out.

(a) In the case of any supplemental indenture pursuant to Section 9.2 above or a Swap Agreement Amendment pursuant to Section 7.26(b) of this Indenture, in each case that requires the consent of one or more Holders of Notes or Class Q-1 Securities, the Amendment Buy-Out Purchaser shall have the right, but not the obligation, to purchase from Non-consenting Holders all Securities held by such Holders of the Class of Securities whose consent was solicited with respect to such supplemental indenture or Swap Agreement Amendment, as applicable (the "Amendment Buy-Out Option") for the applicable Amendment Buy-Out Purchase Price. If such option is exercised, the Amendment Buy-Out Purchaser must purchase

all such Securities of Non-consenting Holders, regardless of the applicable percentage of the Aggregate Principal Amount of the Securities the consent of whose Holders is required for such supplemental indenture or Swap Agreement Amendment, as applicable (an “Amendment Buy-Out”). By its acceptance of its Securities hereunder, each Holder of Securities agrees that if the Amendment Buy-Out Option is exercised, any Non-consenting Holder will be required to sell its applicable Securities to the Amendment Buy-Out Purchaser; provided that if the solicited consent to a supplemental indenture only applies to one Component of a Class Q-1 Security, the Non-consenting Holder will be required to sell, at the Non-consenting Holder’s option, its Class Q-1 Security as a whole or solely the affected Component. The Class Q-2 Securities themselves shall not be subject to an Amendment Buy-Out; provided that the Income Notes represented by the Class Q-2 Collateral Asset A shall be subject to an Amendment Buy-Out as provided in Section 2.17(f)(iii). Neither the Swap Counterparty, nor the Amendment Buy-Out Purchaser nor any other Person shall have any liability to any Holder or beneficial owner of Securities as a result of an election by the Amendment Buy-Out Purchaser not to exercise the Amendment Buy-Out Option.

(b) All purchases made pursuant to an Amendment Buy-Out Option individually and in the aggregate must comply with the applicable transfer restrictions for the relevant Securities set forth herein (including, without limitation, the restriction that such Securities may not be purchased (x) in the case of the Class Q-1 Securities, by any Person that is a Benefit Plan Investor and (x) in the case of the Income Notes, if Holders of the Income Notes that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Principal Amount of the Income Notes (excluding Income Notes in the form of the Class Q-1 Income Note Component, Income Notes represented by the Class Q-2 Collateral Asset A and Income Notes held by Controlling Persons) immediately after such purchase) and the legends on such Securities and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency).

(e) After an Event of Default, the Trustee may require that all funds held by Paying Agents be paid over to the Trustee.

SECTION 10.2 Irish Transfer Agent.

So long as any Securities are listed on the Irish Stock Exchange, the Issuers shall maintain a transfer agent with an office in Ireland, as an agent for the registration of transfers of such Notes (the "Irish Transfer Agent"). The Issuers hereby initially appoint the Listing Agent as the Irish Transfer Agent. If the Issuer appoints a new Transfer Agent, the Issuer will publish notice of the change in an Authorized Newspaper as promptly as practicable after such appointment.

SECTION 10.3 Indenture Calculation Agent.

(a) The Issuers hereby agree that for so long as any of the Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C-1 Notes and Class Q-2A Notes remain Outstanding there will at all times be an agent appointed to calculate LIBOR in respect of each Periodic Interest Accrual Period in accordance with the terms of this Section 10.3 (the "Indenture Calculation Agent"). The Issuers hereby initially appoint the Trustee as Indenture Calculation Agent for purposes of determining LIBOR for each Periodic Interest Accrual Period, and the Trustee, by executing and delivering this Indenture, hereby acknowledges and accepts such appointment. The Indenture Calculation Agent may be removed by the Issuer at any time. If the Indenture Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Indenture Calculation Agent fails to determine any applicable Interest Rate or the amount of interest payable on each such Class of Securities for any Periodic Interest Accrual Period, the Issuer will promptly appoint as a replacement Indenture Calculation Agent a leading bank which is engaged in transactions in U.S. Dollar deposits in the London interbank market and which is not an Affiliate of the Issuers. The Indenture Calculation Agent may not resign its duties without a successor having been duly appointed. If no successor Indenture Calculation Agent is appointed within thirty (30) days after giving notice of resignation, the resigning Indenture Calculation Agent, the Swap Counterparty, the Holders of a majority of the Aggregate Principal Amount of the Senior Notes or any Holder of a Senior Note or Class Q-2A Security, on behalf of itself and all others similarly situated, may petition a court of competent jurisdiction for the appointment of a successor Indenture Calculation Agent. The Issuer shall notify the Rating Agencies of the appointment of any replacement Indenture Calculation Agent.

(b) As soon as reasonably possible after 11:00 a.m. (London time) on each LIBOR Determination Date, but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Indenture Calculation Agent will calculate the Class A-1 Interest Rate, the Class A-2 Interest Rate, the Class B Interest Rate, the Class C-1 Interest Rate and the Class Q-2A Interest Rate for the related Periodic Interest Accrual Period and the amount of interest for such Periodic Interest Accrual Period payable in respect of each U.S. \$100,000 by Aggregate Principal Amount of each such Class of Securities (rounded to the nearest cent, with half a cent being rounded upward) on such related Payment Date and cause the same to be provided to the Issuers, the Swap Counterparty, the Reference Portfolio Manager, the Trustee, the Investment Agreement Counterparty, the Paying Agents, the Irish Stock Exchange (if and for so long as any Class of Securities is listed thereon), and, if applicable, Euroclear and Clearstream. The Indenture Calculation Agent will also specify to the Issuers the quotations upon which the applicable Interest Rate for each such Class of Securities is based, and in any event, the Indenture Calculation Agent shall notify the Issuers before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the applicable Interest Rate and the Periodic Interest for each such Class of Securities, or (ii) it has not determined and is not in the process of determining the applicable Interest Rate and the Periodic Interest for each such Class of Securities, together with its reasons therefor. The determination of the applicable Interest Rate for each such Class of Securities by the Indenture Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

SECTION 10.4 Other Capacities.

To the extent that the Trustee is acting as Registrar, Paying Agent, Securities Intermediary or Indenture Calculation Agent or other capacity hereunder, the rights, privileges and indemnities set forth in Article VI shall also apply to the Trustee acting in each such capacity.

(a) At the direction of the Holders of at least 66 2/3% (in Aggregate Principal Amount) of the Income Notes and at least 66 2/3% (in Aggregate Principal Amount) of each Class of Senior Notes, the Issuer will request the Swap Counterparty under the Swap Agreement to remove the Reference Portfolio Manager without cause in accordance with the Reference Portfolio Management Agreement. The Issuer will request the Swap Counterparty under the Swap Agreement to remove the Reference Portfolio Manager for cause in accordance with the Reference Portfolio Management Agreement upon the vote of the Holders of at least 66 2/3% (in Aggregate Principal Amount) of each Class of Senior Notes and at least 66 2/3% (in Aggregate Principal Amount) of the Income Notes. The Issuer shall notify the Rating Agencies of any such request.

(b) If the Swap Counterparty consults with the Issuer as to the appointment of a replacement Reference Portfolio Manager under the Reference Portfolio Management Agreement, the Issuer shall follow the direction of the Holders of a majority in Aggregate Principal Amount of the Income Notes; provided that the Issuer shall not follow such direction as to any replacement Reference Portfolio Manager, if the Holders of at least 66 2/3% of the Aggregate Principal Amount of each Class of Senior Notes object to such replacement Reference Portfolio Manager.

(c) Notwithstanding Section 2.11, for purposes of voting under this Section 10.5 only, Securities beneficially owned by the Reference Portfolio Manager or any of its Affiliates or by an account or fund for which the Reference Portfolio Manager or its Affiliate acts as investment manager with discretionary authority shall be disregarded and deemed not to be Outstanding.

SECTION 11.1 Form of Documents Delivered to Trustee.

(a) In any case where several matters are required to be certified by, or covered by an opinion of any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

(b) Any certificate or opinion of an Authorized Officer of each of the Issuers may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by counsel, unless such officer knows, or in the exercise of reasonable care should know, that such certificate or opinion or representations with respect to the matters upon which this certificate or opinion is based are erroneous. The foregoing shall not, however, be construed to affect the Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

(iii) (x) in the case of a Loan, the Market Value of such Collateral Obligation has increased by at least 1.00% from the Market Value of such Collateral Obligation as of its date of

acquisition, as determined by the Servicer (provided that this subclause (iii)(x) will be deemed satisfied if Market Value increases to 1.01%), or (y) in the case of a Bond, the Market Value of such Collateral Obligation has changed since its date of acquisition by a percentage more positive than the percentage change in the Merrill Lynch US High Yield Master II Index, Bloomberg ticker H0A0, plus 3.00%, over the same period; or

- (i) the Collateral Obligation has been downgraded or has been put on credit watch list with the potential for developing negative credit implications by either of the Rating Agencies since the date the Issuer first acquired the Collateral Obligation under this Indenture;

Each Synthetic Security that is a credit default swap the Reference Obligations of which are Loans shall require each such Reference Obligation to be denominated and payable in U.S. Dollars.

The maturity, interest rate, and other non-credit characteristics of a Synthetic Security may be different from the Reference Obligations to which the credit risk of the Synthetic Security relates.

No Synthetic Security may require the Issuer to make any payment to the Synthetic Security Counterparty after its initial purchase other than any payments represented by the release of any cash collateral posted by the Issuer from the Collection Account to the Synthetic Security Counterparty Account simultaneously with the Issuer's purchase of or entry into the Synthetic Security in an amount not exceeding the amount of the posted cash collateral. Collateral may be posted only to a Synthetic Security Counterparty Account. No Synthetic Security shall result in the Issuer being a "buyer" of credit protection.

The term Synthetic Security shall not include any Structured Finance Obligation or any Participation, but the Reference Obligation of a Synthetic Security may be a Structured Finance Obligation.

Each Synthetic Security Agreement shall contain appropriate limited recourse and non-petition provisions (to the extent the Issuer has contractual payment obligations to the Synthetic Security Counterparty) equivalent (*mutatis mutandis*) to those contained in this Indenture.

The ownership or disposition of any Synthetic Security (without regard to the Issuer's other activities) must not cause the Issuer to be treated as engaged in a U.S. trade or business for United States federal income tax purposes or otherwise subject the Issuer to net income taxes.

Unless the Rating Condition is otherwise satisfied, any "deliverable obligation" that may be delivered to the Issuer as a result of the occurrence of any "credit event" under any proposed Synthetic Security must not provide that its transfer to the Issuer is subject to obtaining any consents and must qualify (when the Issuer purchases the related Synthetic Security and when such "deliverable obligation" is delivered to the Issuer as a result of the occurrence of any "credit event") as a Collateral Obligation and satisfy the Concentration Limitations under this Indenture, except that such "deliverable obligation" may constitute a Defaulted Collateral Obligation when delivered upon a "credit event" and if the Reference Obligation of the Synthetic Security is a Senior Secured Loan then the "deliverable obligation" under the Synthetic Security must also be a Senior Secured Loan.

No Synthetic Security may provide for any event other than bankruptcy or a failure to pay as a "credit event."

No Synthetic Security shall provide for termination by the Synthetic Security Counterparty at any time (i) after a declaration of acceleration of Maturity of the Notes has been made upon the occurrence of an Event of Default, unless such declaration and its consequences may no longer be

rescinded and annulled in accordance with Section 5.2(c) and liquidation of the Collateral has begun or (ii) upon an Optional Redemption, unless the third Business Day before the scheduled Redemption Date has passed and no notice of withdrawal has been issued.

For purposes of the Coverage Tests and the Retention Overcollateralization Test, unless the Rating Condition for each Rating Agency is satisfied in respect of any proposed alternative treatment, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the related Reference Obligations.

For purposes of the Collateral Quality Tests (other than the Diversity Test and the S&P Industry Classification with respect to the S&P CDO Monitor Test), a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the related Reference Obligations.

For purposes of calculating compliance with the Concentration Limitations other than limits relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of its Reference Obligations and not the Synthetic Security. For purposes of calculating compliance with the Concentration Limitations relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not its Reference Obligation.

With respect to a Synthetic Security based upon or relating to a senior secured index providing non-leveraged credit exposure to a basket of credit default swaps referencing a diversified group of Reference Obligations, with respect to which the principal or notional amount of the credit exposure to any single Reference Obligation does not increase over time, for purposes of: (i) calculating compliance with the Diversity Test, the S&P Industry Classification with respect to the S&P CDO Monitor Test, and the Concentration Limitations (other than limits relating to payment characteristics and except for clauses 17 and 17(a) of the definition of "Concentration Limitations"), and all related definitions, and (ii) any other provision or definition of this Indenture involving a determination with respect to a Reference Obligation, the characteristics of such Reference Obligations shall be determined by treating such Synthetic Security as a direct interest of the Issuer in each such Reference Obligation in an amount equal to the Allocable Principal Balance of such Reference Obligation. In addition, each Reference Obligation under such Synthetic Security shall be assigned a Moody's Rating Factor equal to the sum of the Moody's Rating Factor of (i) the related Reference Obligor, (ii) the Synthetic Security Counterparty of such Synthetic Security and (iii) the Synthetic Security Collateral of such Synthetic Security. In addition, the Moody's Priority Category Rate in respect of a Synthetic Security referencing multiple Reference Obligations pursuant to this paragraph shall be the Moody's Priority Category Rate as assigned by Moody's to each Reference Obligation underlying such Synthetic Security. For the avoidance of doubt, Reference Obligations upon which a Synthetic Security is based as described in this paragraph must meet the definition of "Collateral Obligation" to the extent provided in this definition.

If the Rating Condition must be satisfied to execute the purchase of any Synthetic Security, the Servicer, on behalf of the Issuer, shall give each applicable Rating Agency not less than five days' prior notice of the purchase of or entry into any Synthetic Security.

"Synthetic Security Agreement": The documentation governing any Synthetic Security.

The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to the scheduled payment of principal or interest on the Pledged Obligations shall be made on the basis of information as to the terms of each Pledged Obligation and on reports of payments received on the Pledged Obligation that are furnished by or on behalf of the issuer of the Pledged Obligation and, to the extent they are not manifestly in error, the information or report may be conclusively relied on in making the calculations.

Except as provided in paragraph (h) below, a Non-Performing Collateral Obligation shall be assumed to have a scheduled payment of principal and interest of zero.

The total amount of payments and collections reasonably expected to be received includes the proceeds of the sale of the Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Due Period and not used to purchase additional Collateral Obligations (including any related deposit into the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty, Securities Lending Counterparty, or Hedge Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security, Securities Lending Agreement, or Hedge Agreement) or Eligible Investments or retained in the Collection Account for subsequent application thereof to purchase additional Collateral Obligations pursuant to Section 12.2.

(c) For purposes of the applicable determinations required by Article 12 and the definition of "Interest Coverage Ratio," the expected interest on Collateral Obligations shall be calculated using their then current interest rates.

(d) With respect to any Collateral Obligation, the date on which it "matures" (or its "maturity" date) shall be the earlier of

(i) the stated maturity of the obligation or

(ii) if the Issuer has the right to require the issuer or obligor of the Collateral Obligation to purchase, redeem, or retire the Collateral Obligation at a price of at least par on any one or more dates before its Stated Maturity (a "put right") and the Servicer certifies to the Trustee that it will cause the Issuer to direct the Trustee to exercise the put right on a date, the maturity date shall be the date specified in the certification.

(e) For purposes of calculating compliance with the Collateral Quality Tests (other than the Diversity Test and the S&P Industry Classification with respect to the S&P CDO Monitor Test), the Coverage Tests, and the Retention Overcollateralization Test and all related definitions, unless otherwise specified in this Indenture a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not of the Reference Obligation. For purposes of calculating compliance with the Concentration Limitations other than limits relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of its Reference Obligations and not the Synthetic Security. For purposes of calculating compliance with the Concentration Limitations relating to payment characteristics, and all related definitions, unless otherwise specified in this Indenture or by the Rating Agencies, a Synthetic Security shall be included as a Collateral Obligation having the characteristics of the Synthetic Security and not its Reference Obligations.

(f) Any Collateral Obligation loaned to a Securities Lending Counterparty shall be included in the Collateral Quality Tests, the Coverage Tests, and the Retention Overcollateralization Test and the Principal Balance of any Collateral Obligation loaned to a Securities Lending Counterparty shall be included in the Aggregate Principal Balance of Collateral Obligations, in each case unless an "event of default" (under and as defined in the related Securities Lending Agreement) is continuing.

(g) If a Class of Notes ceases to be Outstanding, then any Coverage Test computed by reference to the Class of Notes (but not to any subordinate Class of Notes then Outstanding) shall cease to be of any force.

(h) For purposes of calculating compliance with the Eligibility Criteria (other than the Weighted Average Life Test), at the direction of the Servicer by notice to the Trustee, during the Replacement Period any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale, or other disposition of a Collateral Obligation (or, after the Replacement Period, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations) shall be deemed to have the characteristics of the disposed Collateral Obligation until used to purchase an additional Collateral Obligation. The calculations shall be based on the Principal Balance of the disposed Collateral Obligations except in the case of Defaulted Collateral Obligations and Credit Risk Securities, in which case the calculations will be based on the Principal Proceeds received on the disposition or sale of the Defaulted Collateral Obligation or Credit Risk Obligation.

(i) The calculation on any Coverage Test on any Determination Date shall be made by giving effect to all payments to be made pursuant to all subclauses of the Priority of Payments as applicable, payable on the Payment Date following such Determination Date. In addition no Principal Proceeds will be used to pay a subordinated Class on a Payment Date if, after giving effect to such payment, any Coverage Test of a more senior Class of Notes is failing on such Payment Date or would fail as a result of such application of the Principal Proceeds on such Payment Date.

Section 1.3. ***Rules of Interpretation.***

Except as otherwise expressly provided in this Indenture or unless the context clearly requires otherwise:

(a) Defined terms include, as appropriate, all genders and the plural as well as the singular.

(b) References to designated articles, sections, subsections, exhibits, and other subdivisions of this Indenture, such as "Section 6.13 (a)", refer to the designated article, section, subsection, exhibit, or other subdivision of this Indenture as a whole and to all subdivisions of the designated article, section, subsection, exhibit, or other subdivision. The words "herein", "hereof", "hereto", "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, exhibit, or other subdivision of this Indenture.

(c) Any term that relates to a document or a statute, rule, or regulation includes any amendments, modifications, supplements, or any other changes that may have occurred since the document, statute, rule, or regulation came into being, including changes that occur after the date of this Indenture. References to law are not limited to statutes. Any reference to any Person includes references to its successors and assigns.

(d) Any party may execute any of the requirements under this Indenture either directly or through others, and the right to cause something to be done rather than doing it directly shall be implicit in every requirement under this Indenture. Unless a provision is restricted as to time or limited as to frequency, all provisions under this Indenture are implicitly available and things may happen from time to time.

(e) The term "including" and all its variations mean "including but not limited to." Except when used in conjunction with the word "either", the word "or" is always used inclusively (for example, the phrase "A or B" means "A or B or both", not "either A or B but not both").

(f) A reference to "a thing" or "any of a thing" does not imply the existence or occurrence of the thing referred to even though not followed by "if any", and "any of a thing" is any and all of it. A reference to the plural of anything as to which there could be either one or more than one does not imply the existence of more than one (for instance, the phrase "the obligors on a note" means "the obligor or obligors on a note"). "Until something occurs" does not imply that it must occur, and will not be modified by the word "unless." The word "due" and the word "payable" are each used in the sense that the stated time for payment has passed. The word "accrued" is used in its accounting sense, i.e., an amount paid is no longer accrued. In the calculation of amounts of things, differences and sums may generally result in negative numbers, but when the calculation of the excess of one thing over another results in zero or a negative number, the calculation is disregarded and an "excess" does not exist. Portions of things may be expressed as fractions or percentages interchangeably. The word "shall" is used in its imperative sense, as for instance meaning a party agrees to something or something must occur or exist.

(g) All accounting terms used in an accounting context and not otherwise defined, and accounting terms partly defined in this Indenture, to the extent not completely defined, shall be construed in accordance with generally accepted accounting principles. To the extent that the definitions of accounting terms in this Indenture are inconsistent with their meanings under generally accepted accounting principles, the definitions contained in this Indenture shall control.

(h) In the computation of a period of time from a specified date to a later specified date or an open-ended period, the words "from" and "beginning" mean "from and including", the word "after" means "from but excluding," the words "to" and "until" mean "to but excluding", and the word "through" means "to and including." Likewise, in setting deadlines or other periods, "by" means "on or before." The words "preceding", "following", "before", "after", "next" and words of similar import, mean immediately preceding or following. References to a month or a year refer to calendar months and calendar years.

(i) Any reference to the enforceability of any agreement against a party means that it is enforceable against the party in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, and other similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(j) Except when only the registered holder is recognized, such as in Section 2.9., references to Noteholders, holders, and the like refer equally to beneficial owners who have an interest in a Note but are not reflected in the Indenture Register as the owner.

ARTICLE 2

THE NOTES

Section 2.1. *Forms Generally.*

The Notes and the Trustee's or Authenticating Agent's certificate of authentication on them (the "**Certificate of Authentication**") shall be in substantially the forms required by this Article, with appropriate insertions, omissions, substitutions, and other variations required or permitted by this Indenture, and may have any letters, numbers, or other marks of identification and any legends or endorsements on them that are consistent with this Indenture, as determined by the Authorized Officers of the Issuer executing the Notes as evidenced by their execution of the Notes.

Section 2.2. *Forms of Notes and Certificate of Authentication.*

(a) The Senior Notes, including the Regulation S Global Notes, Rule 144A Global Notes and Certificate of Authentication, shall be in the forms of the applicable portion of Exhibit A-1.

(b) *Regulation S Global Notes.* The Senior Notes of each Class sold to non-U.S. persons in off-shore transactions in reliance on Regulation S shall each be represented by one or more global notes in definitive, fully registered form without interest coupons substantially in the form of the applicable portion of Exhibit A-1, including legends (the "**Regulation S Global Notes**"). The global notes shall be deposited on behalf of the subscribers for the Senior Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter

provided. As used above and in subsection (d) below, "U.S. person" and "off-shore transaction" have the meanings assigned to them in Regulation S.

(c) *Rule 144A Global Notes.* The Senior Notes of each Class initially sold to U.S. persons that are Qualified Institutional Buyers (or, solely in the case of certain Holders purchasing Class E Notes on the Closing Date, Institutional Accredited Investors) and Qualified Purchasers shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the form of the applicable portion of Exhibit A-1, including legends (each, a "**Rule 144A Global Note**"), which shall be deposited on behalf of the subscribers for the Senior Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided.

(d) *Book-Entry Provisions.* This Section 2.2(d) shall apply only to Global Notes deposited with or on behalf of the Depository. The "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, shall be applicable to the Regulation S Global Notes insofar as interests in the Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Trustee, as custodian for the Depository and the Depository may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or the Trustee as the absolute owner of the Senior Note for all purposes whatsoever. Notwithstanding the foregoing, nothing in this Indenture shall prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy, or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Senior Note.

(e) The Class E Notes shall be issued in the form of one or more certificated Class E Notes in definitive, fully registered form without interest coupons substantially in the form of Exhibit A-2, including legends (each, a "**Certificated Class E Note**"), which shall be registered in the name of the owner thereof.

Section 2.3. *Authorized Amount; Denominations.*

(a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is limited to U.S.\$920,000,000, except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.6, 2.7, or 8.5.

(b) The Notes shall be divided into the following Classes, having the designations, original principal amounts and other characteristics as follows:

Class	A-1-A	A-1-B	B	C	D	E
Original Principal Amount	\$570,500,000	\$142,500,000	\$80,000,000	\$53,500,000	\$36,000,000	\$37,500,000
Interest Rate	LIBOR + 0.225%	LIBOR + 0.340%	LIBOR + 0.440%	LIBOR + 0.850%	LIBOR + 2.350%	LIBOR + 4.300%
Initial Rating (Moody's/S&P)	Aaa/AAA	Aaa/AAA	Aa2/AA	A2/A	Baa2/BBB	Ba2/BB

(c) The Notes will be issuable in minimum denominations of U.S.\$250,000, and integral multiples of U.S.\$1,000 in excess of that amount.

(d) The Issuer will also issue 39,000 Class I Preference Shares and 41,000 Class II Preference Shares pursuant to the Preference Share Documents, simultaneously with the issuance of the Notes under this Indenture. At any time during the Replacement Period, the Issuer may issue and sell additional Preference Shares and use the proceeds from such issuance and sale to purchase additional Collateral Obligations or as otherwise permitted under the Preference Share Documents and this Indenture pursuant to Section 6 of the Preference Shares Paying Agency Agreement. The Preference Shares are not secured by the lien of this Indenture. Any payments made by the Trustee hereunder with respect to the Preference Shares (other than, as and to the extent described herein, the Class II Preference Share Special Payments) will be released by the Trustee to the Preference Shares Paying Agent on each Payment Date in accordance with the Priority of Payments for deposit into the Preference Shares Distribution Account for payment, subject to Cayman Islands law, to Holders of the Preference Shares as dividends or Redemption Price, as applicable.

Section 2.4. *Extension of Replacement Period and Stated Maturity.*

(a) The Issuer, if directed by the Servicer, shall be entitled on each Extension Effective Date to extend the Replacement Period to the applicable Extended Replacement Period End Date up to a maximum of four times if (i) in the case of an Extension Effective Date occurring after the first Extension Effective Date, the Issuer has previously effected a Maturity Extension for each preceding Extension Effective Date in accordance with this Section 2.4 and (ii) the Extension Conditions set forth in Section 2.4(c) are satisfied and the Issuer has given written notice of its election to extend the Replacement Period to the Trustee no later than 60 days and no earlier than 90 days prior to such Extension Effective Date. If the Extension Conditions are satisfied, the Stated Maturity of the Notes shall be automatically extended to the related Extended Stated Maturity Date and the Weighted Average Life Test shall be automatically extended to the related Extended Weighted Average Life Date, without any requirement for approval or consent of any Holders of Notes or Preference Shares or amendment or supplement to this Indenture or the Preference Share Documents (the "**Maturity Extension**"); provided that the Issuer will not be permitted to effect more than four Maturity Extensions.

(b) In the case of a Maturity Extension, any Holder of Securities wishing to sell such Securities to an Extension Qualifying Purchaser pursuant to the Extension Conditions must provide the applicable Extension Sale Notice within the Extension Sale Notice Period pursuant to Section 2.4(d) (such Securities as to which an Extension Sale Notice has been duly given, "**Extension Sale Securities**"). Notwithstanding anything to the contrary herein, in connection with an Extension Sale, all, but not part, of the Extension Sale Securities shall be purchased and settled at the applicable Extension Purchase Price on the applicable Extension Effective Date.

(c) The Maturity Extension shall be effective only if the following conditions (the "**Extension Conditions**") are satisfied:

(i) the purchase of all Extension Sale Securities has been settled by the designated Extension Qualifying Purchasers at the applicable Extension Purchase Price as of the applicable Extension Effective Date;

(ii) all such purchases of Extension Sale Securities individually and in the aggregate comply with the applicable transfer restrictions in this Indenture and the Preference Share Documents immediately after such purchase and the legends on such Extension Sale Securities and all applicable law, rules and regulations (including, without limitation, rules, regulations and procedures of any applicable securities exchange, self-regulatory organization or clearing agency);

(iii) (a) the Rating Condition has been satisfied with respect to S&P (so long as any Notes are then rated by S&P) and (b) the Rating Condition has been satisfied with respect to Moody's (so long as any Notes are then rated by Moody's);

(iv) the Issuer has not effected more than three prior Extensions; and

(v) such extension is not effected for the primary purpose of decreasing losses or recognizing gains resulting from market value changes.

The Issuer, the Trustee and, by its acceptance of the Notes, each Noteholder agrees that neither of the Initial Purchasers shall be responsible for causing the Extension Conditions to be satisfied and neither of the Initial Purchasers shall be liable to any such Person or Noteholders (whether or not such Holder gave an Extension Sale Notice with respect to its Notes) or to any other Person if the Extension Conditions are not satisfied. Failure of the Extension Conditions to be satisfied shall not constitute a Default or Event of Default under this Indenture.

(d) Extension Procedure.

(i) Not later than three Business Days following receipt by the Trustee of the notice given by the Issuer of its election to extend the Replacement Period (the "**Extension Notice**"), the Trustee shall mail the Extension Notice to all Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of the Preference Shares) and each Rating Agency (so long as any rated Notes are Outstanding), in the form of Exhibit I, and shall request the Rating Confirmation for the Maturity Extension from each Rating Agency, if applicable;

(ii) Any Holder of the Securities may deliver an irrevocable notice (an "**Extension Sale Notice**") to the Issuer and the Trustee within 30 days after the Trustee has mailed the Extension Notice (the "**Extension Sale Notice Period**") of its intention to sell all or a portion of its Securities to an Extension Qualifying Purchaser in the case of a Maturity Extension. Any Extension Sale Notice received by the Trustee after the Extension Sale Notice Period shall be disregarded and deemed not to have been given. No Holder of the Securities that has not delivered such an Extension Sale Notice within the Extension Sale Notice Period shall be entitled to sell its Securities to an Extension Qualifying Purchaser in connection with the Maturity Extension; and

(iii) If clause (iii)(b) of the Extension Conditions is not satisfied as of the applicable Extension Determination Date as determined by the Issuer (or its agent), the Trustee shall request the Rating Condition to be satisfied with respect to Moody's.

(e) On the applicable Extension Determination Date, the Issuer (or its agent) shall confirm (i) whether or not Extension Qualifying Purchasers for all Extension Sale Securities have been designated to purchase such Extension Sale Securities in compliance with all transfer restrictions in this Indenture and the Preference Share Documents and the legends on such Extension Sale Securities and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency), (ii) whether the requirements of clause (c)(iii) of the Extension Conditions are satisfied as of the applicable Extension Determination Date and (iii) whether all other Extension Conditions can be satisfied as of the applicable Extension Effective Date.

(f) On each Extension Effective Date, the Maturity Extension shall automatically become effective under the terms of this Indenture; provided that all Extension Conditions set forth in clauses (a) and (c) above are satisfied (as certified to the Trustee by a certificate of an Authorized Officer of the Issuer). No later than two Business Days after each Extension Effective Date, the Trustee based on a determination made by the Issuer in consultation with the Servicer, at the expense of the Co-Issuers, shall mail a notice to all Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Servicer, the Initial Purchasers, each Rating Agency (so long as any rated Notes are Outstanding) and the Irish Stock Exchange (if and for so long as any Class of Senior Notes is listed thereon) confirming whether or not the Maturity Extension became effective. If the Maturity Extension became effective, the Issuer shall make any required notifications thereof to the Depository for any Notes subject to the Maturity Extension.

(g) In the case of a Maturity Extension, each Noteholder, other than a Holder of Extension Sale Securities, shall be entitled to receive an amount equal to the applicable Extension Bonus Payment. Holders of Preference Shares shall not be entitled to receive any Extension Bonus Payment.

The Extension Bonus Payment shall be payable to any applicable qualifying beneficial owners who have provided the Trustee with an Extension Bonus Eligibility Certification on the first Payment Date from and including each Extension Effective Date on which funds are available to be used for such purposes in accordance with Priority of Payments, but in any event, no later than the earlier of the Stated Maturity and the date of redemption of the Notes. Extension Bonus Payments which are not available to be paid on a Payment Date in accordance with the Priority of Payments shall not be considered "due and payable" hereunder. The failure to pay any such Extension Bonus Payment on such date shall not be an Event of Default, unless the Issuer shall fail to pay in full such Extension Bonus Payment on the earlier of the Stated Maturity and the date of redemption in full of the relevant Securities. Unpaid Extension Bonus Payments shall not accrue interest. Such amounts shall be paid, in the case of the Notes, to the accounts designated in the applicable Extension Bonus Eligibility Certification or, to the extent otherwise required by the rules of any applicable securities exchange or clearing agency, in a manner determined by the Issuer.

(h) If any Holder of Class II Preference Shares delivers an Extension Sale Notice notifying the Issuer and the Trustee of its intention to sell all or a portion of its Class II Preference Shares, such Holder will sell such Class II Preference Shares to the Extension Qualifying Purchaser and such Preference Shares will be redesignated as Class I Preference Shares.

Section 2.5. *Execution, Authentication, Delivery, and Dating.*

The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of the Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding that any of them have ceased to hold their offices before the authentication and delivery of the Notes or did not hold their offices at the date of issuance of the Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Co-Issuers may deliver the Senior Notes and the Issuer may deliver the Class E Notes, in each case executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver the Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange, or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged, or replaced, but shall represent only the current outstanding principal amount of the Notes so transferred, exchanged, or replaced. If any Note is divided into more than one Note in accordance with this Article 2, the original principal amount of the Note shall be proportionately divided among the Notes delivered in exchange for it and shall be the original aggregate principal amount of the subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on the Note a Certificate of Authentication executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and that certificate on any Note shall be conclusive evidence, and the only evidence, that the Note has been duly authenticated and delivered under this Indenture.

Section 2.6. ***Registration, Registration of Transfer and Exchange.***

(a) The Issuer shall cause a register (the "***Indenture Register***") to be kept in which the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "***Indenture Registrar***" for the purpose of registering Notes and transfers of the Notes as provided in this Indenture. The Issuer may rely conclusively on any such information provided to it by the Trustee. Upon any resignation or removal of the Indenture Registrar, the Issuer shall promptly appoint a successor and notify the Servicer of the appointment or, in the absence of such appointment, assume the duties of Indenture Registrar.

If the Issuer appoints a Person other than the Trustee to be Indenture Registrar, the Issuer will give the Trustee prompt written notice of the appointment of the Indenture Registrar and of the location, and any change in the location, of the Indenture Register. The Trustee may inspect the Indenture Register at all reasonable times and obtain copies of it. The Trustee may rely on a certificate executed on behalf of the Indenture Registrar by an Officer of the Indenture Registrar as to the names and addresses of the Noteholders and the principal amounts and number of the Notes.

Upon surrender for registration of transfer of any Notes at the office or agency of the Applicable Issuers to be maintained pursuant to Section 7.2, if the requirements of this Indenture are met the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferees, new Notes of any authorized denomination and of a like original Aggregate Outstanding Amount.

At the option of their Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at the office or agency of the Applicable Issuers to be maintained pursuant to Section 7.2. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Noteholder making the exchange is entitled to receive.

All Notes issued on any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers evidencing the same obligations and entitled to the same benefits under this Indenture as the Notes surrendered for registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Indenture Registrar duly executed by its holder or his attorney duly authorized in writing.

No Holder shall incur a service charge for any registration of transfer or exchange of the Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

(b) No Note may be sold or transferred (including by pledge or hypothecation) unless the sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws, and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act. None of the Co-Issuers, the Trustee or any other Person shall have any obligation to register the Notes under the Securities Act or any state securities laws.

(c) (i) No Note or interest therein may be transferred to any purchaser or transferee unless such purchase, holding and disposition of such Note will not result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, foreign or church plan, any federal, state, foreign or local law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code).

(ii) No person shall be permitted to acquire any Class E Note if such acquisition would result in persons who have represented that they are Benefit Plan Investors owning 25% or more of the aggregate outstanding amount of the Class E Notes immediately after such sale or transfer (excluding, as described below, for purposes of such determination any Class E Notes held by any Controlling Person (as defined below) and its affiliates (as defined below)) determined in accordance with Section 3(42) of ERISA. Under the Plan Asset Regulation, an "affiliate" of a person includes any person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the person, and "control" with respect to a person other than an individual, means the power to exercise a controlling influence over the management or policies of such person. In making the 25% determination, Class E Notes held by any person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the assets of the Issuer or a person who provides investment advice for a fee (direct or indirect) with respect to the assets of the Issuer or any affiliate of any such person (any such person, a "**Controlling Person**") (such as the Class E Notes held by the Servicer or its affiliates) will be disregarded and not treated as outstanding.

(iii) Any person described in paragraph (i) and (ii) above is referred to herein as a "**Non-Permitted Benefit Plan Investor**." Any transfer of a beneficial interest to a Non-Permitted Benefit Plan Investor shall be void and any such purported transfer of which the

Issuer, the Co-Issuer or the Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) None of the Trustee, the Share Registrar or the Indenture Registrar shall be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a certificate or any other document is specifically required by this Section 2.6 to be provided to the Trustee or such Registrar by a prospective transferee, the Trustee and such Registrar, as applicable, shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or register the transfer of any Issuer Ordinary Shares to U.S. persons and the Co-Issuer shall not issue or register the transfer of any of its shares of the Co-Issuer to U.S. persons. As used in this subsection (e), "U.S. person" has the meaning assigned to it in Regulation S.

(f) So long as a Global Note remains Outstanding and is held by or on behalf of the Depository, transfers of the Global Note, in whole or in part, shall only be made in accordance with Section 2.2(c), Section 2.6(c) and this Section 2.6(f).

(i) Subject to clauses (ii), (iii) and (iv) of this Section 2.6(f), transfers of a Global Note shall be limited to transfers of the Global Note in whole, but not in part, to nominees of the Depository.

(ii) *Rule 144A Global Note to Regulation S Global Note.* If a Holder of a beneficial interest in a Rule 144A Global Note deposited with the Depository wishes at any time to exchange its interest in the Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in the Rule 144A Global Note to a Person who wishes to take delivery of it in the form of an interest in the corresponding Regulation S Global Note, the Holder may exchange or transfer the interest for an equivalent beneficial interest in the corresponding Regulation S Global Note (subject to the rules and procedures of the Depository) if the Holder after the exchange or transfer is not a U.S. person.

The Indenture Registrar shall instruct the Depository to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged, and to credit to the securities account of the Person specified in the instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note upon receipt by the Indenture Registrar of

(A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Indenture Registrar to credit a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to the Holder's Senior Notes, equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred,

(B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and the Euroclear or Clearstream account to be credited with the increase,

(C) a certificate in the form of Exhibit B-3 given by the Holder of the beneficial interest stating that the exchange or transfer of the interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the Holder or the transferee, as applicable, is not a U.S. person, and that the transfer has been made pursuant to and in accordance with Regulation S, and

(D) in the case of a transfer, a certificate in the applicable form of Exhibit B-1 given by the proposed transferee stating that it is not a U.S. person.

(iii) *Regulation S Global Note to Rule 144A Global Note.* If a Holder of a Senior Note held as a beneficial interest in a Regulation S Global Note deposited with the Depository wishes at any time to exchange its interest in the Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in the Regulation S Global Note to a Person who wishes to take delivery of it in the form of an interest in the corresponding Rule 144A Global Note, the Holder may, subject to the rules and procedures of Euroclear, Clearstream or the Depository, as the case may be, exchange or transfer, or cause the exchange or transfer of, the interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Indenture Registrar of:

(A) instructions from Euroclear, Clearstream or the Depository, as the case may be, directing the Indenture Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note equal to the beneficial interest in the Regulation S Global Note, but not less than the minimum denomination applicable to the Holder's Senior Notes, to be exchanged or transferred, the instructions to contain information regarding the participant account with the Depository to be credited with the increase,

(B) a certificate in the form of Exhibit B-2 given by the Holder of the beneficial interest and stating that, in the case of an exchange, the Holder is a Qualified Institutional Buyer and a Qualified Purchaser or, in the case of a transfer, the Person transferring the interest in the Regulation S Global Note reasonably believes that the Person acquiring the interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining the beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, and a Qualified Purchaser, and

(C) a certificate in the form of Exhibit B-1 given by the proposed transferee stating that it is a QIB/QP,

the Indenture Registrar shall instruct the Depository to reduce the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Indenture Registrar shall instruct the Depository, concurrently with the reduction, to credit to the securities account of the Person specified in the instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iv) *Other Exchanges.* If a Global Note is exchanged for Senior Notes in definitive registered form without interest coupons pursuant to Section 2.11, the Senior Notes may be exchanged for one another only in accordance with procedures substantially consistent with the provisions above (including certification requirements intended to insure

that the transfers are made only to Holders who are QIB/QPs or non-U.S. persons, or otherwise comply with Regulation S, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(g) So long as the Class E Notes remain Outstanding transfers of such Class E Notes shall only be made in accordance with Section 2.6(c) and this Section 2.6(g) upon receipt by the Indenture Registrar of a certificate in the form of Exhibit B-4 given by the proposed transferee stating that it is a QIB/QP and containing other representations, warranties and agreements of such transferee.

(h) If the Notes are issued upon the transfer, exchange, or replacement of Notes bearing the applicable legends in the applicable forms in Exhibit A, as applicable, and if a request is made to remove the legend on the Notes, the legend shall not be removed unless the Trustee and the Applicable Issuers received satisfactory evidence, which may include an Opinion of Counsel acceptable to them, reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither the legend nor the restrictions on transfer in it are required to ensure that transfers of the Notes comply with the Securities Act, the Investment Company Act, ERISA and the Code. Upon provision of satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear the applicable legend.

(i) Notwithstanding anything contained in this Section 2.6 to the contrary:

(i) Restrictions on U.S. Transfers. Transfers of an interest in a Regulation S Global Note that are not made in an offshore transaction pursuant to Regulation S or are made to U.S. Persons, if such transferees take delivery in the form of an interest in a Rule 144A Global Note, shall be limited to transfers made pursuant to the provisions of Section 2.6(f)(iii) and Section 2.6(f)(iv).

(ii) Beneficial interests in a Regulation S Global Note may only be held through Euroclear or Clearstream.

(j) (i) Each Person who becomes a beneficial owner of a Senior Note evidenced by: (A) an interest in a Definitive Note, shall make the representations, warranties and agreements set forth in the applicable Transferee Certificate set forth in Exhibit B-1 upon such Person's purchase or other acquisition of the relevant Definitive Note and (B) an interest in a Global Note, shall be deemed to make the representations, warranties and agreements set forth in the applicable legends of the Notes set forth in Exhibit A-1 hereto and in the applicable Transferee Certificate set forth in Exhibit B-1 hereto upon such Person's purchase or other acquisition of the relevant Global Note.

(ii) Each Person who becomes a beneficial owner of a Class E Note shall make the representations, warranties and agreements set forth in the Transferee Certificate set forth in Exhibit B-4 upon such Person's purchase or other acquisition of such Class E Note.

(k) The aggregate principal amount of any Global Note may be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC for the Global Note, which adjustments shall be conclusive as to the aggregate principal amount of any Global Note.

(l) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void.

Section 2.7. *Mutilated, Destroyed, Lost or Stolen Notes.*

If the Applicable Issuers, the Trustee, and the relevant Transfer Agent receive evidence to their satisfaction of the destruction, loss or theft of any Note, and they receive the security or indemnity they require to hold each of them harmless, or if any mutilated Note is surrendered to a Transfer Agent, then, in the absence of notice to the Applicable Issuers, the Trustee, or the Transfer Agent that the Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, in exchange for the mutilated, destroyed, lost, or stolen Note, a replacement Note, of like tenor and equal principal or face amount.

If, after delivery of the replacement Note or payment on it, a protected purchaser of the predecessor Note presents it for payment, transfer, or exchange, the Applicable Issuers, the Transfer Agent, and the Trustee may recover the replacement Note (or the payment on it) from the Person to whom it was delivered or any Person taking the replacement Note from the Person to whom the replacement Note was delivered or any assignee of that Person, except a protected purchaser, and may recover on the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the Applicable Issuers, the Trustee, and the Transfer Agent in connection with it.

If the final payment in respect of any mutilated, destroyed, lost, or stolen Note has become payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay the Note without requiring its surrender except that any mutilated Note shall be surrendered.

Upon the issuance of any new Note under this Section, the Applicable Issuers or the Trustee may require the payment by its holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the issuance and any other expenses (including the fees and expenses of the Trustee) connected with it.

Every new Note issued pursuant to this Section in replacement for any mutilated, destroyed, lost, or stolen Note shall be an original additional contractual obligation of the Applicable Issuers and the new Note shall be entitled to all the benefits of this Indenture equally and proportionately with all other Notes of the same Class duly issued under this Indenture, as applicable.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Notes.

Section 2.8. *Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved; Withholding.*

(a) The Notes of each Class shall accrue interest during each Interest Period on their Aggregate Outstanding Amount (determined as of the first day of the Interest Period and after giving effect to any redemption or other payment of principal occurring on that day) at the Applicable Note Interest Rate. Interest shall be payable in arrears on each Payment Date. Payment of interest on each Class of Notes shall be subordinated to the payments of interest on the related Priority Classes and other amounts in accordance with the Priority of Payments.

So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on the Class of Deferred Interest Notes that is not available to be paid ("*Deferred Interest*") in accordance with the Priority of Payments on any Payment Date shall not be considered "payable" for the purposes of this Indenture (and the failure to pay the interest shall not be an Event of Default) until the Payment Date on which the interest is available to be paid in accordance with the Priority of Payments. Deferred Interest on any Class of

Deferred Interest Notes shall be payable on the first Payment Date on which funds are available to be used for that purpose in accordance with the Priority of Payments.

Interest shall cease to accrue on each Note, or in the case of a partial repayment, on the part repaid, from the date of repayment or its Stated Maturity unless payment of principal is improperly withheld or unless there is some other default with respect to the payments of principal.

To the extent lawful and enforceable, interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Note Interest Rate for the Class (and to the extent not paid as current interest on the Payment Date after the Interest Period in which it accrues, shall thereafter be additional Deferred Interest, until paid as provided in this Indenture).

(b) The principal of each Note of each Class matures at par and is payable on the Payment Date that is the Stated Maturity for the Class of Notes, unless the unpaid principal of the Note becomes payable at an earlier date by declaration of acceleration, call for redemption, or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Notes:

(i) may only occur after principal on each Class of Notes that is a Priority Class with respect to the Class has been paid in full; and

(ii) is subordinated to the payment on each Payment Date of the principal and interest payable on the Priority Classes, and other amounts in accordance with the Priority of Payments;

provided that, notwithstanding the foregoing, Interest Proceeds may be used to pay principal of the Class E Notes on any Payment Date to the extent necessary to satisfy the Class E Coverage Tests.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Section 9.1.

(d) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Paying Agent shall require the previous delivery of appropriate properly completed and signed original forms United States federal income tax certifications (generally, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or an appropriate Internal Revenue Service Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments on the Note under any present or future law of the United States or any present or future law of any political subdivision of the United States or taxing authority in the United States or to comply with any reporting or other requirements under any such law.

(e) Payments in respect of interest on and principal of any Note shall be made by the Trustee, or by the Irish Paying Agent, if applicable, in U.S. Dollars to the Depository or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Definitive Note and a Class E Note, by wire transfer, as directed by the Holder, in immediately available funds to a U.S. Dollar account maintained by the Depository or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Definitive Note and a Class E Note. In the case of a Definitive Note and a Class E Note, its Holder has provided written wiring instructions to the

Trustee and, if the payment with respect to a Definitive Note is to be made by the Irish Paying Agent, the Irish Paying Agent, on or before the related Record Date.

If appropriate instructions for the wire transfer are not received by the related Record Date, then the payment will be made by check drawn on a U.S. bank mailed to the address of the Holder in the Indenture Register. Upon final payment due on the Maturity of a Note, its Holder shall present and surrender the Note at the office designated by the Trustee on or before the Maturity. If the Trustee and the Applicable Issuers have been furnished the security or indemnity they require to save each of them harmless and an undertaking thereafter to surrender the certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, the final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Share Registrar nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by Euroclear, Clearstream, or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note.

In the case where any final payment of principal and interest is to be made on any Note (other than on its Stated Maturity and except as otherwise provided in this Indenture), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days before the date on which the payment is to be made, mail (by first-class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Indenture Register, a notice specifying the date on which the payment will be made, the amount of the payment per U.S.\$100,000 original principal amount of Notes and the place where the Notes may be presented and surrendered for payment. If the Trustee and the Issuer have been furnished any security or indemnity they require to save each of them harmless and an undertaking thereafter to surrender the certificate, then, in the absence of notice to the Issuer or the Trustee that the applicable certificate has been acquired by a protected purchaser, final payment shall be made without presentation or surrender of the applicable certificate.

(f) Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of the Class registered in the name of each Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class on the Record Date.

(g) Interest accrued shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding on all future Holders of the Note and of any Note issued upon the registration of its transfer, exchange, or replacement, whether or not the payment is noted on the Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuer under the Senior Notes and under this Indenture are non-recourse obligations, and the obligations of the Issuer under the Notes and under this Indenture are limited recourse obligations payable solely from the Collateral and following realization of the assets, application of their proceeds in accordance with this Indenture and the reduction of the proceeds of the Collateral to zero, all obligations of, and any claims against, the Co-Issuers under this Indenture or under the Notes or arising in connection therewith shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, or incorporator of either of the Co-Issuers or their respective successors or assigns for any amounts payable under the Notes or this Indenture. The foregoing provisions of this paragraph (i) shall not (1) prevent recourse to the Collateral for the sums due or to become due under any security, instrument, or agreement that is

part of the Collateral or (2) be a waiver, release, or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until the Collateral have been realized. The foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability is sought or (if obtained) enforced against the person.

(j) If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes to any Noteholder, the tax shall reduce the amount otherwise distributable to the Noteholder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally owed, or required by law to be collected, by or on behalf of the Issuer (but the authorization shall not prevent the Trustee or the Issuer from contesting any such tax in appropriate proceedings and withholding payment of the tax, if permitted by law, pending the outcome of the proceedings). The amount of any withholding tax imposed with respect to any Noteholder shall be treated as Cash distributed to the Noteholder when it is withheld by the Trustee and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold the amounts in accordance with this Section 2.8(j). If any Noteholder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with the Noteholder in making the claim by providing information readily available to the Trustee so long as the Noteholder agrees to reimburse the Trustee for any out-of-pocket expenses incurred and provides the Trustee with security reasonably acceptable to the Trustee assuring the reimbursement. The Trustee hereby provides notice to each Noteholder that the failure by the Noteholder to provide the Trustee with appropriate tax certifications may result in amounts being withheld from payments to the Noteholder. Nothing in this Indenture shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 2.9. *Persons Considered Owners.*

The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee may treat as the owner of the Note the Person in whose name any Note is registered on the Indenture Register on the applicable Record Date for the purpose of receiving payments on the Note and on any other date for all other purposes whatsoever (whether or not the Note is overdue), and neither the Issuer, the Co-Issuer nor the Trustee nor any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary. Pursuant to the Servicing Agreement, the Servicer will notify the Trustee and the Share Registrar of any Affiliate of the Servicer that owns any of the Securities.

Section 2.10. *Cancellation.*

All Notes surrendered for payment, registration of transfer, exchange, or redemption, or lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy unless the Applicable Issuers direct by an Issuer Order delivered to the Trustee prior to cancellation and destruction that they be returned to the Issuer.

Section 2.11. ***Definitive Notes.***

(a) A Global Note deposited with the Depository pursuant to Section 2.2 shall be transferred in the form of a Definitive Note to its beneficial owners only if the transfer complies with Section 2.6 and either

(i) the Depository notifies the Co-Issuers that it is unwilling or unable to continue as Depository for the Global Note or

(ii) if at any time the Depository ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after the notice.

(b) Any Global Note that is transferable in the form of a Definitive Note to its beneficial owners pursuant to this Section 2.11 shall be surrendered by the Depository to the office of the Trustee's agent located in the City of New York, New York as specified in Section 7.2 (or any other office designated by the Trustee) to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon the transfer of each portion of the Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of the Depository) (each, a "***Definitive Note***") in authorized denominations. Any Definitive Note delivered in exchange for an interest in a Global Note, as applicable, shall, except as otherwise provided by Section 2.6(j), bear the legends in the applicable portion of Exhibit A-1 and shall be subject to the transfer restrictions referred to in the legends.

(c) The Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Senior Notes, as applicable.

(d) Upon the occurrence of either of the events specified in Section 2.11(a)(i) and (ii), the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons.

The Definitive Notes shall be in substantially the same form as the Global Notes, with any changes the Issuer and Trustee agree to and the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in exchange therefor, the same aggregate principal amount of Definitive Notes of authorized denominations.

Section 2.12. ***Notes Beneficially Owned by Non-Permitted Holders.***

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, (i) any transfer of a beneficial interest in any Global Note to a U.S. person (for purposes of this Section 2.12 as defined in Regulation S) that is not a QIB/QP and that is not made pursuant to an applicable exemption under the Securities Act and (ii) any transfer of a beneficial interest in any Class E Note to a Person that is not a QIB/QP, shall be void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) After discovery by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery) that a Person is a Non-Permitted Holder, the Issuer shall promptly send notice to the Non-Permitted Holder demanding that the Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within

30 days of the date of the notice. If the Non-Permitted Holder fails to so transfer its Notes or interest in the Notes without further notice to the Non-Permitted Holder, the Issuer may sell the Notes or interest in the Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on any terms the Issuer chooses. The Issuer, or the Trustee acting on behalf of the Issuer, may select the purchaser by soliciting bids (or by appointing an investment bank at the expense of the Issuer to solicit bids) from brokers or other market professionals that regularly deal in securities similar to the Notes, and selling the Notes, or interest in the Notes to the highest bidder. However, the Issuer or the Trustee may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the beneficial owner of each interest in a Note, the Non-Permitted Holder, and each other Person in the chain of title from the Holder or beneficial owner to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect the transfers. The proceeds of the sale, net of any commissions, expenses of the Trustee or otherwise, and taxes due in connection with the sale shall be remitted to the Non-Permitted Holder. The terms of any sale under this subsection shall be determined in the sole discretion of the Issuer (or the Trustee acting on its behalf), and the Issuer and the Trustee shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of its discretion.

Section 2.13 *Tax Purposes*

The Issuer agrees, and each Holder and each beneficial owner of a Note, by acceptance of its Note or its interest in a Note, as the case may be, shall be deemed to have agreed, to treat, and shall treat, such Note as unconditional debt of the Issuer for tax, accounting and financial reporting purposes.

(B) the Issuer has acquired its ownership in the Collateral Obligation in good faith without notice of any adverse claim, except as described in paragraph (A) above;

(C) the Issuer has not assigned, pledged or otherwise encumbered any interest in the Collateral Obligation (or, if any interest in the Collateral Obligation has been assigned, pledged or otherwise encumbered, it has been released before the Closing Date or is being released on the Closing Date) other than interests Granted pursuant to or permitted by this Indenture;

(D) the Issuer has full right to Grant a security interest in and assign and pledge the Collateral Obligation to the Trustee;

(E) upon Grant by the Issuer, the Trustee has a first priority perfected security interest in the Collateral Obligations and the other Collateral; and

(xxii) *Other Documents.* Any other documents the Trustee reasonably requires. Nothing in this clause (xxii) shall imply or impose a duty on the part of the Trustee to require any other documents.

(b) Any Refinancing Note may be issued from time to time pursuant to Section 9.7 hereof. Any such Refinancing Notes shall be executed by the Applicable Issuer and delivered to the Trustee for authentication, and thereupon shall be authenticated and delivered by the Trustee upon and pursuant to Issuer Order delivered to the Trustee, together with delivery to the Trustee by the Issuer of an Opinion of Counsel to the effect that (A) such Refinancing Notes are duly authorized and validly issued by the Applicable Issuer pursuant to the Indenture, constituting the legal, valid and binding obligation of such Applicable Issuer, enforceable against such Issuer in accordance with its terms and (B) all conditions precedent under this Indenture, if any, applicable to the issuance, authentication and delivery of such Notes, have been satisfied.

Section 3.2. *Custodianship; Delivery of Collateral Obligations and Eligible Investments.*

(a) The Servicer, on behalf of the Issuer, shall deliver or cause to be delivered to a custodian appointed by the Issuer, which shall be a Securities Intermediary (the "**Custodian**"), all Collateral in accordance with the definition of "Deliver." Initially, the Custodian shall be Investors Bank & Trust Company. Any successor custodian shall be a state or national bank or trust company that is not an Affiliate of the Issuer or the Co-Issuer, has a long-term debt rating of at least "BBB+" by S&P and has capital and surplus of at least U.S.\$200,000,000 and is a Securities Intermediary. Subject to the limited right to relocate Pledged Obligations as provided in Section 7.5(b), the Trustee shall hold all Collateral Obligations, Eligible Investments, other assets purchased in accordance with this Indenture (other than Loans, Participations and general intangibles) and Cash in the relevant Account established and maintained pursuant to Article 10, as to which in each case the Trustee shall have entered into a securities account control agreement with the Custodian in accordance with Article 8 of the UCC providing, *inter alia*, that the establishment and maintenance of the Account shall be governed by the law of the State of New York.

(b) Each time that the Issuer, or the Servicer on behalf of the Issuer, directs or causes the acquisition of any Collateral Obligation, Eligible Investment or other assets, the Servicer (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment or other asset is required to be, but has not already been, transferred to the relevant Account, cause the Collateral Obligation, Eligible Investment or other asset to be Delivered to the Custodian to be held in the Custodial Account (or in the case of any such asset that is not a Collateral Obligation, in the Account in which the funds used to purchase the asset are held in accordance with Article 10) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other asset so acquired, including all interests of the Issuer in to any contracts related to and proceeds of the Collateral Obligations, Eligible Investments or other assets.

Section 3.3. *Representations as to Collateral.*

(a) The Issuer hereby represents and warrants to the Secured Parties as to the Collateral as follows (which representations are repeated on each day on which the Issuer acquires new Collateral):

(i) This Indenture creates a valid and continuing security interest (as defined in the applicable Uniform Commercial Code) in the Collateral in favor of the Trustee, which security interest is prior to all other liens, charges, claims, security interests, mortgages and other encumbrances, and is enforceable as such as against creditors of and purchasers from the Issuer.

(ii) Except for any Securities Lending Collateral and Synthetic Securities Collateral, the Issuer has good and marketable title to and is the owner of each item of Collateral free of any liens, claims, or encumbrances of any nature whatsoever except for liens (A) that are being released on the Closing Date and (B) granted pursuant to or permitted by this Indenture. The Issuer has a first priority security interest in all Securities Lending Collateral to secure all obligations of Securities Lending Counterparty under the Securities Lending Agreement and a first priority interest in all Synthetic Securities Collateral to secure all obligations of Synthetic Security Counterparty under the Synthetic Securities Agreement.

(iii) The Issuer has not assigned, pledged or otherwise encumbered any interest in the Collateral (or, if any interest in the Collateral has been assigned, pledged or otherwise encumbered, it has been released before the Closing Date or is being released on the Closing Date) other than interests granted pursuant to or permitted by this Indenture.

(iv) The Issuer has full right, and has received all consents and approvals required by the related Underlying Instruments, to grant a security interest in its rights in the Collateral to the Trustee.

(v) Each Collateral Obligation included in the Collateral satisfied the requirements of the definition of "Collateral Obligation" as of the date the Issuer committed to purchase the same or, in the case of the Loans with respect to which loans were made by Pre-Closing Parties and repaid by the Issuer on the Closing Date, as of the Closing Date.

(vi) All Collateral Obligations, any obligation that at the time of acquisition, conversion or exchange did not satisfy the requirements of a Collateral Obligation, and Eligible Investments (other than, in each case, "general intangibles" within the meaning of the applicable Uniform Commercial Code) have been and will have been credited to one of the Accounts. The securities intermediary for each Account has agreed to treat all assets credited to the Accounts as "financial assets" within the meaning of the applicable Uniform Commercial Code.

(vii) The Issuer has pledged to the Trustee all of the Issuer's interest in each Collateral Obligation included in the Collateral pursuant to the Granting Clauses of this Indenture and has delivered each Collateral Obligation (including any promissory note and all its other Underlying Instruments to the extent received by the Issuer) to the Trustee or the Custodian as contemplated by Section 3.2.

(viii) Each of the Collateral constitutes "general intangibles," "certificated securities," "instruments," "securities entitlements," "uncertificated securities," "chattel paper" or "securities accounts," each within the meaning of the applicable Uniform

Commercial Code, or any other category of collateral under the applicable Uniform Commercial Code as to which the Issuer has complied with its obligations under Section 3.3(b).

(ix) The Issuer has caused (or will have caused within 10 days following the Closing Date) the filing of appropriate financing statements in the proper filing offices in the appropriate jurisdictions under applicable law to perfect the security interest in the portion of the Collateral pledged to the Trustee under this Indenture that may be perfected by the filing of financing statements.

(x) The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Collateral other than any financing statement (A) relating to the security interest granted to the Trustee under this Indenture, (B) that has been terminated or (C) that names the Trustee as the secured party. On the date of this Indenture, the Issuer is not aware of any judgment or Pension Benefit Guaranty Corporation or tax lien filings against the Issuer.

(xi) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the securities intermediary for each Account has agreed to comply with all instructions originated by the Trustee relating to the Account without further consent by the Issuer.

(xii) All original executed copies of each "instrument" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral have been delivered to the Custodian, to the extent received by the Issuer. The Issuer has received confirmation from the Custodian that the Custodian has credited the instruments to one of the Accounts. None of the instruments that are or evidence the Collateral has any marks or notations indicating that they are then pledged or otherwise assigned to any Person other than the Trustee.

(xiii) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the securities intermediary of any Account to comply with instructions of any Person other than the Trustee.

(xiv) All "certificated securities" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral have been delivered to the Custodian, to the extent received by the Issuer, registered in the name of the Custodian or indorsed to the Custodian. The Issuer has received confirmation from the Custodian that the Custodian has credited such certificated securities to one of the Accounts.

(xv) The Issuer has caused all "uncertificated securities" (as defined in each applicable Uniform Commercial Code) that are or evidence the Collateral to be registered in the name of the Custodian.

(xvi) Upon grant by the Issuer, the Trustee has a first priority perfected security interest in the Collateral.

The parties to this Indenture shall not waive any of the representations in this Section 3.3, unless the Rating Condition is satisfied in connection with such waiver. The Issuer shall provide each of the Rating Agencies with prompt written notice of any breach of the representations contained in this Section 3.3 upon becoming aware thereof, and shall not waive a breach of any of the representations in this Section 3.3, unless the Rating Condition is satisfied (as determined after

any adjustment or withdrawal of the ratings following notice of such breach) in connection with such waiver.

If the Issuer acquires Collateral that is not "general intangibles," "certificated securities," "instruments," "securities accounts," "chattel paper," "securities entitlements" or "uncertificated securities," each within the meaning of the applicable Uniform Commercial Code, or another category of collateral under the applicable Uniform Commercial Code as to which the Issuer has complied with its obligations under this Section 3.3(b), then on or before the date on which the Issuer acquires the Collateral, the Issuer (or the Servicer on behalf of the Issuer) shall notify S&P and the Trustee (for the benefit of the Secured Parties) of its acquisition or intended acquisition of the Collateral and the Issuer shall represent to S&P and to the Trustee (for the benefit of the Secured Parties) as to the category of the Collateral under the applicable Uniform Commercial Code and shall make any further representations as to the perfection and priority of the security interest in the Collateral Granted under this Indenture acceptable to S&P.

Section 5.2. *Notice of Event of Default; Acceleration of Maturity; Rescission and Annulment.*

(a) Upon the occurrence of an Event of Default, the Trustee shall give prompt (and in no event later than five Business Days after becoming aware of such event) notice thereof to the Noteholders.

The Replacement Period shall terminate upon a declaration of acceleration (subject to re-commencement pursuant to Section 5.2(c)). If an Event of Default specified in Section 5.1(e), (g) or (h) occurs, all unpaid principal, together with all its accrued and unpaid interest (and any applicable Defaulted Interest Charge), of all the Notes, and other amounts payable under this Indenture, shall automatically become payable without any declaration or other act on the part of the Trustee or any Noteholder and the Replacement Period shall terminate automatically (subject to re-commencement pursuant to Section 5.2(c)).

(c) At any time after the declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee, a Majority of the Controlling Class by written notice to the Issuer, the Trustee and the Preference Shares Paying Agent may rescind the declaration and its consequences:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal on the Notes then due;

No such rescission shall affect any subsequent Default or impair any right consequent thereon. The Issuer shall not terminate any Hedge Agreement at any time after a declaration of acceleration of Maturity of the Notes has been made, unless such declaration and its consequences may no longer be rescinded and annulled in accordance with this Section 5.2(c) and liquidation of the Collateral has begun.

If a declaration of acceleration is rescinded as described above:

(x) the Replacement Period, if terminated by the declaration, shall re-commence on the date of the rescission (unless the Replacement Period would have otherwise terminated before that date pursuant to clauses (i), (ii), or (iii) of its definition); and

(y) the Trustee shall retain the Collateral in accordance with this Indenture. If the retention of the Collateral is rescinded pursuant to Section 5.5, the Notes may again be accelerated pursuant to Section 5.2(b), notwithstanding any previous rescission of a declaration of acceleration pursuant to this Section 5.2(c).

No rescission shall affect any subsequent Default or impair any right resulting from the Default.

(d) Notwithstanding anything in this Section 5.2 to the contrary, the Notes will not be subject to acceleration by the Trustee, a Majority of the Controlling Class or any other Holders solely as a result of the failure to pay any amount due on Notes that are not of the Controlling Class.

Section 5.3. *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Applicable Issuers covenant that if a default occurs in the payment of any principal of or interest when payable on any Note, upon demand of the Trustee or the Holder of any affected Note, the Applicable Issuers shall pay to the Trustee, for the benefit of the Holder of the Note, the whole amount then payable on the Note for principal and interest with interest on the overdue principal and, to the extent that payments of the interest shall be legally enforceable, on overdue

installments of interest and all other amounts owing to the Noteholders under this Indenture, at the Applicable Note Interest Rate or Default Interest Rate, as applicable, and, in addition, an amount sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and the Holders and their agents and counsel.

If the Issuer or the Co-Issuer fails to pay those amounts immediately on demand, the Trustee, in its own name and as Trustee of an express trust, may (after giving prior written notice to the Controlling Class and absent the Trustee having received a written direction to the contrary from the Controlling Class), and shall at the written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), institute a Proceeding for the collection of the sums due, may prosecute the Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor on the Notes and collect the monies determined to be payable in the manner provided by law out of the Collateral.

If an Event of Default is continuing, the Trustee may (after giving prior written notice to the Controlling Class and absent the Trustee having received a written direction to the contrary from the Controlling Class), and shall upon written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), proceed to protect and enforce its rights and the rights of the Noteholders by any appropriate Proceedings as is deemed most effective (if no direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce the rights of the Trustee and the Noteholders, whether for the specific enforcement of any agreement in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law. The reasonable compensation, costs, expenses, disbursements and advances incurred or paid by the Trustee and its agents and counsel, in connection with such Proceeding, including, without limitation, the exercise of any remedies pursuant to Section 5.4, shall be reimbursed to the Trustee pursuant to Section 6.8.

If any Proceedings are pending relating to the Issuer or the Co-Issuer or any other obligor on the Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or if a receiver, assignee, or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official has been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or any other obligor on the Notes or its property, or if any other comparable Proceedings are pending relating to the Issuer, the Co-Issuer or other obligor on the Notes, or the creditors or property of the Issuer, the Co-Issuer or other obligor on the Notes, the Trustee, regardless of whether the principal of any Notes is then payable by declaration or otherwise and regardless of whether the Trustee has made any demand pursuant to this Section 5.3, may, by intervention in the Proceedings or otherwise:

(a) file and prove claims for the whole amount of principal and interest owing and unpaid in respect of the Notes, and file any other papers or documents appropriate and take any other appropriate action (including sitting on a committee of creditors) to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys, and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relating to the Issuer, the Co-Issuer, or other obligor on the Notes or to the creditors or property of the Issuer, the Co-Issuer or other obligor on the Notes;

(b) unless prohibited by applicable law, vote on behalf of the Noteholders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) collect and receive any monies or other property payable to or deliverable on any such claims, and distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is authorized by each of the Noteholders to make payments to the Trustee, and, if the Trustee consents to making payments directly to the Noteholders, to pay to the Trustee amounts sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee, and their respective agents, attorneys, and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing in this Indenture shall authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of the Holder of any Note, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or any Noteholder, or to authorize the Trustee to vote on the claim of the Holder of any Note in any Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance of the sale or liquidation of the Collateral pursuant to this Section 5.3 except according to Section 5.5(a).

Section 5.4. *Remedies.*

(a) If an Event of Default is continuing, and the Notes have been declared payable and the declaration and its consequences have not been rescinded, or at any time after the Stated Maturity, the Co-Issuers agree that the Trustee may (after giving prior written notice to the Controlling Class and absent the Trustee having received a written direction to the contrary from the Controlling Class), and shall, upon written direction of a Majority of the Controlling Class (subject to Section 6.3(e)), to the extent permitted by applicable law, exercise one or more of the following rights:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral any monies adjudged due;

(ii) sell or liquidate all or a portion of the Collateral or interests in it, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights of the Trustee and the Noteholders under this Indenture; and

(v) exercise any other rights that may be available at law or in equity;

except that the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance of the sale or liquidation of the Collateral pursuant to this Section 5.4 except according to Section 5.5(a).

(b) If an Event of Default as described in Section 5.1(f) is continuing the Trustee may, with the consent of, and shall, at the direction of, the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class, subject to Section 5.8, institute a Proceeding solely to

compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from the Proceeding.

(c) Upon any sale, whether made under the power of sale given under this Indenture or by virtue of judicial Proceedings, any Holders or the Servicer (subject to the Servicing Agreement) may bid for and purchase any part of the Collateral and, upon compliance with the terms of sale, may hold, retain, possess, or dispose of the Collateral in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale given under this Indenture or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchasers at any sale for their purchase money, and the purchasers shall not be obliged to see to its application.

Any sale, whether under any power of sale given under this Indenture or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Noteholders, shall operate to divest all interest whatsoever, either at law or in equity, of each of them in the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Noteholders may, before the date that is one year and one day (or if longer, any applicable preference period plus one day) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer or the Co-Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium, or liquidation Proceedings, or other Proceedings under the Bankruptcy Law or any similar laws in any jurisdiction. Nothing in this Section 5.4 shall preclude the Trustee or any Secured Party (i) from taking any action before the expiration of that period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than a Secured Party or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action that is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5. *Optional Retention of Collateral.*

(a) Notwithstanding anything to the contrary in this Indenture, if an Event of Default is continuing, the Trustee shall retain the Collateral, collect, and cause the collection of the proceeds of the Collateral and make and apply all payments and deposits and maintain all accounts in respect of the Collateral and the Notes, and any Hedge Agreements (other than amounts received under a Hedge Agreement that are used in putting a Replacement Hedge in place), in accordance with the Priority of Payments and Article 10 and Article 12 unless:

(i) the Trustee, in consultation with the Servicer, determines that the anticipated net proceeds of a sale or liquidation of the Collateral would be sufficient to discharge in full the amounts then due and unpaid on the Notes for principal and interest (including Defaulted Interest and Deferred Interest and any interest on the Defaulted Interest and Deferred Interest), all Administrative Expenses, all other amounts (if any) then payable to the Hedge Counterparty by the Issuer (including any applicable termination payments) net of all amounts then payable to the Issuer by the Hedge Counterparty and all other amounts then payable under clause (3) of Section 11.1(a)(i) and a Majority of the Controlling Class agrees with that determination; or

(ii) the Holders of a Super Majority of each of the Class A-1-A Notes, the Class A-1-B Notes, the Class B Notes, the Class C Notes, the Class D Notes and the Class E Notes direct the sale and liquidation of the Collateral; or

(iii) the Class A/B Overcollateralization Ratio is less than 90% and the Holders of a Majority of the Controlling Class direct the sale and liquidation of the Collateral; *provided* that upon such direction by the Controlling Class, the Trustee shall (x) first sell or liquidate any Collateral for which either (A) two or more bid-side prices have been determined by an Approved Pricing Service or (B) bid-side prices have been obtained from at least two nationally recognized broker-dealers selected by a Majority of the Controlling Class and (y) thereafter shall sell or liquidate such remaining Collateral to the extent such Collateral can be liquidated or sold in accordance with the Indenture and applicable law; provided that any Collateral consisting of equity securities or Defaulted Collateral Obligations shall not be subject to sale or liquidation pursuant to this clause (iii).

If any Collateral is sold in accordance with clause (a)(iii)(x) above and Highland Capital Management, L.P. is the Servicer, the Servicer shall have the exclusive right to purchase such Collateral for the first two Business Days from the date the last of such bid-prices was determined by an Approved Pricing Service or obtained from a nationally recognized broker-dealer selected by a Majority of the Controlling Class with respect to such Collateral at a price equal to the highest bid-price for such Collateral that was determined by an Approved Pricing Service or obtained from a nationally recognized broker-dealer selected by a Majority of the Controlling Class and, thereafter, the Trustee may sell such Collateral to other parties in accordance with the terms hereof; *provided* that, in any such case, such sale to the Servicer or to any other party is effected in compliance with applicable law, including all notice and other provisions under the UCC.

The Trustee shall give written notice of the retention of the Collateral to the Issuer with a copy to the Co-Issuer and the Servicer. So long as the Event of Default is continuing, any retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to retain the Collateral if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee, in consultation with the Servicer, shall obtain bid prices with respect to each security contained in the Collateral from two nationally recognized dealers (or if there is only one market maker, that market maker and if there is no market maker, from a pricing service) selected and specified by the Servicer to the Trustee in writing, at the time making a market in those securities, and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of the bid prices for each security. In addition, for the purposes of determining issues relating to the valuation of the Collateral, the satisfaction of the conditions specified in this Indenture, the execution of a sale or liquidation of the Collateral, and the execution of a sale or other liquidation of the Collateral in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain, at the Issuer's expense, and rely on an opinion of an Independent investment banking firm of national reputation, which may be either of the Initial Purchasers.

The Trustee shall deliver to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Noteholders, the Co-Issuers, the Servicer and the Hedge Counterparties a report stating the results of any determination required pursuant to Section 5.5(a)(i). The Trustee shall make the determinations required by Section 5.5(a)(i) after an Event of Default at the request of a Majority of the Controlling Class at any time during which the Trustee retains the

Collateral pursuant to Section 5.5(a). The Trustee shall obtain (at the Issuer's expense) a letter of a firm of Independent certified public accountants confirming the accuracy of each calculation made by the Trustee pursuant to Section 5.5(a)(i) and certifying their conformity to the requirements of this Indenture.

(d) Notwithstanding anything in this Indenture to the contrary, the Trustee may not, and the Noteholders representing the requisite percentage of the Aggregate Outstanding Amount of the Notes specified in Section 5.4 or 5.5, may not instruct the Trustee to sell or liquidate or (except in connection with the concurrent execution of a Replacement Hedge) terminate any Hedge Agreement during the continuance of an Event of Default until all Collateral other than the Hedge Agreements has been sold or liquidated and its proceeds applied in accordance with this Indenture.

(e) Collateral may not be sold or liquidated pursuant to Section 5.5(a)(i) after the last date on which the sale or liquidation is permitted under Section 5.5(a)(i) with respect to a determination made pursuant to Section 5.5(a)(i) (the last permitted date being determined by the Trustee under Section 5.5(a)(i)), unless a new determination is made in accordance with Section 5.5(a)(i) and the Collateral is sold or liquidated before the last sale date permitted in accordance with the new determination.

Section 5.6. *Trustee May Enforce Claims Without Possession of Notes.*

All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or their production in any trial or other Proceeding relating to them, and any Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as provided in Section 5.7.

In any Proceedings brought by the Trustee (and any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Noteholders.

Section 5.7. *Application of Money Collected.*

Any money collected by the Trustee with respect to the Notes pursuant to this Article 5 and any money that may then be held or subsequently received by the Trustee with respect to the Notes under this Indenture shall be applied, subject to Section 13.1 and in accordance with Section 11.1, at the dates fixed by the Trustee.

Section 5.8. *Limitation on Suits.*

No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture, unless:

(a) the Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings with respect to the Event of Default in its own name as Trustee under this Indenture and the Holders have offered to the Trustee indemnity satisfactory to it against the expenses and liabilities to be incurred in compliance with the request;

(c) the Trustee for 30 days after its receipt of the notice, request and offer of indemnity has failed to institute a Proceeding; and

(d) no direction inconsistent with the written request has been given to the Trustee during the 30 day period by a Majority of the Controlling Class.

No Noteholder shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect the rights of any other Noteholders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Notes of the same Class or to enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments or Section 11.2, as the case may be.

If the Trustee receives conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall take the action requested by the Holders of the largest percentage in Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture but subject to Section 6.3(e).

Section 5.9. *Unconditional Rights of Noteholders.*

Notwithstanding any provision of this Indenture other than this Section 5.9 and Sections 2.8(i), 5.4(d), and 13.1, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on the Note as it comes due in accordance with the Priority of Payments and Section 13.1, and, subject to Section 5.8, to institute proceedings for the enforcement of any such payment, and that right shall not be impaired without the consent of the Holder. Noteholders ranking junior to Notes still Outstanding may not institute proceedings for the enforcement of any such payment until no Note ranking senior to their Note remains Outstanding, subject to Section 5.8, and shall not be impaired without the consent of any such Holder. For so long as any Notes are Outstanding, the Preference Shares Paying Agent shall not be entitled to any payment of any amount for payments to the Holders of the Preference Shares pursuant to the Preference Share Documents, to the extent legally permitted, on a claim against the Issuer unless there are sufficient funds to pay such amounts to the Preference Shares Paying Agent in accordance with the Priority of Payments.

Section 5.10. *Restoration of Rights and Remedies.*

If the Trustee or the Holder of any Note has instituted any Proceeding to enforce any right under this Indenture and the Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the Proceeding, the Co-Issuers, the Trustee and the Holder shall be restored to their former positions under this Indenture, and thereafter all rights of the Trustee and the Holder shall continue as though no Proceeding had been instituted.

Section 5.11. *Rights and Remedies Cumulative.*

No right in this Indenture conferred on or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right, and every right shall, to the extent permitted by law, be cumulative and in addition to every other right given under this Indenture or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right under this Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right.

Section 5.12. *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or the Holder of any Note to exercise any right accruing upon any Event of Default shall impair the right or be a waiver of the Event of Default or an acquiescence in it or of a subsequent Event of Default. Every right given by this Article 5 or by law to the Trustee or to the Noteholders may be exercised from time to time, and as often as deemed expedient, by the Trustee or by the applicable Noteholders.

Section 5.13. *Control by Majority of the Controlling Class.*

(a) Notwithstanding any other provision of this Indenture, during the continuance of an Event of Default, a Majority of the Controlling Class may institute and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any right of the Trustee with respect to the Notes if:

(i) the direction does not conflict with any rule of law or with any express provision of this Indenture; and

(ii) the Trustee has been indemnified to its reasonable satisfaction (and the Trustee need not take any action that it determines might involve it in liability unless it has received an indemnity against the liability).

Notwithstanding the foregoing, only a Majority of the Controlling Class may direct proceedings with respect to remedies specified in Section 5.4(a) or otherwise with respect to the Collateral.

(b) The Trustee may take any other action deemed proper by the Trustee that is not inconsistent with a direction under Section 5.13(a). Subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received an indemnity against the liabilities and expenses reasonably satisfactory to it) and during the continuance of an Event of Default that has not been cured, or waived, the Trustee shall, before receiving directions from a Majority of the Controlling Class, exercise the rights expressly vested in it by this Indenture and use the same degree of care and skill in their exercise with respect to the Event of Default as is required by Section 6.1(b).

(c) Any direction to the Trustee to undertake a Sale of the Collateral shall be in accordance with Section 5.4 or 5.5.

Section 5.14. *Waiver of Past Defaults.*

Before a judgment or decree for payment of any money due has been obtained by the Trustee, as provided in this Article 5, a Majority of the Controlling Class may on behalf of the Holders of all the Notes, with respect to the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal or Redemption Price of any Note or in the payment of interest (including Defaulted Interest, Deferred Interest, and any interest on Defaulted Interest or Deferred Interest) on the Notes;

(b) with respect to a provision of this Indenture that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected by the modification or amendment;

(c) in the payment of amounts due to the Servicer, the Trustee or the Hedge Counterparty, which may only be waived with the consent of the affected party; or

(d) arising as a result of an Event of Default described in Section 5.1(e), (g) or (h).

Upon any such waiver, the Default shall cease to exist, and any Event of Default arising from it shall be cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Servicer, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Noteholder.

Section 5.15. *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Note by its acceptance of its Note agrees, that in any suit for the enforcement of any right under this Indenture, or in any suit against the Trustee or the Servicer for any action taken or omitted by it as Trustee or for any action taken or omitted by the Servicer, as applicable, any court may in its discretion require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and that the court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.15 shall not apply to any suit instituted by the Trustee or the Servicer; to any suit instituted by any Holder, or group of Holders, of Notes holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note or any other amount payable under this Indenture after the applicable Stated Maturity (or, in the case of redemption, after the applicable Redemption Date).

Section 5.16. *Waiver of Stay or Extension Laws.*

To the extent that they may lawfully do so, the Co-Issuers covenant that they will not at any time insist on, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption, or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, that may affect the covenants, the performance of, or any remedies under this Indenture. To the extent that they may lawfully do so, the Co-Issuers expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not delay or impede the execution of any power in this Indenture granted to the Trustee or the Noteholders but will permit the execution of every power as though the law had not been enacted or rights created.

Section 5.17. *Sale of Collateral.*

(a) The power to effect any sale (a "**Sale**") of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of the Collateral remaining unsold, but shall continue unimpaired until the entire Collateral is sold or all amounts secured by the Collateral have been paid. The Trustee may upon notice to the Noteholders and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), and shall, at the direction of a Majority of the Controlling Class with respect to Collateral, from time to time postpone any Sale by public announcement made at the time and place of the Sale. The Trustee waives its rights to any amount fixed by law as compensation for any Sale. The Trustee may deduct the reasonable expenses (including the reasonable fees and expenses of its agents and attorneys) incurred by it in connection with a Sale from its proceeds notwithstanding Section 6.8.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public Sale of the Collateral, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Collateral all or part of the net proceeds of the Sale after deducting the reasonable expenses incurred by the Trustee in connection with the Sale notwithstanding Section 6.8. The Notes need not be produced to complete any Sale, or for the net proceeds of the Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of securities issued without registration under the Securities Act ("*Unregistered Securities*"), the Trustee may seek an Opinion of Counsel, or, if no Opinion of Counsel can be obtained, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of the Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of transfer transferring its interest in any portion of the Collateral in connection with its Sale. In addition, the Trustee is irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer its interest in any portion of the Collateral in connection with its Sale, and to take all action necessary to effect the Sale. No purchaser or transferee at a Sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent, or see to the application of any monies.

Section 5.18. *Action on the Notes.*

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under the judgment on any portion of the Collateral or on any of the assets of the Issuer or the Co-Issuer.

ARTICLE 6

THE TRUSTEE

Section 6.1. *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform the duties and only the duties specifically provided in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, on certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; the Trustee shall examine any certificates or opinions that by any provision of this Indenture are specifically required to be furnished to the Trustee to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly notify the party delivering the same if the certificate or opinion does not conform. If a corrected form has not been delivered to the Trustee within 15 days after the

notice from the Trustee, the Trustee shall so notify the Noteholders and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares).

(b) If the Trustee has actual knowledge that an Event of Default is continuing, the Trustee shall, before the receipt of directions from a Majority of the Controlling Class, exercise the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would use under the circumstances in the conduct of the Person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Servicer in accordance with this Indenture or a Majority (or the other percentage required or permitted by this Indenture) of the Controlling Class (or other Class if required or permitted by this Indenture) relating to the time, method, and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights contemplated under this Indenture, if it has reasonable grounds for believing that repayment of the funds or indemnity satisfactory to it against the risk or liability is not reasonably assured to it; provided that the reasonable costs of performing its ordinary services under this Indenture shall not be deemed a "financial liability" for purposes hereof.

(d) For all purposes under this Indenture, the Trustee shall not have notice or knowledge of any Event of Default described in Section 5.1(d) through 5.1(i) or any Default described in Section 5.1(e) through 5.1(i) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge of it or unless written notice of any event that is in fact the an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and the notice references the Notes generally, the Issuer, the Co-Issuer, the Collateral or this Indenture. For purposes of determining the Trustee's responsibility and liability under this Indenture, whenever reference is made in this Indenture to an Event of Default or a Default, the reference shall be construed to refer only to an Event of Default or Default of which the Trustee has notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to this Section 6.1 and Section 6.3.

Section 6.2. *Notice of Default.*

Promptly (and in no event later than five Business Days) after the occurrence of any Default known to the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit notice of all Defaults under this Indenture known to the Trustee, unless the Default has been cured or waived, and of the declaration by mail to the Servicer and the Co-Issuers, each Rating Agency, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and to all Noteholders, as their names and addresses appear on the Indenture Register, the Irish Stock Exchange, for so long as any Class of Senior Notes is listed on the Irish Stock Exchange and so long as the rules of the exchange so require, and, upon written request therefor by a Beneficial Owner in the form of Exhibit H certifying that it is a Beneficial Owner, to the Beneficial Owner (or its designee).

- (f) the Trustee need not make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written

(k) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture are not duties;

(l) the Trustee is not responsible for the accuracy of the books and records of, or for any acts or omissions of, the Depository, any Transfer Agent, Custodian, Securities Intermediary, Collateral Administrator, Clearstream, Euroclear, Calculation Agent or any Paying Agent (in each case, other than the Bank acting in that capacity);

(m) in purchasing or disposing of any asset permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or the Affiliate is acting as a subagent of the Trustee or for any third Person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments under this Indenture; and

Section 6.4. *Not Responsible for Recitals or Issuance of the Notes.*

The recitals contained in this Indenture and in the Notes, other than the Certificate of Authentication, shall be taken as the statements of the Applicable Issuers. The Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations under this Indenture), the Collateral or the Notes. Section 6.6. *Acquisition of Class E Notes and Preference Shares.*

The Trustee, in its individual or any other capacity, agrees that after the initial distribution of the Class E Notes and the Preference Shares, neither the Trustee nor any of its affiliates (as defined in the Plan Asset Regulation) will acquire any Class E Notes or Preference Shares (including pursuant to a Maturity Extension, a Refinancing and the Amendment Buy-Out Option) unless such acquisition would not, as determined by the Trustee in reliance on representations made in the applicable transfer certificates with respect thereto, result in persons that have represented that they are Benefit Plan Investors owning 25% or more of the aggregate outstanding amount of any of the Class E Notes, the Class I Preference Shares or the Class II Preference Shares immediately after such acquisition (determined in accordance with Section 3(42) of ERISA, this Indenture and the Preference Share Documents). Any Class E Notes or Preference Shares held as principal by the Trustee or any of its affiliates shall be disregarded and shall not be treated as outstanding for purposes of determining compliance with such 25% limitation to the extent that such person has represented that it is not a Benefit Plan Investor.

Section 6.8. *Compensation and Reimbursement.*

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation for all services rendered by it under this Indenture in accordance with its letter agreement with the Trustee (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided in this Indenture or in its letter agreement with the Trustee, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with this Indenture (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 10.5 or 10.7, except any such expense, disbursement or advance attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent they have not been waived during a Due Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Servicer;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for any loss, liability or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties under this Indenture; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees and costs) for any collection action taken pursuant to Section 6.14.

(b) The Trustee shall receive amounts pursuant to this Section 6.8 as provided in Sections 11.1(a)(i) and (ii) but only to the extent that funds are available for their payment. Subject to Section 6.10, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee has not received amounts due to it under this Indenture. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee is payable to the Trustee pursuant to this Indenture insufficient funds are available for its payment any portion of a fee not so paid shall be deferred and payable on the next date on which a fee is payable and sufficient funds are available for it.

(c) The Trustee agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.8 until at least one year and one day, or if longer the applicable preference period then in effect plus one day, after the payment in full of all Notes issued under this Indenture and the payment to the Preference Shares Paying Agent of all amounts payable with respect to the Preference Shares in accordance with the Priority of Payments. Nothing in this Section 6.8(c) shall prohibit or otherwise prevent the Trustee from filing proofs of claim in any bankruptcy, insolvency or similar proceeding.

Section 6.9. *Corporate Trustee Required; Eligibility.*

There shall at all times be a Trustee under this Indenture that is an Independent "bank" (within the meaning of the Investment Company Act) organized and doing business under the laws of the United States of America or of any state of the United States, authorized under those laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state banking authority, having a rating of at least "Baa1" (and not on credit watch with negative implications) by Moody's and at least "BBB+" by S&P, and having an office within the United States. In addition, the Trustee shall not be "affiliated" (within the meaning of Rule 405 under the Securities Act) with either of the Co-Issuers or any person involved in the organization or operation of either of the Co-Issuers and shall not provide credit or credit enhancement to either of the Co-Issuers; *provided* that the requirements of the preceding sentence shall be met if (a) the Trustee is not "affiliated" (as defined in the preceding

sentence) with the Issuer, the Co-Issuer, the Administrator or the Share Registrar, (b) neither the Trustee nor the Issuer has actual knowledge, or has received written notice, that the Trustee is "affiliated" (as defined in the preceding sentence) with any person involved with the organization or operation of either of the Co-Issuers, and (c) the Trustee has not provided and does not provide credit or credit enhancement to either of the Co-Issuers. For purposes of the preceding clause (b), (i) the "actual knowledge" of the Trustee shall mean (x) its knowledge of those persons who have been expressly identified in writing to it by either or both of the Co-Issuers, or the Servicer on their behalf or (y) any persons otherwise actually known to a Responsible Officer of the Trustee, in either case, to be a person involved with the organization or operation either of the Co-Issuers, without any duty of independent inquiry or investigation on the part of the Trustee, and (ii) unless and except to the extent it has been otherwise expressly notified in writing by the Issuer, or the Servicer on its behalf, the Trustee shall be entitled to presume that the Issuer has no knowledge of such an affiliation. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 6.9, the combined capital and surplus of the Trustee shall be its combined capital and surplus in its most recent published report of condition. If at any time the Trustee ceases to be eligible in accordance with this Section 6.9, it shall resign immediately in the manner and with the effect specified in Section 6.10.

Section 6.10. *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11. The indemnification in favor of the Trustee shall survive any resignation or removal of the Trustee.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice to the Co-Issuers, the Servicer, the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency. Upon receiving the notice of resignation, the Co-Issuers shall by Board Resolution (or, if an Event of Default shall have occurred and be continuing, at the direction of a Majority of the Controlling Class) promptly appoint a successor trustee satisfying the requirements of Section 6.9, by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the resigning Trustee and one copy to the successor Trustee, together with a copy to each Noteholder, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and the Servicer. If no successor Trustee has been appointed and an instrument of acceptance by a successor Trustee has not been delivered to the Trustee within 60 days after the giving of the notice of resignation, the resigning Trustee or any Noteholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.9.

(c) The Trustee may be removed (i) at any time by the Co-Issuers as directed by Board Resolution (or, if an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class) or (ii) by order of a court of competent jurisdiction, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee ceases to be eligible under Section 6.9 and fails to resign after written request by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee becomes incapable of acting or is adjudged bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property appointed or any public

officer takes charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case (subject to Section 6.10(a)), (A) the Co-Issuers, by Issuer Order (as directed by Board Resolution), may, and at the direction of a Majority of the Controlling Class shall, remove the Trustee or (B) subject to Section 5.15, or any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee is removed or becomes incapable of acting, or if a vacancy occurs in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order (as directed by Board Resolution) or at the direction of a Majority of the Controlling Class, shall promptly appoint a successor Trustee. If the Co-Issuers fail to appoint a successor Trustee within 60 days after the removal or incapability or the occurrence of the vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, upon its acceptance of its appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee has been so appointed by the Co-Issuers or a Majority of the Controlling Class and accepted appointment pursuant to Section 6.11, subject to Section 5.15, then the Trustee to be replaced, or any Holder, may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of the event by first-class mail, postage prepaid, to the Servicer, to each Rating Agency, to the Noteholders as their names and addresses appear in the Indenture Register and to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares). Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail the notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause the notice to be given at the expense of the Co-Issuers.

Section 6.11. *Acceptance of Appointment by Successor.*

Every successor Trustee appointed under this Indenture shall execute, acknowledge, and deliver to the Co-Issuers and the retiring Trustee an instrument accepting its appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and the successor Trustee, without any further act, shall become vested with all the rights and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Notes or the successor Trustee, the retiring Trustee shall, upon payment of any amounts then due to it, execute and deliver an instrument transferring to the successor Trustee all the rights and obligations of the retiring Trustee, and shall duly assign, transfer and deliver to the successor Trustee all property and money held by the retiring Trustee under this Indenture. Upon request of any successor Trustee, the Co-Issuers shall execute any instruments to more fully and certainly vest in and confirm to the successor Trustee all the rights and obligations of the Trustee under this Indenture.

No successor Trustee shall accept its appointment unless at the time of its acceptance the successor is qualified and eligible under Section 6.9 and either (a) each Rating Agency has been notified and the successor has long-term debt rated within the four highest rating categories by each Rating Agency, or (b) if not rated within the four highest categories by each Rating Agency, the Rating Condition with respect to each Rating Agency is satisfied with respect thereto.

Section 6.12. *Merger, Conversion, Consolidation, or Succession to Business of Trustee.*

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee is a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee under this Indenture (and of the Bank under all of its other capacities under this Indenture, including as Custodian, Securities Intermediary, Indenture Registrar and Paying Agent) without the execution or filing of any paper or any further act on the part of any of the parties hereto. If any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to the authenticating Trustee may adopt the authentication and deliver the Notes so authenticated with the same effect as if the successor Trustee had itself authenticated the Notes.

Section 6.13. *Co-Trustees.*

At any time, to meet the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Co-Issuers and the Trustee may appoint a co-trustee (subject to the approval of the Rating Agencies) to act jointly with the Trustee, with respect to all or any part of the Collateral, with the power to file proofs of claim and take any other actions pursuant to Section 5.6 in this Indenture and to make claims and enforce rights of action on behalf of the Noteholders, as the Holders themselves have the right to do, subject to the other provisions of this Section 6.13.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in the appointment within 15 days after they receive a request to do so, the Trustee may make the appointment.

Any instruments to more fully confirm a co-trustee's appointment shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Collateral), to the extent funds are available therefor under Section 11.1(a)(1), any reasonable fees and expenses in connection with the appointment.

Every co-trustee shall, to the extent permitted by law, but to that extent only, be appointed subject to the following terms:

- (a) the Notes shall be authenticated and delivered and all rights and obligations under this Indenture in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee under this Indenture, shall be exercised solely by the Trustee;
- (b) the rights and obligations conferred or imposed on the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed on and exercised or performed by the Trustee or by the Trustee and the co-trustee jointly as provided in the instrument appointing the co-trustee;
- (c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.13, and if an Event of Default is continuing, the Trustee shall have the power to accept the resignation of, or remove, any co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.13;

(d) no co-trustee under this Indenture shall be personally liable because of any act or omission of the Trustee under this Indenture;

(e) the Trustee shall not be liable because of any act or omission of a co-trustee; and

(f) any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.14. *Certain Duties of Trustee Related to Delayed Payment of Proceeds.*

If in any month the Trustee has not received a payment with respect to any Pledged Obligation on its Due Date:

(a) the Trustee shall promptly notify the Issuer and the Servicer in writing, and

(b) unless the payment is received by the Trustee within three Business Days (or the end of the applicable grace period for the payment, if longer) after the notice, or unless the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), makes provision for the payment satisfactory to the Trustee in accordance with Section 10.2(a),

the Trustee shall request the issuer of the Pledged Obligation, the trustee under the related Underlying Instrument, or paying agent designated by either of them to make the payment as soon as practicable after the request but in no event later than three Business Days after the date of the request. If the payment is not made within that time period, the Trustee, subject to clause (iv) of Section 6.1(c), shall take the action directed by the Servicer in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Servicer requests a release of a Pledged Obligation or delivers a Collateral Obligation in connection with any such action under the Servicing Agreement, the release or substitution shall be subject to Section 10.6 and Article 12. Notwithstanding any other provision of this Indenture, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any Collateral Obligation received after its Due Date to the extent the Issuer previously made provisions for the payment satisfactory to the Trustee in accordance with this Section 6.14 and the payment shall not be part of the Collateral.

Section 6.15. *Authenticating Agents.*

Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of the Notes in connection with issuance, transfers, and exchanges under Sections 2.4, 2.5, 2.6, 2.7, and 8.5, as fully to all intents and purposes as though each Authenticating Agent had been expressly authorized by those Sections to authenticate the Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.15 shall be the authentication of the Notes "by the Trustee."

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to the Authenticating Agent and the Co-Issuers.

The Co-Issuers agree to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating to its services as an Administrative Expense; provided, however, that if the Trustee elects to appoint an Authenticating Agent without the approval or request of the Co-Issuers, then the Trustee shall pay

such compensation and reimbursement. Sections 2.9, 6.4, and 6.5 shall be applicable to any Authenticating Agent.

Section 6.16. *Fiduciary for Noteholders Only; Agent for Secured Parties.*

With respect to the security interest created under this Indenture, the delivery of any Pledged Obligation to the Trustee is to the Trustee as representative of the Noteholders and agent for the other Secured Parties. In furtherance of the foregoing, the possession by the Trustee of any Pledged Obligation and the endorsement to or registration in the name of the Trustee of any Pledged Obligation (including as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Noteholders and agent for the other Secured Parties.

Section 6.17. *Representations and Warranties of the Bank.*

The Bank represents and warrants as follows for the benefit of the Noteholders:

(a) *Organization.* The Bank has been duly organized and is validly existing as a national banking association and has the power to conduct its business and affairs as a trustee.

(b) *Authorization; Binding Obligations.* The Bank has the corporate power and authority to perform the duties and obligations of trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant to this Indenture. Upon execution and delivery by the Bank, this Indenture will be the valid and legally binding obligation of the Bank enforceable in accordance with its terms.

(c) *Eligibility.* The Bank is eligible under Section 6.9 to serve as Trustee under this Indenture.

Section 6.18. *Additional Reporting Requirements.*

If either of the Initial Purchasers elects to enter into a posting dealer agreement pursuant to Section 7.20, upon the effectiveness of the posting dealer agreement, the Issuer shall provide to The Bond Market Association certain documents for posting in the Repository as mutually agreed between the Servicer and such Initial Purchaser.

If either of the Initial Purchasers has entered into a posting dealer agreement, as promptly as possible following the execution of any supplemental indenture under Article 8, the Trustee at the expense of the Issuer shall deliver a copy of such supplemental indenture to the Repository in the manner described in Section 14.3(a)(ix).

Section 6.19. *Withholding Tax Forms.*

The Issuer hereby agrees to deliver or cause to be delivered, a United States Internal Revenue Service Form W-8BEN (or successor form thereto) or any other appropriate tax certificates to the relevant issuer of its Collateral Obligations and issuer of its Eligible Investments at the time such Collateral Obligations or Eligible Investments are purchased by the Issuer and thereafter as required under the relevant law. In addition, the Issuer hereby agrees to deliver, and the Issuer shall be required to deliver, United States Internal Revenue Service Forms W-8BEN (or successor form thereto) and other appropriate United States tax forms as may be required by the Hedge Counterparty, to the Hedge Counterparty at the time the Hedge Agreement is entered into and thereafter prior to the expiration or obsolescence of such form, and shall take any other action appropriate to prevent withholding or backup withholding tax on the Hedge Agreements. The Issuer

shall represent, to the Hedge Counterparty in the master agreement, confirmation or schedule to the Hedge Agreement, that the Issuer is a "non-U.S. branch" of a foreign person as that term is used in section 1.1441-4(a)(3)(ii) of the United States Treasury Regulations and a "foreign person" as that term is used in Section 1.6041-4(a)(4) of the United States Treasury Regulations. The Issuer will request that the Hedge Counterparty provide the Issuer a United States Internal Revenue Service Forms W-9 or W-8, as applicable, together with any required attachments, at the time the Hedge Agreement is entered into and thereafter prior to the expiration or obsolescence of such form.

ARTICLE 7

COVENANTS

Section 7.1. *Payment of Principal and Interest.*

The Applicable Issuers shall pay the principal of and interest on the Notes in accordance with the Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the Senior Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to the Holder for all purposes of this Indenture.

Section 7.2. *Maintenance of Office or Agency.*

The Co-Issuers appoint the Trustee as a Paying Agent for the payment of principal of and interest on the Notes. The Co-Issuers appoint Investors Bank & Trust Company, 200 Clarendon Street, Mailcode EUC 108, Boston, MA 02116, Attn: CDO Services Group, as the Co-Issuers' agent where notices and demands on the Co-Issuers in respect of the Notes or this Indenture may be served and where the Notes may be surrendered for registration of transfer or exchange.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any Paying Agent or appoint any additional agents for all of these purposes.

The Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands on the Co-Issuers in respect of the Notes and this Indenture may be served, which office will initially be the office of Investors Bank & Trust Company, an Affiliate of the Trustee, located at 33 Maiden Lane, 4th Floor, New York, NY 10038, and an office or agency outside of the United States where the Notes may be presented and surrendered for payment.

No paying agent shall be appointed in a jurisdiction that subjects payments on the Notes to withholding tax.

So long as any Class of Senior Notes is listed on the Irish Stock Exchange and the rules of the exchange so require, the Co-Issuers shall maintain in Ireland a Paying Agent and an office or agency where notices and demands on the Co-Issuers in respect of the Senior Notes and this

Indenture may be served and where the Senior Notes may be surrendered for registration of transfer or exchange.

The Co-Issuers appoint, for so long as any Class of Senior Notes is listed on the Irish Stock Exchange, AIB International Financial Services Ltd. (the "**Irish Paying Agent**") as Paying Agent in Ireland with respect to the Senior Notes, for the payment of principal, interest and other distributions on the Senior Notes and as the Co-Issuers' agent where notices and demands on the Co-Issuers in respect of the Senior Notes or this Indenture may be served. If the Irish Paying Agent is replaced at any time when any Class of Senior Notes is listed on the Irish Stock Exchange, notice of the appointment of any replacement shall be given to the Company Announcements Office of the Irish Stock Exchange as promptly as practicable after the appointment. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and the Holders of the Senior Notes of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or fail to furnish the Trustee with their addresses, notices and demands may be served on the Co-Issuers.

Section 7.3. *Money for Note Payments to be Held in Trust.*

All payments of amounts payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers have a Paying Agent that is not also the Indenture Registrar, they shall furnish not later than the fifth calendar day after each Record Date a list in the form the Paying Agent reasonably requests, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each Holder.

Whenever the Applicable Issuers have a Paying Agent other than the Trustee, they shall, on or before the Business Day before each Payment Date or Redemption Date direct the Trustee to deposit on the Payment Date with the Paying Agent an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for that purpose in the Payment Account), that sum to be held in trust for the benefit of the Persons entitled to it and (unless the Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which the deposit was made shall be paid over by the Paying Agent to the Trustee for application in accordance with Article 10.

Additional or successor Paying Agents shall be appointed by Issuer Order with written notice of the appointment to the Trustee. So long as Notes of any Class are rated by a Rating Agency any Paying Agent must either have a long-term debt rating of "Aa3" (and not on credit watch with negative implications) or higher by Moody's and "AA-" or higher by S&P or a short-term debt rating of "P-1" (and not on credit watch for possible downgrade) by Moody's and "A-1+" by S&P or the Rating Condition with respect to each Rating Agency must be satisfied with respect to its appointment. If a successor Paying Agent ceases to have a long-term debt rating of "Aa3" (and not on credit watch with negative implications) or higher by Moody's and "AA-" or higher by S&P or a short-term debt rating of "P-1" (and not on credit watch for possible downgrade) by Moody's and a short-term debt rating of "A-1+" by S&P, the Co-Issuers shall promptly remove the Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of the appointment, a depository institution or trust company subject to supervision

and examination by federal or state or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which the Paying Agent agrees with the Trustee, subject to this Section 7.3, that the Paying Agent will:

- (i) allocate all sums received for payment to the Noteholders for which it acts as Paying Agent on each Payment Date and any Redemption Date among the Holders in the proportion specified in the applicable report to the extent permitted by applicable law;
- (ii) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled to them until they are paid or otherwise disposed of as provided in this Indenture;
- (iii) immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of the Notes if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment;
- (iv) immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor on the Notes) in the making of any payment required to be made; and
- (v) during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by the Paying Agent.

To obtain the satisfaction and discharge of this Indenture or for any other purpose, the Co-Issuers may at any time pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or the Paying Agent, and, upon the payment by any Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to the money paid.

Any money deposited with a Paying Agent and not previously returned that remains unclaimed for 20 Business Days shall be returned to the Trustee. Except as otherwise required by applicable law, any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal of or interest on any Note and remaining unclaimed for two years after the principal or interest has become payable shall be paid to the Applicable Issuers. The Noteholder shall thereafter look only to the Applicable Issuers for payment of the amounts due to it as an unsecured general creditor and all liability of the Trustee or the Paying Agent with respect to that money (but only to the extent of the amounts so paid to the Applicable Issuers) shall thereupon cease. The Trustee or the Paying Agent, before being required to release any payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of the release of the payment, including mailing notice of the release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in monies payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each Holder.

Section 7.4. *Existence of Co-Issuers.*

(a) The Issuer and the Co-Issuer shall maintain in full force their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which the qualifications are necessary to protect the validity and enforceability of this Indenture, the Notes, the Preference Shares Paying Agency Agreement and any of the Collateral.

However, the Issuer may change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as:

(A) the Issuer has received a legal opinion (on which the Trustee may rely) to the effect that the change is not disadvantageous in any material respect to the Holders, the Servicer or any Hedge Counterparty,

(B) written notice of the change has been given by the Issuer to the Trustee, the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Servicer, any Hedge Counterparty and each Rating Agency, and

(C) on or before the 15th Business Day following its receipt of the notice the Trustee has not received written notice from a Majority of the Controlling Class objecting to the change.

The Issuer may take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take the action outside of the United States so long as before taking the action the Issuer receives a Tax Opinion of Counsel to the effect that it is not necessary to take the action outside of the United States or any political subdivision of the United States to prevent the Issuer from becoming subject to any United States federal, state, or local withholding or other taxes.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action or conduct its affairs in a manner that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing,

(i) the Issuer shall not have any subsidiaries,

(ii) the Co-Issuer shall not have any subsidiaries,

(iii) the Issuer shall maintain at all times at least one director who is Independent of the Servicer, the Trustee and any of their respective Affiliates,

(iv) the Issuer shall not commingle its funds with the funds of any other Person, except as expressly permitted by this Indenture, and

(v) except to the extent contemplated in the Servicing Agreement, the Administration Agreement, the Preference Shares Paying Agency Agreement and the declaration of trust by the Share Trustee, the Issuer and the Co-Issuer shall not:

(A) engage in any transaction with any shareholder that would be a conflict of interest (the entry into the Administration Agreement with the Administrator shall not be deemed a conflict of interest), or

(B) pay dividends in violation of this Indenture, the resolutions of its board of directors and the Preference Share Documents.

Section 7.5. ***Protection of Collateral.***

(a) The Servicer on behalf of the Issuer will procure any action within the Servicer's control that is reasonably necessary to maintain the perfection and priority of the security interest of the Trustee in the Collateral. The Issuer from time to time shall execute and deliver any supplements and amendments to this Indenture and shall execute and deliver any Financing Statements, continuation statements, instruments of further assurance, and other instruments and shall take any other action appropriate to secure the rights and remedies of the Secured Parties under this Indenture and to:

- (i) Grant more effectively all or any portion of the Collateral;
- (ii) maintain or preserve the lien (and its priority) of this Indenture or to carry out more effectively the purposes of this Indenture;
- (iii) perfect, publish notice of, or protect the validity of, any Grant made by this Indenture (including any actions appropriate as a result of changes in law);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights of the Secured Parties in the Collateral against the claims of anyone; and
- (vi) pay when due all taxes levied or assessed on any part of the Collateral.

The Issuer designates the Servicer as its agent and attorney in fact to execute any Financing Statement, continuation statement, and all other instruments, and take all other actions, required pursuant to this Section 7.5.

The Issuer authorizes the filing without the Issuer's signature a financing statement that names the Issuer as "debtor" and Investors Bank & Trust Company as "secured party" (with or without indicating its capacity as Trustee hereunder) and that describes the Collateral as "all assets of the debtor, whether now owned or hereafter acquired and wherever located."

(b) The Trustee shall not:

- (i) except in accordance with Section 10.6(a), (b) or (c), remove any portion of the Collateral that consists of Cash or is evidenced by an instrument, certificate or other writing:
 - (A) from the jurisdiction in which it was held at the date the most recent Opinion of Counsel was delivered pursuant to Section 7.6 (or from the jurisdiction in which it was held as described in the Opinions of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii) if no Opinion of Counsel has yet been delivered pursuant to Section 7.6), or
 - (B) from the possession of the Person who held it (other than the Bank), or
- (ii) cause or permit ownership or the pledge of any portion of the Collateral that consists of book-entry securities to be recorded on the books of a Person (other than the Bank):

(A) located in a different jurisdiction from the jurisdiction in which the ownership or pledge was recorded, or

(B) other than the Person on whose books the ownership or pledge was originally recorded, unless the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to the property and its priority will continue to be maintained after giving effect to the change.

(c) Without at least 30 days' prior written notice to the Trustee and the Servicer, the Issuer shall not change its "location" (as defined in Section 9-307 of the UCC) or change its name from the name shown on the signature pages of this Indenture.

(d) The Issuer shall, subject to the Priority of Payments, enforce all of its material rights and remedies under the Servicing Agreement, the Collateral Administration Agreement, the Preference Shares Paying Agency Agreement, each Hedge Agreement and each Securities Lending Agreement.

(e) The Issuer shall pay any taxes levied because any Pledged Obligations are owned by the Issuer.

(f) The Servicer on behalf of the Issuer will either exercise the "put" option that prevents a Collateral Obligation from being a Long-Dated Collateral Obligation on the last available date before the Stated Maturity of the Notes or sell the Collateral Obligation for Sale Proceeds at least equal to the Principal Balance of the Collateral Obligation, in either case by the Stated Maturity of the Notes.

Section 7.6. *Opinions as to Collateral.*

On or before June 1 in each calendar year, commencing in 2008, the Issuer shall furnish to the Trustee and each of the Rating Agencies, an Opinion of Counsel stating that in the opinion of such counsel as of the date of such opinion under the District of Columbia Uniform Commercial Code, the UCC financing statement(s) filed in connection with the lien and security interests created by this Indenture shall remain effective and no additional financing statements, continuation statements or amendments with respect to such financing statement(s) shall be required to be filed in the District of Columbia from the date thereof through the next twelve months to maintain the perfection of the security interest of this Indenture under the District of Columbia Uniform Commercial Code.

Section 7.7. *Performance of Obligations.*

(a) The Co-Issuers, each as to itself, shall not take any action, and shall use their reasonable commercial efforts not to permit any action to be taken by others, that would release any Person from any of the Person's covenants or obligations under any instrument included in the Collateral, except in the case of enforcement action taken with respect to any Defaulted Collateral Obligation in accordance with this Indenture and actions by the Servicer under the Servicing Agreement and in conformity with this Indenture or as otherwise required by this Indenture.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Notes and a Majority of the Preference Shares (except in the case of the Servicing Agreement and the Collateral Administration Agreement as initially executed), contract with other Persons (including the Servicer, the Trustee and the Collateral Administrator) for the performance of actions and obligations to be performed by the Applicable Issuers under this Indenture.

Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable for performance under this Indenture. The Applicable Issuers shall punctually perform, and use their reasonable commercial efforts to cause the Servicer, the Trustee, the Collateral Administrator, the Preference Shares Paying Agent and any other Person to perform, all of their obligations in the Servicing Agreement, this Indenture, the Collateral Administration Agreement, the Preference Shares Paying Agency Agreement or any other agreement.

Section 7.8. *Negative Covenants.*

(a) The Issuer shall not and, with respect to clauses (ii), (iii), (iv), (vi) and (ix), the Co-Issuer shall not, in each case from and after the Closing Date:

(i) sell, transfer, assign, exchange, or otherwise dispose of, or pledge, mortgage, hypothecate, or otherwise encumber (or permit or suffer the sale, transfer, assignment, exchange, or other disposition of, or pledge, mortgage, hypothecation, or other encumbering of), any part of the Collateral, except as expressly permitted by this Indenture and the Servicing Agreement;

(ii) claim any credit on, make any deduction from, or, to the fullest extent permitted by applicable laws, dispute the enforceability of payment of the principal or interest (or any other amount) payable in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands) or assert any claim against any present or future Noteholder because of the payment of any taxes levied or assessed on any part of the Collateral;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated by this Indenture (including a Refinancing in accordance with Section 9.7 and including, as contemplated hereby, entering into the Hedge Agreements and Securities Lending Agreements) or (B) issue any additional class of securities other than the Preference Shares issued on or before the Closing Date, except as otherwise permitted by the Preference Share Documents;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant under this Indenture to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated, or discharged or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be expressly permitted by this Indenture or by the Servicing Agreement, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise on or burden any part of the Collateral, any interest in it, or its proceeds of or (C) take any action that would permit the lien of this Indenture not to be a valid first priority perfected security interest in the Collateral;

(v) amend the Servicing Agreement except pursuant to its terms and Section 15.1(h) or amend the Collateral Administration Agreement except pursuant to its terms unless the Rating Condition with respect to each Rating Agency is satisfied with respect to the amendment or enter into any waiver in respect of any of the foregoing agreements without providing written notice to each Rating Agency and the Trustee (and, with respect to the Collateral Administration Agreement, without the consent of the Trustee);

(vi) to the extent permitted by applicable law, dissolve or liquidate in whole or in part, except as permitted under this Indenture;

(b) Neither the Issuer nor the Trustee shall sell, transfer, exchange or otherwise dispose of Collateral, or enter into an agreement or commitment to do so, or enter into or engage in any business with respect to any part of the Collateral, except as expressly permitted by this Indenture and, with respect to the Issuer, the Servicing Agreement.

(c) The Co-Issuer shall not invest any of its assets in "securities" as the term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(d) Neither the Issuer nor the Co-Issuer shall use the proceeds of the Notes to buy or carry Margin Stock.

Section 7.9. *Notice of Default; Statement as to Compliance.*

(a) The Co-Issuers shall notify the Trustee, the Servicer, the Rating Agencies and each Hedge Counterparty within 10 days of acquiring actual knowledge of Default.

(b) On or before May 15 in each calendar year, commencing in 2008, the Issuer shall deliver to the Trustee (to be forwarded by the Trustee to the Servicer and each Noteholder making a written request therefor and, upon written request therefor by a Beneficial Owner in the form of Exhibit H certifying that it is a Beneficial Owner, to the Beneficial Owner (or its designee) and each Rating Agency) a certificate of an Authorized Officer of the Issuer that, to the best knowledge of the Issuer, no Default exists, and has not existed since the date of the last certificate or, if a Default does then exist or had existed, specifying the same and its nature and status, including actions undertaken to remedy it, and that the Issuer has complied with all of its obligations under this Indenture or, if that is not the case, specifying those obligations with which it has not complied.

Section 7.10. *Co-Issuers May Consolidate, etc. Only on Certain Terms.*

Neither the Issuer nor the Co-Issuer (the "**Merging Entity**") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by the consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "**Successor Entity**"),

(i) if the Merging Entity is the Issuer, is a company organized and existing under the laws of the Cayman Islands or another jurisdiction approved by a Majority of the Controlling Class (except that no approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and

(ii) in any case shall expressly assume, by an indenture supplemental to this Indenture, executed and delivered to the Trustee and each Noteholder, the due and punctual payment of all amounts on all Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided in this Indenture;

(b) each Rating Agency shall have been notified of the consolidation, merger, transfer, or conveyance and the Rating Condition with respect to each Rating Agency is satisfied with respect to the transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee,

(i) to observe the same legal requirements for the recognition of the formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates,

(ii) not to consolidate or merge with or into any other Person or transfer or convey the Collateral or all or substantially all of its assets to any other Person except in accordance with this Section 7.10; and

(iii) in any case shall expressly assume by an indenture supplemental to this Indenture, executed and delivered to the Trustee, each Noteholder and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the due and punctual payment of all amounts on all the Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided in this Indenture;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that it is duly organized, validly existing, and in good standing in the jurisdiction in which it is organized; that it has sufficient power and authority to assume the obligations in subsection (a) above and to execute and deliver an indenture supplemental to this Indenture for the purpose of assuming the obligations in subsection (a) above; that it has duly authorized the execution, delivery, and performance of an indenture supplemental to this Indenture for the purpose of assuming the obligations in subsection (a) above and that the supplemental indenture is its valid and legally binding obligation, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium, and other laws affecting the enforcement of creditors' rights generally and to general principles of equity; if the Merging Entity is the Issuer, that, following the event that causes the Successor Entity to become the successor to the Issuer, (i) the Successor Entity has title, free of any lien, security interest, or charge, other than the lien and security interest of this Indenture, to the Collateral, and (ii) the lien of this Indenture continues to be effective in the Collateral; and in each case as to any other matters the Trustee or any Noteholder reasonably requires;

(e) after giving effect to the transaction, no Default or Event of Default shall be continuing;

(f) the Merging Entity shall have notified each Rating Agency of the consolidation, merger, transfer or conveyance and shall have delivered to the Trustee, each Noteholder and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) an Officer's certificate and an Opinion of Counsel each stating that the consolidation, merger, transfer or conveyance and the supplemental indenture comply with this Article 7 and that all conditions precedent in this Article 7 relating to the transaction have been complied with and shall have obtained a Tax Opinion of Counsel that no adverse tax consequences will result therefrom to the Holders of the Securities;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to the transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to the transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11. ***Successor Substituted.***

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right of, the Merging Entity under this Indenture with the same effect as if the Person had been named as the Issuer or the Co-Issuer, as the case may be, in this Indenture. Upon any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor may be dissolved, wound up and liquidated at any time thereafter, and the Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12. ***No Other Business.***

(a) From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and the Preference Shares pursuant to the Preference Share Documents and acquiring, owning, holding, and pledging and selling Collateral Obligations and the other Collateral in connection therewith, and shall not act as agent, negotiator or structurer with respect to any Collateral, act as a participant in negotiating terms of a primary loan agreement, enter into a binding commitment to purchase any Collateral prior to the issuance thereof or engage in any transaction or activity not permitted by the Collateral Acquisition Agreement or which the Issuer knows would cause it to be treated as engaged in a trade or business in the United States within the meaning of the Code or subject the Issuer's income to taxation on a net basis in any jurisdiction, and the Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, other activities appropriate to accomplish the foregoing or incidental thereto or connected therewith.

(b) In furtherance and not in limitation of clause (a) of this Section 7.12, the Issuer shall comply with all of the provisions set forth in the Collateral Acquisition Agreement, unless, with respect to a particular transaction, it obtains written advice of Latham & Watkins LLP or a Tax Opinion of Counsel that, under the relevant facts and circumstances with respect to such transaction, the Issuer's failure to comply with one or more of such provisions will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States within the meaning of the Code or otherwise to be subject to United States federal income tax on a net basis.

The provisions set forth in the Collateral Acquisition Agreement may be amended, eliminated or supplemented (without execution of a supplemental indenture) if the Issuer obtains written advice of Latham & Watkins LLP or a Tax Opinion of Counsel that the Issuer's compliance with such amended provisions or supplemental provisions or the Issuer's failure to comply with such provisions proposed to be eliminated, as the case may be, will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States within the meaning of the Code or otherwise to be subject to United States federal income tax on a net basis and, at the request of the Issuer, the Trustee is hereby authorized to enter into any amendment of the Collateral Acquisition Agreement under such circumstances; provided, however, that written notice of any such amendment, elimination or supplementation of or to the provisions of the Collateral Acquisition Agreement pursuant to this Section 7.12(b) shall be provided to each Rating Agency then rating any Outstanding Class of Notes within 90 days of any such amendment, elimination or supplementation. For the avoidance of doubt, in the event written advice of Latham & Watkins LLP or a Tax Opinion of Counsel as described above has been obtained in accordance with the terms hereof, no consent of any Noteholder or satisfaction of the Rating Condition shall be required in order to comply with this Section 7.12(b) in connection with the amendment, elimination or supplementation of any provision of the Collateral Acquisition Agreement contemplated by such written advice or opinion.

(c) The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or the Certificate of Incorporation and By-laws if the Rating Condition with respect to each Rating Agency is satisfied with respect to the amendment (but not otherwise).

Section 7.13. *Listing on Irish Stock Exchange.*

So long as any Senior Notes remain Outstanding, the Co-Issuers shall use all reasonable efforts to obtain and maintain the listing of the Senior Notes on the regulated market of the ISE; provided that the Co-Issuers will not be required to maintain a listing on a stock exchange in the European Union if compliance with requirements of the European Commission on a member state becomes burdensome in the sole judgment of the Servicer.

Section 7.14. *Annual Rating Review.*

So long as any Notes of any Class remain Outstanding, on or before May 1 in each year commencing in 2008, the Co-Issuers shall obtain and pay for an annual review or ongoing surveillance of the rating of each Outstanding Class of Notes from each Rating Agency, as applicable. The Co-Issuers shall promptly notify the Trustee and the Servicer in writing (and the Trustee shall promptly provide a copy of the notice to the Noteholders) and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) if at any time the rating of any Class of Notes has been, or is known will be, changed or withdrawn.

Section 7.15. *Reporting.*

At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or Beneficial Owner of any Note, the Co-Issuers shall promptly furnish "Rule 144A Information" to the Holder or Beneficial Owner, to a prospective purchaser of a Note designated by the Holder or Beneficial Owner or to the Trustee for delivery to the Holder or Beneficial Owner or a prospective purchaser designated by the Holder or Beneficial Owner, as the case may be, to permit compliance by the Holder or Beneficial Owner with Rule 144A under the Securities Act in connection with the resale of the Note by the Holder or Beneficial Owner. "**Rule 144A Information**" is the information specified pursuant to Rule 144A(d)(4) under the Securities Act.

Section 7.16. *Calculation Agent.*

(a) The Issuer agrees that for so long as any Floating Rate Notes remain Outstanding an agent will always have been appointed (that does not control and is not controlled by or under common control with the Issuer or its Affiliates) to calculate LIBOR in respect of each Interest Period (the "*Calculation Agent*"). The Issuer has initially appointed the Trustee as Calculation Agent. The Issuer may remove the Calculation Agent at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or if the Calculation Agent fails to determine any of the information required to be given to the Company Announcements Office of the Irish Stock Exchange, as described in subsection (b), in respect of any Interest Period, the Issuer or the Servicer (on its behalf) shall promptly appoint a replacement Calculation Agent. For so long as any Floating Rate Notes are listed on the Irish Stock Exchange and the rules of the exchange so require, notice of the appointment of any replacement Calculation Agent shall be given to the Company Announcements Office of the Irish Stock Exchange as promptly as practicable after the appointment. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) As soon as possible after 11:00 A.M., London time, on the second Business Day before the first day of each Interest Period, but in no event later than 11:00 A.M., London time, on the next Business Day, the Calculation Agent shall calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Period. The Calculation Agent shall communicate those rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Servicer, Euroclear, Clearstream, the Depository, and, so long as any of the Floating Rate Notes are listed thereon and the rules of the exchange so require, the Irish Stock Exchange. In the latter case, the information shall be given to the Company Announcements Office of the Irish Stock Exchange as soon as possible after its determination. The Calculation Agent shall separately notify the Irish Stock Exchange of the information. The Calculation Agent shall also specify to the Co-Issuers the quotations on which the foregoing rates are based, and in any event the Calculation Agent shall notify the Co-Issuers before 7:00 P.M., London time, on the second Business Day before the first day of each Interest Period that either:

(i) it has determined or is in the process of determining the Note Interest Rate for each Class of Floating Rate Notes, or

(ii) it has not determined and is not in the process of determining any such Note Interest Rate together with its reasons therefor.

The Calculation Agent's determination of the foregoing rates for any Interest Period shall (in the absence of manifest error) be final and binding on all parties and the Holders and Beneficial Owners of the Preference Shares.

Section 7.17. *Certain Tax Matters.*

(a) For United States federal income tax purposes, the Issuer shall treat the Preference Shares as equity and the Notes as debt. Each Holder of a Note, by its acquisition of that Note, agrees to treat those Notes as debt for United States federal income tax purposes.

(b) The Issuer will not make an election to be treated as a partnership for U.S. federal income tax purposes, and will take all necessary actions to maintain its status as a corporation for U.S. federal income tax purposes.

(c) The Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority; provided, however, that the Issuer shall not file, or cause to be filed, any income or franchise tax return in any state of the United States unless it shall have obtained a Tax Opinion of Counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(d) In order to ensure the Holders' and Beneficial Owners' acquisition of the Notes pursuant to this Indenture are not treated as offered under conditions of confidentiality, the Holders and Beneficial Owners of the Notes (and each of their respective employees, representatives or other agents) are hereby permitted to disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement (including the ownership and disposition of the Notes). For this purpose, the tax treatment of a transaction is the purported or claimed U.S. federal income or state and local tax treatment of the transaction, and the tax structure of a transaction is any fact that may be relevant to understanding the purported or claimed U.S. federal income or state and local tax treatment of the transaction.

(e) If the Issuer is aware that it has purchased an interest in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Noteholder requests information about any such transactions in which the Issuer is a purchaser, the Issuer shall provide such information it has reasonably available as soon as practicable after such request.

(f) The Issuer shall not conduct any business other than the business that the Issuer is permitted to conduct under this Indenture and the Preference Shares Paying Agency Agreement.

(g) The Issuer shall provide, upon the request by a Holder of Class E Notes, such information for the purposes of allowing such Holder to make a protective "qualifying electing fund" election. The Issuer shall provide, upon request of a Holder of Class E Notes, any information that such Holder reasonably requests to assist such Holder with regard to any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code. Upon written request by the Independent accountants, the Indenture Registrar shall provide to the Independent accountants that information contained in the Indenture Register requested by the Independent accountants to comply with this Section 7.17.

(h) The Issuer will treat each purchase of Collateral Obligations and Eligible Investments as a "purchase" for tax accounting and reporting purposes.

(i) Each of the Issuers and the Trustee agrees that it does not intend for this Indenture to represent an agreement to enter into a partnership, a joint venture or any other business entity for U.S. federal income tax purposes. The Issuers and the Trustee shall not represent or otherwise hold themselves out to the United States Internal Revenue Service or other third parties as partners in a partnership or members of a joint venture or other business entity for U.S. federal income tax purposes.

Section 7.18. *Securities Lending.*

(a) So long as no Event of Default is continuing and if after the completion of the transaction the limit in clause (31) of the definition of "Concentration Limitations" would be satisfied, the Servicer may cause Collateral Obligations that are not Defaulted Collateral Obligations

to be lent for a term of 90 days or less to banks, broker-dealers and other financial institutions (other than insurance companies) having long-term and short-term senior unsecured debt ratings or guarantors with ratings of at least "A1" (and not "A1" but on credit watch with negative implications) and "P-1" (and not on credit watch for possible downgrade) from Moody's and a long-term senior unsecured debt rating of at least "A" or a short-term senior unsecured debt rating of at least "A-1" from S&P (each, a "**Securities Lending Counterparty**") pursuant to one or more agreements (each, a "**Securities Lending Agreement**"); provided that Collateral Obligations the Market Value of which cannot be determined under clause (i), (ii) or (iii) of that definition may not be lent pursuant to a Securities Lending Agreement. Upon receipt of an Issuer Order, the Trustee shall release any lent Collateral Obligations to a Securities Lending Counterparty as directed by the Servicer. The Securities Lending Counterparties may be Affiliates of the Initial Purchasers or Affiliates of the Servicer. The duration of any Securities Lending Agreement shall not exceed the Stated Maturity of the Notes.

(b) Each Securities Lending Agreement shall be on market terms as determined by the Servicer (except as may be required below) and shall:

(i) require that the Securities Lending Counterparty return to the Issuer debt obligations that are identical (in terms of issue and class) to the lent Collateral Obligations;

(ii) require that the Securities Lending Counterparty pay to the Issuer amounts equivalent to all interest and other payments that the owner of the lent Collateral Obligation is entitled to for the period during which the Collateral Obligation is lent and require that any such payments not be subject to withholding tax imposed by any jurisdiction unless the Securities Lending Counterparty is required under the Securities Lending Agreement to make "gross-up" payments to the Issuer that cover the full amount of the withholding tax on an after-tax basis;

(iii) require that the Rating Condition with respect to each Rating Agency shall be satisfied with respect to the execution of the Securities Lending Agreement;

(iv) satisfy any other requirements of Section 1058 of the Code and the Treasury Regulations promulgated under it;

(v) be governed by the laws of New York;

(vi) permit the Issuer to assign its rights under the Securities Lending Agreement to the Trustee pursuant to this Indenture;

(vii) provide for early termination and the delivery of any lent Collateral Obligation with no penalty if the Collateral Obligation becomes a Credit Risk Obligation or is subject to redemption in accordance with its terms;

(viii) provide for early termination and the delivery of any lent Collateral Obligation with no penalty upon any redemption of the Notes in whole;

(ix) require the Securities Lending Counterparty to post with the Trustee collateral consisting of cash or direct registered debt obligations of the United States of America that have a maturity date no later than the Business Day preceding the stated termination date of the Securities Lending Agreement (the "**Securities Lending Collateral**") to secure its obligation to return the Collateral Obligations or in the alternative post the Securities Lending Collateral with a custodian for the benefit of the Issuer designated by the Securities Lending Counterparty that satisfies the requirements with respect to being a

securities intermediary with respect to the posted collateral if that custodian would qualify to be a successor trustee under Section 6.9;

(x) provide that the Securities Lending Collateral shall be maintained at all times in an amount equal to at least 102% of the current Ask-Side Market Value (determined daily and monitored by the Servicer) of the lent Collateral Obligations and if securities are delivered to the Trustee as security for the obligations of the Securities Lending Counterparty under the related Securities Lending Agreement, the Servicer on behalf of the Issuer will negotiate with the Securities Lending Counterparty a rate for the loan fee to be paid to the Issuer for lending the lent Collateral Obligations;

(xi) the lent Collateral Obligations shall be marked-to-market on a daily basis by the Servicer on the basis of their Market Value;

(xii) the Collateral will include the Issuer's rights under the related Securities Lending Agreement rather than the loaned Collateral Obligation;

(xiii) provide for early termination within 10 days at the option of the Issuer and the delivery of any lent Collateral Obligation with no penalty if the Securities Lending Counterparty is no longer in compliance with the requirements relating to the credit ratings of the Securities Lending Counterparty and the noncompliance is not cured as provided in this Indenture; and

(xiv) contain appropriate limited recourse and non-petition provisions (to the extent the Issuer has contractual payment obligations to the Securities Lending Counterparty) equivalent (*mutatis mutandis*) to those in this Indenture.

(c) If either Moody's or S&P downgrades a Securities Lending Counterparty such that the Securities Lending Agreements to which the Securities Lending Counterparty is a party are no longer in compliance with the requirements relating to the credit ratings of the Securities Lending Counterparty, then the Servicer on behalf of the Issuer, within 10 days of the downgrade, shall

(i) terminate its Securities Lending Agreements with the Securities Lending Counterparty unless a guarantor with the required ratings for the Securities Lending Counterparty's obligations under the Securities Lending Agreements has been obtained; or

(ii) reduce the percentage of the Aggregate Principal Balance of the Collateral Obligations lent to the downgraded Securities Lending Counterparty so that the Securities Lending Agreements to which the Securities Lending Counterparty is a party, together with all other Securities Lending Agreements, are in compliance with the requirements relating to the credit ratings of Securities Lending Counterparties; or

(iii) take any other steps Moody's or S&P may require to cause the Securities Lending Counterparty's obligations under the Securities Lending Agreements to which the Securities Lending Counterparty is a party to be treated by Moody's or S&P, as the case may be, as if the obligations were owed by a counterparty having a rating at least equivalent to the rating that was assigned by Moody's or S&P, as the case may be, to the downgraded Securities Lending Counterparty before its being downgraded.

(d) In connection with any such direction by the Servicer to enter into a Securities Lending Agreement, the Trustee may receive and rely on an Issuer Order to the effect that the Securities Lending Agreement, and its Securities Lending Counterparty, is each in compliance with the requirements of this Indenture (including the definition of "Securities Lending Counterparty").

The Issuer and the Trustee may enter into any Securities Lending Agreement (and any related account control agreement) at the instruction of the Servicer, and deliver and accept delivery and return of any Collateral Obligations pursuant to the Securities Lending Agreement, or pursuant to instructions from the Servicer in connection with the Securities Lending Agreement. The Trustee may take any actions and exercise any rights and remedies under any Securities Lending Agreement that the Servicer instructs. The Trustee need not enter into any Securities Lending Agreement (or any related account control agreement) that would in its judgment, subject it to any liability, whether financial or otherwise, or cause it to incur or subject it to risk of any cost or disbursement for which it is not, in its judgment, adequately indemnified, or that would impose on it any obligations or administrative burdens that are unacceptable to it. The Servicer shall instruct the Trustee in writing with respect to the administration of any Securities Lending Agreement (including with respect to any default and the exercise of rights under it). The Trustee shall not have any responsibility for evaluating the sufficiency, validity or acceptability of any Securities Lending Agreement or for the qualifications or eligibility of any Securities Lending Counterparty. Nothing in this Indenture shall be construed to cause the Trustee to have any fiduciary duties to any Securities Lending Counterparty.

So long as any Collateral Obligation is on loan pursuant to a Securities Lending Agreement,

(a) the Trustee shall have no liability for any failure or inability on its part to receive any information or take any action with respect to the Collateral Obligation because of its being on loan (including any failure to take action with respect to a notice of redemption, consent solicitation, exchange or tender offer, or similar corporate action), and

(b) the loaned Collateral Obligations shall not be disqualified for return to the Trustee as a Collateral Obligation by any change in circumstance or status during the time while on loan (including any change that would cause the Collateral Obligation to be ineligible for purchase by the Issuer under this Indenture if applied to a proposed purchase of it in the open market at the time of its return from loan).

Section 7.19. *Purchase of Collateral Obligations; Ramp-Up Completion Date.*

(a) The Issuer shall use its best efforts to purchase Collateral Obligations on any Business Day during the Ramp-Up Period or enter into commitments to purchase Collateral Obligations on any Business Day during the Ramp-Up Period for purchase on or as soon as practicable thereafter (not to exceed 60 days thereafter), in each case, for inclusion in the Collateral so that each of the Aggregate Principal Balance of the Collateral Obligations and the Overcollateralization Ratio Numerator with respect to the Class A Notes and the Class B Notes is at least U.S.\$981,300,000.

(b) No Collateral Obligations may be purchased prior to the Ramp-Up Completion Date unless immediately following the purchase of any Collateral Obligation (as certified by the Servicer in writing), the remaining funds in the Collection Account, after giving effect to such purchase, are sufficient as of the date of determination to purchase Collateral Obligations for inclusion in the Collateral so that each of the Aggregate Principal Balance of the Collateral Obligations and the Overcollateralization Ratio Numerator with respect to the Class A Notes and the Class B Notes is at least U.S.\$981,300,000 (taking into account the Collateral Obligations already part of the Collateral (without giving effect to any reductions of that amount that may have resulted from scheduled principal payments, principal prepayments or dispositions made with respect to any Collateral Obligations on or before the Ramp-Up Completion Date)).

(c) Notwithstanding the foregoing, or any other provision of this Indenture, if the Issuer has previously entered into a commitment to purchase a Collateral Obligation to be included

in the Collateral, such commitment initially not to exceed 60 days, and at the time of the commitment the Collateral Obligation complied with the definition of "Collateral Obligation" and the requirements set forth in this Section 7.19, the Issuer may consummate the purchase of the Collateral Obligation notwithstanding that the Collateral Obligation fails to comply with the definition of "Collateral Obligation" and the requirements set out above on the date of settlement.

(d) The Issuer will use commercially reasonable efforts to purchase, or to enter into binding agreements to purchase, Collateral Obligations by the Ramp-Up Completion Date, that, together with the Collateral Obligations purchased on or before the Closing Date and then held by the Issuer, will satisfy, as of the Ramp-Up Completion Date (without giving effect to any reductions of that amount that may have resulted from scheduled principal payments, principal prepayments or dispositions made with respect to any Collateral Obligations on or before the Ramp-Up Completion Date), the Collateral Quality Tests, the Concentration Limitations, the criteria set forth in Section 12.2 of this Indenture and the Overcollateralization Tests.

(e) No later than five Business Days after the Ramp-Up Completion Date, the Issuer shall notify each of the Rating Agencies in writing of the occurrence of the Ramp-Up Completion Date (each, a "**Ramp-Up Notice**") and request in writing that each of S&P and Moody's confirm in writing within 25 days of delivery of such Ramp-Up Notice that it has not reduced or withdrawn the Initial Ratings; *provided*, however, that the Issuer shall not be required to request a Rating Confirmation from Moody's if, as of the Ramp-Up Completion Date Moody's has received an Accountants' Certificate confirming (i) the Issuer is in compliance with each of the Collateral Quality Tests, the Coverage Tests and the Concentration Limitations and (ii) the Aggregate Principal Balance of the Collateral Obligations that the Issuer owns or has committed to purchase is at least equal to \$981,300,000. In connection with such request or, in the case of Moody's, in lieu of such request, the Issuer shall provide a report to the Rating Agencies identifying the Collateral Obligations then included in the Collateral and the Issuer shall obtain and deliver to the Trustee and the Rating Agencies, together with the delivery of a report (and, with respect to S&P, an Excel Default Model Input File and, with respect to each Collateral Obligation, the name of the obligor thereon and the CUSIP number thereof (if applicable)) substantially in the form of a Monthly Report as of the Ramp-Up Completion Date, an Accountants' Certificate confirming:

(i) confirming the maturity date, rating, spread and recovery rate for each item of Original Collateral Obligations owned by the Issuer as of the Ramp-Up Completion Date and the information provided by the Issuer with respect to every other asset included in the Collateral, by reference to such sources as shall be specified therein;

(ii) confirming that as of the Ramp-Up Completion Date:

(1) each of the Coverage Tests are satisfied;

(2) the Aggregate Principal Balance of Collateral Obligations that the Issuer owned or committed to purchase as of the Ramp-Up Completion Date is at least equal to the Maximum Amount; and

(3) the Collateral Obligations comply with all of the requirements of the Collateral Quality Tests and the Concentration Limitations; and

(iii) specifying the procedures undertaken by them to review data and computations relating to the foregoing statements.

(f) Any failure by the Issuer to obtain a Ratings Confirmation pursuant to Section 7.19(e) above shall be a Rating Confirmation Failure (a "**Rating Confirmation Failure**." If a

Rating Confirmation Failure occurs, the Notes will be redeemed pursuant to, and to the extent provided in, Section 9.1(a).

Section 7.20. *Posting of Reports on Repository.*

If either of the Initial Purchasers has entered into a posting dealer agreement with The Bond Market Association relating to the transactions contemplated by this Indenture, each of the Issuer, the Trustee and the Servicer acknowledges and agrees that each Monthly Report and Valuation Report may be posted to the Repository for use in the manner provided in the Repository. In connection therewith, the Trustee, at the expense of the Issuer, agrees to make available in accordance with Section 14.3(a)(ix) each Monthly Report or Valuation Report to the operator of the Repository for posting on the Repository. Such Initial Purchaser will notify the Trustee, the Co-Issuers and the Servicer upon entering into a posting dealer agreement.

Section 7.21. *Secondary Risk Procedures.*

The Servicer shall notify S&P and request that S&P modify the S&P CDO Monitor accordingly if on any date (as disclosed in the most recent Monthly Report):

(a) the Aggregate Principal Amount of all Collateral Obligations participated from or entered into with the same Secondary Risk Counterparty exceeds the percentage of the Maximum Amount in the Secondary Risk Table opposite the long-term S&P credit rating of the Secondary Risk Counterparty under the caption "Individual Counterparty Limit," or

(b) the Aggregate Principal Amount of all Collateral Obligations participated from or entered into with Secondary Risk counterparties with the same long-term credit rating exceeds the percentage of the Maximum Amount in the Secondary Risk Table opposite that rating under the caption "Aggregate Counterparty Limit" (excluding up to 5% by Aggregate Principal Amount of Synthetic Securities with respect to Collateral Obligations the Aggregate Counterparty Limit of which is 20% to the extent that (x) such exposure is fully collateralized with respect to principal and (y) the related Synthetic Security counterparties are rated at least "A-1+" by S&P).

Section 7.22. *Section 3(c)(7) Procedures.*

In addition to the notices required to be given under Section 10.6 hereof, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (provided that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) *Section 3(c)(7) Notice to Investors.* The Issuer shall (i) request the Depository to cause, and cooperate with the Depository in causing, the Depository's security description and delivery order to include a "3(c)(7) marker" and the Depository's user manual to contain an accurate description of the restrictions on the holding and transfer of the Notes due to the Issuer's reliance on the exclusion to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) request that the Depository send, and cooperate with the Depository in causing the Depository to send, to its Agent Members (x) the Important Section 3(c)(7) Reminder Notice substantially in the form of Exhibit G-2 in connection with the initial offering of the Notes and (y) the Section 3(c)(7) Reminder Notice substantially in the form of Exhibit G-1 as set forth in Section 10.6(b) and (iii) request that the Depository cause, and cooperate with the Depository in causing, the Depository's Reference Directory to include each Class of Notes (and the applicable CUSIP numbers for the Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Notes.

(b) *CUSIP Numbers.* The Issuer shall (a) request of S&P, and shall cooperate with S&P to ensure that all CUSIP numbers identifying the Notes shall have a "fixed field" attached thereto that contains "3c7" and "144A" indicators and (b) take steps to cause the Initial Purchasers and any market makers to require that all "confirms" of trades of the Notes contain CUSIP numbers with such "fixed field" identifiers.

(c) *Bloomberg and other Third-Party Vendor Screens.* The Issuer shall use all reasonable efforts to cause the Bloomberg screen or screens containing information about the Notes to include the following language: (a) the "Note Box" on the bottom of the "Security Display" page describing the Notes shall state: "Iss'd Under 144A/3(c)(7)," (b) the "Security Display" page shall have the flashing red indicator "See Other Available Information" and (c) the indicator shall link to the "Additional Security Information" page, which shall state that the securities are "being offered in reliance on the exemption from registration under Rule 144A of the Securities Act, to persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act)." The Issuer shall use all reasonable efforts to require that any other third-party vendor screens containing information about the Notes include substantially similar language to clauses (a) through (c) above.

ARTICLE 8

SUPPLEMENTAL INDENTURES

Section 8.1. *Supplemental Indentures Without Consent of Holders.*

(a) Without the consent of the Holders of any Securities (other than with respect to the consent of the Majority of the Controlling Class specified in clause (15) below), when authorized by Board Resolutions, and subject to the requirement provided below in this Section 8.1 with respect to the ratings of any Class of Notes, the Co-Issuers and the Trustee may, if, with respect to any matters described in clauses (1) through (23) below, the interests of the Holders of the Securities (except, in the case of clause (12) below, any Holders of Notes subject to the applicable Refinancing) are not materially and adversely affected thereby (the Co-Issuers and the Trustee will be bound by a standard of good faith and fair dealing in making such determination) execute one or more indentures supplemental to this Indenture, in form satisfactory to the Trustee, to:

- (1) evidence the succession of another Person to the Issuer or the Co-Issuer and the assumption by the successor Person of the obligations of the Issuer or the Co-Issuer in this Indenture and in the Securities;
- (2) add to the covenants of the Co-Issuers or the Trustee for the benefit of the Noteholders or to surrender any right in this Indenture conferred on the Co-Issuers;
- (3) convey, transfer, assign, mortgage or pledge any property to the Trustee, or add to the conditions, limitations, or restrictions on the authorized amount, terms, and purposes of the issue, authentication and delivery of the Notes;
- (4) evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee and to add to or change any of the provisions of this Indenture necessary to facilitate the administration of the trusts under this Indenture by more than one Trustee, pursuant to the requirements of Sections 6.10, 6.11, and 6.13;
- (5) correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey, and confirm to the Trustee any property

subject or required to be subject to the lien of this Indenture (including all actions appropriate as a result of changes in law) or to subject to the lien of this Indenture any additional property;

(6) cause any provision of this Indenture to conform to, or be consistent with, the statements made with respect to such provision in the Offering Memorandum;

(7) modify the restrictions on and procedures for resales and other transfers of the Notes to reflect any changes in applicable law (or its interpretation) or to enable the Co-Issuers to rely on any less restrictive exemption from registration under the Securities Act (including, without limitation, to add provisions for resales and transfers of the Class E Notes and/or Preference Shares under Regulation S) or the Investment Company Act or to remove restrictions on resale and transfer to the extent not required under this Indenture;

(8) with the consent of the Servicer, modify (A) the restrictions on the sales of Collateral Obligations in Section 12.1 or (B) with the consent of the Majority of the Controlling Class (which consent shall not be unreasonably withheld), the Eligibility Criteria in Section 12.2 (and the definitions related thereto); provided that, for the avoidance of doubt, the consent of a Majority of the Controlling Class shall not be required if such amendment also satisfies the requirements of clause (24) below;

(9) make appropriate changes for any Class of Senior Notes to be listed on an exchange other than the Irish Stock Exchange;

(10) otherwise to correct any inconsistency or cure any ambiguity or errors in this Indenture;

(11) accommodate the issuance of the Senior Notes in book-entry form through the facilities of DTC or otherwise;

(12) to accommodate a Refinancing effected pursuant to and in compliance with Section 9.7; provided that no Holders of Notes or Preference Shares are materially adversely affected thereby, other than Holders of Notes subject to such Refinancing;

(13) take any appropriate action to prevent the Issuer, the Holders of the Securities, or the Trustee from becoming subject to withholding or other taxes, fees, or assessments or to prevent the Issuer from being treated as being engaged in a U.S. trade or business or otherwise being subject to income tax on a net income basis, so long as the action will not cause the Holders of any Securities to be adversely affected to any material extent by any change to the timing, character, or source of the income from the Securities, as evidenced by a Tax Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion);

(14) authorize the appointment of any listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes appropriate in connection with the listing of any Class of Senior Notes on the Irish Stock Exchange or any other stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes in connection with its appointment, so long as the supplemental indenture would not materially and adversely affect any Noteholder, as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and

other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an Authorized Officer of the Servicer, to the effect that the modification would not be materially adverse to the Holders of any Class of Notes;

(15) with the consent of the Majority of the Controlling Class, amend, modify, enter into or accommodate the execution of any contract relating to a Synthetic Security (including posting collateral under a Synthetic Security Agreement) if such particular action is not otherwise permitted under the Indenture;

(16) modify Section 3.3 to be consistent with applicable laws or Rating Agency requirements;

(17) evidence any waiver by any Rating Agency as to any requirement or condition, as applicable, of the Rating Agency set forth in this Indenture;

(18) facilitate the issuance of participation notes, combination notes, composite securities and other similar securities;

(19) facilitate hedging transactions;

(20) facilitate the ability of the Issuer to lend collateral pursuant to a Securities Lending Agreement;

(21) modify any provision to facilitate an A/B Exchange, including to effect any serial designation relating to the exchange;

(22) with the consent of the Servicer, enter into any additional agreements not expressly prohibited by this Indenture as well as any amendment, modification, or waiver if the Issuer determines that the amendment, modification, or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interest of the Holders of any Class of Securities as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an officer of the Servicer to the effect that the modification would not be materially adverse to the Holders of any Class of Securities; provided that, for the avoidance of doubt, this clause (22) shall not permit the Co-Issuers and the Trustee to effect any amendment that expressly requires the consent of the Majority of the Controlling Class without such consent;

(23) provide for the issuance of additional Preference Shares to the extent permitted by the Preference Share Documents and to extend to such additional Preference Shares the benefits applicable to the Preference Shares under the Indenture and the Preference Share Documents; or

(24) prevent the Issuer from becoming an "investment company" as defined in the Investment Company Act or to better assure compliance with the requirements of Rule 3a-7 and/or to remove transfer restrictions and other requirements relating to Section 3(c)(7); provided that, as a condition to the effectiveness of any such supplemental indenture, each of the Issuer, the Trustee and the Servicer shall have received (A) a Rating Confirmation with respect to such supplemental indenture and (B) a customary opinion of counsel (which may be supported as to factual matters by any relevant certificates or other documents necessary or advisable in the judgment of counsel delivering such opinion) from a nationally recognized law firm providing that, after giving effect to such supplemental

indenture, the Issuer is exempt from registration as an "investment company" under the Investment Company Act in reliance on the exemption provided by Rule 3a-7.

(b) Without the consent of the Servicer, no supplemental indenture may be entered into that would reduce the rights, decrease the fees or other amounts payable to the Servicer under this Indenture or increase the duties or obligations of the Servicer.

(c) The Trustee is authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be in the agreements, but the Trustee shall not be obligated to enter into any such supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law. Unless notified by a Majority of any Class of Notes or a Majority of the Preference Shares that Holders of the Class of the Notes or Holders of the Preference Shares would be materially and adversely affected, the Trustee may rely on a certificate of the Servicer and an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) as to whether the interests of any Holder of Securities would be materially and adversely affected by any such supplemental indenture.

(d) If any Outstanding Notes are rated by a Rating Agency, the Trustee shall enter into a supplemental indenture pursuant to this Section 8.1 only if either (1) the Rating Condition with respect to each Rating Agency is satisfied with respect to the supplemental indenture or (2) the Servicer and the Holders of 100% in Aggregate Outstanding Amount of each Class of Notes the ratings on which would be reduced or withdrawn consent to the supplemental indenture. Prior to the entry into any supplemental Indenture with respect to which a Rating Confirmation for one or more Classes of Notes is not expected to be delivered, the Trustee shall provide written notice to each Holder of each Outstanding Note informing them of such fact.

(e) At the cost of the Co-Issuers, the Trustee shall mail to the Noteholders, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), each Rating Agency (for so long as any Notes are Outstanding and rated by a Rating Agency) and each Hedge Counterparty a copy of any such proposed supplemental indenture pursuant to this Section at least 15 Business Days before its execution by the Trustee (or 60 calendar days before execution in the case of a supplemental indenture for the purpose described in paragraph (8) of Section 8.1(a), which shall be identified as such in a certificate of the Servicer delivered to the Trustee before the date on which such notice is required to be given).

Section 8.2. *Supplemental Indentures With Consent of Holders.*

(a) If the Rating Condition is satisfied with respect to each Rating Agency, the Trustee and the Co-Issuers may execute one or more indentures supplemental to this Indenture to add any provisions to, or change in any manner, or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Noteholders under this Indenture with the consent of:

(1) the Servicer if the supplemental indenture would reduce the rights, decrease the fees or other amounts payable to it under this Indenture or increase the duties or obligations of the Servicer;

(2) a Majority of each Class of Notes adversely affected thereby, by Act of the Holders of each such Class of Notes; and

(3) a Majority of the Preference Shares adversely affected thereby.

Any proposed supplemental indenture that would also necessitate a change to the Memorandum and Articles of Association may only be made after a Special Resolution (as defined in the Memorandum and Articles of Association) has been passed to permit the Issuer's constitutional documents to be altered to conform them to the proposed change to this Indenture as certified to the Trustee by the Issuer.

Notwithstanding anything in this Indenture to the contrary, without the consent of the Holder of each Outstanding Note adversely affected thereby and the Holder of each Preference Share adversely affected thereby, no supplemental indenture shall:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Note or of any payment to the Preference Shares Paying Agent for payment to the Holders of the Preference Shares (other than in the case of any Maturity Extension in connection with an extension of the Replacement Period as described in Section 2.4), reduce the principal amount or the rate of interest on any Note, or the Default Interest Rate or the Redemption Price with respect to any Note or Preference Share, or change the earliest date on which Notes of any Class or Preference Share may be redeemed at the option of the Issuer, change the provisions of this Indenture relating to the application of proceeds of any Collateral to the payment of principal of or interest on Notes, or to payment to the Preference Shares Paying Agent for payment to the Holders of the Preference Shares, or change any place where, or the coin or currency in which, Notes or their principal or interest are paid or impair the right to institute suit for the enforcement of any such payment on or after their Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date);

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class or Holders of Preference Shares whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults under this Indenture or their consequences provided for in this Indenture;

(iii) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Collateral or terminate the lien on any property at any time subject hereto or deprive the Holder of any Note of the security afforded by the lien of this Indenture;

(iv) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required to request the Trustee to retain the Collateral or rescind the Trustee's election to retain the Collateral, pursuant to Section 5.5 or to sell or liquidate the Collateral, pursuant to Section 5.4 or 5.5;

(v) modify any of the provisions of this Section, or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note and Preference Share affected thereby;

(vi) modify the definition of "Outstanding," "Controlling Class," or "Majority," or the Priority of Payments in Section 11.1(a) or Section 13.1; or

(vii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of Redemption Price or of interest or principal on any Note or any payment to the Preference Shares Paying Agent for the payment of dividends or other payments on the Preference Shares on any Payment Date or to affect the

rights of the Holders of the Securities to the benefit of any provisions for the redemption of the Notes or the Preference Shares contained in this Indenture.

(b) Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Servicer, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency (for so long as any Notes are Outstanding and rated by a Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Securities to be given within the Initial Consent Period. Any consent given to a proposed supplemental indenture by the Holder of any Securities, as applicable, shall be irrevocable and binding on all future Holders or beneficial owners of that Security, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Securities consent to a proposed supplemental indenture within the Initial Consent Period, on the first Business Day after the Initial Consent Period, the Trustee shall notify the Issuer and the Servicer which Holders of Securities have consented to the proposed supplemental indenture and, which Holders (and, to the extent such information is reasonably available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture. If it intends to exercise its Amendment Buy-Out Option pursuant to Section 9.6, the Amendment Buy-Out Purchaser shall so notify the Trustee (which notice shall designate a date for the Amendment Buy-Out to occur no earlier than 10 Business Days after the date of such notice) no later than five Business Days after the Servicer is so notified by the Trustee and the Trustee shall promptly mail such notice to all Noteholders and the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares). Any Non-Consenting Holder may give consent to the related proposed supplemental indenture until the 5th Business Day prior to the date of the Amendment Buy-Out designated by the Amendment Buy-Out Purchaser, and in such case shall cease to be a Non-Consenting Holder for purposes of the Amendment Buy-Out. If the Amendment Buy-Out Purchaser exercises its Amendment Buy-Out Option and purchases the applicable Securities pursuant to Section 9.6 below, the Amendment Buy-Out Purchaser, as Holder or beneficial owner of the applicable Securities, may consent to the related proposed supplemental indenture within five Business Days of the Amendment Buy-Out.

(c) It shall not be necessary for any Act of Noteholders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if the Act or consent approves its substance.

(d) The Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Servicer, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency a copy of any supplemental indenture pursuant to this Section 8.2 promptly after its execution by the Co-Issuers and the Trustee. Any failure of the Trustee to mail a copy of any supplemental indenture as provided in this Indenture, or any defect in the mailing, shall not in any way affect the validity of the supplemental indenture.

Section 8.3. *Execution of Supplemental Indentures.*

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee may receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of the supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent to the execution of such supplemental indenture have been satisfied. In the event that any supplemental indenture is consented to by the Issuer, the Co-Issuer and 100% of the Aggregate Outstanding Amount of each Class of Notes and the Rating Condition is satisfied or is specifically waived by all consenting parties, all conditions precedent to the execution of such supplemental indenture shall be deemed satisfied, the execution

of such supplemental indenture shall be authorized or permitted by this Indenture, and the Trustee shall execute and accept the additional trusts created by such supplemental indenture pursuant to this Article 8 or modification thereby of the trusts created by this Indenture without obtaining an Opinion of Counsel; provided that the Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Servicer shall not be bound by any amendment or supplement to this Indenture that would reduce the rights, decrease the fees or other amounts payable to it under this Indenture or increase the duties or obligations of the Servicer unless the Servicer consents to it in writing, such consent not to be unreasonably withheld or delayed. The Servicer shall follow any amendment or supplement to this Indenture by which it is bound of which it has received written notice from the time it receives a copy of the amendment from the Issuer or the Trustee. The Trustee shall deliver any such amendment or supplement to the Repository in accordance with Section 6.18.

Section 8.4. *Effect of Supplemental Indentures; Certain Required Consents.*

Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and the supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered under this Indenture shall be bound thereby.

Without the approval of each Hedge Counterparty to a then existing Hedge Agreement (so long as the Hedge Counterparty is not in default under any Hedge Agreement to which it is party), no supplemental indenture will be effective, and the Co-Issuers will not consent to any supplemental indenture, that would have a material adverse effect on the Hedge Counterparty. For purposes of this paragraph, any supplemental indenture will be deemed not to have a material adverse effect on the Hedge Counterparty if it does not object within 10 days of delivery of such supplemental indenture by the Trustee.

Any supplemental indenture that would necessitate a change to the Memorandum and Articles of Association may only be made after a Special Resolution (as defined in the Memorandum and Articles of Association) has been passed to permit the Memorandum and Articles of Association to be altered to conform with such proposed amendment.

Section 8.5. *Reference in Notes to Supplemental Indentures.*

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Trustee shall, bear a notice in form approved by the Trustee as to any matter provided for in the supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE 9

REDEMPTION OF NOTES

Section 9.1. *Mandatory Redemption.*

(a) If either (a) a Coverage Test is not met on any Determination Date or (b) a Rating Confirmation Failure occurs, principal payments on the Notes shall be made on the related Payment Date (without payment of any Redemption Price) in accordance with the Priority of Payments.

Upon receipt of notice of a Rating Confirmation Failure and if available Interest Proceeds and Principal Proceeds are insufficient to effect the redemption of the Notes, at par on any subsequent Payment Date in accordance with the Priority of Payments as and to the extent necessary for each of Moody's and S&P to confirm in writing the Initial Ratings assigned by it on the Closing Date to the Notes, then at the direction and in accordance with the instructions of the Servicer the Trustee shall sell Collateral Obligations so that the proceeds from the sale and all other funds available for the purpose in the Collection Account will be used to redeem the Notes and the Preference Shares (but only to the extent necessary for each of Moody's and S&P to confirm in writing the Initial Ratings assigned by it on the Closing Date to the Notes) and to pay all administrative and other fees, expenses and obligations payable under the Priority of Payments. Any sale under this Section shall be conducted in such a manner that:

(i) after giving effect to the sale each Overcollateralization Test is satisfied or, if any Overcollateralization Test is not satisfied, the extent of compliance with the Overcollateralization Test is not reduced,

(ii) if the sale occurs on or after the second Payment Date, after giving effect to the sale each Interest Coverage Test is satisfied or, if any Interest Coverage Test is not satisfied, the extent of compliance with the Interest Coverage Test is not reduced, and

(iii) after giving effect to the sale each Collateral Quality Test is satisfied or, if any Collateral Quality Test is not satisfied, the extent of compliance with the Collateral Quality Test is not reduced.

(b) The Preference Shares will be redeemed in whole in accordance with the Priority of Payments and the Preference Share Documents on any Payment Date on which a mandatory redemption of the Notes pursuant to Section 9.1(a) results in the payment in full of the Aggregate Outstanding Amount of each Class of Notes.

Section 9.2. *Optional Redemption.*

(a) Upon the occurrence of a Tax Event, or at any time after the Non-Call Period, the Notes shall be redeemed by the Applicable Issuers, in whole but not in part, on any Payment Date from Principal Proceeds and all other funds available for that purpose in the Collection Account, the Payment Account, the Interest Reserve Account, the Closing Date Expense Account, the Revolving Reserve Account and the Delayed Drawdown Reserve Account at the direction of the applicable Required Redemption Percentage, which direction must be given to the Preference Shares Paying Agent, the Trustee, the Issuer and the Servicer not later than 45 days before the Payment Date on which the redemption is to be made, at the applicable Redemption Price (exclusive of installments of interest and principal maturing on or before that date, payment of which shall have been made or duly provided for, to the Noteholders on relevant Record Dates or as otherwise provided in this Indenture). All Notes must be simultaneously redeemed, and any termination payments pursuant to Hedge Agreements must be paid.

In the event that the Preference Shares Paying Agent, the Trustee and the Issuer receive notice directing an optional redemption from any one or more Holders of Preference Shares holding less than a Majority of the Preference Shares, the Preference Shares Paying Agent shall, within five Business Days of receipt of such notice, notify the Holders of the Preference Shares (i) of the receipt of such notice and (ii) that any Holder of Preference Shares may join in directing an optional redemption by notifying the Issuer, the Trustee and the Preference Shares Paying Agent in writing within five Business Days after such Holder's receipt of the Preference Shares Paying Agent's Notice.

Upon receipt of a notice of redemption pursuant to the first paragraph of this Section 9.2(a), the Servicer in its sole discretion will (subject to the standard of care specified in the Servicing Agreement), on behalf of the Issuer, direct the sale of the Collateral Obligations so that the proceeds from the sale and all other funds available for such purpose in the Collection Account, the Interest Reserve Account, the Closing Date Expense Account, the Revolving Reserve Account and the Delayed Drawdown Reserve Account will be at least sufficient to redeem all of the Notes and to pay all administrative and other fees and expenses payable under the Priority of Payments without regard to any payment limitations. If, in the Servicer's reasonable discretion, the sale would not be sufficient to redeem the Notes, and to pay the fees, expenses and obligations, the Notes shall not be redeemed.

Upon any redemption pursuant to this Section 9.2(a), the Issuer shall, at least 30 days before the Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee, the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and each Rating Agency of the Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on the Redemption Date and the applicable Redemption Prices.

(b) On any Payment Date on or after payment in full of the Notes, all administrative and other fees (without regard to any payment limitations) payable under the Priority of Payments (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing under this Indenture and all amounts owing under this Indenture and any Hedge Agreement to any Hedge Counterparty have been discharged,

(i) at the direction of a Majority of the Preference Shares, the Issuer shall cause the Trustee to make payments in redemption of all of the Preference Shares, in an aggregate amount equal to all of the proceeds from the sale or other disposition of all of the remaining Collateral less any fees and expenses owed by the Issuer (including the Redemption Price of any Notes being simultaneously redeemed), the aggregate amount to be distributed to the Preference Shares Paying Agent for distribution to the Holders of the Preference Shares *pro rata* in accordance with their respective holdings or

(ii) at the unanimous direction of the Holders of the Preference Shares, voting as a single Class or group, the Issuer shall cause the Trustee to make payments in redemption of all or a directed portion (representing less than all) of the Preference Shares to the Preference Shares Paying Agent for distribution to the Holders of the Preference Shares based upon such direction.

Upon a distribution pursuant to Section 9.2(b)(i), the Servicer will (subject to the standard of care specified in the Servicing Agreement), on behalf of the Issuer (and subject to Section 9.2(b)(ii)), direct the sale of all remaining Collateral Obligations. Upon a distribution pursuant to Section 9.2(b)(ii), the Servicer will effect the sale of Collateral Obligations in accordance with the unanimous direction of the Holders of the Preference Shares.

Section 9.3. ***Optional Redemption Procedures.***

(a) Upon any redemption pursuant to Section 9.2, the Trustee shall give notice of a redemption by first-class mail, postage prepaid, mailed not later than 10 Business Days and not earlier than 30 days before the applicable Redemption Date, each Holder of Notes to be redeemed, at the Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of DTC, Euroclear, and Clearstream, as applicable, to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and (in the case of a redemption pursuant to Section 9.2(a)) to each Rating Agency. In addition, for so long as any Senior Notes are listed on the Irish Stock Exchange and so long as the rules of the exchange so require, notice of redemption of

Senior Notes pursuant to Section 9.2 shall also be given to the Company Announcements Office of the Irish Stock Exchange.

- (b) All notices of redemption delivered pursuant to Section 9.3(a) shall state:
 - (i) the applicable Redemption Date;
 - (ii) the Redemption Price of the Notes to be redeemed (in the case of a redemption pursuant to Section 9.2(a));
 - (iii) in the case of a redemption pursuant to Section 9.2(a), that all of the Notes, are to be redeemed in full and that interest on the Notes to be redeemed shall cease to accrue on the Payment Date specified in the notice; and
 - (iv) the places where the Notes to be redeemed in whole are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 and, so long as any Senior Notes to be redeemed are listed on the Irish Stock Exchange, and the Irish Paying Agent.

Any such notice of redemption may be withdrawn by the Issuer up to the fourth Business Day before the scheduled Redemption Date by written notice to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares), the Trustee and the Servicer only if:

- (A) in the case of a redemption pursuant to Section 9.2(a), the Servicer does not deliver the sale agreement or certifications (described in Section 9.3(c) and 12.1(f)), as the case may be, in form satisfactory to the Trustee,
- (B) in the case of a redemption pursuant to Section 9.2(a) or Section 9.2(b)(i), the Issuer receives the written direction of the Majority of the Preference Shares (or, in the case of an Optional Redemption of the Notes resulting from a Tax Event, the Affected Class) to withdraw the notice of redemption delivered by a percentage of the Preference Shares (or, in the case of an Optional Redemption of the Notes resulting from a Tax Event, the Affected Class) requesting redemption under Section 9.2(a) or Section 9.2(b)(i), as applicable, or
- (C) in the case of a redemption pursuant to Section 9.2(b)(ii), the Issuer receives the unanimous written direction of the Holders of the Preference Shares to withdraw the notice of redemption (and the Issuer hereby agrees for the benefit of the directing Holders to withdraw the applicable notice of redemption if it receives the written direction referred to in the preceding clause (B) or this clause (C)).

Notice of any withdrawal shall be sent, not later than the third Business Day before the scheduled Redemption Date (assuming that the Trustee has received timely written notice from the Issuer as provided above), by the Trustee, to each Noteholder scheduled to be redeemed at the Holder's address in the Indenture Register by overnight courier guaranteeing next day delivery (or, to the extent the address contained in the Indenture Register is not sufficient for that purpose, by first class mail) and the Preference Shares Paying Agent (for forwarding to each Holder of Preference Shares). If the Issuer so withdraws any notice of redemption or is otherwise unable to complete any redemption of the Notes, the Sale Proceeds received from the sale of any Collateral Obligations sold pursuant to Sections 9.2 and 12.1(f) may, during the Replacement Period (and, in respect of Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, after the Replacement

Period) at the Servicer's discretion, be used to purchase replacement Collateral Obligations in accordance with the Eligibility Criteria.

Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Notes selected for redemption or the Preference Shares Paying Agent (for forwarding to each Holder of Preference Shares) shall not impair or affect the validity of the redemption of any other Securities.

(c) The Notes may not be redeemed pursuant to Section 9.2(a) unless either of the following conditions is satisfied:

(i) At least 10 Business Days before the Redemption Date, the Servicer shall have furnished to the Trustee evidence (in form reasonably satisfactory to the Trustee) that the Issuer has entered into a binding agreement (with a financial or other institution or entity whose short-term unsecured debt obligations (other than obligations whose rating is based on the credit of a Person other than the institution) have a credit rating of at least "A-1" from S&P and of "P-1" (and not on credit watch for possible downgrade) from Moody's (or to any other institution or entity if the Rating Condition with respect to Moody's is satisfied with respect to the other entity)) to sell to the financial or other institutions, not later than the Business Day before the Redemption Date in immediately available funds, all or part of the Collateral (directly or by participation or other arrangement) at a Purchase Price at least equal to an amount sufficient (together with any Cash and other Eligible Investments not subject to the agreements and maturing on or before the Redemption Date and any payments to be received with respect to the Hedge Agreements on or before the Redemption Date) to pay all administrative and other fees and expenses payable under the Priority of Payments without regard to any payment limitations (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing under this Indenture, all amounts owing under the Hedge Agreements to the Hedge Counterparties, and to redeem the Notes on the Redemption Date at the applicable Redemption Prices; or

(ii) Before entering into any binding agreement to sell all or a portion of the Collateral and selling or terminating any Hedge Agreement, the Servicer shall have certified that, in its commercially reasonable judgment, the settlement dates of the sales will be scheduled to occur on or before the Business Day before the Redemption Date and that the expected proceeds from the sales are to be delivered to the Trustee no later than the Business Day before the Redemption Date, in immediately available funds, in an amount (calculated as applicable in the manner provided below) sufficient (together with any Cash and other Eligible Investments not subject to the agreements and maturing on or before the Redemption Date and any payments to be received with respect to the Hedge Agreements on or before the Redemption Date) to pay all administrative and other fees and expenses payable under the Priority of Payments (including the Senior Servicing Fee and the Subordinated Servicing Fee), all amounts owing under this Indenture, all amounts owing under the Hedge Agreements to the Hedge Counterparties, and to redeem the Notes on the Redemption Date at the applicable Redemption Prices. For purposes of this paragraph, the amount shall be calculated with respect to the classes of Collateral listed in the table below by multiplying the expected proceeds of sale of the Collateral by the indicated percentage in the table below. For the avoidance of doubt, no Hedge Agreement shall be sold or terminated unless the third Business Day before the scheduled Redemption Date has passed and no notice of withdrawal has been issued.

		<u>Number of Business Days Between Certification to the Trustee and Sale</u>			
		<u>Same Day</u>	<u>1 to 2</u>	<u>3 to 5</u>	<u>6 to 15</u>
1	Cash or other Eligible Investments	100%	100%	100%	100%
2	Loans (other than 5 below)	100%	93%	92%	88%
3	High-Yield Bonds (other than 5 below) and Structured Finance Obligations (in each case, other than 4 below)	100%	89%	85%	75%
4	High-Yield Bonds (other than 5 below) and Structured Finance Obligations, in each case with a Moody's Rating of "B3" and on credit watch with negative implications or below "B3"	100%	75%	65%	55%
5	Synthetic Securities	100%	65%	55%	35%

Any certification delivered pursuant to this Section 9.3(c) shall include (A) the prices of, and expected proceeds from, the sale of any Collateral Obligations, Eligible Investments, or Hedge Agreements and (B) all calculations required by this Section 9.3(c).

Section 9.4. *Notes Payable on Redemption Date.*

(a) Notice of redemption pursuant to Section 9.3 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become payable at the Redemption Price therein specified and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) the Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender the Note at the place specified in the notice of redemption on or before the Redemption Date unless the Co-Issuers and the Trustee receive the security or indemnity required by them to save each of them harmless and an undertaking thereafter to surrender the Note, and in the absence of notice to the Co-Issuers and the Trustee, that the applicable Note has been acquired by a protected purchaser, the final payment shall be made without presentation or surrender. Payments of interest on Notes so to be redeemed whose Stated Maturity is on or before the Redemption Date shall be payable to the Noteholders, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date if the Record Date is a Business Day (or, if the Record Date is not a Business Day, the close of business on the Business Day before the Record Date) according to Section 2.8(e).

(b) If any Note called for redemption is not paid on its surrender for redemption, its principal shall bear interest from the Redemption Date at the Applicable Note Interest Rate for each successive Interest Period the Note remains Outstanding if the reason for the non-payment is not the fault of the Holder of the Note.

Section 9.5. *Special Redemption.*

Principal payments on the Notes shall be made in whole or in part, at par, in accordance with the Priority of Payments if, at any time during the Replacement Period, the Servicer elects (subject to the Servicing Agreement) to notify the Trustee and each Rating Agency that it has been unable, for 45 consecutive Business Days, to identify additional or replacement Collateral Obligations that are deemed appropriate by the Servicer in its sole discretion and meet the Eligibility

Criteria in sufficient amounts to permit the application of all or a portion of the funds then in the Collection Account available to be used to purchase additional or replacement Collateral Obligations (a "**Special Redemption**").

On the first Payment Date following the Due Period for which the notice is effective (a "**Special Redemption Date**"), the funds in the Collection Account or the Payment Account representing Principal Proceeds that, by operation of the preceding paragraph, are not used to purchase additional Collateral Obligations (the "**Special Redemption Amount**") will be available to be applied in accordance with the Priority of Payments under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.5 shall be given by first-class mail, postage prepaid, mailed not later than three Business Days before the applicable Special Redemption Date, to each Holder of Notes to be redeemed, at the Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of DTC. In addition, for so long as any Senior Notes are listed on the Irish Stock Exchange and so long as the rules of the exchange so require, notice of redemption of Senior Notes pursuant to Section 9.2 shall also be given to the Company Announcements Office of the Irish Stock Exchange.

Section 9.6. ***Amendment Buy-Out.***

(a) In the case of any supplemental indenture pursuant to Section 8.2 that requires the consent of one or more Holders of Securities, the Amendment Buy-Out Purchaser shall have the right, but not the obligation, to purchase from Non-Consenting Holders all Securities held by such Holders whose consent was solicited with respect to such supplemental indenture (the "**Amendment Buy-Out Option**") for the applicable Amendment Buy-Out Purchase Price; provided, however, that the Amendment Buy-Out Purchaser may not exercise the Amendment Buy-Out Option during the Non-Call Period in connection with a proposed amendment to reduce the rate of interest on any Note or to change the earliest date on which Notes of any Class or Preference Shares may be redeemed at the option of the Issuer. If such option is exercised, the Amendment Buy-Out Purchaser must purchase all such Securities of Non-Consenting Holders for the applicable Amendment Buy-Out Purchase Price, regardless of the applicable percentage of the Aggregate Outstanding Amount of the Securities the consent of whose Holders is required for such supplemental indenture (an "**Amendment Buy-Out**"). By its acceptance of its Securities hereunder, each Holder of Securities agrees that if the Amendment Buy-Out Option is exercised, any Non-Consenting Holder will be required to sell its applicable Securities to the Amendment Buy-Out Purchaser; provided that if any Non-Consenting Holder holds Class II Preference Shares, such Non-Consenting Holder will sell such Class II Preference Shares to the Amendment Buy-Out Purchaser and such Preference Shares will be redesignated as Class I Preference Shares. Neither the Amendment Buy-Out Purchaser nor any other Person shall have any liability to any Holder or beneficial owner of Securities as a result of an election by the Amendment Buy-Out Purchaser not to exercise the Amendment Buy-Out Option.

(b) All purchases made pursuant to an Amendment Buy-Out Option individually and in the aggregate must comply with the applicable transfer restrictions for the relevant Securities set forth herein and in the Preference Share Documents, and all applicable laws, rules and regulations (including, without limitation, any rules, regulations and procedures of any securities exchange, self-regulatory organization or clearing agency).

Section 9.7. ***Redemption by Refinancing.***

(a) On any Payment Date after the Non-Call Period, any Class of the Notes may be redeemed in whole, but not in part from Refinancing Proceeds if the Servicer, on behalf of the Issuer, proposes to the Holders of the Preference Shares in writing (by notice to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares)) with a copy to the Trustee and the Rating Agencies, at least 30 days prior to the Payment Date for such redemption

(such date, the "**Refinancing Date**"), to redeem such Notes in accordance with this Section 9.7 (a "**Notice of Refinancing**"), which notice shall, among other things, specify the Refinancing Date and the Class of Notes to be Refinanced. Such redemption shall be effected by the Issuer obtaining a loan or an issuance of a replacement class of notes ("**Refinancing Notes**"), the terms of which loan or issuance will be negotiated by the Servicer, on behalf of the Issuer, from one or more financial institutions or purchasers (which may include the Servicer or its Affiliates) selected by the Servicer (a refinancing provided pursuant to such loan or issuance, a "**Refinancing**"), and provided that (i) such proposal is approved by a Majority of the Preference Shares (voting as a single class) at least 15 days prior to the Refinancing Date and (ii) the Servicer completes such Refinancing and causes the Refinancing Proceeds to be deposited with the Trustee (in immediately available funds) no later than the close of the Business Day immediately preceding the Refinancing Date.

(b) The Issuer shall obtain a Refinancing only if the Servicer determines and certifies to the Trustee that:

(i) a Rating Confirmation has been obtained from each Rating Agency for each class of Refinancing Notes and each Class of Notes not subject to Refinancing;

(ii) the proceeds from the Refinancing will be at least sufficient to pay the Refinancing Price plus any Administrative Expenses of the Issuer related to the Refinancing;

(iii) the interest rate payable in respect of the obligations providing the Refinancing is less than the interest rate payable on the Notes being refinanced;

(iv) the principal amount of any obligations providing the Refinancing is no greater than the principal amount of the Notes being redeemed with the proceeds of such obligations;

(v) the stated maturity of the obligations providing the Refinancing is no earlier than the stated maturity of the Notes being refinanced;

(vi) the Refinancing Proceeds will be used (to the extent necessary) to redeem the applicable Notes;

(vii) the agreements relating to the Refinancing contain limited recourse, non-recourse and non-petition provisions, investor qualification provisions and transfer restrictions equivalent to those applicable to the Notes being redeemed, as set forth herein;

(viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Notes being redeemed; and

(ix) the expenses in connection with the Refinancing have been paid or will be adequately provided for.

(c) The Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon an Opinion of Counsel stating that the Refinancing is permitted by this Indenture and that all conditions precedent thereto have been complied with.

(d) Any Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Refinancing Date pursuant to this Indenture to redeem the Notes being refinanced and pay Administrative Expenses in connection with the Refinancing without regard to the Priority of Payments; provided that to the extent that any Refinancing Proceeds exceed the amount necessary to redeem the Notes being refinanced (and any

associated Administrative Expenses), such excess Refinancing Proceeds will be treated as Principal Proceeds.

(e) If notice of consent by a Majority of the Preference Shares to a Refinancing has been received by the Trustee from the Servicer pursuant to Section 9.7(a) no later than 15 days prior to the Refinancing Date, notice of a Refinancing shall be given by the Trustee by first class mail, postage prepaid, mailed not less than 10 Business Days prior to the proposed Refinancing Date, to each Holder of Notes of the Class to be refinanced at the address in the Indenture Register (with a copy to the Servicer) and, so long as any Class of Notes is listed on the Irish Stock Exchange, the Irish Paying Agent.

All Notices of Refinancing shall state:

(i) the proposed Refinancing Date, which shall be the applicable Redemption Date in respect of the Notes being redeemed;

(ii) the Refinancing Price, which shall be the applicable Redemption Price in respect of the Notes being redeemed;

(iii) that on such proposed Refinancing Date such Notes will be refinanced and redeemed in full, and that, provided that the Refinancing Proceeds have been deposited with the Trustee for any such payment in full, interest on such Notes being redeemed shall cease to accrue on such date; and

(iv) the place or places where such Notes are to be surrendered for payment of the Refinancing Price which, if not stated, shall be the office or agency of any paying agent as provided in Section 7.2.

provided that no such Notice of Refinancing shall be sent if either (a) the Servicer has withdrawn its consent to such Refinancing or (b) the consent of a Majority of the Holders of Preference Shares to such Refinancing has not been obtained.

(f) Notice of Refinancing shall be given by the Trustee at the expense of the Issuer. Failure to give a Notice of Refinancing, or any defect therein, to any Holder of any Note selected for Refinancing shall not impair or affect the validity of the Refinancing or give rise to any claim based upon such failure or defect.

Any Notice of Refinancing may be withdrawn by the Servicer, on behalf of the Issuer, on or prior to the fourth Business Day prior to the scheduled Refinancing Date by written notice to the Trustee, the Paying Agent, the Preference Shares Paying Agent, the Rating Agencies and the Holders of the Preference Shares. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and, if applicable, the Irish Paying Agent.

(g) If a Notice of Refinancing pursuant to Section 9.7(a) has been given as provided herein and not withdrawn, the Notes to be refinanced shall on the Refinancing Date become due and payable at the Refinancing Price. Each Holder of such Notes shall present and surrender its Note at the place specified in the Notice of Refinancing on or prior to such Refinancing Date; provided that if there is delivered to the Issuer and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer and the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender.

(h) If any Class of Notes called for Refinancing shall not be so paid upon surrender thereof for Refinancing (or the delivery of the indemnity pursuant to the preceding paragraph) the principal shall, until paid, bear interest from the Refinancing Date at the applicable Interest Rate for each successive Payment Date with respect to which such Note remains Outstanding.

ARTICLE 10

ACCOUNTS, ACCOUNTINGS, AND RELEASES

Section 10.1. *Collection of Money.*

Except as otherwise expressly provided in this Indenture, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms of the Pledged Obligations. The Trustee shall segregate and hold all money and property received by it in trust for the Secured Parties and shall apply it as provided in this Indenture. Any Account may contain any number of sub-accounts for the convenience of the Trustee or as required by the Servicer for convenience in administering the Accounts, the Collateral.

Section 10.2. *Collection Account.*

(a) Before the Closing Date, the Trustee shall establish a single, segregated non-interest bearing trust account that shall be designated as the Collection Account, that shall be held in trust in the name of the Trustee for the benefit of the Secured Parties over which the Trustee shall have exclusive control and the sole right of withdrawal, and into which the Trustee shall from time to time deposit, in addition to the deposits required pursuant to Section 10.7(e), immediately upon the Trustee's receipt thereof:

(i) any funds transferred from (1) the Closing Date Expense Account pursuant to Section 10.3(g) or (2) the Interest Reserve Account pursuant to Section 10.3(i),

(ii) all Principal Proceeds (unless (1) simultaneously used to purchase Collateral Obligations in accordance with Article 12, (2) deposited into the Revolving Reserve Account or the Delayed Drawdown Reserve Account or (3) posted by the Issuer as cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security or in Eligible Investments) received by the Trustee,

(iii) all Interest Proceeds received by the Trustee (unless simultaneously used to purchase accrued interest in respect of Collateral Obligations in accordance with Article 12 or in Eligible Investments), and

(iv) all other funds received by the Trustee from the Collateral and not excluded above.

In addition to the items described above, the Issuer may, but under no circumstances shall be required to, deposit from time to time any monies, securities and other instruments in the Collection Account it deems, in its sole discretion, to be advisable (and may designate any amounts deposited pursuant to this sentence as Principal Proceeds or Interest Proceeds in its discretion). Any Principal Proceeds received during the Replacement Period, and Sale Proceeds from the sale of Credit Improved Obligations and Unscheduled Principal Payments received after the Replacement Period, which have not been used to purchase additional Collateral Obligations on the Business Day of receipt shall be deposited in the Collection Account and shall at the direction of the Servicer be applied to the purchase of additional Collateral Obligations in accordance with the Eligibility Criteria and the other requirements set forth herein or the purchase of Eligible Investments pending such application or used to enter into additional Hedge Agreements or used in connection with a

Special Redemption. Principal Proceeds (other than Sale Proceeds from the sale of Credit Improved Obligations, Credit Risk Obligations and Unscheduled Principal Payments) received after the Replacement Period shall be deposited into the Collection Account and applied to the purchase of Eligible Investments. All monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Collateral and shall be applied to the purposes provided in this Indenture. Amounts in the Collection Account shall be held pursuant to Section 10.4(a).

(b) Within one Business Day after receipt of any distribution or other proceeds of the Collateral that are not Cash, the Trustee shall so notify the Issuer and the Servicer. Within five Business Days of receipt of the notice from the Trustee, the Servicer, on behalf of the Issuer, shall sell the distribution or other proceeds for Cash in an arm's length transaction to a Person that is not the Servicer or an Affiliate of the Servicer and deposit its proceeds in the Collection Account. The Issuer need not sell the distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee and the Servicer certifying that the distributions or other proceeds are Collateral Obligations, Eligible Investments, or Workout Assets.

(c) During the Replacement Period (or, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, after the Replacement Period), at the direction of the Servicer, the Issuer may by Issuer Order direct the Trustee to, and upon receipt of the Issuer Order the Trustee shall withdraw funds on deposit in the Collection Account representing Principal Proceeds (and, to the extent expressly provided in this Indenture, Interest Proceeds) and apply the funds to purchase Collateral Obligations (including any related deposit into the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security), in each case in accordance with the requirements of Article 12 and the Issuer Order.

(d) At any time during or after the Replacement Period, at the direction of the Servicer, the Issuer may by Issuer Order direct the Trustee to, and upon receipt of the Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Period from Interest Proceeds only, any Administrative Expenses that require payment before the next Payment Date to the extent that the amount of the payments does not exceed the aggregate amount that may be paid on the next Payment Date under, and at the level of priority specified by, Section 11.1(a)(i)(1).

(e) The Trustee shall transfer to the Payment Account from the Collection Account for application pursuant to Section 11.1(a) or 11.2, as applicable, on or not later than the Business Day preceding each Payment Date, the amount set forth to be so transferred in the Valuation Report for the Payment Date.

Section 10.3. *Other Accounts.*

(a) *Custodial Account.* Before the Closing Date, the Trustee shall establish a single, segregated trust account that shall be designated as the Custodial Account, that shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, over which the Trustee shall have exclusive control and the sole right of withdrawal, and into which the Trustee shall deposit the Collateral Obligations and other Collateral not deposited elsewhere in accordance with this Indenture (other than Loans, Participations and general intangibles, which in the case of Loans and Participations, shall be held by the Trustee as provided in Section 3.2). All assets or securities at any time on deposit in, or otherwise to the credit of, the Custodial Account shall be held in trust by the Trustee for the benefit of the Secured Parties. The only permitted withdrawals from the Custodial

Account shall be in accordance with this Indenture. The Co-Issuers shall not have any legal, equitable, or beneficial interest in the Custodial Account other than in accordance with Section 3.2 and the Priority of Payments.

(b) *Revolving Reserve Account and Delayed Drawdown Reserve Account.* Before the Closing Date, the Trustee shall establish (i) a single, segregated non-interest bearing trust account which shall be designated as the Revolving Reserve Account and (ii) a single, segregated non-interest bearing trust account that shall be designated as the Delayed Drawdown Reserve Account, each of which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, over which the Trustee shall have exclusive control and the sole right of withdrawal. Upon the purchase of any Collateral Obligation that is a Revolving Loan or Delayed Drawdown Loan, at the direction of the Servicer, the Trustee shall deposit Principal Proceeds into the Revolving Reserve Account, in the case of a Revolving Loan, and the Delayed Drawdown Reserve Account, in the case of a Delayed Drawdown Loan, each equal to the unfunded Commitment Amount of the Revolving Loan or Delayed Drawdown Loan, respectively, and the Principal Proceeds so deposited shall be considered part of the Purchase Price of the Revolving Loan or Delayed Drawdown Loan for purposes of Article 12. At the direction of the Servicer at any time during or after the Replacement Period, the Trustee shall withdraw funds from the Revolving Reserve Account or the Delayed Drawdown Reserve Account to fund extensions of credit pursuant to Revolving Loans or Delayed Drawdown Loans, respectively. In addition, to the extent that the Issuer receives proceeds of a repayment in respect of a Revolving Loan (except to the extent of any concurrent Commitment Reduction) at any time during or after the Replacement Period, the Trustee shall deposit the proceeds into the Revolving Reserve Account. Upon the sale of a Revolving Loan or Delayed Drawdown Loan in whole or in part or the reduction in part or termination of the Issuer's commitment thereunder, an amount on deposit in the Revolving Reserve Account or the Delayed Drawdown Reserve Account, as the case may be, specified by the Servicer as being equal to:

- (i) the unfunded amount of the commitment (in the case of a sale in whole or a termination of the commitment),
- (ii) the proportionate amount of the amount on deposit (in the case of a sale in part), or
- (iii) the amount by which the commitment is reduced (in the case of a reduction thereof in part),

shall be transferred by the Trustee to the Collection Account as Principal Proceeds. Amounts on deposit in the Revolving Reserve Account or the Delayed Drawdown Reserve Account shall be held pursuant to Section 10.4(b). All interest and other income from amounts in the Revolving Reserve Account and the Delayed Drawdown Reserve Account deposited to the Collection Account pursuant to Section 10.4(b) shall be considered Interest Proceeds in the Due Period in which they are so deposited.

(c) *Expense Reimbursement Account.* Before the Closing Date, the Trustee shall establish a single, segregated non-interest bearing trust account that shall be designated as the Expense Reimbursement Account, that shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, over which the Trustee shall have exclusive control and the sole right of withdrawal. On any Payment Date and on any date between Payment Dates, the Trustee will apply amounts, if any, in the Expense Reimbursement Account to the payment of expenses and fees that must be paid between Payment Dates or that are due on that Payment Date under Section 11.1(a)(i)(1) and the Trustee shall on any Payment Date transfer to the Expense Reimbursement Account an amount equal to the excess, if any, of the Administrative Expense Cap over the amounts due under Section 11.1(a)(i)(1) to the Expense Reimbursement Account in accordance with Section

The statement shall be in the form of an Accountant's Certificate issued to the Issuer, the form of which shall be agreed on by the Servicer on behalf of the Issuer.

Subject to the satisfaction of the conditions specified in Section 10.6, Section 12.1 and Section 12.3 and if no Event of Default is continuing as evidenced by an Officer's certificate of the Servicer provided to the Trustee, the Issuer may, at the direction of the Servicer, direct the Trustee to sell any Collateral Obligation or Workout Asset if the Servicer certifies to the Trustee that the sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1. If the Issuer sells any Collateral Obligation or Workout Asset during the Replacement Period, the proceeds shall be applied in accordance with Section 12.2.

(a) *Credit Risk Obligations.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Replacement Period without restriction and the Trustee shall sell the Credit Risk Obligation in accordance with such direction. Following any sale of a Credit Risk Obligation pursuant to this Section 12.1(a), at the direction of the Servicer during the Replacement Period, the Issuer shall use commercially reasonable efforts to purchase additional Collateral Obligations (to the extent the purchase is in the best interest of the Issuer) meeting the Eligibility Criteria with an Aggregate Principal Balance at least equal to the Sale Proceeds received by the Issuer with respect to the Collateral Obligation sold. For this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount.

(b) *Credit Improved Obligations.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any Credit Improved Obligation if either:

(i) during the Replacement Period, the Servicer has identified in writing before the sale one or more specific manners in which it will be able, in compliance with the Eligibility Criteria and the requirements set forth in Section 12.1(i), to cause the Issuer to use the Sale Proceeds (it being understood that such identification shall not be considered either a requirement or an assurance that any specified purchase will be consummated) to purchase one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Purchase Criteria Adjusted Balance of the Credit Improved Obligation by the end of the immediately succeeding Due Period (for this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest) which in aggregate will result in (i) the Collateral Quality Tests, the Interest Coverage Tests, the Overcollateralization Tests and the Concentration Limitations herein being satisfied or if one or more of such Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests or Concentration Limitations are not satisfied, the degree of compliance therewith being improved, (ii) the quality of the total portfolio of Collateral Obligations as measured by such Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests and Concentration Limitations being improved on a net basis in the commercially reasonable judgment of the Servicer and (iii) in the case of each of clause (i) and (ii), any other Collateral Quality Tests, Interest Coverage Tests, Overcollateralization Tests or Concentration Limitations not being violated or, in the commercially reasonable judgment of the Servicer, the likelihood of such violation in the future not being significantly increased; and

(ii) after the Replacement Period, the Sale Proceeds received in respect of the Credit Improved Obligation are at least equal to its Purchase Criteria Adjusted Balance. For this purpose, the Principal Balance of any Revolving Loan or Delayed Drawdown Loan shall only include its funded amount and Principal Balance shall include the principal balance of Collateral Obligations in which the Trustee does not have a first priority perfected security interest;

and the Trustee shall sell the Credit Improved Obligation in accordance with such direction.

(c) *Non-Performing Collateral Obligations.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any Non-Performing Collateral Obligation at any time during or after the Replacement Period without restriction and the Trustee shall sell the Non-Performing Collateral Obligation in accordance with such direction. Non-Performing Collateral Obligations may be sold regardless of price.

(d) *Non-qualifying Collateral Obligations.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any obligation that at the time of acquisition, conversion, or exchange does not satisfy the requirements of a Collateral Obligation (the "***Non-qualifying Collateral Obligation***") at any time during or after the Replacement Period without restriction and the Trustee shall sell that obligation in accordance with such direction.

(e) *Withholding Tax Sales.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any Collateral Obligation subject to withholding tax at any time during or after the Replacement Period without restriction and the Trustee shall sell the Collateral Obligation in accordance with such direction.

(f) *Optional Redemption.* After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Article 9, at the direction of the Servicer, the Issuer shall direct the Trustee to sell all or a portion of the Collateral Obligations as contemplated therein if

(i) the requirements of Article 9 are satisfied and (ii) the Independent certified public accountants appointed pursuant to Section 10.7 have confirmed the calculations contained in any required certificate furnished by the Servicer pursuant to Section 9.3(c). After a Majority of the Preference Shares have directed an Optional Redemption of the Preference Shares in accordance with Section 9.2(b), at the direction of the Servicer, the Issuer shall direct the Trustee to sell all of the remaining Collateral Obligations (in the case of an Optional Redemption pursuant to Section 9.2(b)(i)) or a portion of the remaining Collateral Obligations in accordance with the unanimous directions of Holders of the Preference Shares (in the case of an Optional Redemption pursuant to Section 9.2(b)(ii)) and the Trustee shall sell the remaining Collateral Obligations in accordance with such direction.

(g) *Rating Confirmation Failure.* After the Servicer has received notice of a Rating Confirmation Failure and if available Interest Proceeds and Principal Proceeds are insufficient to effect the redemption of the Notes at par on any subsequent Payment Date in accordance with the Priority of Payments as and to the extent necessary for each of Moody's and S&P to confirm the Initial Ratings assigned by it on the Closing Date to the Securities, the Issuer may, at the direction of the Servicer, direct the Trustee to sell Collateral Obligations as contemplated in Section 9.1 and the Trustee shall sell the Collateral Obligations in accordance with such direction.

(h) *Workout Assets.* At the direction of the Servicer, the Issuer may direct the Trustee to sell any Workout Asset at any time during or after the Replacement Period without restriction and regardless of price and the Trustee shall sell the Workout Assets in accordance with such direction.

(i) *Supervening Requirement.* Notwithstanding anything herein to the contrary, the Issuer (at the direction of the Servicer or otherwise) shall not acquire or dispose of a Collateral Obligation or other eligible asset (as defined in Rule 3a-7) for the primary purpose of recognizing gains or decreasing losses resulting from market value changes. For the avoidance of doubt, the Issuer, at the direction of the Servicer or otherwise, may direct the Trustee to sell any CCC+/Caa1 Collateral Obligation or Deep Discount Obligation only (a) if it constitutes Credit Risk Obligation or Non-Performing Collateral Obligation or (b) in connection with the Optional Redemption as set out in paragraph (f) above. The Trustee shall have no obligation to monitor compliance by the Issuer or the Servicer with respect to the requirement set out in this paragraph (i).

Notwithstanding the foregoing, the Issuer (or the Servicer on its behalf) shall not direct the Trustee to sell any Collateral Obligation (other than the sale of a Credit Risk Obligation or a Non-Performing Collateral Obligation pursuant to a sale that meets the requirements in paragraph (a) or (c) above, as applicable) following receipt by the Servicer of notice of removal pursuant to Section 14 of the Servicing Agreement until a successor Servicer is appointed pursuant to Section 12 of the Servicing Agreement.

Section 12.2. *Purchase of Collateral Obligations.*

(a) On any date during the Replacement Period (and, in respect of Principal Proceeds constituting Unscheduled Principal Payments and Sale Proceeds from Credit Risk Obligations and Credit Improved Obligations, on any date after the Replacement Period), so long as no Event of Default is continuing, at the direction of the Servicer, the Issuer may direct the Trustee to apply Principal Proceeds (together with Interest Proceeds, but only to the extent used to pay for accrued interest on Collateral Obligations) to purchase Collateral Obligations (including any related deposit into the Revolving Reserve Account or the Delayed Drawdown Reserve Account or the posting by the Issuer of cash collateral with (or for the benefit of) a Synthetic Security Counterparty simultaneously with the Issuer's purchase of or entry into a Synthetic Security) if the Servicer certifies to the Trustee that, to the best knowledge of the Servicer, the conditions specified in this Section 12.2 and Section 12.3 are met.

(b) *Eligibility Criteria.* No obligations may be purchased unless each of the conditions in the following clauses (i) through (xii) (the "*Eligibility Criteria*") is satisfied as evidenced by a certificate of the Servicer as of the date the Issuer commits to make the purchase, in each case after giving effect to the purchase and all other purchases and sales previously or simultaneously committed to:

(i) the obligation is a Collateral Obligation;

(ii) for any date occurring during the Replacement Period:

(A) each Overcollateralization Test is satisfied and, if the commitment is made on or after the second Payment Date, each Interest Coverage Test is satisfied, or

(B) if any such Coverage Test is not satisfied, both:

(1) the extent of satisfaction of the Coverage Test is not reduced, and

(2) the Collateral Obligation is being purchased with Principal Proceeds other than:

(x) Principal Proceeds received in respect of a Defaulted Collateral Obligation, or

(y) Principal Proceeds received in respect of a Workout Asset that has been received in exchange for a Defaulted Collateral Obligation;

(iii) for any date occurring during the Replacement Period, the Diversity Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced;

(iv) for any date occurring during the Replacement Period, the Weighted Average Rating Factor Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced; *provided* that the Weighted Average Moody's Rating Factor does not exceed 2750 or, if the Weighted Average Moody's Rating Factor exceeds 2750 prior to giving effect to such purchase or sale, the Weighted Average Moody's Rating Factor is not increased;

(v) for any date occurring during the Replacement Period, each of the limits in the definition of "Concentration Limitations" is satisfied or, if any such limit is not satisfied, the extent of satisfaction is not reduced;

(vii) for any date occurring during the Replacement Period, the Weighted Average Fixed Rate Coupon Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced;

(viii) for any date occurring during the Replacement Period, the Weighted Average Life Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced;

(ix) for any date occurring during the Replacement Period, the Weighted Average Moody's Recovery Rate Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced;

(x) for any date occurring during the Replacement Period, the Weighted Average S&P Recovery Rate Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced;

(xi) for any date occurring during the Replacement Period, the S&P CDO Monitor Test is satisfied or, if not satisfied, the extent of satisfaction is not reduced; provided, however, that this Eligibility Criterion (xi) shall not apply either to the application of the proceeds from the sale of a Credit Risk Obligation, Non-Performing Collateral Obligation or Workout Asset or to the application of Principal Proceeds in respect of Defaulted Collateral Obligations; and

(xii) for any date occurring after the Replacement Period:

(A) each Coverage Test is satisfied and the extent of satisfaction is not reduced;

(B) each Collateral Quality Test (other than the Weighted Average Rating Factor Test) is maintained or improved and the Weighted Average Rating Factor Test is satisfied; *provided* that the Weighted Average Moody's Rating Factor does not exceed 2750 or, if the Weighted Average Moody's Rating Factor exceeds 2750 prior to giving effect to such purchase or sale, the Weighted Average Moody's Rating Factor is not increased and the Weighted Average Rating Factor Test is satisfied;

(C) each Concentration Limitation is maintained or improved and the Aggregate Principal Balance of all CCC+/Caa1 Collateral Obligations do not exceed 7.5% of the Maximum Amount;

(D) the Weighted Average Life Test is satisfied;

(E) the S&P Rating of such Collateral Obligation is at least equal to the S&P Rating of the Collateral Obligation being the source of the Unscheduled Principal Payments or of the Credit Risk Obligations or Credit Improved Obligation being the source of Sale Proceeds, as applicable; and

(F) the current Moody's Rating on the Class A-1-A Notes and the Class A-1-B Notes is "Aaa" and the current Moody's Ratings on the Class B Notes, the Class C Notes, the Class D Notes and the Class E Notes are no lower than one subcategory below their Initial Rating.

Notwithstanding the foregoing, the Issuer (or the Servicer on its behalf) shall not direct the Trustee to purchase any Collateral Obligation following receipt by the Servicer of notice of removal pursuant to Section 14 of the Servicing Agreement until a successor Servicer is appointed pursuant Section 12 of the Servicing Agreement.

(c) *Certain Permitted Exchanges.* The Issuer may, at the direction of the Servicer, exchange a Collateral Obligation for another Collateral Obligation in an A/B Exchange.

(d) *Certification by Servicer.* Not later than the Business Day preceding the settlement date for any Collateral Obligation purchased after the Closing Date (but in any event no later than the release of Cash for the Purchase Price of the purchase), the Servicer shall deliver to the Trustee an Officer's certificate of the Servicer certifying that, to the best knowledge of the Servicer, the purchase complies with this Section 12.2 and with Section 12.3 (determined as of the date that the Issuer commits to make the purchase).

(e) *Eligible Investments.* Cash on deposit in the Collection Account may be held at any time in Eligible Investments in accordance with Section 10.4(a) pending the application thereof to purchase Collateral Obligations.

Section 12.3. *Conditions Applicable to All Sale and Purchase Transactions.*

(a) Any sale or purchase by the Issuer of a Collateral Obligation shall be conducted on an arm's length basis and, if effected with the Servicer or a Person Affiliated with the Servicer or any fund or account for which the Servicer or an Affiliate of the Servicer acts as investment adviser, shall be effected in accordance with the requirements of Section 5 of the Servicing Agreement on terms no less favorable to the Issuer than would be the case if the Person were not so Affiliated. The Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of any Collateral Obligation, all of the Issuer's interest in the Collateral Obligation shall be Granted to the Trustee pursuant to this Indenture.

(c) Notwithstanding the other provisions of this Article 12, the Issuer (or the Servicer on its behalf) shall not direct the Trustee to sell or purchase any Collateral Obligation (other than the sale of a Credit Risk Obligation or a Non-Performing Collateral Obligation pursuant to Section 12.1(a) or (c), as applicable) following receipt by the Servicer of notice of removal pursuant to Section 14 of the Servicing Agreement until a successor Servicer is appointed pursuant to Section 12(e) of the Servicing Agreement.

Section 12.4. *Certain Determinations Relating to Collateral Obligations.*

(a) Notwithstanding anything to the contrary contained in this Indenture, solely for the purpose of calculations in connection with the Eligibility Criteria, the Issuer or the Servicer on behalf of the Issuer shall be deemed to have purchased any Collateral Obligations as of the date on which the Issuer enters into a contract to purchase, a commitment letter, a confirmation or a due bill for such Collateral Obligation, in each case entitling the Issuer (or the Trustee as assignee thereof) to receive such Collateral Obligations and, in such event, the Issuer shall be deemed to have acquired, granted or delivered, as the case may be, such Collateral Obligations on such date.

(b) Notwithstanding anything to the contrary contained in this Indenture, solely for the purpose of calculations in connection with the Eligibility Criteria, the Issuer or the Servicer on behalf of the Issuer shall be deemed to have sold any Collateral Obligations as of the date on which the Issuer enters into a contract to sell, a commitment letter, a confirmation or a due bill for such Collateral Obligation, in each case entitling the Issuer (or the Trustee as assignee thereof) to sell, and requiring the purchaser to purchase, such Collateral Obligations and, in such event, the Issuer shall be deemed to have sold such Collateral Obligations on such date.

(c) Under the circumstances described in subsections (a) and (b) above, if the transaction contemplated by the contract, commitment letter, confirmation or due bill referred to therein does not settle on or before the 60th day following the scheduled settlement date (the "*Deadline*"), the deemed purchase or sale shall be deemed not to have occurred; provided, however, that the Servicer shall have the right to extend the Deadline for an additional period (not to exceed

an additional 60 days) by notice to the Trustee, which notice shall include the Servicer's certification to the effect that the Servicer believes that the settlement shall occur on or before the extended Deadline.

(d) Scheduled distributions with respect to any Pledged Collateral Obligation shall be determined in accordance with the applicable provisions of this Indenture.

NOTEHOLDERS' RELATIONS

Section 13.1. *Subordination.*

(a) With respect to each Class of Notes and the Preference Shares, the Classes of Notes and the Preference Shares that are Priority Classes and Junior Classes are as follows:

Class	Junior Classes	Priority Classes
A-1-A*	A-1-B, B, C, D, E, Preference Shares**	None

B	C, D, E, Preference Shares**	A
C	D, E, Preference Shares**	A, B
D	E, Preference Shares**	A, B, C
E	Preference Shares**	A, B, C, D

** Other than with respect to the Class II Preference Share Special Payments, which may be payable to the Holders of the Class II Preference Shares as set forth herein and will have priority to the extent provided in the Priority of Payments.

*** The Preference Shares will be entitled to certain residual cash flow after payment of senior obligations in accordance with the Priority of Payments.

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that is a Junior Class agree for the benefit of the Holders of Notes of each Priority Class with respect to the Junior Class that the Junior Class shall be subordinate and junior to the Notes of each Priority Class to the extent and in the manner provided in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is continuing in accordance with Article 5, each Priority Class of Notes shall be paid in full in Cash or, to the extent a Majority of each Class consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class of Notes with respect to the Priority Class. The Holders of each Junior Class of Notes agree, for the benefit of the Holders of Notes of each Priority Class in respect of the Junior Class, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due to the Junior Class, of the Notes or each Class of

Notes, as the case may be, or under this Indenture until the payment in full of the Priority Classes or all the Classes, as the case may be, and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since the payment.

(c) If, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class has received any payment or distribution in respect of the Notes contrary to the provisions of this Indenture, then, until each Priority Class with respect to the Junior Class of Notes or each Class of Notes, as the case may be, has been paid in full in Cash or, to the extent a Majority of the Priority Class or the Class, as the case may be, consents, other than in Cash in accordance with this Indenture, the payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes of Notes or the Holders of all Classes of Notes, as the case may be, in accordance with this Indenture. If any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to this Indenture, including this Section 13.1.

(d) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that the Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of the Notes in violation of this Indenture including this Section 13.1. After a Priority Class has been paid in full, the Holders of Notes of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of the Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(e) Distributions to Holders of the Preference Shares (other than, as and to the extent described herein, the Class II Preference Share Special Payments) are subordinate to distributions on the Notes as described in the Priority of Payments.

(f) The Servicing Fees shall have priority only to the extent provided in the Priority of Payments.

Section 13.2. *Standard of Conduct.*

In exercising any of its or their voting rights, rights to direct and consent, or any other rights as a Noteholder under this Indenture, a Noteholder shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether the action or inaction benefits or adversely affects any Noteholder, the Issuer or any other Person, except for any liability to which the Noteholder may be subject to the extent the same results from the Noteholder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE 14

MISCELLANEOUS

Section 14.1. *Form of Documents Delivered to Trustee.*

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all the matters be certified by, or covered by the opinion of, only one Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such

Persons as to other matters, and any such Person may certify or give an opinion as to the matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Servicer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless the Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Servicer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Servicer or any other Person, stating that the information with respect to the factual matters is in the possession of the Issuer, the Co-Issuer, the Servicer or the other Person, unless the Officer of the Issuer, Co-Issuer or the Servicer or the counsel knows that the certificate or opinion or representations with respect to factual matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to factual matters is in the possession of the Issuer or the Co-Issuer, unless the counsel knows that the certificate or opinion or representations with respect to factual matters are erroneous.

Where any Person is required to make, give, or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever this Indenture provides that the absence of the continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of the condition is a condition precedent to the Co-Issuer's right to make the request or direction, the Trustee shall be protected in acting in accordance with the request or direction if it does not have knowledge of the continuation of the Default or Event of Default as provided in Section 6.1(d).

Section 14.2. *Acts of Holders of Securities.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders of Securities may be embodied in and evidenced by one or more instruments (which may be an electronic document, including, but not limited, to in the form of e-mail, to the extent permitted by applicable law) of substantially similar tenor signed by Holders of Securities in Person or by agents duly appointed in writing (provided that no signature shall be required on electronic documents, including, but not limited to, in the form of e-mail to the extent permitted by law). Except as otherwise expressly provided in this Indenture, the action shall become effective when the instruments are delivered to the Trustee (which instrument or instruments may be delivered through the Preference Shares Paying Agent, in the case of the Holders of the Preference Shares) and, if expressly required, to the Issuer. The instruments (and the action embodied in them) are referred to as the "*Act*" of the Holders of Securities signing the instruments. Proof of execution of any instrument or of a writing appointing an agent for a Holder of a Security shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any instrument may be proved by an affidavit of a witness to the execution or the certificate of any notary public or other Person authorized by law to acknowledge the execution of deeds. Any certificate on behalf of a jural entity executed by a Person purporting to have authority to act on behalf of the jural entity shall itself be sufficient proof of the authority of the Person executing it to act. The fact and date of the execution by any Person of any instrument may also be proved in any other manner that the Trustee deems sufficient.

(c) The Indenture Register shall prove the ownership of the Notes and the principal amount and registered numbers of Notes and the number of Preference Shares held by and the number(s) of the Preference Share certificate(s) issued to, any Person shall be proved by the Preference Share register.

(d) Any Act by the Holder of a Security shall bind every Holder of the same Security and every Security issued on its transfer or in exchange for it or in lieu of it, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance on the Act, whether or not notation of the action is made on the Securities.

(d) Unless notified to the contrary by Financial Security Assurance Inc. ("*FSA*") or unless FSA is no longer to direct the vote of at least the Super Majority of the Class A-1-A Notes, each of the parties hereto agrees that, so long as any Class A-1-A Notes are Outstanding, FSA shall be entitled to receive, and shall be distributed, all reports, notices, certificates, statements and other information (including access to the Trustee's password protected website)

that are required to be delivered to any Holder of the Class A-1-A Notes (or that any Holder of the Class A-1-A Notes is entitled to request) at the same time and in the same manner as such reports, notices, certificates, statements and other information are delivered to each such Holder of Class A-1-A Notes, at the following address (or at any other address furnished in writing from time to time by FSA to the parties hereto): Financial Security Assurance Inc., 31 West 52nd Street, New York, NY 10019, Attention: CDO Surveillance, telephone no.: (212) 826-0100; electronic mail: cdoreport@fsa.com, facsimile no.: (212) 339-3581. For the avoidance of doubt, FSA shall be entitled to request directly that the parties hereto provide it with such reports, notices, certificates, statements and other information that are required to be delivered to any Holder of the Class A-1-A Notes (or that any Holder of the Class A-1-A Notes is entitled to request).

Section 14.4. *Notices to Noteholders and the Preference Shares Paying Agent; Waiver.*

Except as otherwise expressly provided in this Indenture, where this Indenture provides for notice to the Noteholders or the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) of any event,

(a) the notice shall be sufficiently given to the Noteholders or the Preference Shares Paying Agent if in writing and mailed, first-class postage prepaid, each Noteholder affected by the event or the Preference Shares Paying Agent, at the address of the Holder as it appears in the Indenture Register or at the address of the Preference Shares Paying Agent supplied by the Preference Shares Paying Agent to the Trustee, as applicable, not earlier than the earliest date and not later than the latest date, prescribed for the giving of the notice; and

(b) the notice shall be in the English language.

Notices shall be deemed to have been given on the date of their mailing.

Notwithstanding clause (a), a Noteholder or the Preference Shares Paying Agent may give the Trustee a written notice that it is requesting that notices to it be given by facsimile transmissions and stating the telecopy number for the transmission. Thereafter, the Trustee shall give notices to the Holder or the Preference Shares Paying Agent by facsimile transmission. If the notice also requests that notices be given by mail, then the notice shall also be given by mail in accordance with clause (a) above, as the case may be.

The Trustee shall deliver to the Noteholders any information or notice relating to this Indenture requested to be so delivered by at least 10% (by Aggregate Outstanding Amount) of the Holders of any Class of Notes at the expense of the Issuer. The Trustee shall deliver to the Preference Shares Paying Agent any information or notice that the Preference Shares Paying Agent certifies was requested to be so delivered by at least 10% (by Aggregate Outstanding Amount) of the Holders of the Preference Shares at the expense of the Issuer.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Noteholder or the Preference Shares Paying Agent shall affect the sufficiency of the notice with respect to other Noteholders or the Preference Shares Paying Agent. If it is impracticable to give the notice by mail of any event to Noteholders or the Preference Shares Paying Agent when the notice is required to be given pursuant to any provision of this Indenture because of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or because of any other cause, then the notification to Noteholders or the Preference Shares Paying Agent as shall be made with the approval of the Trustee shall be a sufficient notification to the Holders for every purpose under this Indenture.

Where this Indenture provides for notice in any manner, the notice may be waived in writing by any Person entitled to receive the notice, either before or after the event, and the waiver shall be the equivalent of the notice. Waivers of notice by Noteholders or the Preference Shares Paying Agent shall be filed with the Trustee but the filing shall not be a condition precedent to the validity of any action taken in reliance on the waiver.

So long as any Senior Notes are listed on the Irish Stock Exchange and the rules of the exchange so require, all notices to Noteholders or the Preference Shares Paying Agent (for forwarding to Holders of Preference Shares) shall also be given to the Irish Paying Agent for publication in the Company Announcements Office of the Irish Stock Exchange.

The Issuer shall (and authorizes the Trustee to) deliver to the Initial Purchasers all periodic reports, notices, demands, and other written information delivered or received by the Issuer, the Servicer, trustees, paying agents, accountants, or other Persons pursuant to this Indenture and other operative documentation relating to the Notes requested by the Initial Purchasers (collectively, the "**Transaction Reports**") and the Issuer consents to the Initial Purchasers providing Transaction Reports received by it to current and prospective investors in the Notes (including by means of electronic transmissions or posting the Transaction Reports on internet sites maintained by the Initial Purchasers or any of their Affiliates).

Section 14.5. ***Effect of Headings and Table of Contents.***

Section 14.6. ***Successors and Assigns.***

All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7. ***Separability.***

Except to the extent prohibited by applicable law, in case any provision in this Indenture, in the Notes shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8. ***Benefits of Indenture.***

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors under this Indenture, the Servicer, the Noteholders, the Holders of Preference Shares or the Preference Shares Paying Agent any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9. ***Governing Law.***

THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF STATE OF NEW YORK, WITHOUT REFERENCE TO ITS PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 14.10. *Submission to Jurisdiction.*

The Co-Issuers and the Trustee hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Securities or this Indenture, and the Co-Issuers and the Trustee hereby irrevocably agree that all claims in respect of the action or proceeding may be heard and determined in the New York State or federal court. The Co-Issuers and the Trustee hereby irrevocably waive, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of the action or proceeding. The Co-Issuers and the Trustee irrevocably consent to the service of all process in any action or proceeding by the mailing or delivery of copies of the process to the Co-Issuers at the office of Investors Bank & Trust Company (to the attention of Investors Bank & Trust Company, Trustee for Westchester CLO, Ltd.) set out in Section 7.2. The Co-Issuers and the Trustee agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11. *Counterparts.*

This Indenture may be executed in any number of copies, and by the different parties on the same or separate counterparts, each of which shall be considered to be an original instrument.

Section 14.12. *Acts of Issuer.*

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Servicer on the Issuer's behalf.

Section 14.13. *Consent of Posting of Documents on Repository.*

The Issuer hereby consents to (a) the posting of the final Offering Memorandum, this Indenture and the periodic reports to be delivered pursuant to the transaction documents and any amendments or other modifications thereto on the Repository for use in the manner provided in the Repository and (b) the display of its name on the Repository in connection therewith. Notwithstanding anything herein to the contrary, none of the Issuer, the Co-Issuer and the Trustee makes any representation or warranty to The Bond Market Association (or any successor thereto) or any affiliate thereof or any Person having or obtaining access to the information maintained in the Repository or to any of such Person's affiliates regarding the accuracy or completeness of any information, document, report or other communication transmitted to the Repository, and no Person having or obtaining access to the information maintained in the Repository shall have any rights under this Indenture or otherwise by reason of the transmission of any such information, document, report or other communication to the Repository.

Section 14.14. *Liability of Co-Issuers.*

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into by either of the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any other agreement, or otherwise. Without prejudice to the generality of the foregoing, neither of the Co-Issuers may take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any other agreement, or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers may petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers and neither of the Co-Issuers shall have any claim with respect to any assets of the other of the Co-Issuers.

Section 14.15. *Indemnity of Co-Issuer.*

The Issuer agrees to indemnify the Co-Issuer for any payments that may become due from the Co-Issuer under Article 11 with respect to any Notes issued under this Indenture and any administrative, legal, or other costs incurred by the Co-Issuer in connection with those payments.

ARTICLE 15

ASSIGNMENT OF SERVICING AGREEMENT; HEDGE AGREEMENTS

Section 15.1. *Assignment of Servicing Agreement; Amendment of Servicing Agreement.*

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Notes and amounts payable to the Secured Parties under this Indenture and the performance and observance of the provisions of this Indenture, acknowledges that its Grant pursuant to the first Granting Clause includes all of the Issuer's interest in the Servicing Agreement, including:

- (i) the right to give all notices, consents and releases under it,
- (ii) the right to give all notices of termination pursuant to the Servicing Agreement and to take any legal action upon the breach of an obligation of the Servicer under it, including the commencement, conduct and consummation of proceedings at law or in equity,
- (iii) the right to receive all notices, accountings, consents, releases and statements under it, and
- (iv) the right to do all other things whatsoever that the Issuer is or may be entitled to do under it.

Notwithstanding anything in this Indenture to the contrary, the Trustee may not exercise any of the rights in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default under this Indenture and the authority shall terminate when the Event of Default is cured or waived.

(b) The assignment made hereby is executed as security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the Servicing Agreement, nor shall any of the obligations contained in the Servicing Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes and the release of the Collateral from the lien of this Indenture, this assignment, and all rights in this Indenture assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the interest of the Trustee in the Servicing Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence the termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Servicing Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action that is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further

assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably request.

(f) The Issuer agrees to obtain the agreement and consent of the Servicer in the Servicing Agreement to the following:

(i) the Servicer consents to this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to the Servicer pursuant to the Servicing Agreement.

(ii) the Servicer acknowledges that the Issuer is collaterally assigning all of its interest in the Servicing Agreement to the Trustee for the benefit of the Secured Parties and the Servicer agrees that all of the representations, covenants and agreements made by the Servicer in the Servicing Agreement are also for the benefit of the Secured Parties.

(iii) the Servicer shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the Servicing Agreement (other than any of them delivered to the Issuer by the Trustee or the Collateral Administrator).

(iv) the procedure for amending the Servicing Agreement as set forth in Section 15.1(h) below.

(v) except as otherwise provided in this Indenture and the Servicing Agreement, subject to the resignation rights of the Servicer pursuant to Section 12 of the Servicing Agreement, the Servicer shall continue to serve as Servicer under the Servicing Agreement notwithstanding that the Servicer shall not have received amounts due it under the Servicing Agreement because sufficient funds were not then available under this Indenture to pay the amounts pursuant to the Priority of Payments. The Servicer agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Administrative Agent to the Servicer under the Servicing Agreement until the payment in full of all Notes issued under this Indenture and the payment to the Preference Shares Paying Agent of all amounts payable with respect to the Preference Shares in accordance with the Priority of Payments and the expiration of a period equal to the greater of (A) the applicable preference period plus one day or (B) one year and one day following the payment. Notwithstanding the foregoing, the Servicer may commence any legal action that is not a bankruptcy, insolvency, liquidation or similar proceeding against the Issuer or the Co-Issuer or any of their properties and may take any action it deems appropriate at any time in any bankruptcy, insolvency, liquidation or similar proceeding and any other Proceeding voluntarily commenced by the Issuer or the Co-Issuer or involuntarily commenced against the Issuer or the Co-Issuer by anyone other than the Servicer or any Affiliate of the Servicer.

(vi) the Servicer irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes, the Preference Shares or this Indenture, and the Servicer irrevocably agrees that all claims in respect of the action or proceeding may be heard and determined in the New York State or federal court. The Servicer irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of the action or proceeding. The Servicer irrevocably consents to the service of all process in any action or proceeding by the mailing or delivery of copies of the process to it the address provided for in Section 14.3. The Servicer agrees that a final and non-appealable judgment by a court of competent

jurisdiction in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(g) Following the resignation or removal of the Servicer, the Issuer shall use its best efforts to appoint a successor Servicer, and the Issuer, the Trustee, and the resigning or removed Servicer shall take any action consistent with the Servicing Agreement and this Indenture applicable to the Servicer, necessary to effectuate any such succession.

(h) (i) The Issuer may, at the request of the Servicer, enter into an amendment or modification of the Servicing Agreement from time to time, without the consent of the Holders of the Securities and without regard to whether or not the interests of the Holders of the Securities are adversely affected thereby; provided that, with respect to any such amendment or modification, (a) a Rating Condition is satisfied and (b) a Majority of the Controlling Class of Notes or a Majority of the Holders of the Preference Shares have not objected in writing to such amendment or modification prior to the relevant Objection Cut-Off Date (as defined below).

(ii) If at any time the Servicer desires to amend or modify the Servicing Agreement, the Servicer shall notify the Issuer and the Trustee, providing details of such proposed amendment or modification. Not later than five Business Days after receipt of such notice, the Trustee shall mail such notice to (a) each Noteholder at such Holder's address in the Indenture Register or otherwise in accordance with the rules and procedures of the Depository, Euroclear and Clearstream, as applicable, (b) to the Preference Shares Paying Agent (for forwarding to the Holders of Preference Shares) and (c) to each Rating Agency. If any Holder of the Controlling Class of Notes or any Holder of the Preference Shares notifies, by delivering a written notice to the Trustee within 35 days after the Trustee has mailed such notice, that it objects to such proposed amendment or modification, the Trustee shall, within two Business Days after receiving such notice of objection, mail a notice of the receipt of such objection to the Issuer, the Servicer and other Holders of the Controlling Class of Notes and other Holders of the Preference Shares. Each Holder of the Controlling Class of Notes and each Holder of the Preference Shares that also wishes to object to such amendment or modification must, by delivering a written notice, so notify the Trustee within seven Business Days after the Trustee has mailed such notice of the receipt of such objection (the last day of such seven Business Day period, the "**Objection Cut-Off Date**"). If a Majority of either the Controlling Class of Notes or the Preference Shares notifies the Trustee in writing on or before the Objection Cut-Off Date that they object to the proposed amendment or modification to the Servicing Agreement, such amendment or modification shall not be made.

Section 15.2. ***Hedge Agreements.***

(a) At any time and from time to time on or after the Closing Date, the Issuer, at the direction of the Servicer and with the consent of a Majority of the Controlling Class, shall enter into the Hedge Agreements and shall assign its rights (but none of its obligations) under the Hedge Agreements to the Trustee pursuant to this Indenture. The Trustee shall, on behalf of the Issuer and in accordance with the Valuation Report, pay amounts due to the Hedge Counterparties under the Hedge Agreements on any Payment Date in accordance with Section 11.1.

(b) The Issuer shall not enter into any Hedge Agreement unless at the time of entering the Hedge Agreement the Hedge Counterparty has:

(i) a debt rating by Moody's for long-term debt of "A1" or higher if the Hedge Counterparty has only a long-term rating; or a debt rating by Moody's for long-term debt of

"A2" or higher and a debt rating by Moody's for short-term debt of "P-1" if the Hedge Counterparty has both long-term and short-term ratings; and

(ii) a short-term debt rating by S&P of not less than "A-1" or, if the Hedge Counterparty does not have a short-term debt rating by S&P, a long-term debt rating of not less than "A+" (the "**Required Rating**").

(c) If at any time a Hedge Counterparty does not have the Required Rating, then the Hedge Counterparty shall be required, at its sole expense, to, within the applicable period specified in the related Hedge Agreement, either:

(i) post collateral with the Trustee to secure the Hedge Counterparty's obligations under the Hedge Agreement, in an amount and of the type specified under the relevant Hedge Agreement (which such Hedge Agreement shall specify that the sufficiency of collateral to be posted shall be subject to Rating Confirmation by S&P); provided that the Hedge Counterparty shall, at the time such collateral is first posted, deliver to the Issuer, the Trustee and the Rating Agencies an Opinion of Counsel of nationally recognized standing in the jurisdiction in which the Hedge Counterparty is incorporated confirming that such collateral will be available in a timely manner upon a bankruptcy of the Hedge Counterparty;

(ii) obtain a guarantor that has a short-term debt rating by S&P of not less than "A-1" and otherwise has the Required Rating, subject to satisfaction of the Rating Condition; or

(iii) replace itself under the related or substantially equivalent Hedge Agreement with a substitute Hedge Counterparty that has the Required Rating, subject to the satisfaction of the Rating Condition.

provided that failure to take any such steps set forth under paragraphs (i) through (iii) above within 30 days shall be treated as an "Additional Termination Event" under such Hedge Agreement.

(d) If at any time the Hedge Counterparty has (x) no short-term Moody's rating and a long-term Moody's that is below "A3" or (y) both a short-term and long-term Moody's rating and either the long-term Moody's rating that is below "A3" or the short-term Moody's rating that is below "P-2", then the Hedge Counterparty shall be required, at its sole expense, to, within the applicable period specified in the related Hedge Agreement, either:

(i) obtain a guarantor that has the Required Rating, subject to satisfaction of the Rating Condition; or

(ii) replace itself under the related or substantially equivalent Hedge Agreement with a substitute Hedge Counterparty that has the Required Rating, subject to satisfaction of the Rating Condition;

provided that failure to take any such steps set forth under paragraphs (i) and (ii) above shall be treated as an "Additional Termination Event" under such Hedge Agreement.

(e) If at any time the Hedge Counterparty has a long-term unsecured debt rating by S&P below "BBB-", then the Hedge Counterparty shall be required, within 10 days, to replace itself under the related or substantially equivalent Hedge Agreement with a substitute Hedge Counterparty

that has the Required Rating, subject to satisfaction of the Rating Condition; provided that failure to do so shall be treated as an "Additional Termination Event" under such Hedge Agreement.

(f) Whenever the Issuer enters into a Hedge Agreement, the Hedge Counterparty thereto shall comply with the then currently applicable rating criteria of each Rating Agency from time to time.

(g) If the Issuer has the right under a Hedge Agreement at any time to demand that the related Hedge Counterparty deliver Eligible Collateral in accordance with an Approved Credit Support Document, the Issuer shall make the demand.

(h) Any payments required to be made under the Hedge Agreements shall be made in accordance with the Priority of Payments. Subordinated Defaulted Hedge Termination Payments shall be subordinate to interest and principal payments on the Notes and any other payments required to be made by the Issuer under the Hedge Agreements, but senior to distributions to Holders of the Preference Shares.

(i) Except as provided in paragraph (i) of this Section 15.2, the Issuer, at the direction of the Servicer, shall, promptly following the early termination of a Hedge Agreement (other than on a Redemption Date) (but no later than 60 days after the early termination), and to the extent possible through application of Hedge Termination Receipts, enter into a Replacement Hedge, unless, in the exercise of the Servicer's commercially reasonable judgment, to do so would not be in the best interest of the Issuer and the Rating Condition with respect to each Rating Agency is satisfied with respect to the non-entry into the a Replacement Hedge. In addition, a Replacement Hedge may not be entered into unless the Issuer provides the Rating Agencies with at least seven Business Days' prior written notice of its intention to enter into the agreement, together with its form and the Rating Condition with respect to each Rating Agency is satisfied with respect to the Replacement Hedge. The Issuer shall use commercially reasonable efforts to cause the termination of a Hedge Agreement (other than a termination resulting from the bankruptcy, insolvency, or similar event with respect to the Hedge Counterparty) to become effective simultaneously with its entering into a Replacement Hedge. To the extent that (i) the Servicer determines not to replace the Hedge Agreement and the Rating Condition with respect to each Rating Agency is satisfied with respect to the determination or (ii) termination is occurring on a Redemption Date, the Hedge Termination Receipts shall become part of Principal Proceeds and be distributed in accordance with Section 11.1 on the next following Payment Date (or on the Redemption Date, if the Notes are redeemed on the Redemption Date).

(j) Notwithstanding Section 15.2(i), the applicable requirements of Section 15.2(i) shall not have to be met if the Rating Condition with respect to each Rating Agency is otherwise satisfied with respect thereto.

(k) The notional amounts of the Hedge Agreements outstanding at any time may be reduced or increased from time to time, by the Issuer, and the Hedge Agreements may be amended, modified or terminated in accordance with the Hedge Agreements if the Rating Condition with respect to each Rating Agency is satisfied with respect to the reduction, increase, amendment, modification or termination, as the case may be.

(l) Each Hedge Agreement may be terminated pursuant to its terms by the Hedge Counterparty upon an Optional Redemption of the Notes (but only after the applicable notice of redemption may no longer be withdrawn pursuant to Section 9.03), an acceleration of maturity of the Notes followed by the liquidation of any or all of the Collateral after an Event of Default or the entry into certain amendments to the Indenture without the consent of the Hedge Counterparty. The Hedge Agreement will not be permitted to be terminated by the Issuer as the result of a Default or

Event of Default unless any acceleration of maturity of the Notes resulting from the Event of Default is no longer permitted to be rescinded pursuant to this Indenture.

(m) Except for Hedge Agreements entered into on or before the Closing Date, the Issuer shall not enter into any Hedge Agreement unless the Rating Condition with respect to each Rating Agency is satisfied.
